38.1 Redemption of the Senior Preference Shares shall be made in accordance with this article 38.

38.2 Where a Mandatory Senior Redemption Event has occurred or is reasonably likely to occur, an SPS Majority may waive the requirement for the company to redeem the Senior Preference Shares in connection with that Mandatory Senior Redemption Event through a Mandatory Senior Redemption in accordance with article 38.3 by serving a notice in Writing to the company at any time prior to any such Mandatory Senior Redemption. For clarity, any such waiver in accordance with this article will only apply to the Mandatory Senior Redemption Event(s) set out in the waiver and will not apply to any other Mandatory Senior Redemption Events.

38.3 Subject always to article 38.6, the company shall redeem the Senior Preference Shares in each case, at the Senior Redemption Price per Senior Preference Share (a "**Mandatory Senior Redemption**") immediately upon the occurrence of the Mandatory Senior Redemption Event unless waived by a SPS Majority in accordance with article 38.2.

38.4 Other than as stated above, there shall be no obligation on the company to redeem any of the Senior Preference Shares.

38.5 Subject always to article 38.6 and upon reasonable notice (in Writing) by the company to the Senior Preference Shareholders (which shall be not less than twenty (20) Business Days), the company may redeem some or all of the outstanding Senior Preference Shares, provided that if the company elects not to redeem all of the outstanding Senior Preference Shares it must redeem no less than £40 million in SPS Stated Amount, in any case at the Senior Redemption Price with respect to the relevant Senior Preference Shares (an "**Optional Senior Redemption**"). An Optional Senior Redemption of some, but not all, of the Senior Preference Shares shall be made amongst the Holders thereof pro rata to their holding of Senior Preference Shares.

38.6 Redemption of the Senior Preference Shares is subject to any restrictions on redemption imposed by law.

38.7 Upon a Senior Redemption, there shall be paid, to each Senior Preference Shareholder in respect of the relevant number of Senior Preference Shares held by them which are to be

redeemed (the "**Relevant Senior Preference Shares**"), an amount (the "**Senior Redemption Price**") equal to the aggregate of:

- (a) an amount equal to the SPS Stated Amount in respect of the Relevant Senior Preference Shares; *plus*

 - (i) the SPS Stated Amount shall exclude any amount accrued as a result of any Senior Rate Step-up Event;

38.8 Upon a Senior Redemption, the Senior Preference Shareholder must promptly deliver a Senior Preference Share certificate for the Senior Preference Shares subject to the Senior Redemption (or an indemnity in form reasonably satisfactory to the Board in respect of any lost certificate) and the company shall cancel the certificate. If any certificate so delivered to the company includes any Senior Preference Shares which are not to be redeemed on that occasion, a fresh certificate for such unredeemed Senior Preference Shares shall be issued to the Holder as soon as practicable and in any event within ten (10) Business Days of the Senior Redemption Date.

38.9 For the avoidance of doubt, on a Senior Redemption:

- (a) the company is not required to redeem, purchase or otherwise deal in the Warrants, or any Ordinary Shares resulting from the exercise of a Warrant; and
- (b) the holders of the Warrants are not required to exercise such Warrants.

39. **SHARE RIGHTS - CONVERSION AND REDEMPTION OF 2021 CONVERTIBLE PREFERENCE SHARES**

39.1 **2021 CPS Holder Optional Conversion**

- (a) Subject to paragraph (d), a 2021 Convertible Preference Share shall be convertible at any time into such number of Ordinary Shares as is equal to the CPS OS Entitlement.
- (b) A 2021 Convertible Preference Shareholder may at any time request that the company provide it with an OS Price, by providing notice in Writing to the company of such request. Following such request, the company shall, as soon as reasonably practicable following receipt of such notice, so provide the 2021 Convertible Preference Shareholder with an OS Price and the 2021 Convertible Preference Shareholder shall have the right (but no obligation) to require that some or all of its 2021 Convertible Preference Shares are converted into Ordinary Shares, being a "**2021 CPS Holder Optional Conversion**", by further notice in Writing to the company (the "**CPS Conversion Notice**").

- (c) The "**CPS OS Entitlement**" shall be the result of:

$$\frac{\text{CPS Conversion Value}}{\text{OS Price}}$$

Where:

- (i) "**CPS Conversion Value**" means the amount, per 2021 Convertible Preference Share, as is equal to the result of the Aggregate Conversion Value divided by the total number of 2021 Convertible Preference Shares in issue as at the date of the CPS Conversion Notice;
- (ii) "**Aggregate Conversion Value**" means the greater of the Base Aggregate Conversion Value and the Minimum Participation Conversion Value;
- (iii) "**Base Aggregate Conversion Value**" on any date means the product of the Outstanding CPS Investment Amount and the 2021 IRR Return on such date;
- (iv) "**Minimum Participation Conversion Value**" means such amount as is equal to the product of the Minimum Participation Post Money Equity Value and the Minimum Post Money Convertible Participation;
- (v) "**Outstanding CPS Investment Amount**" means the product of the Issue Price per 2021 Convertible Preference Share multiplied by the total number of 2021 Convertible Preference Shares in issue as at the date of the CPS Conversion Notice;

- (vii) "**Minimum Post Money Convertible Participation**" means the result of the Base Aggregate Conversion Value divided by £2.55 billion;
- (viii) "**Pre-Money Equity Value**" means the product of the OS Price and the total number of Ordinary Shares in issue as at the date of the CPS Conversion Notice;
- (ix) "**Post Money Factor**" means the greater of: (A) 0.01%; and (B) the result of 100% minus the Warrant Participation minus the Aggregate Minimum Post Money Convertible Participation;
- (x) "**Aggregate Minimum Post Money Convertible Participation**" means the aggregate of the Minimum Post Money Convertible Participation calculated under article 40.1(c)(viii) and the Minimum Post Money Convertible Participation calculated above under article 39.1(c)(vii) above;
- (xi) "**OS Price**" means, subject to article 39.4(a) (where applicable), the price per Ordinary Share:
 - (A) based on the value ascribed to the Ordinary Shares at the last Ordinary Share Transaction which took place after the Issue Date of the 2021 Convertible Preference Shares, but prior to the date of the CPS Conversion Notice, provided that, subject to article 40.1(c)(xiii)(A), the relevant 2021 Convertible Preference Shareholder (acting reasonably, and where multiple 2021 Convertible Preference Shareholders have requested an OS Price at the same time, acting with a majority approval of the relevant 2021 Convertible Preference Shareholders) accepts such reference price represents fair and arm's length value for such Ordinary Shares (a "**Reference Transaction**"); or

