## D&D Battersea PS Limited

### Directors' report

The directors present their report and the financial statements for the period ended 30 September 2020.

#### Directors

The directors, who served throughout the period and to the date of this report, were as follows:

D A L Gunewardena  
D M Loewi

#### Principal Activity

The principal activity of the company is the operation of the Fiume restaurant in Battersea which opened in November 2017.

#### Business Review

D&D Battersea PS Limited has changed the financial reporting period end to 30 September to better reflect the operational impact of COVID-19 and, as such, the financial statements are presented for a longer period of eighteen months. Comparative amounts for the year ended 31 March 2019 presented in the financial statements (including related notes) are not entirely comparable.

The directors consider the results for the period to be satisfactory in light of challenging market conditions.

The directors consider Turnover and EBITDAM (earnings before interest, taxation, depreciation, amortisation and management charges) as the key performance indicators for the company. Turnover for the period increased from £1,438,000 in 2019 to £1,609,000 in 2020. EBITDAM has decreased from a profit of £443,000 in 2019 to £243,000 in 2020.

The reconciliation between EBITDAM and profit before tax is shown below:

#### Reconciliation between EBITDAM and profit before tax

	18 months ended 30 September 2020 £'000	Year ended 31 March 2019 £'000
EBITDAM	243	443
Management Fees	(63)	(73)
Depreciation	(176)	(112)
Exceptional Items	(2)	-
Impairment of fixed assets	(867)	-
(Loss)/profit before tax	(865)	258

#### Results and Dividends

The profit and loss account is set out on page 10 and shows a loss before taxation for the period of £865,000 (31 March 2019: profit before taxation of £258,000). The directors did not recommend payment of a dividend in the period (31 March 2019: £nil).

#### Directors' indemnities

The company has made qualifying third party indemnity provisions for the benefit of its directors which were made during the period and remain in force at the date of this report.

## **D&D Battersea PS Limited**

### **Directors' report (continued)**

#### **Principal risks and uncertainties**

The company follows the mitigating activities of its parent company, Panther Partners Limited, to manage the principal risks and uncertainties, arising from both internal and external factors that could impact the company's performance. The risks below are discussed in its parent company's financial statements which are publicly available.

- Economic and market risk;
- Operational efficiency and cost control;
- Financing and treasury;
- Major operational risk; and
- Major health and safety risks.

#### **Post balance sheet events**

There have been no significant events affecting the company since the period end.

#### **Going Concern Basis**

During the period the company made an operating profit before exceptional and impairment costs of £4,000 (31 March 2019: £258,000 profit). The balance sheet shows net current assets before intercompany funding of £651,000 (31 March 2019: £557,000). The directors have adopted a going concern basis in preparing these accounts.

The company is party to funding arrangements covering various entities within the Panther Partners Limited group. The company has provided a cross-guarantee to this banking group and so is bound by the covenant requirements of the banking group as a whole. In assessing the going concern basis of preparation of the financial statements for the period ended 30 September 2020, the directors have taken into consideration detailed cash flow forecasts for the business within the wider banking group and the forecast compliance with bank covenants, which are set at a banking group level covering a period of at least 12 months from the date of approval of the financial statements. Cashflow forecasts have been prepared based on a range of scenarios including a lockdown event over the peak December trading period.

The directors are confident that the Group has adequate resources and cash liquidity headroom to continue in operation and withstand all but the most extreme potential downside scenarios for at least the next 12 months from the date of signing these accounts.

The company is dependent on the continuing provision of the financial support that it has received from its ultimate parent undertaking, Panther Partners Limited. The parent has committed to provide continuing support for at least the next 12 months from the date of signing these financial statements. The directors of both the company and parent undertaking have a reasonable expectation that the company and the parent undertaking will have access to adequate resources to continue in operational existence for the foreseeable future. For these reasons, they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

## **D&D Battersea PS Limited**

### **Directors' report (continued)**

#### **Directors' statements as to disclosure of information to auditor**

The directors who were members of the board at the time of approving the Directors' report are listed above and on page 1.

