GALILEO MULTI ACADEMY TRUST

(A Company Limited by Guarantee)

TRUSTEES' REPORT FOR THE YEAR ENDED 31 AUGUST 2022

The Trustees present their annual report together with the financial statements and auditors' report of the charitable company for the year 1 September 2021 to 31 August 2022. The annual report serves the purposes of both a Trustees' report and a directors' report under company law.

The Multi Academy Trust operates ten primary schools in the Redcar and Cleveland area for pupils aged 2 to 11. The Trust has a pupil capacity of 3,249 and had a roll of 3,156 in the school census on 20 January 2022.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Constitution

The Academy Trust is a company limited by guarantee and an exempt charity. The charitable company's memorandum and articles of association are the primary governing documents of the academy trust. The Trustees of Galileo Multi Academy Trust are also the directors of the charitable company for the purposes of company law. The charitable company operates as Galileo Multi Academy Trust.

Details of the Trustees who served during the year, and to the date these financial statements are approved, are included in the Reference and administrative details on page 1.

· Members' liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

• Trustees' indemnities

A trustee may benefit from any indemnity insurance purchased at the academy trust's expense to cover liability of the trustees, which by virtue of any rule of law would otherwise attach to them in respect of any negligence, default or breach of trust or breach of duty of which they may be guilty in relation to the academy trust. This is provided that any such insurance shall not extend to any claim arising from any act or omission which the trustees knew to be a breach of trust, or breach of duty or which was committed by the trustees in reckless disregard to whether it was a breach of trust or breach of duty or not, and provided also that any such insurance shall not extend to the costs of any unsuccessful defence to a criminal prosecution brought against the trustees in their capacity as directors of the academy trust.

In accordance with normal commercial practice the Trust has purchased insurance to protect Trustees and Officers from claims arising from negligent acts, errors or omissions occurring whilst on Trust business. The Trust joined the Government's 'Risk Protection Arrangement' (RPA) Scheme on 1st September 2021 and this provides Trustee Indemnity cover up to £10,000,000. This arrangement remained in place throughout the reporting period.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2022

STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

• Method of recruitment and appointment or election of Trustees

The number of Trustees shall be not less than eight, but (unless otherwise determined by ordinary resolution) shall not be subject to any maximum.

All Trustees upon their appointment or election and before exercising any duties as a Trustee shall give a written undertaking to the Site Trustees and the Diocesan Board of Education to uphold the Object of the Company.

Subject to Articles 48-49 and 53, the Company shall have the following Trustees:

- (a) No fewer than 8 Trustees, appointed under Articles 50 and 50A combined; and
- (b) A minimum of 2 Parent Trustees elected or appointed under Articles 53-56 in the event that no Local Governing Bodies are established under Article 100(a) or if no provision is made, or is planned, for at least 2 Parent Local Governors on each established Local Governing Body pursuant to Article 101A.

The Academy Trust may also have any Co-opted Trustee appointed under Article 58. The first Trustees shall be those persons named in the statement delivered pursuant to sections 9 and 12 of the Companies Act 2006.

Future Trustees shall be appointed or elected, as the case may be, under these Articles. Where it is not possible for such a Trustee to be appointed or elected due to the fact that an Academy has not yet been established, then the relevant Article or part thereof shall not apply.

APPOINTMENT OF DIRECTORS

The Members shall appoint by ordinary resolution no fewer than six Trustees.

The Diocese of York Educational Trust shall appoint at least two (and in its absolute discretion may appoint more than two) Trustees provided that where the Academies comprise only schools that had been Community Schools and Voluntary Controlled schools as defined by the Education Acts the total number of Trustees appointed under this Article shall not exceed 25% of the total number of Trustees.

The total number of Trustees who are employees of the Company shall not exceed one third of the total number of Trustees.

In any circumstances where the Secretary of State is entitled to serve a warning notice under the Relevant Funding Agreement or in the opinion of the Diocesan Board of Education the standards or the ethos of any Church of England Academy have fallen unacceptably low then the Diocesan Board of Education may stipulate that one or more additional Trustees nominated by it shall be appointed to the board of the Company and may take the number of Trustees appointed under Article 50A above 25%.

Where the relevant Church of England Academy has improved and is no longer eligible for a warning notice or is no longer ineffective following an inspection under Section 48 of the Education Act 2005, the Company may remove the additional Trustees appointed under Article 50C having first consulted the Diocesan Board of Education.

The Board carries out a skills audit of Trustees annually to inform the recruitment process which helps advises both recruitment and Trustee development.

During the reporting period, two Trustee appointments have been made following the resignation of two existing Trustees. The newly appointed Trustees have been appointed based on their skills, experience, and knowledge of Multi Academy Trust governance processes.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2022

STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

An open, transparent, and accountable system of recruitment, and appointment process has been put in place to ensure consistency of process accompanies the appointment of Trustees. The appointment of highly skilled and experienced Trustees means that the Trust is well governed and that accountability, at all levels of the Trust, is at the heart of the Trust's journey. All usual compliance protocols, with regards to safeguarding and recruitment have been used to appoint the new Trustees.

• Policies adopted for the induction and training of Trustees

The Academy Trust conducted a tender exercise and appointed Redcar & Cleveland Borough Council from 1st January 2021 to provide external support for both Governor and Trustee training which is linked to the aforementioned self-review of performance, and findings of the skills' audit.

All new Trustees are provided with copies of policies, procedures, minutes, management accounts, budgets, and other documents they need to undertake their role as Trustees, along with a copy of the latest Academies Financial Handbook.

• Organisational structure

The Academy Trust has established a management structure to enable efficient and effective running of the organisation. The structure consists of four levels: Members, the Board of Trustees, the Executive team (CEO and CFOO) who are the senior leadership team of the Academy Trust, and the Local School Boards. Decision making across the Trust is outlined in the Academy Trust's scheme of delegation.

Members have an important role in oversight of Multi Academy Trust. Members are required to have an overview of the governance arrangements of the Academy Trust and provide independent oversight and challenge to the Board of Trustees. Members are "eyes on and hands off." They are responsible for (amongst other things) appointment of (Member appointed) Trustees, appointing the external Auditor and amending (subject to necessary consents) the articles of association.

Trustees are responsible for directing the Academy Trust's operations and are responsible for making key strategic decisions and providing strategic leadership, oversight and assurance for educational and financial performance. Their core functions include:

- Ensuring clarity of vision, ethos and strategic direction;
- Holding executive leaders to account for the educational performance of the organisation and its pupils, and the effective and efficient performance management of staff; and
- Overseeing the financial performance of the organisation and making sure it's money well spent.

The Board's responsibilities include setting the policy and delegation framework for the Academy Trust, adopting an annual plan and budget approval, monitoring the impact of the Trust on educational outcomes, making major decisions about the direction of the Trust, oversight of capital expenditure and making/approval of certain key leadership appointments.

The Executive Team, each being members of the Academy Trust's senior Leadership team, consists of the following.

- The Chief Executive Responsible for setting the overall direction of the Academy Trust; leading the
 development and execution of long-term strategies, managing resources, risk management and
 communicating, on behalf of the Trust, with both internal and external stakeholders.
- Chief Financial & Operating Officer Responsible for leading and managing the Financial and
 operational aspects of the Academy Trust. Providing strategic and operational leadership in all aspects of
 business activities within the Academy Trust's schools, and being accountable for the operation,

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2022

STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

maintenance and development of systems, processes and procedures relating to budget, finance, administration, HR, premises, including ICT and health and safety.

The Head Teachers are responsible for the day-to-day running of their school (assisted by the school's senior leadership team).

Each academy has its own Local School Board. The LSB are sub-committees of the main Trust Board. The Board of Trustees have delegated certain of its functions to the LSB to ensure that there is scrutiny, and accountability, at the local level. The delegations made by the Board of Trustees are contained within the Trust Scheme of Delegation that was approved by the Trust Board on 14th July 2020.

Further details of the delegations in place can be found in the key information section of the Trust's website.

· Arrangements for setting pay and remuneration of key management personnel

The Board's approach to setting the pay of the senior leadership team must be transparent, proportionate and justifiable.