- (B) if the relevant 2021 Convertible Preference Shareholder(s) does/do not accept the Reference Transaction described in paragraph (A) above, the mean of two valuations determined by two different Independent Experts. The Independent Experts shall be appointed as follows: (1) the executive management team shall nominate three Independent Experts for consideration by the Board and the holders of a majority of the Ordinary Shares excluding for this purpose the Ordinary Shares held by the Holders of 2021 Convertible Preference Shares and their Permitted Transferees (as such phrase may be defined in any shareholders' agreement entered into between the shareholders and the company from time to time)) ("**Unconflicted Shareholders**"); (2) the Board and the Unconflicted Shareholders shall agree on two Independent Experts to make determinations; (3) where no such agreement is forthcoming after 5 Business Days following the recommendation from management, two Independent Experts shall be appointed by The Institute of Chartered Accountants in England and Wales. Each Independent Expert shall be instructed (on the same terms of reference) to determine the price per Ordinary Share using prevailing industry valuation techniques that shall be consistent with the valuation techniques of any other Independent Expert appointed and in respect of the same point in time, and shall act as experts and not as arbitrator. The mean of the two Independent Experts' valuations shall be final and binding on the company and the 2021 Convertible Preference Shareholders. Where an Independent Expert provides a range for the price per Ordinary Share (rather than a single specific price per Ordinary Share), the valuation for the purposes of calculating the mean shall be the midpoint of that given range. Such process being an "**Independent Valuation**".

The costs of the Independent Experts for an Independent Valuation shall be met by the company, provided that where (1) the OS Price is being determined for the purposes of a CPS Holder Optional Conversion; and (2) either there has been a Reference Transaction or an Independent Valuation in the six-month period prior to the date of the CPS Conversion Notice, the company may request that the OS Price based on the Reference Transaction or the Independent Valuation (as applicable) be used, and where the relevant 2021 Convertible Preference Shareholder(s) decline such request (such requests and acceptance or declination to be communicated through notice(s) given under paragraph (b) above), the costs of the Independent Experts shall be borne by the relevant 2021 Convertible Preference Shareholder(s).

- (xii) "**Warrant Participation**" means the maximum percentage of the company's fully diluted share capital that would be owned in aggregate by holders of the Warrants and any other instrument (other than the 2021 Convertible Preference Shares and the 2022 Convertible Preference Shares and ignoring for these purposes any conversion of any instrument in accordance with article 41) that is or may be capable in accordance with its terms of being converted into Ordinary Shares (at any time in the present or future).
- (d) A 2021 CPS Holder Optional Conversion shall not occur where to effect the CPS Holder Optional Conversion would trigger a Change of Control (or equivalent change of control) of the company.
- (e) Upon receipt of a CPS Conversion Notice, the company shall confirm in Writing to the relevant 2021 Convertible Preference Shareholder(s) whether paragraph (d) applies as soon as reasonably practicable and in any event within five (5) Business Days.

- (f) Provided the company confirms the 2021 CPS Holder Optional Conversion is not prohibited by paragraph (d), upon delivery to the company of the Convertible Preference Share certificate(s) relating to the 2021 Convertible Preference Shares for conversion (or an indemnity in form reasonably satisfactory to the Board in respect of any lost certificate) the company shall do all things necessary to effect the conversion of such 2021 Convertible Preference Shares to the requisite number of Ordinary Shares and to issue the Holder(s) with share certificates for such Ordinary Shares. If any certificate so delivered to the company includes any 2021 Convertible Preference Share(s) which are not to be converted on that occasion, a fresh certificate for such 2021 Convertible Preference Shares shall be issued to the Holder. The Board shall ensure the company complies with this article as soon as practicable after receiving a CPS Conversion Notice and in any event within ten (10) Business Days.

- (b) Where the company makes an optional redemption under paragraph (a), the redemption shall be in cash at a price equal to the greatest of:
 - (i) the product of the Issue Price per 2021 Convertible Preference Share and the 2021 IRR Return on such optional redemption date;
 - (ii) an amount per 2021 Convertible Preference Share which results in the CPS MOIC Return;
 - (iii) the cash value of the Ordinary Shares the 2021 Convertible Preference Shareholder would receive per 2021 Convertible Preference Share if there was a 2021 CPS Holder Optional Conversion immediately prior to any redemption,
 (the "**CPS Company Redemption Price**").
- (c) The company shall pay to the Holders (or the first named Holder in the register of members of the company if more than one) of the 2021 Convertible Preference Shares the CPS Company Redemption Price due and shall deem any relevant share certificates relating to the 2021 Convertible Preference Share to be cancelled thereafter.

aggregate, the "**CPS CoC Redemption Price**"), such election to be made by notice in Writing to the company and where such notice is received, but subject always to article 39.6(b) and the prior occurrence of a Senior Redemption in respect of all the Senior Preference Shares in accordance with article 38, the company shall so redeem the 2021 Convertible Preference Shares in accordance with this article (a "**CPS CoC Redemption**").

- (b) Upon delivery of the 2021 Convertible Preference Share certificates (or an indemnity in form reasonably satisfactory to the Board in respect of any lost certificate) the company shall pay to such Holder (or the first named Holder in the register of members of the company if more than one) the CPS CoC Redemption Price due to him in accordance with this article and shall cancel the certificate. Pending delivery of such certificate or indemnity in respect of any 2021 Convertible Preference Shares to be redeemed, the company shall, on the occurrence of the relevant Change of Control transaction, pay the CPS CoC Redemption Price due into a separate bank account in the company's name and if and when the Holder shall deliver up his certificate or certificates for the relevant 2021 Convertible Preference Shares to the company such Holder shall thereupon be paid the relevant CPS CoC Redemption Price without interest.

