**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2022**

1. STATUTORY INFORMATION

SESAC Holdings UK Ltd is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

The presentation currency of the financial statements is the US Dollar (\$), and rounded to the nearest dollar.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Preparation of consolidated financial statements

The financial statements contain information about SESAC Holdings UK Ltd as an individual company and do not contain consolidated financial information as the parent of a group. The company is exempt under Section 401 of the Companies Act 2006 from the requirements to prepare consolidated financial statements as it and its subsidiary undertaking are included by full consolidation in the consolidated financial statements of its parent, SESAC Holdco I LLC, 152 West 57th Street, 57th Floor, New York, NY 10019, USA.

Related party exemption

The company has taken advantage of exemption, under the terms of Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', not to disclose related party transactions with wholly owned subsidiaries within the group.

Investments in subsidiaries

Investments in subsidiary undertakings are stated at purchase cost of acquisition (including any incidental cost of acquisition) together with the amount of any loans advanced to those undertakings less impairment.

Where, in the opinion of the directors, there has been a diminution in the value of the investments appropriate provisions are made and charged to the profit and loss account.

Financial instruments

The company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS102 to all of its financial instruments.

Financial instruments are recognised in the company's balance sheet when the company becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Classification of financial liabilities

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into.

Basic financial liabilities

Basic financial liabilities, including creditors, and loans from fellow group companies are initially recognised at transaction price.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are initially recognised at transaction price.

Going concern

The company has net current liabilities of \$31,157 (2021 \$21,060) and has incurred a profit of \$47,111 (2021- loss \$2,599,578). Currently, the company is wholly reliant on group companies to provide the necessary funding for it to meet its obligations as they fall due. The directors have received assurances from the parent company that all necessary funding will be provided for the foreseeable future.