The Executive Team at the end of the reporting period comprised the Chief Executive Officer and Chief Financial & Operating Officer. Neither Trustees nor Members receive remuneration for executing their role.

Both members of the Executive Team are subject to an individual performance review, which is carried out in accordance with the relevant policies. This policy is used to determine the pay and remuneration.

Any future review of pay and remuneration will be considered alongside the factors set out in the then relevant Academies Financial Handbook. For 2022 the requirements are as follows:

- Process that the procedure for determining executive pay and benefits is agreed by the board in advance and documented
- Independence decisions about executive pay reflect independent and objective scrutiny by the board and that conflicts of interest are avoided
- Robust decision-making factors in determining pay and benefits are clear, including whether educational and financial considerations, and the degree of challenge in the role, have been considered
- Proportionality Pay and benefits represent good value for money and are defensible relative to the public sector market
- Commercial Interests Ensure the board is sighted on broader business interests held by senior
 executives, and is satisfied that any payments made by the trust to executives in relation to such interests
 do not undermine the transparency requirements for disclosing pay in accordance with the Academies
 Accounts Direction
- Documentation the rationale behind the decision-making process, including whether the level of pay reflects value for money, is recorded and retained
- A basic presumption that non-teaching pay should not increase at a faster rate than that of teachers, in individual years and over the longer term
- Understanding that inappropriate pay can be challenged by ESFA, particularly in any instance of poor financial management of the trust

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2022

STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

• Engagement with employees (including disabled persons)

As an employer of over 250 employees the Academy Trust has introduced and developed its provision of information and consultation with employees through staff meetings and briefings, as well as formal correspondence to inform staff of developments. Through these arrangements, staff are provided with information relating to the performance of the Academy Trust and the school.

Furthermore, Superfast broadband has been successfully implemented within all schools. This has facilitated the implementation of a 'staff portal' which can be accessed by all Trust employees, Governors and Trustees through the new Trust website. The Trust portal allows colleagues to securely share policies, meeting notes, best working practice and any Trust wide communication.

The Trust has also facilitated the migration of a new internet telephony system across all sites. The Trust views the facilitation of the new telephony system important progression as call charges are expected to reduce significantly with school-to-school calls now free.

Led by the CEO, Trust representatives meet termly with the JCC (Joint Consultative Committee) which is represented by both teaching and support staff unions. The committee reviews relevant policies prior to full consultation with staff, and all policies are available to staff via the Trust's new portal.

The Academy Trust complies with the requirements of the Equality Act 2010. Each school has disabled toilet facilities and ensures access to the main areas of each school are accessible to wheelchair users. The Academy Trust's application form underpins the trust's diversity values whereby the Academy Trust encourages positivity in respect of disability and welcomes applications from disabled people. The Academy Trust will make reasonable adjustments to the recruitment process if the applicant makes the Academy Trust aware they have a disability, while our recruitment policy ensures the recruitment of all staff is conducted in a fair manner, in accordance with statutory requirements and good practice. Training opportunities, career development and promotion opportunities apply to all staff equally.

Related parties and other connected charities and organisations

As an Academy Trust that includes Church of England schools in the Diocese of York, the Diocese of York Educational Trust is included as one of the Academy Trust Members. The York Diocesan Board of Education (YDBE) is also entitled to appoint a limited number of Trustees (please see above).

The York Diocesan Board of Finance Limited (company number 00225234) provides services to Church of England schools in the Academy Trust, being in relation to essential functions fundamental to the religious character and ethos of those schools, under the YDBE Service Level Agreement (SLA). Payments under the SLA for the relevant period total £1,790 (2021: £1,490).

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2022

OBJECTIVES AND ACTIVITIES

Objects and aims

The principal object and activity of the Academy Trust is to advance education in the UK for the public benefit, in particular by maintaining, evolving, managing and developing academies which offer a broad and balanced curriculum.

In doing this, the Academy Trust is responsible for the operation of ten primary schools across the Redcar and Cleveland area.

This includes two Church of England academies, which are required to be conducted in accordance with the principles, practices and tenets of the Church of England both generally and in particular in relation to arranging for religious education and daily acts of worship. The York Diocesan Board of Education (YDBE) works closely with the Church of England schools in the Academy Trust, supported by the Board of Trustees, to ensure that the Church of England foundation of the schools' Christian foundations are preserved and developed. The YDBE, through its work, seeks to build flourishing communities in its schools, parishes and homes where every child, young person and those who care for them has a transforming encounter with the Christian faith and the person of Jesus Christ. This takes as its starting point the words of Jesus, who said that he came so that all may have 'life in all its fullness' (John 10:10). The YDBE is committed to Church schools working in partnership with Community schools for the benefit of the localities they serve.

The Academy Trust seeks to be a leading provider of education, recognised for its core values, ensuring each and every pupil thrives, develops a love for learning, and is prepared to take their next steps in life. The Academy Trust's newly defined values are: Ambition, Inclusion and Integrity.

It is expected that all leaders, teachers, staff, parents and children alike embrace the Trust's values to complement each individual school's values and visions.

The Academy Trust embraces school to school support and the sharing of good practice throughout the Trust. Each school and each individual is included in the vision. The Academy Trust actively encourages collaboration and seeks to work as one team to create and deliver the best possible education experiences for each pupil within the Trust. We aim to work together to benefit the communities which we serve.

• Objectives, strategies and activities

The Trust is committed to improving educational outcomes, and life chances for its pupils. School improvement is at the heart of the Trust and was a priority for the 2021/22 reporting period.

To achieve the Trust's priority, the Board put in place the following objectives:

- 1. GMAT has established shared vision and values
- 2. GMAT has an agreed strategic plan
- 3. All schools safely re-open following the COVID pandemic
- 4. Trust wide school improvement priorities identified and delivered
- 5. School improvement priorities set, and leads identified
- 6. Ensure schools are 'inspection ready' against the new OFSTED framework via an external school improvement review and Church schools are 'inspection ready' against the new SIAMs framework.
- 7. Ensure Trust and school level policies have been reviewed and rationalised.
- Review Central catering services and ensure a high quality, compliant and cost neutral operating model is in place.
- Carry out skills audit out for all Trustees and Governors, ensuring all mandatory training is complete and a full training plan is established

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2022

OBJECTIVES AND ACTIVITIES (continued)

- 10. Identify staff professional development and training priorities
- Re-design and build Trust and school websites to ensure compliance, and an agreed level of consistency.

Progress against each of the objectives is detailed below, along with the strategies for achieving them.

GMAT has established shared vision and values

The Academy Trust has established shared vision and values and will continue to embed both strategically and operationally. This was achieved by the CEO presenting a clearly articulated strategic plan to the Academy Trust Board at a Trustee Strategy Day in May 2021. The plan set out a shared vision, mission, and Trust values alongside immediate and medium-term priorities identified to meet the longer term aims and objectives for the Academy Trust.

The strategic plan was subsequently agreed by the Academy Trust Board in September 2021 and rolled out via a clear roadmap designed to ensure all Galileo staff members understand the role they play in achieving Trust wide outcomes.

To coincide with the launch of the strategic plan the Academy Trust also rolled out a revised Trust logo. The logo aims to encapsulate the Trust values and depicts a child aiming for the stars and striving for greatness. The Trusts new values which include Ambition, Inclusion, and integrity are now included on Academy Trust livery.

2. GMAT has an agreed strategic plan

The CEO presented a strategic plan to the Trust Board at a Trustee Strategy Day in May 2021 and was subsequently agreed by the Trust Board in September 2021. There are a number of delivery plans which are regularly monitored to check progress including school development plans which share common strategic objectives.

The plan has now been updated to include 2022/23 strategic goals.

All schools safely re-open following the COVID pandemic

All schools safely re-opened and have a robust COVID-19 impact analysis with recovery interventions as an integral part of school development plans, including remote and blended learning. All schools are prepared for further disruption as far as possible and continue to be prepared for remote learning through the school development plan.

4. Trust wide school improvement priorities identified and delivered

Initial Trust wide school improvement priorities have been successfully delivered and a consistent quality assurance and review system is in place to drive and provide structure the wider raising standards plan. School improvement will continue to be a strategic priority in 2022/23 and will be delivered through the Rising Standards and School Development plans.