The company may appoint any person to execute (as agent on behalf of any Holder of 2021 Convertible Preference Shares that has not voted with the CPS Majority for the purposes of article 40.1(d)) any documentation required to be completed by such 2021 Convertible Preference Shareholders under these Articles or at law in order to effect the conversion in accordance with article 39.1.

determined under article 39.1, provided that a majority of the Convertible Preference Shareholders (with 2021 Convertible Preference Shareholders and 2022 Convertible Preference Shareholders being aggregated for this purpose) shall determine whether the Reference Transaction (as determined under article 39.1) is acceptable in such circumstances (as opposed to a majority of the 2021 Convertible Preference Shareholders);

- (B) subject to paragraph (A) above (where applicable), based on the value ascribed to the Ordinary Shares at the last Ordinary Share Transaction which took place after the Issue Date of the 2022 Convertible Preference Shares, but prior to the date of the CPS Conversion Notice, provided that the relevant 2022 Convertible Preference Shareholder(s) (acting reasonably, and where multiple 2022 Convertible Preference Shareholders have requested an OS Price at the same time, acting with a majority approval of the relevant 2022 Convertible Preference Shareholders) accepts such reference price represents fair and arm's

length value for such Ordinary Shares (a **"Reference Transaction"**);
or

- (C) if the relevant 2022 Convertible Preference Shareholder(s) does/do not accept the Reference Transaction described in paragraphs (A) or (B) above, the mean of two valuations determined by two different Independent Experts. The Independent Experts shall be appointed as follows: (1) the executive management team shall nominate three Independent Experts for consideration by the Board and the holders of a majority of the Ordinary Shares excluding for this purpose the Ordinary Shares held by the Holders of 2022 Convertible Preference Shares and their Permitted Transferees (as such phrase may be defined in any shareholders' agreement entered into between the shareholders and the company from time to time)) (**"Unconflicted Shareholders"**); (2) the Board and the Unconflicted Shareholders shall agree on two Independent Experts to make determinations; (3) where no such agreement is forthcoming after 5 Business Days following the recommendation from management, two Independent Experts shall be appointed by The Institute of Chartered Accountants in England and Wales. Each Independent Expert shall be instructed (on the same terms of reference) to determine the price per Ordinary Share using prevailing industry valuation techniques that shall be consistent with the valuation techniques of any other Independent Expert appointed and in respect of the same point in time, and shall act as experts and not as arbitrator. The mean of the two Independent Experts' valuations shall be final and binding on the company and the 2022 Convertible Preference Shareholders. Where an Independent Expert provides a range for the price per Ordinary Share (rather than a single specific price per Ordinary Share), the valuation for the purposes of calculating the mean shall be the midpoint of that given range. Such process being an **"Independent Valuation"**.

The costs of the Independent Experts for an Independent Valuation shall be met by the company, provided that where (1) the OS Price is being determined for the purposes of a CPS Holder Optional Conversion; and (2) either there has been a Reference Transaction or an Independent Valuation in the six-month period prior to the date of the CPS Conversion Notice, the company may request that the OS Price based on the Reference Transaction or the Independent Valuation (as applicable) be used, and where the relevant 2022 Convertible Preference Shareholder(s) decline such request (such requests and acceptance or declination to be communicated through notice(s) given under paragraph (b) above), the costs of the Independent Experts shall be borne by the relevant 2022 Convertible Preference Shareholder(s).

- (xiv) **"Warrant Participation"** means the maximum percentage of the company's fully diluted share capital that would be owned in aggregate by holders of the Warrants and any other instrument (other than the 2021 Convertible Preference Shares and the 2022 Convertible Preference Shares and ignoring for these purposes any conversion of any instrument in accordance with article 41) that is or may be capable in accordance with its terms of being converted into Ordinary Shares (at any time in the present or future).

- (d) Where the Holders of all of the 2022 Convertible Preference Shares in issue at the relevant time wish to convert their 2022 Convertible Preference Shares under this article 40.1, but the 2021 Convertible Preference Shares have not fully converted or been redeemed, such Holders may notify the Company in writing. Following receipt of such notice, the Company shall within ten Business Days, request of the Convertible Preference Shareholders whether a CPS Majority supports the full

conversion of the remaining 2021 Convertible Preference Shares. Where a CPS Majority consent is obtained, article 39.5 shall apply.

- (e) A 2022 CPS Holder Optional Conversion shall not occur where to effect the CPS Holder Optional Conversion would trigger a Change of Control (or equivalent change of control) of the company.
- (f) Upon receipt of a CPS Conversion Notice, the company shall confirm in Writing to the relevant 2022 Convertible Preference Shareholder(s) whether paragraph (e) applies as soon as reasonably practicable and in any event within five (5) Business Days.
- (g) Provided the company confirms the 2022 CPS Holder Optional Conversion is not prohibited by paragraph (e), upon delivery to the company of the Convertible Preference Share certificate(s) relating to the 2022 Convertible Preference Shares for conversion (or an indemnity in form reasonably satisfactory to the Board in respect of any lost certificate) the company shall do all things necessary to effect the conversion of such 2022 Convertible Preference Shares to the requisite number of Ordinary Shares and to issue the Holder(s) with share certificates for such Ordinary Shares. If any certificate so delivered to the company includes any 2022 Convertible Preference Share(s) which are not to be converted on that occasion, a fresh certificate for such 2022 Convertible Preference Shares shall be issued to the Holder. The Board shall ensure the company complies with this article as soon as practicable after receiving a CPS Conversion Notice and in any event within ten (10) Business Days.
- (h) The Company and the Ordinary Shareholders agree that this article 40.1 shall not be amended without the unanimous consent of the Ordinary Shareholders.

40.2 **Company Optional 2022 CPS Redemption**

- (a) Any time after the second anniversary of the Issue Date of the 2022 Convertible Preference Shares, the company may redeem the entire class of 2022 Convertible Preference Shares (and no less than the entire class), such decision to redeem to be made by the Board and (if applicable) in accordance with any shareholders' agreement between the company and the Shareholders from time to time, and notified to the Holders of the 2022 Convertible Preference Shares in Writing (the "**Company Optional 2022 CPS Redemption**"). Notwithstanding the foregoing, no Company Optional 2022 CPS Redemption can occur other than from the proceeds of an issuance of new Shares ranking junior in priority to the Senior Preference Shares in all respects, unless and until a Senior Redemption of all the Senior Preference Shares for the time being outstanding has occurred.
- (b) Where the company makes an optional redemption under paragraph (a), the redemption shall be in cash at a price equal to the greatest of:
 - (i) the product of the Issue Price per 2022 Convertible Preference Share and the 2022 IRR Return on such optional redemption date;
 - (ii) an amount per 2022 Convertible Preference Share which results in the CPS MOIC Return;
 - (iii) the cash value of the Ordinary Shares the 2022 Convertible Preference Shareholder would receive per 2022 Convertible Preference Share if there was a 2022 CPS Holder Optional Conversion immediately prior to any redemption,(the "**CPS Company Redemption Price**").
- (c) The company shall pay to the Holders (or the first named Holder in the register of members of the company if more than one) of the 2022 Convertible Preference

Shares the CPS Company Redemption Price due and shall deem any relevant share certificates relating to the 2022 Convertible Preference Share to be cancelled thereafter.

