- (d) how any money paid to Leumi or to the Receiver is to be applied.

13 APPLICATION OF PROCEEDS

All monies received by Leumi or any Receiver after the Security Interests constituted by this debenture have become enforceable shall (subject to the rights and claims of any person having a security ranking in priority to the Security Interests constituted by this debenture) be applied in the following order:

- (a) first, in satisfaction of, or provision for, all costs, charges and expenses incurred, and payments made by Leumi or any Receiver and of all remuneration due to the Receiver in connection with this debenture or the Security Assets;
- (b) secondly, in or towards satisfaction of the remaining Secured Obligations; and
- (c) thirdly, in payment of any surplus to the relevant Chargor or other person entitled to it.

If the Security Interest constituted by this debenture is enforced at a time when no amounts are due under the Finance Documents (but at a time when amounts may, in the opinion of Leumi, become so due), Leumi or a Receiver may pay the proceeds of any recoveries effected by it into a blocked suspense account (bearing interest at such rate (if any) as Leumi usually grants for accounts of that size and nature) without Leumi having any intermediate obligation to apply such monies and interest or any part thereof in or towards the discharge of any of the Secured Obligations unless (in the opinion of Leumi) such monies would be sufficient to discharge all the Secured Obligations in full.

13.3 Appropriation and suspense account

- (a) Subject to clause 13.1 (*Application*), Leumi shall apply all payments received in respect of the Secured Obligations in reduction of any part of the Secured Obligations in any order or manner which it may determine.
- (b) Any such appropriation shall override any appropriation by the Chargor.
- (c) All monies received, recovered or realised by Leumi under or in connection with this debenture may at the discretion of Leumi be credited to a separate interest-bearing suspense account for so long as Leumi determines (with interest accruing thereon at such rate (if any) as Leumi may determine) without Leumi having any obligation to apply such monies and interest or any part of it in or towards the discharge of any of the Secured Obligations unless such monies would be sufficient to discharge all the Secured Obligations in full.

14 DELEGATION

Each of Leumi and any Receiver may delegate, by power of attorney (or in any other manner) to any person, any right, power or discretion exercisable by it under this debenture upon any terms (including power to sub-delegate) which it may think fit. Neither Leumi nor any Receiver shall be in any way liable or responsible to the Chargor for any loss or liability arising from any act, default, omission or misconduct on the part of any such delegate or sub-delegate (except for any expense, loss, liability or damage arising from its negligence, fraud or wilful misconduct).

- (c) after the Security Interest has become enforceable, facilitating the realisation of any Security Asset,

including the execution of any transfer, conveyance, assignment or assurance of any property whether to Leumi or to its nominees, the giving of any notice, order or direction and the making of any registration which in any such case Leumi may think expedient.

16 POWER OF ATTORNEY

The Chargor, whilst a Termination Event is continuing, irrevocably appoints Leumi and the directors and the company secretary for the time being of Leumi and any Receiver appointed under this debenture jointly and each of them severally to be the attorney of that Chargor, to execute in the name of the Chargor such deeds and documents and to do such other things as may be requisite to perfect the title of Leumi to any of the Security Assets or to enable Leumi to exercise any of its rights under this debenture, and which the Chargor has failed to do in accordance with the Finance Documents, including its rights to enforce payment of and collect any of the Other Receivables or Non-Vesting Receivables and to realise any of the other Security Assets and for the purpose of receiving all monies payable under any Insurance and for compromising or compounding any claim under it.

17 PAYMENTS

Without prejudice to the Chargor's obligations under this debenture, Leumi may at any time discharge the Chargor's obligation to make payment of any sums due by that Chargor to Leumi by debiting such sum to any account held by Leumi (in whatever capacity) in relation to that Chargor.

- 18.1 The Chargor shall within three Business Days of demand pay to Leumi and any Receiver the amount of all costs and expenses (including legal fees incurred by any of them in connection with the taking, holding, perfection or enforcement of this debenture or the preservation of any of their respective rights under this debenture (including all remuneration of the Receiver) and any proceedings instituted by or against Leumi or any Receiver as a consequence of taking or holding the Security Interests constituted by this debenture or of enforcing such rights, as the case may be.