5. School improvement priorities set, and leads identified

School improvement priorities are set, and leads identified. Priorities will be delivered via the Trust's Raising Standards Plan in line with the aforementioned quality assurance and review system. Priorities are currently being re-assessed for the 2022/23 academic year.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2022

OBJECTIVES AND ACTIVITIES (continued)

6. Ensure schools are 'inspection ready' against the new OFSTED framework via an external school improvement review and Church schools are 'inspection ready' against the new SIAMs framework.

Schools are 'inspection ready' improvement priorities are set, and leads identified. Priorities will be delivered via the Trust's Raising Standards Plan in line with the aforementioned quality assurance and review system. Three schools within the Trust received OFSTED inspections during the reporting period and one school received a SIAMs inspection.

7. Ensure Trust and school level policies have been reviewed and rationalised.

All Trust and School level policies have been reviewed and rationalised. A tracking, review and compliance checking system is in place.

8. Review Central catering services and ensure a high quality, compliant and cost neutral operating model is in place.

The Trust carried out a full and transparent tender process to outsource catering services towards the end of the reporting period resulting in the appointment of a specialist catering firm to manage the service from 1st September 2022. The in-house Catering service was tightly managed throughout the year and delivered a £5k surplus.

9. Carry out skills audit out for all Trustees and Governors, ensuring all mandatory training is complete and a full training plan is established

A skills audit has been carried out for all Trustees and Governors, mandatory training is complete, and a full training plan put in place. A review of Trust Board and LSB roles and responsibilities was completed to avoid duplication and confusion.

10. Identify staff professional development and training priorities

Middle leadership training priorities have been identified and a development plan put in place with timebound objectives. Professional development plans are currently being revised for academic year 2022/23.

11. Re-design and build Trust and school websites to ensure compliance, and an agreed level of consistency

Trust and school websites were redesigned and built to ensure they are compliant, user-friendly and have an agreed level of consistency.

Public benefit

In setting objectives and planning for activities, the Trustees have given due consideration to, and complied with, general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

The Trust's aims and activities are specifically for the public benefit.

The direct beneficiaries for the reporting period were mainly pupils and families living within the administrative boundary of Redcar and Cleveland Borough Council, which is the catchment area of member schools. Admission to member schools is determined by pre-determined criteria of eligibility, which is primarily based on location of residence. The admission process does not allow for selection by ability.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2022

STRATEGIC REPORT

ACHIEVEMENTS AND PERFORMANCE

Key performance indicators

The Trust has progressed toward all of its strategic objectives 2021-2024 as summarised on pages 9-10, a delivery plan citing the immediate priorities in 2021/22 was monitored by the Trust Board.

The senior leadership team which includes all headteachers has grown in strength and capacity and is driving improvement as a single organisation whilst respecting the individual character of each school. It remains fully committed to the future success of the Galileo MAT with shared vision and values and agreed strategic priorities.

The Trust schools have aligned in several areas ensuring we are more than the sum of our parts, pooling and sharing expertise and resource. We introduced a new live MIS (Arbor) and have adopted a Trust Assessment Strategy including standardised assessments (GL Assessments) which means consistency in recording and reporting progress and attainment across all schools and cohorts.

Cross Trust CPD including a shared PD Day has focussed this year on curriculum and subject leader development. As such curricula across the Trust better meets the needs of our children, and colleagues are supported in their leadership of subjects. External school reviews have focussed on curricula and marked improvements were noted, a Trust wide curriculum statement has been agreed and recent Ofsted deep dives have validated this work.

GMAT Average	72.0%	81.0%	70.1%	64.4%	70.7%	83.2%	77.1%	81.0%	71.0%
National Average	-	75.0%	67.0%	58.0%	58.0%	74.0%	78.0%	79.0%	59.0%

Y1 Phonics

The **Trust average this year was 81%**, down from 85% in 2019, however exceeded the national average of 75%. Five schools had fewer Y1 children passing the phonics screen than in 2019, although the variation in actual pupil numbers is minimal.

Y2 Core Subject Attainment

At Trust level, the percentage of children achieving ARE or better in all three core subjects separately and combined is **lower than in 2019** but **higher than the national average** in 2022 (as defined by FFT based on 640 school returns).

Four schools are below the Trust and national average in all three subjects: Green Gates; Lakes; John E Batty and St Peter's. All four schools have a higher-than-average proportion of Year 2 children eligible for PP and three have a higher-than-average proportion with SEND. Those children eligible for PP, with SEND or both have been disproportionately negatively affected by school closures during the pandemic. Premium funding targets these children to ensure their progress is accelerated and they are reviewed separately and more frequently than the rest of the cohort to ensure strategies are have an impact. Core subjects will continue to be school improvement priorities in 2022/23.

The attainment gap between children with SEND (21% of the Year 2 cohort) and those without, appears wide at 54 percentage points in reading, 63 percentage points in writing and 57 percentage points in maths. A network of SENCOs has been established and SEND practice will be reviewed across the Trust in 22/23 to ensure consistency and good standards in all schools.

The attainment gap between children eligible for PP (32% of cohort) and those not, in Year 2, was 29 percentage points in reading, 30 in writing and 29 in maths. This gap appears wide and the impact of Covid restrictions will continue to be a priority in the coming year.

Y6 Core Subject Attainment

At Trust level, reading performed slightly better in 2022 than 2019 and significantly better than the 2022 national average (82.9% against 74%). The percentage of children in the Trust achieving ARE or better in writing and maths and in RWM combined is lower in 2022 than in 2019, but higher than the national average in maths and combined in 2022.

Two schools are below the Trust and national average in all three subjects: Lakes and New Marske. Both schools have a higher-than-average proportion of Year 6 children eligible for PP and one (Lakes) has a higher-than-average proportion with SEND. It is worth noting however, that there are other schools within the Trust that have higher proportions of children eligible for PP or who have SEND (or both) that have produced stronger results.

New Marske in particular, has been disproportionately affected by pupil and staff absence in 21/22. It is a small school so planned recovery interventions have not been regularly and consistently delivered as staff have had to provide classroom teacher cover. In summer term, although there are a number of staff on long term sick, the implementation of the NTP and other 'catch up' provision has been possible, the impact of which has been carefully monitored and is positive.

In all schools and year groups premium funding is being used to ensure progress and attainment gaps between cohorts are addressed. All data will be scrutinised to support school improvement strategies in 22/23.

As with KS1, autumn term predictions for end year position were largely accurate (77% of measures within 3 pupils).

The attainment gap between children with SEND (19% of the Year 6 cohort) and those without, is narrower than that of KS1 at 33 percentage points in reading, 48 percentage points in writing and 38 percentage points in maths. Nevertheless, we need to properly understand these differences to ensure children with SEND are achieving their potential. As mentioned above, a network of SENCOs has been established and SEND practice will be reviewed across the Trust in 22/23 to ensure consistency and good standards in all schools.

The attainment gap between children eligible for PP (32% of cohort) and those not, in Year 6 is narrower than that of KS1 at 17 percentage points in reading, 18 in writing and 18 in maths. The gap although narrowing as children progress through school remains, closing it will be a Trust wide priority in 22/23.

Y6 Progress Scores

School Name	Reading	Writing	Maths
Coatham	-0.4	0.3	-0.9
Galley Hill	0.5	-0.4	-0.2
Green Gates	3.9	2.2	4.2
Ings Farm	0.7	-0.2	1.1
John E Batty	-1.2	-1.9	-1.1
Lakes	-2.7	-0.3	-0.4
New Marske	-1.6	-3.3	-2.8
St Peter's (incl SEND unit)	1.9	3.0	4.2
Westgarth	-0.4	0.1	1.5
Wheatlands	1.9	1.0	-0.3
GMAT	0.4	0.2	0.7

Progress results from Y1 to Y6 across the Trust are variable, however most measures fell within the confidence levels of 0 (national average). John Batty, Lakes and New Marske pupils did not progress as well as expected. Increased focus within school development plans to ensure tracking, intervention and SEND provision are having impact.