40.3 **Redemption on Change of Control**

- (a) On the occurrence of a Change of Control (other than a Qualifying IPO, a SPAC Transaction or a Total Sale), holders of a majority in value of the 2022 Convertible Preference Shares in issue may elect to require the company to redeem all (but not fewer than all) of the 2022 Convertible Preference Shares in cash at an amount per 2022 Convertible Preference Share equal to the CPS Company Redemption Price (in aggregate, the "**CPS CoC Redemption Price**"), such election to be made by notice in Writing to the company and where such notice is received, but subject always to article 40.5(b) and the prior occurrence of a Senior Redemption in respect of all the Senior Preference Shares in accordance with article 38, the company shall so redeem the 2022 Convertible Preference Shares in accordance with this article (a "**CPS CoC Redemption**").
- (b) Upon delivery of the 2022 Convertible Preference Share certificates (or an indemnity in form reasonably satisfactory to the Board in respect of any lost certificate) the company shall pay to such Holder (or the first named Holder in the register of members of the company if more than one) the CPS CoC Redemption Price due to him in accordance with this article and shall cancel the certificate. Pending delivery of such certificate or indemnity in respect of any 2022 Convertible Preference Shares to be redeemed, the company shall, on the occurrence of the relevant Change of Control transaction, pay the CPS CoC Redemption Price due into a separate bank account in the company's name and if and when the Holder shall deliver up his certificate or certificates for the relevant 2022 Convertible Preference Shares to the company such Holder shall thereupon be paid the relevant CPS CoC Redemption Price without interest.
- (c) In the event of a Total Sale, each 2022 Convertible Preference Share shall entitle the 2022 Convertible Preference Shareholder to the CPS Company Redemption Price, provided that: (i) such amount is available from the net proceeds of the Total Sale; and (ii) the Senior Preference Shareholders have first been paid their full entitlement to such net proceeds of the Total Sale.

40.4 **Conversion on Qualifying IPO/SPAC Transaction**

- (a) On the occurrence of a Qualifying IPO or a SPAC Transaction, all of the 2022 Convertible Preference Shares shall be automatically converted into Ordinary Shares in accordance with the process for a 2022 CPS Holder Optional Conversion without the need for any Holders to notify the company in Writing or otherwise, being an "**IPO/SPAC CPS Conversion**", provided that the OS Price on an IPO/SPAC Conversion shall mean the Qualifying IPO or SPAC Transaction valuation of the company (as applicable) and in each case determined pro forma of the IPO/SPAC CPS Conversion.
- (b) Prior to completion of the relevant Qualifying IPO or SPAC Transaction the company shall do all things necessary to effect the conversion of the 2022 Convertible Preference Shares to the requisite number of Ordinary Shares and to issue the Holder(s) with share certificates for such Ordinary Shares.

40.5 **General provisions**

- (a) Other than as stated above, there shall be no obligation on the company to redeem any of the 2022 Convertible Preference Shares.

- (b) Redemption of the 2022 Convertible Preference Shares is subject to any restrictions on redemption imposed by law.

41. AUTOMATIC CONVERSION OF MULTIPLE CLASSES

41.1 Where the Board obtains the agreement of a third party purchaser to the sale and purchase of 100% of the issued share capital in the company, the negotiation and arrangement of such agreement have been conducted in accordance with any shareholders' agreement between the company and the Shareholders from time to time (a "**Liquidity Trigger Exit**"), immediately prior to the completion of such Liquidity Trigger Exit, all classes of Shares shall automatically convert into Ordinary Shares (or Deferred Shares, if required to facilitate a value-break as referred to in paragraph (e) below, only) at such conversion rates which ensure the net proceeds of the Total Sale are distributed among the Shareholders as follows:

- (a) firstly, to each person that was, prior to the relevant conversion, a Senior Preference Shareholder in order to satisfy in full in cash the outstanding Senior Redemption Price on each Senior Preference Share that was in issue prior to the relevant conversion;
- (b) secondly, to each person that was, prior to the relevant conversion, a Convertible Preference Shareholder, being such amount as is equal to the CPS Company Redemption Price in respect of each Convertible Preference Share that was in issue prior to the relevant conversion; and
- (c) thirdly, to each person that was, prior to the relevant conversion, an Ordinary Shareholder on a pro rata basis with respect to each Shareholder's shareholding and, with respect to any holders of Warrants that remain unexercised prior to the relevant conversion, assuming a conversion of such Warrants to Ordinary Shares; and

provided that:

- (d) where the net proceeds of the Liquidity Trigger Exit are insufficient to satisfy any amounts owed to a certain class of Shareholders as referred to under any sub-paragraph above in full in cash, the entitlements of the relevant class of Shareholders shall be reduced commensurately such that the net proceeds are shared among the Shareholders in the relevant class pro rata to their respective holdings of such class of Shares immediately prior to the Liquidity Trigger Exit; and
- (e) for the avoidance of doubt, where the net proceeds of the Liquidity Trigger Exit are insufficient to satisfy any amounts referred to under any sub-paragraph above in full in cash, the entitlements of the relevant Shareholders who fall below the value-break shall be reduced commensurately and their Shares may consequently be converted into Deferred Shares.

42. VARIATION OF CLASS RIGHTS

42.1 Whenever the share capital of the company is divided into different classes of Shares, the special rights attached to any such class may only be varied or abrogated (either whilst the company is a going concern or during or in contemplation of a winding-up) either:

- (a) with the consent in writing of the Holders of at least three-fourths in nominal value of the issued shares of that class; or
- (b) with the sanction of a special resolution passed at a separate general meeting of the holders of that class,

provided that, the Convertible Preference Shares shall be treated as (and deemed to be) a single class to the extent permitted by law (and, for the avoidance of doubt, the 2021 Convertible Preference Shares shall be aggregated with the 2022 Convertible Preference

Shares and the 2022 Convertible Preference Shareholders shall be aggregated with the 2022 Convertible Preference Shareholders for the purposes of obtaining the requisite consents).

42.2 To every such separate general meeting all the provisions of these Articles relating to general meetings of the company (and to the proceedings at such general meetings) shall, *mutatis mutandis*, apply, except that:

- (a) the necessary quorum shall be two persons, present in person or by proxy or by duly authorised representative (if a corporation), who together hold or represent at least one-third in nominal value of the issued shares of the relevant class (unless all the shares of that class are registered in the name of a single holder, in which case the quorum shall be that holder, his proxy or his duly authorised representative (if a corporation)), but so that if, at any adjourned meeting of such holders, such a quorum is not present, then those holders who are present (in person or by proxy or by duly authorised representative (if a corporation)) shall be a quorum;
- (b) any holder of shares of the relevant class present in person or by proxy or by duly authorised representative (if a corporation) may demand a poll; and
- (c) the holders of shares of the relevant class shall, on a poll, have one vote in respect of every share of that class held by them.