Each of the persons who is a director at the date of approval of this report confirms that:

- so far as the directors are aware, there is no relevant audit information of which the company's auditor is unaware; and
- the directors have taken all the steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that the company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of section 418 of the Companies Act 2006.

#### **Auditor**

BDO LLP have indicated their willingness to continue in office and a resolution to reappoint them as auditor will be put to the members at the Annual General Meeting.

Approved by the Board and signed on its behalf by:

D A L Gunewardena  
Director  
Date 24/11/2021

## **D&D Battersea PS Limited**

### **Directors' responsibilities statement**

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial period. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland." Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## **Independent auditor's report to the members of D&D Battersea PS Limited**

### **Opinion on the financial statements**

In our opinion:

- give a true and fair view of the state of the Company's affairs as at 30 September 2020;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements of D&D Battersea PS Limited ("the Company") for the period ended 30 September 2020 which comprise, the profit and loss account, the statement of income and retained earnings, the balance sheet, and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Independence**

We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the Directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Directors with respect to going concern are described in the relevant sections of this report.

### **Other information**

The Directors are responsible for the other information. The other information comprises the information included in the Annual Report and Financial Statements, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

## **Independent Auditor's Report to members of D&D Battersea PS Limited (CONTINUED)**

### **Other Companies Act 2006 reporting**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the directors' report for the financial period for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report have been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Director's report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion;

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- The Directors were not entitled to prepare the financial statements in accordance with the small companies' regime and take advantage of the small companies' exemptions in preparing the Directors' report and from the requirement to prepare a Strategic report.

### **Responsibilities of Directors**

As explained more fully in the Director's responsibility statement, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

### ***Extent to which the audit was capable of detecting irregularities, including fraud***

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

## **Independent Auditor's Report to members of D&D Battersea PS Limited (CONTINUED)**

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, our procedures included the following:

- enquiring of management and the directors, including obtaining and reviewing supporting documentation, concerning the company's policies and procedures relating to:

- identifying, evaluating and complying with laws and regulations and whether they were aware of any instances of non-compliance;
- detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected or alleged fraud; and
- the internal controls established by the company to mitigate risks related to fraud or non-compliance with laws and regulations.

- discussing among the engagement team, how and where fraud might occur in the financial statements and any potential indicators of fraud. As part of this discussion, we identified elevated risk areas for potential for fraud in the following areas:

- Management override of controls; and
- Government grant claims.

- obtaining an understanding of the legal and regulatory frameworks that the company operates in, focusing on those laws and regulations that had a direct effect on the financial statements or that had a fundamental effect on the operations of the company. The key laws and regulations we considered in this context included the UK Companies Act, UK Generally Accepted Accounting Principles, and relevant tax and employment legislation.

In addition to the above, our procedures to respond to risks identified included the following:

- reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with relevant laws and regulations noted above;
- enquiring of management, the directors and legal counsel concerning actual and potential litigation and claims;
- performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;
- reading minutes of meetings of those charged with governance, reviewing correspondence with HMRC; and
- addressing the risk of fraud through management override of controls by, testing the appropriateness of journal entries including journal entries posted to revenue and other adjustments; assessing whether the judgements made about assumptions reflected in accounting estimates are indicative of a potential bias; and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business;
- addressing the risk of fraud in Government grant claims by assessing the controls and governance procedures in place for each claim made, by recalculating a sample of claims, verifying the claims, receipts and payments made in regard of payroll related claims, and involving specialists to assess the claims made.

Our audit procedures were designed to respond to risks of material misstatement in the financial statements, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery, misrepresentations or through collusion. There are inherent limitations in the audit procedures performed and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we are to become aware of it.

A further description of our responsibilities for the audit of the financial statements is located at the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

## **Independent Auditor's Report to members of D&D Battersea PS Limited (CONTINUED)**

### **Use of our report**

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

The financial statements of D&D Battersea PS Limited (registered number 10608978) were approved by the Board of Directors and authorised for issue on 24/11/2021

Signed on behalf of the Board of Directors

D A L Gunewardena

The notes on pages 12 to 21 form part of these financial statements.