Ofsted Judgements

School	Ofsted date / type	Overall effectiveness	Judgement for Quality of education (where applicable)	Behaviour and attitudes (where applicable)	Personal development (where applicable)	EYFS (where applicable)

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2022

STRATEGIC REPORT (continued)

ACHIEVEMENTS AND PERFORMANCE (continued)

The Trust uses agreed high level, key performance indicators (KPIs) to monitor the overall financial performance of the Trust. The KPIs used were agreed by the Finance & Resources Committee and reviewed annually following the year end audit. The results are then benchmarked against similar size Trusts and compared to the Kreston Report, and ESFA School Resource Management self-assessment (SRM).

The Trust also submits a detailed report to ESFA each year comparing each school to the SRM tool data. This covers a number of financial KPI metrics, which helps the Trust focus on areas that require further investigation or need addressing from an efficiency standpoint.

On the whole staffing costs across the Trust are managed within recommended ESFA benchmark levels and the staffing to pupil ratios are also within recommended guidelines. Staff costs were slightly lower than planned in 2021/22 which was predominately due to the over-estimation of teaching staff incremental pay at budget setting.

Only three schools have a significant in-year adverse staffing variance; these include: New Marske, JE Batty, and Westgarth. This was due to unprecedented levels of staff absence at all three schools resulting in high level supply costs. Additionally, Westgarth school carried forward £10.5k of COVID Recovery premium from last financial year which they utilised by employing support staff on fixed-term contracts.

Non-staff costs were higher than planned in the reporting period, due to increased agency costs and costs associated with COVID recovery, for which the Trust received unbudgeted additional income.

Non-staff costs were also adversely affected by unprecedented energy costs and other inflationary pressures for schools. Energy costs were 42.8% over budget, which equates to £76.5k.

Costs are continuously being benchmarked and the best deals sought after. Further efficiency opportunities will be exploited in the next financial year when long-standing contracts end presenting the opportunity to harmonise more services across the Trust. National deals are used where possible.

Going concern

After making appropriate enquiries, the Board of Trustees has a reasonable expectation that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future.

For this reason they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2022

STRATEGIC REPORT (continued)

FINANCIAL REVIEW

Reserves policy

Galileo Multi Academy Trust is expected to create contingency reserves from their annual General Annual Grant (GAG) funding or other income. During the early years of operation of the Trust (with the first schools joining in April 2018), GAG funding levels created little opportunity to achieve a surplus. However, embedding tight financial controls have helped deliver surpluses over time through joint procurement, economies of scale and additional income generation resulting in the Trust generating a healthy reserves position.

The Trust's Reserves policy outlines the requirement for a revenue/capital reserve within the Trust to help ensure development plans and strategic long terms aims are achieved. The reserves held are intended to carry forward a prudent level of resources designed to meet the long-term cyclical needs of renewal and any other unforeseen contingencies.

The Reserves policy sets out how much the Trust seeks to hold in reserve and why, how, and when the reserves can be spent.

Any in year surplus becomes part of the school's reserves and any reserves held by the Trust are considered to be funds deployed at the discretion of the Trust's Executive Team with appropriate Board approval, and within the Trust's scheme of delegation.

Any in year surplus monies can be deployed at the discretion of the Executive Team based on Galileo's Strategic Priorities, and an assessment of local need. A Business Case can be submitted by the Head Teacher of a school to the Executive Team to request investment which has not been budgeted for; these business cases are for emergency work, or capital investment rather than operational running of the school.

Only in exceptional circumstances will reserves be used to support a short-term deficit. This must be approved by the Trust Board.

The level of reserves held considers the nature of income and expenditure streams, the need to match them with commitments, including future capital projects, and the nature of reserves. The Trust's Strategic aim is to hold reserves equivalent to the sum of one month's payroll by 2024. The Trustees will keep this level of reserves under review and aim to build and maintain the reserves level whilst in keeping with the principal object of the Trust.

Total reserves at the end of the period amounted to £16.9m. This balance includes unrestricted funds (free reserves) of £1,493k which is considered appropriate for the academy trust, and restricted funds of £15.4m.

Users should note that a surplus or deficit position of the pension scheme would generally result in a cash flow effect of the Trust in the form of an increase or decrease in employers' pension contributions over a period of years. The Trust thus takes this fact into account when reviewing current business plans and budgets and ascertaining how the pension costs might affect budgets in the future. On the basis that increased pension contributions should generally be met from the Trusts budgeted annual income, whilst the deficit may not be eliminated there should be no actual cash flow deficit on the fund or direct impact on the unrestricted reserves of the Trust due to the recognition of the deficit.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2022

Investment policy

The Trust's priority is to avoid high levels of risk by ensuring any investment vehicle has adequate credit rating measured by a reputable credit rating agency. The Trust will avoid volatile investment instruments, ensuring security takes precedence over revenue generation. The Trust, through its Audit and Risk Committee, will review investment of funds to ensure appropriate reflection of risk/reward at least on an annual basis.

As of 31 August 2022, no investments, except for bank deposits, were held.

• Principal risks and uncertainties

A Trust risk register has been established and is updated regularly by the Executive Team and reviewed by the Audit and Risk Committee on a termly basis. Where appropriate, systems or procedures have been established to mitigate all risks the Trust faces. Internal control risks are minimised by the implementation of procedures for authorisation of all transactions and projects. Trustees have received the major risks to which the Trust is exposed, in particular those relating to the specific teaching, provision of facilities and other operational areas of the Trust, and its finances.

Some of the main risks currently facing the Trust include central government funding cuts; teacher and support staff pay increases not being adequately subsidised; rising pension contributions; increase to the national minimum wage, and inadequate capital funding to maintain premises.

In 2020, Trustees appointed a new Internal assurance team who provide a supplementary programme of work in support of the External Audit Team. The Internal Auditors provide assurance to the board in respect of the Trusts' compliance with its financial systems and operational controls. This ensures that risks are quickly identified and managed. The Internal Auditors carry out termly visits to the Central Team and visit individual schools at least once during the academic year.

It should also be noted that procedures are in place to ensure compliance with safeguarding and health and safety of staff and pupils.

Income and expenditure

Most of the Trust's income is obtained from the Department for Education (DfE) via the Education and Skills Funding Agency (ESFA), in the form of recurrent grants, the use of which is restricted to particular purposes. The grants received from the DfE/ESFA during the year ended 31 August 2022 and the associated expenditure are shown as restricted funds in the Statement of Financial Activities.

In addition, the schools within the Trust receive Early Years funding from the Local Authority based on numbers of pupils at each termly census. A similar grant is received in respect of funding for two-year old children, again, this is based on pupil numbers. Each school receives SEN funding as a notional amount within their GAG allocation, in addition to this additional funding is provided by the Local Authority for children where it has been assessed that their need requires specialist support.

The Trust also receives grants for fixed assets from the DfE/ESFA. In accordance with the Charities Statement of Recommended Practice, 'Accounting and Reporting by Charities' (SORP 2019), such grants are shown in the Statement of Financial Activities as restricted income in the fixed asset fund. The restricted fixed asset fund balance is reduced by annual depreciation charges over the expected useful life of the assets concerned.

During the year, £455k was received in respect of Devolved Capital Formula Grants and schools' capital allowance.

During the year, the Trust received an additional allocation of £79k Government COVID recovery premium, and

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2022

£103k National Tutoring Funding. The funding was allocated to the Trust to support schools to significantly increase learning time to ensure pupils make up for lost teaching time due to Coronavirus.

All of the expenditure shown in the Statement of Financial Activities is in furtherance of the Trust's objectives.

At 31 August 2022 the net book value of fixed assets was £14.7m. Movements in tangible fixed assets are shown in notes 17 & 18 to the financial statements. The assets were used exclusively for providing education and the associated support services to the pupils of the Trust.

The provisions of FRS 102 have been applied in full in respect of the LGPS. The movements in the year have resulted in a deficit of £199k which includes an actuarial gain of £10.8m in the current year.

The in-year surplus was £9.7m excluding movements on the restricted fixed asset funds and the pension reserve there was an in-year surplus of £9k.

Fundraising

The Trust does not use any external fundraisers. All fundraising activity operates at a local level. Most schools have a parent-led group independent of the Trust which engages in fundraising activities on behalf of their respective school. Normally, Head Teachers liaise with the group to agree specific projects within their school to be funded by such activities.