42.3 The special rights conferred upon the holders of any shares or class of shares issued with preferred, deferred or other rights shall (unless otherwise expressly provided by the conditions of issue of such shares) be deemed not to be varied by the creation or issue of further shares ranking *pari passu* therewith.

SHARE CERTIFICATES

43. CERTIFICATES TO BE ISSUED

43.1 The company must issue each Member with one or more certificates in respect of the Shares which that Member holds.

43.2 Except as otherwise specified in the Articles, all certificates must be issued free of charge.

43.3 No certificate may be issued in respect of Shares of more than one class.

43.4 If more than one person holds a share, only one certificate may be issued in respect of it.

44. CONTENTS AND EXECUTION OF SHARE CERTIFICATES

44.1 Every certificate must specify:

- (a) in respect of how many Shares, of what class, it is issued;
- (b) the nominal value of those Shares;
- (c) the amount Paid up on them; and
- (d) any distinguishing numbers assigned to them.

44.2 Certificates must:

- (a) have affixed to them the company's common seal; or
- (b) be otherwise executed in accordance with the Companies Acts.

45. REPLACEMENT SHARE CERTIFICATES

45.1 If a certificate issued in respect of a Member's Shares is:

- (a) damaged or defaced; or
- (b) said to be lost, stolen or destroyed,

that Member is entitled to be issued with a replacement certificate in respect of the same Shares.

45.2 A Member exercising the right to be issued with such a replacement certificate:

- (a) may at the same time exercise the right to be issued with a single certificate or separate certificates;
- (b) must return the certificate which is to be replaced to the company if it is damaged or defaced; and
- (c) must comply with such conditions as to evidence, indemnity and the payment of a reasonable fee as the Directors decide.

PARTLY PAID SHARES

46. COMPANY'S LIEN OVER PARTLY PAID SHARES

46.1 The company has a lien (the "**Company's Lien**") over every share which is Partly Paid for any part of:

- (a) that share's nominal value; and
- (b) any premium at which it was issued,

which has not been Paid to the company, and which is payable immediately or at some time in the future, whether or not a Call Notice has been sent in respect of it.

46.2 The Company's Lien over a share:

- (a) takes priority over any third party's interest in that share; and
- (b) extends to any dividend or other money payable by the company in respect of that share and (if the lien is enforced and the share is sold by the company) the proceeds of sale of that share.

46.3 The Directors may at any time decide that a share which is or would otherwise be subject to the company's Lien shall not be subject to it, either wholly or in part.

47. ENFORCEMENT OF THE COMPANY'S LIEN

47.1 Subject to the provisions of this article, if:

- (a) a Lien Enforcement Notice has been given in respect of a share; and
- (b) the person to whom the notice was given has failed to comply with it, the company may sell that share in such manner as the Directors decide. 42.2 A Lien Enforcement Notice:
- (c) may only be given in respect of a share which is subject to the company's Lien, in respect of which a sum is payable and the due date for payment of that sum has passed;

- (d) must specify the share concerned;
- (e) must require payment of the sum payable within 14 days of the notice;
- (f) must be addressed either to the Holder of the share or to a Transmittree of that Holder; and
- (g) must state the company's intention to sell the share if the notice is not complied with.

47.2 Where Shares are sold under this article:

- (a) the Directors may authorise any person to execute an Instrument of transfer of the Shares to the purchaser or to a person nominated by the purchaser; and
- (b) the transferee is not bound to see to the application of the consideration, and the transferee's title is not affected by any irregularity in or invalidity of the process leading to the sale.

47.3 The net proceeds of any such sale (after payment of the costs of sale and any other costs of enforcing the lien) must be applied:

- (a) first, in payment of so much of the sum for which the lien exists as was payable at the date of the Lien Enforcement Notice; and
- (b) second, to the person entitled to the Shares at the date of the sale, but only after the certificate for the Shares sold has been surrendered to the company for cancellation or a suitable indemnity has been given for any lost certificates, and subject to a lien equivalent to the company's Lien over the Shares before the sale for any money payable in respect of the Shares after the date of the Lien Enforcement Notice.

47.4 A statutory declaration by a Director or the Secretary (if any) that the declarant is a Director or the Secretary and that a share has been sold to satisfy the company's Lien on a specified date:

- (a) is conclusive evidence of the facts stated in it as against all persons claiming to be entitled to the share; and
- (b) subject to compliance with any other formalities of transfer required by the Articles or by law, constitutes a good title to the share.

48. **CALL NOTICES**

48.1 Subject to the Articles and the terms on which Shares are allotted, the Directors may send a notice (a "**Call Notice**") to a Member requiring the Member to pay the company a specified sum of money (a "**Call**") which is payable in respect of Shares which that Member holds at the date when the Directors decide to send the Call Notice.

48.2 A Call Notice:

- (a) may not be issued in respect of Shares that are Fully Paid;
- (b) may not require a Member to pay a Call which exceeds the total sum unpaid on that Member's Shares (whether as to the share's nominal value or any amount payable to the company by way of premium);
- (c) must state when and how any Call to which it relates it is to be Paid; and
- (d) may permit or require the Call to be Paid by instalments.

48.3 A Member must comply with the requirements of a Call Notice, but no Member is obliged to pay any Call before 14 days have passed since the notice was sent.

48.4 Before the company has received any Call due under a Call Notice the Directors may:

(a) revoke it wholly or in part; or

(b) specify a later time for payment than is specified in the notice,

by a further notice in Writing to the Member in respect of whose Shares the Call is made.

49. **LIABILITY TO PAY CALLS**

49.1 Liability to pay a Call is not extinguished or transferred by transferring the Shares in respect of which it is required to be Paid.

49.2 Joint Holders of a share are jointly and severally liable to pay all Calls in respect of that share.

49.3 Subject to the terms on which Shares are allotted, the Directors may, when issuing Shares, provide that Call Notices sent to the Holders of those Shares may require them:

(a) to pay Calls which are not the same; or

(b) to pay Calls at different times.

50. **WHEN CALL NOTICE NEED NOT BE ISSUED**

50.1 A Call Notice need not be issued in respect of sums which are specified, in the terms on which a share is issued, as being payable to the company in respect of that share (whether in respect of nominal value or premium):

(a) on allotment;

(b) on the occurrence of a particular event; or

(c) on a date fixed by or in accordance with the terms of issue.

