Statement of directors' responsibilities

The directors are responsible for preparing the Strategic report, Directors' report and the financial statements in accordance with the Companies Act 2006, applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 "The Financial Reporting Standard Applicable in the UK and Republic of Ireland" ("FRS102").

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that year. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards, including FRS 102 have been followed, subject to any material departures disclosed and explained in the financial statements; and
- notify its shareholders in writing about the use of disclosure exemptions, if any, of FRS 102 used in the preparation of financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

General information

The Company is a private company limited by shares, incorporated and domiciled in the United Kingdom and registered in England and Wales. The address of its registered office is 1 Bartholomew, London, England, EC2N 2AX.

Basis of preparation

The financial statements are prepared on a basis other than going concern under the historical cost convention in accordance with the Companies Act 2006 and applicable accounting standards. The Company has adopted and is in compliance with Financial Reporting Standard 102 ("FRS 102"). The accounting policies which have been applied consistently throughout the year to the Company's financial statements are set out below.

Taxation

Current tax, including UK corporation tax and foreign tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Going concern

In order to form a view as to the most appropriate basis of preparation of these financial statements, the director has assessed the likelihood of whether the Company will be able to continue trading over the foreseeable future versus the likelihood of either intending to or being forced to either cease trading or putting the Company into liquidation.

The Subsidiary has redeemed all of the Notes outstanding together with accrued interest and has therefore ceased trading. The accounts have been prepared on a basis other than going concern as the Company will be liquidated within the next year.