Plans for future periods

The Trust is committed to improving educational outcomes, and life chances for its pupils. School improvement is at the heart of the Trust and is its priority for the next financial year.

To achieve the Trust priority, the Board has set the agreed strategic priorities for financial year 2022-23:

- 1. The Trust operates as a single organisation with a shared vision and embedded values, whilst respecting and celebrating the distinctiveness of each school.
- 2. Every pupil in every school progress to reach their full potential in terms of academic success, personal development, and their transition through stages of learning and life.
- The Trust continuously improves standards and quality of education as measured externally by Government agencies, and internally through consistent and rigorous governance, self-evaluation, and review. There is an embedded school improvement model and systematic school to school support,
- 4. The Trust's business operations are efficient and effective, schools receive good consistent services, and every part of the organisation is financially sustainable.
- There is a clear professional development and career progression structure across the Trust, all
 colleagues are supported and given opportunities to meet their professional aspirations, thereby growing
 our own experts and leaders.
- 6. Governance is effective both in terms of structure and function, there is consistency across the Trust where appropriate and the scheme of delegation is embedded.
- Galileo has a good reputation with all stakeholders; parents/carers will choose our schools for their children; colleagues will aspire to work for the Trust; and external partners and agencies will seek and value our contribution and leadership.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2022

Plans for future periods (continued)

- 8. To work towards greater sustainability and reducing the Trust's energy consumption and carbon footprint
- 9. To be open to and be prepared for future growth. Galileo is considered a good option for schools looking to join an established MAT and for small MATs or SATs looking to join a larger Trust.

Statement of Trustees' responsibilities

The Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with the Academies Accounts Direction published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from ESFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2022

Disclosure of information to auditors

Following a fully transparent procurement process in the financial period, the auditors, Waltons Business Advisors Limited, were re-appointed by Members.

Insofar as the Trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware, and
- that Trustees have taken all steps that they ought to have taken to make themselves aware of any
 relevant audit information and to establish that the auditors are aware of that information.

Auditors

As a result of a change in auditors' name, from 1 March 2022 Waltons Clark Whitehill Limited became Waltons Business Advisers Limited.

The auditors, Waltons Business Advisers Limited, have indicated their willingness to continue in office. The designated Trustees will propose a motion reappointing the auditors at a meeting of the Trustees.

The Trustees' Report, incorporating a strategic report, was approved by order of the Board of Trustees, as the company directors, on 14 December 2022 and signed on its behalf by:

G L McGregor Chair of Trustees

GOVERNANCE STATEMENT

SCOPE OF RESPONSIBILITY

As Trustees, we acknowledge we have overall responsibility for ensuring that Galileo Multi Academy Trust has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

As Trustees, we have reviewed and taken account of the guidance in DfE's Governance Handbook and competency framework for governance.

The board of Trustees has delegated the day-to-day responsibility to the chief executive, as accounting officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Galileo Multi Academy Trust and the Secretary of State for Education. They are also responsible for reporting to the Board of Trustees any material weaknesses or breakdowns in internal control.

GOVERNANCE

The information on governance included here supplements that described in the Trustees' Report. The Board of Trustees has formally met 4 times during the year.

Attendance during the year at meetings of the Board of Trustees was as follows:

Trustee	Meetings attended	Out of a possible
G L McGregor, Chairman	3	4
C L Graham-Brown	4	4
D M Fletcher	4	· 4
A A Thom	2	· 4
J D Deville	3	4.
P M Abrahams (appointed 1 January 2022)	2	2
J R Hind (appointed 1 January 2022)	2	2
D Ditchburn (resigned 9 November 2021)	1	1
A Lees (resigned 19 October 2021)	0	1

The Board of Trustees formally met four times during the reporting period, however the Trust operate sub-committees to which some decision-making is delegated. As well as the four main meetings the Trust Board and each of the three sub-committees meet termly to help maintain effective governance. Additionally, each school has a Local school Board which meets termly, and the Chief Executive Officer (CEO) holds a termly Chair's Liaison meeting, which offers the opportunity to share best practice and raise any pertinent points with the CEO.

The Trust Board maintains an up to date and complete register of interest and this is considered in the day-today management and governance of the Trust.

Trustees are regularly reminded of the importance of avoiding any conflicts of interest. All Trustees are required to report, ownership or control over subsidiaries, joint ventures, or associates.

Audit and Risk committee

The role of the Audit and Risk Committee is to address the adequacy and effectiveness of the Trust's systems of internal control, and its arrangements for risk management, control, and governance purposes.

The advice of the committee is primarily formed through the consideration of reports presented by the Trust's internal and external auditors. The role of the Audit & Risk Committee is to maintain oversight of the Trust's

GALILEO MULTI ACADEMY TRUST

(A Company Limited by Guarantee)

GOVERNANCE STATEMENT (CONTINUED)

GOVERNANCE (CONTINUED)

governance, risk management, internal control framework.

Attendance during the Period at meetings of the Audit and Risk Committee was as follows:

A A Thom (Chairman from 3 March 2022)	3	3
D M Fletcher	3	3
D Ditchburn (resigned 9 November 2021)	1	1

Finance & Resources Committee

The Finance and Resources committee is a sub-committee of the main board of trustees. Its purpose is to:

- To consider/approve both Trust and School annual budgets and three-year plans making recommendations where necessary
- To consider/approve Trust capital funding
- To hold Headteachers and Chairs of Local School Boards to account for financial planning and performance
- To recommend to the Trust Board, the adoption of a three-year business plan and annual budgets
- · To review arrangements for securing value for money, solvency and safeguarding of assets
- To investigate, or commission investigations into, variations in financial performance from budgeted targets. To consider in detail reports from the Executive Team on issues related to assets, liabilities, and capital.
- · To review HR/staffing matters, including monitoring staff attendance and welfare

The committee currently only has 2 members, but a potential Trustee has been attending in the capacity of observer while awaiting formal appointment.

During the year P M Abrahams, who is a retired Headteacher, joined the committee to add an educationalist perspective.

Attendance during the Period at meetings of the Finance & Resources Committee was as follows:

Trustee	Meetings attended	Out of a possible	
G L McGregor (chairman)	3	3	
D M Fletcher	3	3	
P M Abrahams (appointed 1 January 2022)	1	2	

Education Standards, Inclusion and Church Committee (ESICC)

The role of the Education Standards, Inclusion and Church Committee is as follows:

- To analyse Key Performance Indicators set by the Trust and to hold the Leadership Team to account
- To analyse the academic attainment and progress of students over time
- To assess evidence relating to Church of England schools in the Trust about the distinctiveness and effectiveness of the schools as church schools
- To analyse the attendance and behaviour of students
- To review the quality of teaching and learning provided to students
- To evaluate the impact of specific and/or additional funding streams relevant to ESICC
- To evaluate the range and quality of extra-curricular provision experienced by students
- To have oversight of the Trust's talent management strategy
- To consider the views of parents and students about the quality of provision
- To consider and approve the curriculum and extra curriculum provision and the teaching and support staff resources required to deliver the entitlement curriculum in the schools

(A Company Limited by Guarantee)

GOVERNANCE STATEMENT (CONTINUED)

GOVERNANCE (CONTINUED)

To consider and approve Schools Improvement Plans – short and medium term

Educationalist, Dr J R Hind has joined the Committee following year-end to add further experience and expertise.

Attendance during the year at meetings was as follows:

Trustee	Meetings attended	Out of a possible
J D Deville (Chairperson)	3	3
C L Graham-Brown	3	3
A Lees (resigned 19 October 2021))	1	1

Governance Reviews

Trustees are continuously reviewing practice as a Board and therefore self-assessment is constant.

An audit of skills is carried out on a regular basis and is used to inform recruitment and improvement opportunities. Recent recruitment activities have been targeted as a result of self-assessment findings and training has been directed to increase the effectiveness of the Board. The Board is also in the process of developing a governance action plan with key areas of focus for the forthcoming year. Trustees demonstrate a commitment to individual assessment and development.