50.2 But if the due date for payment of such a sum has passed and it has not been Paid, the Holder of the share concerned is treated in all respects as having failed to comply with a Call Notice in respect of that sum, and is liable to the same consequences as regards the payment of interest and forfeiture.

51. **FAILURE TO COMPLY WITH CALL NOTICE: AUTOMATIC CONSEQUENCES**

51.1 If a person is liable to pay a Call and fails to do so by the Call payment date:

(a) the Directors may issue a notice of intended forfeiture to that person; and

(b) until the Call is Paid, that person must pay the company interest on the Call from the Call payment date at the relevant rate.

51.2 For the purposes of this article:

(a) the "**Call payment date**" is the time when the Call Notice states that a Call is payable, unless the Directors give a notice specifying a later date, in which case the "Call payment date" is that later date;

(b) the "**relevant rate**" is:

- (i) the rate fixed by the terms on which the share in respect of which the Call is due was allotted;
- (ii) such other rate as was fixed in the Call Notice which required payment of the Call, or has otherwise been determined by the Directors; or
- (iii) if no rate is fixed in either of these ways, 5 per cent. per annum.

51.3 The relevant rate must not exceed by more than 5 percentage points the base lending rate most recently set by the Monetary Policy Committee of the Bank of England in connection with its responsibilities under Part 2 of the Bank of England Act 1998.

51.4 The Directors may waive any obligation to pay interest on a Call wholly or in part.

52. NOTICE OF INTENDED FORFEITURE

A notice of intended forfeiture:

- (a) may be sent in respect of any share in respect of which a Call has not been Paid as required by a Call Notice;
- (b) must be sent to the Holder of that share or to a Transmittree of that Holder;
- (c) must require payment of the Call and any accrued interest and all expenses that may have been incurred by the company by reason of such non-payment by a date which is not less than 14 days after the date of the notice;
- (d) must state how the payment is to be made; and
- (e) must state that if the notice is not complied with, the Shares in respect of which the Call is payable will be liable to be forfeited.

53. DIRECTORS' POWER TO FORFEIT SHARES

If a notice of intended forfeiture is not complied with before the date by which payment of the Call is required in the notice of intended forfeiture, the Directors may decide that any share in respect of which it was given is forfeited, and the forfeiture is to include all dividends or other moneys payable in respect of the forfeited Shares and not Paid before the forfeiture.

54. EFFECT OF FORFEITURE

54.1 Subject to the Articles, the forfeiture of a share extinguishes:

- (a) all interests in that share, and all claims and demands against the company in respect of it; and
- (b) all other rights and liabilities incidental to the share as between the person whose share it was prior to the forfeiture and the company.

54.2 Any share which is forfeited in accordance with the Articles:

- (a) is deemed to have been forfeited when the Directors decide that it is forfeited;
- (b) is deemed to be the property of the company; and
- (c) may be sold, re-allotted or otherwise disposed of as the Directors think fit.

54.3 If a person's Shares have been forfeited:

- (a) the company must send that person notice that forfeiture has occurred and record it in the register of Members;
- (b) that person ceases to be a Member in respect of those Shares;
- (c) that person must surrender the certificate for the Shares forfeited to the company for cancellation;
- (d) that person remains liable to the company for all sums payable by that person under the Articles at the date of forfeiture in respect of those Shares, including any interest (whether accrued before or after the date of forfeiture); and
- (e) the Directors may waive payment of such sums wholly or in part or enforce payment without any allowance for the value of the Shares at the time of forfeiture or for any consideration received on their disposal.

54.4 At any time before the company disposes of a forfeited share, the Directors may decide to cancel the forfeiture on payment of all Calls, interest and expenses due in respect of it and on such other terms as they think fit.

55. PROCEDURE FOLLOWING FORFEITURE

55.1 If a forfeited share is to be disposed of by being transferred, the company may receive the consideration for the transfer and the Directors may authorise any person to execute the Instrument of transfer.

55.2 A statutory declaration by a Director or the Secretary (if any) that the declarant is a Director or the Secretary and that a share has been forfeited on a specified date:

- (a) is conclusive evidence of the facts stated in it as against all persons claiming to be entitled to the share; and
- (b) subject to compliance with any other formalities of transfer required by the Articles or by law, constitutes a good title to the share.

55.3 A person to whom a forfeited share is transferred is not bound to see to the application of the consideration (if any) nor is that person's title to the share affected by any irregularity in or invalidity of the process leading to the forfeiture or transfer of the share.

55.4 If the company sells a forfeited share, the person who held it prior to its forfeiture is entitled to receive from the company the proceeds of such sale, net of any commission, and excluding any amount which:

- (a) was, or would have become, payable; and
- (b) had not, when that share was forfeited, been Paid by that person in respect of that share.

but no interest is payable to such a person in respect of such proceeds and the company is not required to account for any money earned on them.

56. SURRENDER OF SHARES

56.1 A Member may surrender any share:

- (a) in respect of which the Directors may issue a notice of intended forfeiture;

(b) which the Directors may forfeit; or

(c) which has been forfeited.

56.2 The Directors may accept the surrender of any such share.

56.3 The effect of surrender on a share is the same as the effect of forfeiture on that share.

56.4 A share which has been surrendered may be dealt with in the same way as a share which has been forfeited.

TRANSFER AND TRANSMISSION OF SHARES

57. TRANSFERS OF SHARES

57.1 The Shares may be transferred in accordance with these Articles and any shareholders' agreement in place between the company and the Shareholders from time to time.

57.2 The Stapled Warrants that are stapled to Senior Preference Shares must be transferred at the same time and to the same transferee as any transfer of the relevant Senior Preference Shares in accordance with the relevant Warrant Instrument.

57.3 Shares may be transferred by means of an Instrument of transfer in any usual form or any other form approved by the Directors, which is executed by or on behalf of:

(a) the transferor; and

(b) (if any of the Shares is Partly Paid) the transferee.

57.4 No fee may be charged for registering any Instrument of transfer or other Document relating to or affecting the title to any share.

57.5 The company may retain any Instrument of transfer which is registered.

57.6 The transferor remains the Holder of a share until the transferee's name is entered in the register of members as Holder of it.

57.7 The Directors shall register a transfer of Shares which is:

(a) lodged at the Office or such other place as the Directors have appointed;

(b) accompanied by the certificate for the Shares to which it relates, or such other evidence as the Directors may reasonably require to show the transferor's right to make the transfer; and

(c) presented for registration duly stamped or is an exempt transfer within the Stock Transfer Act 1982,

and may, in their absolute discretion, refuse to register any other transfer of Shares but only to the extent that such transfer is of any share which is not a Fully Paid share.