- 18.2 A written certificate from Leumi's company secretary or auditor of the amount of the monetary liabilities included in the Secured Obligations at any time shall be prima facie evidence (save for manifest error) in any proceedings against the Chargor.

19 CURRENCIES

19.1 Conversion

All monies received or held by Leumi or any Receiver under this debenture may be converted from their existing currency into such other currency as Leumi or the Receiver considers necessary to cover the obligations and liabilities comprised in the Secured Obligations in that other currency at the Spot Rate of Exchange. The Chargor shall indemnify Leumi against all costs, charges and expenses incurred in relation to such

conversion. Neither Leumi nor any Receiver shall have any liability to the Chargor in respect of any loss resulting from any fluctuation in exchange rates after any such conversion.

19.2 Currency Indemnity

No payment to Leumi (whether under any judgment or court order or in the liquidation, administration or dissolution of the Chargor or otherwise) shall discharge the obligation or liability of that Chargor in respect of which it was made, unless and until Leumi shall have received payment in full in the currency in which the obligation or liability was incurred and, to the extent that the amount of any such payment shall on actual conversion into such currency fall short of such obligation or liability expressed in that currency, Leumi shall have a further separate cause of action against that Chargor and shall be entitled to enforce the Security Interests to recover the amount of the shortfall.

20 INDEMNITY

The Chargor shall indemnify Leumi and any Receiver and any attorney, agent or other person appointed by Leumi under this debenture and Leumi's officers and employees (each an "Indemnified Party") on demand against any cost, loss, liability or expense (however arising) except for any expense, loss, liability or damage arising from its negligence, fraud or wilful misconduct incurred by any Indemnified Party as a result of or in connection with:

- (a) anything done or omitted in the exercise or purported exercise of the powers contained in this debenture;
- (b) the Security Assets or the use or occupation of them by any person (including any Environmental Claim); or
- (c) any breach by the Chargor of any of its obligations under this debenture.

21 MISCELLANEOUS

21.1 New accounts

If Leumi receives, or is deemed to be affected by, notice, whether actual or constructive, of any subsequent Security Interest affecting any Security Asset and/or the proceeds of sale of any Security Asset, it may open a new account or accounts for the Chargor. If it does not open a new account, it shall nevertheless be treated as if it had done so at the time when it received or was deemed to have received such notice. As from that time all payments made to Leumi will be credited or be treated as having been credited to the new account and will not operate to reduce any amount of the Secured Obligations.

21.2 Changes to the Parties

- (a) No Chargor shall assign or transfer any of its rights and/or obligations under this debenture.
- (b) Subject to the terms of the Receivables Finance Agreement, Leumi may assign or transfer all or any part of its rights under this debenture. The Chargor shall,

promptly upon being requested to do so in writing by Leumi, enter into such documents as may be necessary to effect such assignment or transfer in accordance with the terms of the Receivables Finance Agreement.

21.3 Calculations and certificates

A certificate of Leumi specifying the amount of any Secured Obligation due from the Chargor (including details of any relevant calculation thereof) shall be prima facie evidence of such amount against that Chargor in the absence of manifest error.

21.4 Waiver, rights and remedies

No failure to exercise, nor any delay in exercising, on the part of Leumi, any right or remedy under this debenture shall operate as a waiver, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise or the exercise of any other right or remedy. The rights and remedies provided are cumulative and not exclusive of any rights or remedies provided by law.

22 ADDITIONAL RIGHTS OF LEUMI

22.1 The grant by Leumi to the Chargor or to any other person, including any person for whose liability that Chargor is surety, of any time or indulgence or the making by Leumi with the Chargor or any such person of any arrangement composition or agreement not to sue shall not discharge or in any way affect any of Leumi's rights under this debenture.

22.2 Leumi may abstain from perfecting or enforcing any securities, guarantees or other rights which it may now or at any time have from or against the Chargor or any other person and may substitute, release, alter or deal with the same in any way without affecting its rights under this debenture.