REVIEW OF VALUE FOR MONEY

As Accounting Officer for the reporting period, the Chief Executing Officer has responsibility for ensuring that the Trust delivers good value in the use of public resources. The Accounting Officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The Accounting Officer considers how the Trust's use of its resources has provided good value for money during each academic year, and reports to the Board of Trustees where value for money can be improved, including the use of benchmarking data or by using a framework where appropriate. The Accounting Officer for the Trust has delivered improved value for money during the year by:

- Implementing monthly finance reporting at both Trust and school level which analysed financial
 performance vs agreed budgets, along with clear reasons for variances, and actions to mitigate any
 potential adverse variances going forward
- Re-tendering the following Trust level contracts:
 - o External Audit
 - o Catering
 - o MIS Solution
 - o School Improvement
 - o HR Services
- Rolling out a Trust-wide high-speed internet solution
- Implementing a Trust-wide telephony service
- Streamlining support in schools
- · Encouraging a more collaborative approach when organising staff training events
- Sharing of office space/facilities amongst schools for meetings and events
- Rolling out a programme of Trust-wide CPD

Furthermore, the Trust has acted to support suppliers recovering from the pandemic by ensuring that all eligible invoices were paid within 30-day payment terms, and sooner where feasible, recognising that suppliers (particularly small businesses) have been adversely affected by COVID-19.

GOVERNANCE STATEMENT (CONTINUED)

REVIEW OF VALUE FOR MONEY (CONTINUED)

As a Trust we have taken care to reduce risk, by engaging in fixed term contracts for most services. The focus for next financial year will be around streamlining processes and looking to make further savings through both collaborative working and maximising economies of scale. The Trust also aims to introduce curriculum-led financial planning to drive decision-making about resources at school-level.

THE PURPOSE OF THE SYSTEM OF INTERNAL CONTROL

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can, therefore, only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of Academy Trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Galileo Multi Academy Trust for the year 1 September 2021 to 31 August 2022 and up to the date of approval of the annual report and financial statements.

CAPACITY TO HANDLE RISK

The Board of Trustees has reviewed the key risks to which the Academy Trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Board of Trustees is of the view that there is a formal on-going process for identifying, evaluating and managing the Academy Trust's significant risks that has been in place for the period 1 September 2020 to 31 August 2021 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the Board of Trustees.

THE RISK AND CONTROL FRAMEWORK

The Academy Trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- Comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Board of Trustees
- Regular reviews by the Finance and Resources committee of reports, which indicate financial performance
- Setting targets to measure financial and other performance
- Clearly defined purchasing (asset purchase or capital investment) guidelines
- Identification and management of risks

The Board of Trustees has decided to employ Armstrong Watson Audit Limited as internal auditor.

This option has been chosen to add an extra layer of scrutiny.

The internal auditor's role includes giving advice on financial matters and performing a range of checks on the Academy Trust's financial systems. In particular the checks carried out in the current period included:

- Testing of governance processes (Including Academy Handbook checks)
- Review of Trust/school websites to ensure DFE Compliance
- Testing Internal Control & System Reviews (including Income, Financial reporting, and Management Accounts)

GOVERNANCE STATEMENT (CONTINUED)

THE RISK AND CONTROL FRAMEWORK (CONTINUED)

Review of Trust Risk Register, and testing of business continuity processes

On a termly basis, the auditor reports to the Board of Trustees, through the Audit and Risk committee on the operation of the systems of control and on the discharge of the Board of Trustees' financial responsibilities. On an annual basis the auditor prepares a summary report to the committee outlining the areas reviewed, key findings, recommendations, and conclusions to help the committee consider actions and assess year on year progress.

During the reporting period no significant control issues arose as a result of the internal auditor's work.

REVIEW OF EFFECTIVENESS

As Accounting Officer, the Chief Executive Officer has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the internal auditor;
- the financial management and governance self-assessment process or the school resource management self assessment tool;
- the work of the Trust's Chief Financial Officer who has responsibility for the development and maintenance of the internal control framework
- the work of the external auditors;
- correspondence from ESFA e.g. FNtI/NtI and 'minded to' letters.

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the Trust Board and a plan to ensure continuous improvement of the system is in place.

Approved by order of the members of the Board of Trustees on 14 December 2022 and signed on their behalf by:

G L McGregor

Chair of Trustees

J Spence

Accounting Officer

STATEMENT ON REGULARITY, PROPRIETY AND COMPLIANCE

As accounting officer of Galileo Multi Academy Trust I have considered my responsibility to notify the Academy Trust Board of Trustees and the Education and Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding received by the Academy Trust, under the funding agreement in place between the Academy Trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2021.

I confirm that I and the Academy Trust Board of Trustees are able to identify any material irregular or improper use of all funds by the Academy Trust, or material non-compliance with the terms and conditions of funding under the Academy Trust's funding agreement and the Academies Financial Handbook 2021.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the Board of Trustees and ESFA.

J Spence
Accounting Officer

Date: 14.12.22.

INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF GALILEO MULTI ACADEMY TRUST

UNQUALIFIED OPINION

We have audited the financial statements of Galileo Multi Academy Trust (the 'academy trust') for the year ended 31 August 2022 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022 issued by the Education and Skills Funding Agency.

In our opinion the financial statements:

- give a true and fair view of the state of the Academy Trust's affairs as at 31 August 2022 and of its incoming resources and application of resources, including its income and expenditure for the year then ended:
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022 issued by the Education and Skills Funding Agency.

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the Academy Trust in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

CONCLUSIONS RELATING TO GOING CONCERN

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Academy Trust's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF GALILEO MULTI ACADEMY TRUST (CONTINUED)

OTHER INFORMATION

The other information comprises the information included in the Annual Report other than the financial statements and our Auditors' Report thereon. The Trustees are responsible for the other information contained within the Annual Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

OPINION ON OTHER MATTERS PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report including the Strategic Report for the financial year for which
 the financial statements are prepared is consistent with the financial statements.
- the Trustees' Report and the Strategic Report have been prepared in accordance with applicable legal requirements.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

In the light of our knowledge and understanding of the Academy Trust and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report including the Strategic Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF GALILEO MULTI ACADEMY TRUST (CONTINUED)

RESPONSIBILITIES OF TRUSTEES

As explained more fully in the Statement of Trustees' Responsibilities, the Trustees (who are also the directors of the Academy Trust for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Academy Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Academy Trust or to cease operations, or have no realistic alternative but to do so.

AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud, the audit engagement team:

- Obtained an understanding of the nature of the sector, including the legal and regularity framework that the Trust operates in and how they are complying with the legal and regularity framework
- Inquired of management and those charged with governance about their own identification and
 assessment of the risks of irregularities including any known, actual, suspected or alleged instances of
 fraud,
- Discussed matters about non-compliance with laws and regulations and how fraud might occur including assessment of how and where the financial statements might be susceptible to fraud.

As a result of these procedures we considered the most significant laws and regulations which have a direct impact on the financial statements are FRS 102, Charities SORP (FRS 102), ESFA accounting requirements (including the requirements of the Academy Trust Handbook and the Academies Accounts Direction), Companies Act 2006 and the Academies's governing document. We performed audit procedures to detect non-compliance which may have a material impact on the financial statements which included reviewing the financial statements including the director's report and remaining alert to new or unusual transactions which may not be in accordance with the governing documents.

The audit engagement team identified the risk of management override of controls and income recognition as the areas where the financial statements were most susceptible to material misstatement due to fraud. We designed audit procedures to respond to the risk, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF GALILEO MULTI ACADEMY TRUST (CONTINUED)

Audit procedures performed included, but were not limited to:

- testing manual journal entries and other adjustments
- evaluating the business rationale in relation to significant or unusual transactions and transactions entered into outside the normal course of business
- challenging judgments and estimates
- reviewing income transactions around the year end to look for potential "window dressing".

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' Report.

USE OF OUR REPORT

This report is made solely to the Academy Trust's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Academy Trust's members those matters we are required to state to them in an Auditors' Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Academy Trust and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO GALILEO MULTI ACADEMY TRUST AND THE EDUCATION AND SKILLS FUNDING AGENCY

In accordance with the terms of our engagement letter dated 20 July 2021 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2021 to 2022, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Galileo Multi Academy Trust during the year 1 September 2021 to 31 August 2022 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Galileo Multi Academy Trust and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Galileo Multi Academy Trust and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Galileo Multi Academy Trust and ESFA, for our work, for this report, or for the conclusion we have formed.