## **D&D Battersea PS Limited**

### **Notes to the financial statements For the period ended 30 September 2020**

#### **1. Significant accounting policies**

##### **General Information**

D&D Battersea PS Limited is a private company limited by shares incorporated in England & Wales under the Companies Act. The address of the registered office is given on the contents page and the nature of the company's operations and its principal activities are set out in the directors' report.

##### **Basis of preparation of financial statements**

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and Republic of Ireland and the Companies Act 2006.

The financial statements are prepared in pounds sterling, which is the functional currency of the company. Monetary amounts in these financial statements have been rounded to the nearest £000's, unless otherwise stated.

The following principal accounting policies have been applied:

##### **Leases and Lease incentives**

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the lease term.

Benefits received and receivable as an incentive to sign an operating lease are recognised on a straight line basis over the lease term, unless another systematic basis is representative of the time pattern of the lessee's benefit from the use of the leased asset.

The company has taken advantage of the optional exemption available on transition to FRS 102 which allows lease incentives on leases entered into before the date of the transition to the standard 01 April 2015 to continue to be charged over the period to the first market rent review rather than the term of the lease.

During the year the Company has received a rent concession on one of the leased properties. In accordance with the amendment to FRS 102 the group has recognised the change in lease payments over the period that the change is intended to compensate where the following conditions are met:

- the change in lease payments results in revised consideration for the lease that is less than the consideration for the lease immediately preceding the change;
- any reduction in lease payments affects only payments originally due on or before 30 June 2021; and
- there is no significant change to other terms and conditions of the lease.

##### **Going concern**

During the period the company made an operating profit before exceptional and impairment costs of £4,000 (31 March 2019: £258,000 profit). The balance sheet shows net current assets before intercompany funding of £651,000 (31 March 2019: £557,000). The directors have adopted a going concern basis in preparing these accounts.

## **D&D Battersea PS Limited**

### **Notes to the financial statements (continued)**

#### **For the period ended 30 September 2020**

##### **1. Significant accounting policies (continued)**

###### **Going Concern (continued)**

The company is party to funding arrangements covering various entities within the Panther Partners Limited group. The company has provided a cross-guarantee to this banking group and so is bound by the covenant requirements of the banking group as a whole. In assessing the going concern basis of preparation of the financial statements for the period ended 30 September 2020, the directors have taken into consideration detailed cash flow forecasts for the business within the wider banking group and the forecast compliance with bank covenants, which are set at a banking group level covering a period of at least 12 months from the date of approval of the financial statements. Cashflow forecasts have been prepared based on a range of scenarios including a lockdown event over the peak December trading period.

The directors are confident that the Group has adequate resources and cash liquidity headroom to continue in operation and withstand all but the most extreme potential downside scenarios for at least the next 12 months from the date of signing these accounts.

The company is dependent on the continuing provision of the financial support that it has received from its ultimate parent undertaking, Panther Partners Limited. The parent has committed to provide continuing support for at least the next 12 months from the date of signing these financial statements. The directors of both the company and parent undertaking have a reasonable expectation that the company and the parent undertaking will have access to adequate resources to continue in operational existence for the foreseeable future. For these reasons, they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

###### **Turnover**

Turnover represents sales to outside customers at invoiced amounts excluding discretionary service charge and Value Added Tax.

Turnover is recognised when the significant risks and benefits of ownership of the products have transferred to the buyer. This will occur through the provision of restaurant services and sale of goods, and will be upon the completion of a sale to customers.

###### **Government Grant Income**

The Company recognises an unconditional government grant related to the Coronavirus Job Retention Scheme as Other Income when the grant becomes receivable. Grants that compensate the Company for expenses incurred are recognised in profit or loss on a systematic basis in the periods in which the expenses are recognised. At the period end any deferred element of grants is included in creditors as deferred income. The group has not directly benefitted from any other forms of government assistance.