22.3 If Leumi receives or is deemed to have received notice of other Security Interests which affects any of the Security Assets and is created subsequent to the date of this debenture Leumi may open a new account with the relevant Chargor. If Leumi does not at the time of such notice or deemed notice open a new account, Leumi will nevertheless be treated as having opened a new account at that time. Any payments received by Leumi from the Chargor subsequent to the time of that notice or deemed notice will be credited or treated as having been credited to a new account. Consequently no such payment will operate to reduce any of the Secured Obligations until such time as Leumi is satisfied as to the priority of this debenture over such other Security Interests.

22.4 Any discharge given by Leumi to the Chargor in respect of this debenture or of any of the Secured Obligations shall be deemed to be void and of no effect if any security taken from or payment made that Chargor or any other person, which had been taken into account by Leumi in giving that discharge, is subsequently avoided or reduced by or in pursuance of any provision of law or of any determination of a court or tribunal of competent authority. The paper on which this debenture is written shall remain the property of Leumi notwithstanding any such discharge.

23 SET-OFF

23.1 Set-off

In addition to any right of set-off to which Leumi may be entitled in law:

- (a) Leumi may set off any matured obligation of the Chargor under the Finance Documents (to the extent beneficially owned by Leumi) against any matured obligation owed by Leumi to that Chargor, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, Leumi may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off;
- (b) Leumi is not obliged to exercise its rights under this clause 23 unless required by law.

23.2 Time deposits

Without prejudice to clause 23.1 (*Set-off*), if any time deposit matures on any account which the Chargor has with Leumi at a time within the Security Period when:

- (a) the Security Interest constituted by this debenture has become enforceable; and
- (b) no Secured Obligation is due and payable,

such time deposit shall automatically be renewed for such further maturity as Leumi in its absolute discretion considers appropriate unless Leumi otherwise agrees in writing.

24 NOTICES

- (a) Clause 24 (*Notices*) of the Receivables Finance Agreement is incorporated into this debenture as if fully set out in this debenture; and
- (b) the address, electronic mail and fax numbers of each Party for all communications or documents given under or in connection with this debenture are those identified with its name in the execution pages to this debenture or subsequently notified from time to time by the relevant Party for the purposes of the Receivables Finance Agreement or this debenture.

25 PARTIAL INVALIDITY

All the provisions of this debenture are severable and distinct from one another and if at any time any provision is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of any of the remaining provisions nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.

26 RELEASE

- (a) Upon the expiry of the Security Period subject to clause 26(b) below (but not otherwise) Leumi shall, promptly after the request and at the cost of the Chargor, take whatever action is necessary to release and/or re-assign (without recourse or warranty) the Security Assets from the Security Interest and return all deeds and documents of title delivered to Leumi under this debenture and execute and deliver

any other documents as the Chargor may reasonably require in order to give effect to this clause 26.

- (b) Where the Chargor makes a disposal, which is permitted by Leumi, Leumi shall on receipt of the full disposal proceeds, at the request and cost of that Chargor, take any action (including the provision of a letter of non-crystallisation) that is necessary to release or potentially release or re-assign to that Chargor the Security Asset which is the subject of such disposal from the Security Interests.

27 COUNTERPARTS

This debenture may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this debenture.

28 GOVERNING LAW

This debenture and any non-contractual obligations arising out of or in connection with it are governed by English law.

29 ENFORCEMENT

- 29.1 The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this debenture (including a dispute relating to the existence, validity or termination of this debenture or any non-contractual obligation arising out of or in connection with this debenture) (a "**Dispute**").
- 29.2 The Chargor agrees that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no Chargor shall argue to the contrary.
- 29.3 This clause 29 is for the benefit of Leumi only. As a result, Leumi shall not be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, Leumi may take concurrent proceedings in any number of jurisdictions.

IN WITNESS OF WHICH this debenture has been duly executed as a deed by each of the Parties and has been delivered on the first date specified on page 1 of this debenture.