RESPECTIVE RESPONSIBILITIES OF GALILEO MULTI ACADEMY TRUST'S ACCOUNTING OFFICER AND THE REPORTING ACCOUNTANT

The accounting officer is responsible, under the requirements of Galileo Multi Academy Trust's funding agreement with the Secretary of State for Education dated 12 September 2018 and the Academy Trust Handbook, extant from 1 September 2021, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2021 to 2022. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2021 to 31 August 2022 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

APPROACH

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the Academy Trust's income and expenditure.

The work undertaken to draw to our conclusion includes a review of the design and implementation of the academy's internal controls and review processes on regularity, supported by detailed tests on samples of costs incurred by the academy and specific transactions identified from our review.

This work included:

- Review minutes of meetings of Trustees
- Review Internal Assurance reports

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO GALILEO MULTI ACADEMY TRUST AND THE EDUCATION & SKILLS FUNDING AGENCY (CONTINUED)

- Review payroll for evidence of authorisation and review any extra contractual payments
- · Review a sample of purchases and expense claims
- Review of a sample of contracts entered into and procurement procedures
- Review a sample of credit card transactions
- · Review lines of delegation and limits set
- · Review register of interests
- · Review related party transactions
- · Review other income to ensure in line with funding agreement
- · Review risk register and business continuity plans

CONCLUSION

In the course of our work, nothing has come to our attention which suggest in all material respects the expenditure disbursed and income received during the year 1 September 2021 to 31 August 2022 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

1. ACCOUNTING POLICIES

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgments and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation of financial statements

The financial statements of the Academy Trust, which is a public benefit entity under FRS 102, have been prepared under the historic cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2021 to 2022 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

1.2 Going concern

The Trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the Academy Trust to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the Academy Trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

After making appropriate enquiries, the Board of Trustees has a reasonable expectation that the Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason, it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

There is nothing in any post balance sheet events that may impact the Trust's ability to continue as a going concern.

Given the above the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Academy Trust at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

Investment income, gains and losses are allocated to the appropriate fund.

(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

1. ACCOUNTING POLICIES (CONTINUED)

1.4 Income

All incoming resources are recognised when the Academy Trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

Grants

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of Financial Activities in the year for which it is receivable and any abatement in respect of the year is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the Balance Sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

Donations

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

• Other income

Other income, is recognised in the year it is receivable and to the extent the Academy Trust has provided the goods or services.

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity.

Expenditure on raising funds

This includes all expenditure incurred by the Academy Trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

· Charitable activities

These are costs incurred on the Academy Trust's educational operations, including support costs and costs relating to the governance of the Academy Trust apportioned to charitable activities.

All resources expended are inclusive of irrecoverable VAT.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

1. ACCOUNTING POLICIES (CONTINUED)

1.6 Taxation

The Academy Trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Accordingly, the Academy Trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by Part 11, chapter 3 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1.7 Intangible assets

Intangible assets costing £1,000 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Intangible assets are initially recognised at cost and are subsequently measured at cost net of amortisation and any provision for impairment.

Amortisation is provided on intangible assets at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life as follows:

Computer software

4 years straight line

1.8 Tangible fixed assets

Assets costing £1,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of Financial Activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land and assets under construction, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

Long-term leasehold property

- 125 years

Leasehold improvements

- 10 years

Plant and machinery

- 8 years

Computer equipment

- 4 years

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

1. ACCOUNTING POLICIES (CONTINUED)

1.9 Financial instruments

The Academy Trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the Academy Trust and their measurement bases are as follows:

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 20. Prepayments are not financial instruments. Cash at bank is classified as a basic financial instrument and is measured at face value.

Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in note 21. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

1.10 Pensions

Retirement benefits to employees of the Academy Trust are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Academy Trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the Academy Trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each Balance Sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of Financial Activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

2. CRITICAL ACCOUNTING ESTIMATES AND AREAS OF JUDGMENT

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The Academy Trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 29, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2019 has been used by the actuary in valuing the pensions liability at 31 August 2022. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

3. COMPANY STATUS

The academy is a company limited by guarantee and registered in England and Wales. In the event of the academy being wound up the liability is limited to £1 per member of the academy.

The registered office address is: Innovation Centre Vienna Court Kirkleatham Business Park Redcar TS10 5SH

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

13. STAFF (CONTINUED)

b. Severance payments

The Academy Trust paid 1 severance payment in the year, disclosed in the following bands:

	No.
£0 - £25,000	1

c. Staff numbers

The average number of persons employed by the Academy Trust during the year was as follows:

	2022 No.	2021 No.
Teaching staff	147	158
Admin and support	268	311
Management	12	11
	427	480

d. Higher paid staff

The number of employees whose employee benefits (excluding employer pension costs) exceeded £60,000 was:

	2022 No.	2021 No.
In the band £60,001 - £70,000	5	6
In the band £70,001 - £80,000	6	5
In the band £80,001 - £90,000	•	1
In the band £110,001 - £120,000	1	-

e. Key management personnel

The key management personnel of the Academy Trust comprise the Trustees and the senior management team as listed on page 1. The total amount of employee benefits (including employer pension contributions and employer national insurance contributions) received by key management personnel for their services to the Academy Trust was £194,331 (2021-£255,120).

(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

14. CENTRAL SERVICES

The Academy Trust has provided the following central services to its academies during the year:

- Strategic Management
- Strategic HR Support
- · Financial Management
- · Strategic Estates Management
- Expert Safeguarding Support, training, and Audit costs
- Educational Psychologist Services (EPS)
- Data Analysis
- Employee Assistance Scheme
- Trust wide Internet provision & telephony Services
- Annual External Audit & Teachers Pension Audit
- Internal Assurance
- Legal Services
- Health and Safety Support (incl. fire risk assessments)
- Completion of Education and Skills Funding Agency (ESFA) returns costs
- · Annual actuary re-valuation fees
- · Finance Software Hosting fees
- In-house Leadership & Staff Development Training
- National College CPD subscription
- School Improvement Support
- Governance Support Services and full Clerking services (incl. Local School Boards)
- Comprehensive Governors training package
- Payroll administration and Teacher Pension returns
- Support in training and up-skilling of administration and finance staff to meet trust-wide procedures and standards
- Trust Website design and compliance
- Data Protection Officer Services
- School to School support costs
- Evolve Risk Management system

Outside of the Central Team Top-slice, the trust will work collaboratively and use its purchasing power on those high-value purchases/services to ensure that we provide best value for taxpayers and ensure we target as much money to front-line children.

The Academy Trust charges for these services on the following basis:

The services are paid for by each school in the Academy Trust based on a recharge of 6.5% GAG income

The actual amounts charged during the year were as follows:

	2022 £	2021 £
Coatham Church of England Primary School	60,684	55,251
Green Gates Primary School	70,464	60,035
Galley Hill Primary School	62,763	53,553
Ings Farm Primary School	114,114	100,425
J E Batty Primary School	54,893	49,684
Lakes Primary School	84,979	80,259

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

	New Marske Primary School	57,858	58,933
	St Peters Church of England Primary School	84,347	78,682
	Westgarth Primary School	82,597	74,831
	Wheatlands Primary School	107,593	96,281
	Total	780,292	707,934

15. TRUSTEES' REMUNERATION AND EXPENSES

During the year, no Trustees received any remuneration or other benefits (2021 - £NIL).

During the year ended 31 August 2022, expenses totalling £49 were reimbursed or paid directly to one Trustee (2021-£nil).

16. TRUSTEES' AND OFFICERS' INSURANCE

The Trust has opted into the Department of Education's risk protection arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects Directors and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy business, and provides cover up to £10,000,000. It is not possible to quantify the Directors and officers indemnity element from the overall cost of the RPA scheme membership.

The Academy Trust occupies land and buildings which were used by the predecessor local authority schools prior to conversion, These properties were gifted to the Academy Trust on conversion on a 125 year lease by Redcar and Cleveland Borough Council. The council continues to own the freehold and the Academy Trust has the right to occupy the properties for a peppercorn rent. The properties are shown above in long term leasehold property and are written off over the life of the lease.