57.8 If the Directors refuse to register the transfer of a share, the Instrument of transfer must be returned to the transferee with the notice of refusal unless they suspect that the proposed transfer may be fraudulent.

58. TRANSMISSION OF SHARES

58.1 If title to a share passes to a Transmitttee, the company may only recognise the Transmitttee as having any title to that share.

58.2 Nothing in these Articles releases the estate of a deceased Member from any liability in respect of a share solely or jointly held by that Member.

59. TRANSMITTEES' RIGHTS

59.1 A Transmitttee who produces such evidence of entitlement to Shares as the Directors may properly require:

- (a) may, subject to the Articles, choose either to become the Holder of those Shares or to have them transferred to another person; and
- (b) subject to the Articles, and pending any transfer of the Shares to another person, has the same rights as the Holder had.

59.2 But Transmitttees do not have the right to attend or vote at a general meeting, or agree to a proposed written resolution, in respect of Shares to which they are entitled, by reason of the Holder's death or Bankruptcy or otherwise, unless they become the Holders of those Shares.

60. EXERCISE OF TRANSMITTEES' RIGHTS

60.1 Transmitttees who wish to become the Holders of Shares to which they have become entitled must notify the company in Writing of that wish.

60.2 If the Transmitttee wishes to have a share transferred to another person, the Transmitttee must execute an Instrument of transfer in respect of it.

60.3 Any transfer made or executed under this article is to be treated as if it were made or executed by the person from whom the Transmitttee has derived rights in respect of the share, and as if the event which gave rise to the transmission had not occurred.

61. TRANSMITTEES BOUND BY PRIOR NOTICES

If a notice is given to a Member in respect of Shares and a Transmitttee is entitled to those Shares, the Transmitttee is bound by the notice if it was given to the Member before the Transmitttee's name has been entered in the register of members.

DISTRIBUTIONS

62. PROCEDURE FOR DECLARING DIVIDENDS

62.1 Subject to article 62.2 and any shareholders' agreement between the company and the shareholders from time to time, the company may by Ordinary Resolution declare dividends, and the Directors may decide to pay interim dividends. The foregoing is without prejudice to the accrual of the Senior Annual Yield under and in accordance with article 35.1.

62.2 The company cannot declare a dividend in respect of Ordinary Shares and Warrants unless an SPS Majority and a CPS Majority has each approved, by resolution, such dividend being declared.

62.3 A dividend must not be declared unless the Directors have made a recommendation as to its amount. Such a dividend must not exceed the amount recommended by the Directors.

62.4 No dividend may be declared or Paid unless it is in accordance with Members' respective rights.

62.5 Unless the Members' resolution to declare or Directors' decision to pay a dividend, or the terms on which Shares or Warrants are issued, specify otherwise, it must be Paid by

reference to each Member's holding of Shares and each holder's holding of Warrants, respectively, on the date of the resolution or decision to declare or pay it.

- 62.6 If the company's share capital is divided into different classes, no interim dividend may be Paid on Shares carrying deferred or non-preferred rights if, at the time of payment, any preferential dividend is in arrear.
- 62.7 The Directors may pay at intervals any dividend payable at a fixed rate if it appears to them that the profits available for distribution justify the payment.
- 62.8 If the Directors act in good faith, they do not incur any liability to the Holders of Shares conferring preferred rights for any loss they may suffer by the lawful payment of an interim dividend on Shares with deferred or non-preferred rights.

63. CALCULATION OF DIVIDENDS

- 63.1 Except as otherwise provided by the Articles or the rights attached to Shares or Warrants, all dividends must be:
- (a) declared and Paid according to the amounts Paid up on the Shares and the Warrants on which the dividend is Paid; and
 - (b) apportioned and Paid proportionately to the amounts Paid up on the Shares and the Warrants during any portion or portions of the period in respect of which the dividend is Paid.
- 63.2 If any share or warrant is issued on terms providing that it ranks for dividend as from a particular date, such share or warrant ranks for dividend accordingly.

64. PAYMENT OF DIVIDENDS AND OTHER DISTRIBUTIONS

- 64.1 Where a dividend or other sum which is a distribution is payable in respect of a Share or Warrant, it must be Paid by one or more of the following means:
- (a) transfer to a bank or building society account specified by the Distribution Recipient either in Writing or as the Directors may otherwise decide;
 - (b) sending a cheque made payable to the Distribution Recipient by post to the Distribution Recipient at the Distribution Recipient's registered address (if the Distribution Recipient is a Holder of the Share or the Warrant (as applicable)), or (in any other case) to an address specified by the Distribution Recipient either in Writing or as the Directors may otherwise decide;
 - (c) sending a cheque made payable to such person by post to such person at such address as the Distribution Recipient has specified either in Writing or as the Directors may otherwise decide; or
 - (d) any other means of payment as the Directors agree with the Distribution Recipient either in Writing or by such other means as the Directors decide.
- 64.2 In the Articles, the "**Distribution Recipient**" means, in respect of a Share or Warrant in respect of which a dividend or other sum is payable:

 - (b) if the Share or the Warrant (as applicable) has two or more joint Holders, whichever of them is named first in the register of members or warrant holders (as applicable); or

65. DEDUCTIONS FROM DISTRIBUTIONS IN RESPECT OF SUMS OWED TO THE COMPANY

65.1 If:

- (a) a share is subject to the company's Lien; and
- (b) the Directors are entitled to issue a Lien Enforcement Notice in respect of it, they may, instead of issuing a Lien Enforcement Notice, deduct from any dividend or other sum payable in respect of the share any sum of money which is payable to the company in respect of that share to the extent that they are entitled to require payment under a Lien Enforcement Notice.

65.2 Money so deducted must be used to pay any of the sums payable in respect of that share.

65.3 The company must notify the Distribution Recipient in Writing of:

- (a) the fact and amount of any such deduction;
- (b) any non-payment of a dividend or other sum payable in respect of a share resulting from any such deduction; and
- (c) how the money deducted has been applied.

66. NO INTEREST ON DISTRIBUTIONS

The company shall not be obliged to pay interest on any dividend or other sum payable in respect of a share unless otherwise provided by:

- (a) the terms of these Articles;
- (b) the terms on which the share was issued; or
- (c) the provisions of another agreement between the Holder of that share and the company,

and provided further that all Shares are to be treated equally.

67. UNCLAIMED DISTRIBUTIONS

67.1 All dividends or other sums which are:

- (a) payable in respect of Shares; and
- (b) unclaimed after having been declared or become payable,

may be invested or otherwise made use of by the Directors for the benefit of the company until claimed.