###### **Exceptional Items**

Exceptional items are those outside the normal course of business both for costs and income.

###### **Financial Assets**

Financial assets, other than investments and derivatives, are initially measured at transaction price (including transaction costs) and subsequently held at cost, less any impairment.

###### **Tangible fixed assets**

Tangible fixed assets are included at cost, less accumulated depreciation and any provision for impairment. Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight-line method. Depreciation is provided on the following basis:

Leasehold improvements	–	over the shorter of the period of the lease and 25 years
Plant and equipment	–	over 4 years
Fixtures, fittings and equipment	–	over 10 years

## **D&D Battersea PS Limited**

### **Notes to the financial statements (continued)**

#### **For the period ended 30 September 2020**

##### **1. Significant accounting policies (continued)**

###### **Impairment**

Fixed assets and goodwill are assessed at each reporting date to determine whether there is any indication that the assets are impaired. Where there is any indication that an asset may be impaired, the carrying value of the asset (or cash-generating unit to which the asset has been allocated) is tested for impairment. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's (or CGU's) fair value less costs to sell and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (CGUs). Fixed assets that have been previously impaired are reviewed at each reporting date to assess whether there is any indication that the impairment losses recognised in prior periods may no longer exist or may have decreased, except for goodwill where impairment losses previously recognised are not reversed.

###### **Stocks**

Stocks consist of raw materials and consumables, crockery, linen and staff uniforms. Raw materials and consumables are stated at the lower of cost and net realisable value on a first-in, first-out basis.

###### **Cash**

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours.

###### **Debtors**

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

###### **Creditors**

Short term creditors are measured at the transaction price. Other financial liabilities are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

###### **Financial Liabilities**

Financial liabilities and equity are classified according to the substance of the financial instrument's contractual obligations, rather than the financial instrument's legal form. Financial liabilities, excluding convertible debt and derivatives, are initially measured at transaction price (after deducting transaction costs) and subsequently held at amortised cost.

###### **Reserves**

The company's reserves are as follows:

- Called up share capital reserve represents the nominal value of the shares issued.
- Profit and loss account represents the cumulative profits or losses, net of dividends paid and other adjustment

###### **Pension costs and other post-retirement benefits**

The company does not operate its own pension scheme. The company makes contributions to certain senior employees' personal pension schemes, which are charged to the profit and loss account as they fall due. The Group operates a defined contribution scheme. The assets of the plan attributable to individuals participating in the plan are independently administered and managed by The People's Pension. The amounts charged against profit represent the contributions payable to the scheme in respect of the accounting period.

## **D&D Battersea PS Limited**

### **Notes to the financial statements (continued) For the period ended 30 September 2020**

#### **1. Significant accounting policies (continued)**

##### **Taxation and deferred taxation**

Corporation tax is provided on taxable profits at the current rate, using the tax rates applicable.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date and will result in an obligation to pay more, or a right to pay less or to receive more tax, with the following exceptions:

- provision is made for deferred tax that would arise on remittance of the retained earnings of overseas subsidiaries, associates and joint ventures only to the extent that, at the balance sheet date, dividends have been accrued as receivable; and
- deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

#### **2. Critical accounting judgements and key sources of estimation uncertainty**

In the application of the Company's accounting policies, which are described in note 1, the directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

In the preparation of the accounts the directors have made appropriate assessments and are of the opinion there are no critical accounting judgements or key sources of estimation uncertainty.

#### **3. Turnover**

Turnover, attributable to continuing operations, is derived from the sale of food, wines, spirits, beverages and sundry items. The origin and end destination of all turnover was the United Kingdom.

**D&D Battersea PS Limited****Notes to the financial statements (continued)  
For the period ended 30 September 2020****4. Operating profit**

Operating profit is stated after charging/(crediting):

	18 months ended 30 September 2020 £'000	Year ended 31 March 2019 £'000