The Academy Trust also occupies school buildings which are owned by site trustees which have links with the Diocese of York. The site trustees are the providers of the land and buildings on the same basis as when the academy was a maintained school. The Academy Trust occupies the land and buildings under a mere licence. This continuing permission of the site trustees is pursuant to, and subject to, the relevant trust's charitable objects. The licence delegates aspects of the management of the land and buildings to the Academy Trust for the time being, but does not vest any rights over the land in the Academy Trust. The site trustees have given an undertaking to the Secretary of State that they will not give the Academy Trust less than two years written notice to terminate the occupation of the land and buildings. Having considered the facts under which the Academy Trust is occupying the land and buildings the Trustees have concluded that the value of the land and buildings occupied by the Academy Trust will not be recognised on the balance sheet of the academy.

expenditure from GAG	217,515	-	(60,884)	385,224	-	541,855
Total	14,956,918	454,977	(391,081)	385,224		15,406,038
restricted funds	6,278,952	16,606,665	(18,220,473)		10,787,000	15,452,144
Total funds	7,180,982	17,937,279	(18,960,602)	-	10,787,000	16,944,659

The specific purposes for which the funds are to be applied are as follows:

General annual grant - this is the money provided to the academy for normal school running costs.

The pupil premium is paid based upon the number of pupills with service parents or who are entitled to free school meals. This funding has paid for support assistants within classrooms.

The funding for higher educational needs and early years has been used to pay for classroom assistants.

The universal infant free school meals funding was to allow the provision of free school meals to all pupils in reception, year 1 and year 2.

The rates reclaim is used to pay rates.

The PE and sport grant has been used on trips and activities and the salaries of support assistants involved in these activities.

The teacher pay and teacher pension grants have been used to help fund the increases in teacher wages and pension contributions.

The English Hub grant is to support Westgarth Primary School to be an English Hub school, providing support to 85 schools.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

22. STATEMENT OF FUNDS (CONTINUED)

The supplementary grant was towards the costs of the health and social care levy.

The Covid catch up premium has been spent on helping pupils disadvantaged by the Covid pandemic.

The capital transferred on conversion represents the land and buildings and other assets and liabilities transferred to the school at nil consideration from Redcar and Cleveland Borough Council upon conversion to an Academy. This fund is being depreciation in line with the assets represented.

Other capital grants are government funds received for the purchase of capital equipment and expenditure on repairs projects. The amount carried forward represents assets purchased in the year at their net book value and funding yet to be spent

Under the funding agreement with the Secretary of State, the Academy Trust was not subject to a limit on the amount of GAG it could carry forward at 31 August 2022.

Total funds analysis by academy

Fund balances at 31 August 2022 were allocated as follows:

	2022	2021
	£	£
Coatham Church of England Primary School	55,850	45,285

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

22. STATEMENT OF FUNDS (CONTINUED)

Included in the balance above for Westgarth Primary School is £34,547 English Hub funding which is held as a restricted fund.

The following are carrying a net deficit on its portion of the funds as follows:

Deficit £

Central catering

129,649

The Academy Trust is taking the following action to return the academy to surplus:

The Trust carried out a full and transparent tender process to outsource catering services towards the end of the reporting period resulting in the appointment of a specialist catering firm to manage the service from 1st September 2022. The in-house Catering service was tightly managed throughout the year and delivered a £5k surplus.

The Trust is working towards eliminating the outstanding deficit by 2024. This will be achieved by a combination of surplus reserves amassed by the Central Team, and any in-year catering surplus made by individual schools.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

29. PENSION COMMITMENTS

The Academy Trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Middlesbrough Borough Council. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2016 and of the LGPS 31 March 2019.

Contributions amounting to £239,665 were payable to the schemes at 31 August 2022 (2021 - £231,442) and are included within creditors.

Teacher's pension scheme

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies. All teachers have the option to opt-out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary - these contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

29. PENSION COMMITMENTS (CONTINUED)

Valuation of the teacher's pension scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% administration levy)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million, giving a notional past service deficit of £22,000 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI, assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

However, the assumptions were considered and set by the Department for Education prior to the ruling in the 'McCloud/Sargeant case'. This case has required the courts to consider cases regarding the implementation of the 2015 reforms to Public Service Pensions including the Teachers' Pensions.

On 27 June 2019 the Supreme Court denied the government permission to appeal the Court of Appeal's judgment that transitional provisions introduced to the reformed pension schemes in 2015 gave rise to unlawful age discrimination. The government is respecting the Court's decision and has said it will engage fully with the Employment Tribunal as well as employer and member representatives to agree how the discriminations will be remedied. The government announced on 4 February 2021 that it intends to proceed with a deferred choice underpin under which members will be able to choose either legacy or reformed scheme benefits in respect of their service during the period between 1 April 2015 and 31 March 2022 at the point they become payable.

The TPS is subject to a cost cap mechanism which was put in place to protect taxpayers against unforeseen changes in scheme costs. The Chief Secretary to the Treasury, having in 2018 announced that there would be a review of this cost cap mechanism, in January 2019 announced a pause to the cost cap mechanism following the Court of Appeal's ruling in the McCloud/Sargeant case and until there is certainty about the value of pensions to employees from April 2015 onwards. The pause was lifted in July 2020, and a consultation was launched on 24 June on proposed changes to the cost control mechanism following a review by the Government Actuary. The consultation closed to response on 19 August 2021 and the Government is currently analysing the responses.

In view of the above rulings and decisions the assumptions used in the 31 March 2016 Actuarial Valuation may become inappropriate. In this scenario, a valuation prepared in accordance with revised benefits and suitably revised assumptions would yield different results than those contained in the Actuarial Valuation.

Until the cost cap mechanism review is completed it is not possible to conclude on any financial impact or future changes to the contribution rates of the TPS. Accordingly no provision for any additional past benefit pension costs is included in these financial statements.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

29. PENSION COMMITMENTS (CONTINUED)

The next valuation result is due to be implemented from 1 April 2023.

The employer's pension costs paid to TPS in the year amounted to £1,154,243 (2021 - £1,104,135).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (https://www.teacherspensions.co.uk/news/employers/2019/04/teachers-pensions-valuation-report.aspx).

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The Academy Trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The Academy Trust has set out above the information available on the scheme.

Local government pension scheme

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2022 was £869,000 (2021 - £844,000), of which employer's contributions totalled £648,000 (2021 - £631,000) and employees' contributions totalled £ 221,000 (2021 - £213,000). The agreed contribution rates for future years are 17.2 per cent for employers and 5.5-12.5 per cent for employees.

As described in note the LGPS obligation relates to the employees of the Academy Trust, who were the employees transferred as part of the conversion from the maintained school and new employees who were eligible to, and did, join the Scheme in the year. The obligation in respect of employees who transferred on conversion represents their cumulative service at both the predecessor school and the Academy Trust at the balance sheet date.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

PRINCIPAL ACTUARIAL ASSUMPTIONS

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

30. OPERATING LEASE COMMITMENTS

At 31 August 2022 the Academy Trust had commitments to make future minimum lease payments under non-cancellable operating leases as follows:

2022 £	2021 £
21,375	23,159
21,310	42,685
42,685	65,844
	£ 21,375 21,310

31. RELATED PARTY TRANSACTIONS

Owing to the nature of the Academy Trust and the composition of the Board of Trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the trustees have an interest. All transactions involving such organisations are conducted in accordance with the requirements of the Academy Trust Handbook, including notifying the ESFA of all transactions made on or after 1 April 2019 and obtaining their approval where required, and with the Academy Trust's financial regulations and normal procurement procedures relating to connected and related party transactions.

As an Academy Trust that includes Church of England schools in the Diocese of York, the Diocese of York Educational Trust is included as one of the Academy Trust Members. The York Diocesan Board of Education (YDBE) is also entitled to appoint a limited number of Trustees (please see above). The York Diocesan Board of Finance Limited (company number 00225234) provides services to Church of England schools in the Academy Trust, being in relation to essential functions fundamental to the religious character and ethos of those schools, under the YDBE Service Level Agreement (SLA).

Expenditure

The Academy Trust purchased services totalling £1,790 (2021- £1,490) from The York Diocesan Board of Finance Limited.
