Statement of Directors' responsibilities

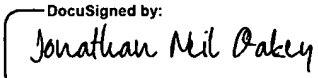

The directors are responsible for preparing the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

5 ACCOUNTING POLICY

In line with RICS (Royal Institute of Chartered Surveyors) guidance on accounting for service charge income, dormant accounts have been prepared for the financial period ending 31 March 2021.

As the service charge fund is held in trust for the contributors to the fund, it is not a part of the assets of the residents company and should not therefore be shown in the balance sheet. Equally the income and expenditure relates to the fund and not to the residents company, therefore dormant accounts are applicable.

Income and expenditure into and out of the service charge fund for the accounting period is fully disclosed in the audited service charge accounts.