67.2 The payment of any such dividend or other sum into a separate account does not make the company a trustee in respect of it.

67.3 If:

- (a) twelve years have passed from the date on which a dividend or other sum became due for payment; and

- (b) the Distribution Recipient has not claimed it,

the Distribution Recipient is no longer entitled to that dividend or other sum and it ceases to remain owing by the company.

68. **NON-CASH DISTRIBUTIONS**

68.1 Subject to the terms of issue of the Share in question and subject to 62.2:

- (a) the company may, by Ordinary Resolution on the recommendation of the Directors; and

- (b) (in the case of an interim dividend) the Directors may,

decide to pay all or part of a dividend or other distribution payable in respect of a share by transferring non-cash assets of equivalent value (including, without limitation, Shares or other securities in any company).

68.2 For the purposes of paying a non-cash distribution, the Directors may make whatever arrangements they think fit, including, where any difficulty arises regarding the distribution:

- (a) fixing the value of any assets;
- (b) paying cash to any Distribution Recipient on the basis of that value in order to adjust the rights of recipients; and
- (c) vesting any assets in trustees.

69. **WAIVER OF DISTRIBUTIONS**

Distribution Recipients may waive their entitlement to a dividend or other distribution payable in respect of a share by giving the company notice in Writing to that effect, but if:

- (a) the share has more than one Holder; or
- (b) more than one person is entitled to the share, whether by reason of the death or Bankruptcy of one or more joint Holders, or otherwise,

the notice is not effective unless it is expressed to be given, and signed, by all the Holders or persons otherwise entitled to the share

CAPITALISATION OF PROFITS

70. **AUTHORITY TO CAPITALISE AND APPROPRIATION OF CAPITALISED SUMS**

70.1 Subject to the Articles, the Directors may, if they are so authorised by an Ordinary Resolution:

- (a) decide to capitalise any profits of the company (whether or not they are available for distribution) which are not required for paying a preferential dividend, or any sum standing to the credit of the company's share premium account or capital redemption reserve; and
- (b) appropriate any sum which they so decide to capitalise (a "**capitalised sum**") to persons holding any one or more classes of Shares who would have been entitled to it if it were distributed by way of dividend to such class or classes of Shares (the "**persons entitled**") and in the same proportions.

70.2 Capitalised sums must be applied:

- (a) on behalf of the persons entitled by reason of them holding the relevant class or classes of Shares to which that capitalised sum has been appropriated; and
- (b) in the same proportions as a dividend would have been distributed to them in respect of such class or classes.

70.3 Any capitalised sum may be applied in paying up new Shares of a nominal amount equal to the capitalised sum which are then allotted credited as Fully Paid to the persons entitled or as they may direct.

70.4 A capitalised sum which was appropriated from profits available for distribution may be applied:

- (a) in or towards paying up any amounts unpaid on existing Shares held by the persons entitled; or
- (b) in paying up new debentures of the company which are then allotted credited as Fully Paid to the persons entitled or as they may direct.

- (a) apply capitalised sums in accordance with articles 70.3 and 70.4 partly in one way and partly in another;
- (b) make such arrangements as they think fit to deal with Shares or debentures becoming distributable in fractions under this article (including the issuing of fractional certificates or the making of cash payments); and
- (c) authorise any person to enter into an agreement with the company on behalf of all the persons entitled which is binding on them in respect of the allotment of Shares and debentures to them under this article.

76.2 The Chairman of the Meeting may adjourn a general meeting at which a quorum is present if:

(a) the meeting consents to an adjournment; or

(b) it appears to the Chairman of the Meeting that an adjournment is necessary to protect the safety of any person attending the meeting or ensure that the business of the meeting is conducted in an orderly manner.

76.3 The Chairman of the Meeting must adjourn a general meeting if directed to do so by the meeting.

76.4 A general meeting adjourned in accordance with articles 76.1 to 76.3 above shall be so adjourned for 7 days (or, in the case of Emergency Matters, a Liquidity Trigger Exit or a Relevant Default Event, such shorter period as is practicable in the circumstances) to the same time and place and the Members present at the adjourned meeting shall constitute a quorum.

76.5 No business may be transacted at an adjourned general meeting which could not properly have been transacted at the meeting if the adjournment had not taken place.

78. ERRORS AND DISPUTES

80. CONTENT OF PROXY NOTICES

80.1 Proxies may only validly be appointed by a notice in Writing (a "**Proxy Notice**") which:

- (a) states the name and address of the Member appointing the proxy;
- (b) identifies the person appointed to be that Member's proxy and the general meeting in relation to which that person is appointed;
- (c) is signed by or on behalf of the Member appointing the proxy, or is authenticated in such manner as the Directors may determine; and

- 80.3 Proxy Notices may specify how the proxy appointed under them is to vote (or that the proxy is to abstain from voting) on one or more resolutions.
- 80.4 Unless a Proxy Notice indicates otherwise, it must be treated as:
- (a) allowing the person appointed under it as a proxy discretion as to how to vote on any ancillary or procedural resolutions put to the meeting; and
 - (b) appointing that person as a proxy in relation to any adjournment of the general meeting to which it relates as well as the meeting itself.

81. DELIVERY OF PROXY NOTICES

- 81.1 A person who is entitled to attend, speak or vote at a general meeting remains so entitled in respect of that meeting or any adjournment of it, even though a valid Proxy Notice has been delivered to the company by or on behalf of that person.
- 81.2 Subject to articles 81.3 and 81.4, a Proxy Notice must be delivered to the company or to such other place as is specified in the notice convening the meeting or in any Instrument of proxy sent out by the company in relation to the meeting not less than 48 hours before the start of the meeting or adjourned meeting to which it relates.

- 81.5 An appointment under a Proxy Notice may be revoked by delivering to the company a notice in Writing given by or on behalf of the person by whom or on whose behalf the Proxy Notice was given.
- 81.6 A notice revoking a proxy appointment only takes effect if it is delivered before the start of the meeting or adjourned meeting to which it relates.
- 81.7 If a Proxy Notice is not signed by the person appointing the proxy, it must be accompanied by written evidence of the authority of the person who signed it to sign it on the Appointor's behalf.

82. AMENDMENTS TO RESOLUTIONS

- 82.1 An Ordinary Resolution to be proposed at a general meeting may be amended by Ordinary Resolution if:

82.3 If the Chairman Of The Meeting, acting in good faith, wrongly decides that an amendment to a resolution is out of order, the Chairman's error does not invalidate the vote on that resolution.
