The company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the period ended 31 July 2021.

The members have not required the company to obtain an audit of its financial statements for the period ended 31 July 2021 in accordance with Section 476 of the Companies Act 2006.

The director acknowledges his responsibilities for:

- (a) ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

The financial statements have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies regime.

In accordance with Section 444 of the Companies Act 2006, the Income Statement has not been delivered.

The financial statements were approved by the director and authorised for issue on 30 April 2022 and were signed by:

Mr S Tucker - Director

Notes to the Financial Statements
for the Period 1 June 2020 to 31 July 2021

1. **STATUTORY INFORMATION**

Cedar Views Windows Ltd is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

The presentation currency of the financial statements is the Pound Sterling (£).

2. **ACCOUNTING POLICIES**

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Turnover

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

Turnover represents the amount derived from ordinary activities, stated after discounts, value added tax and any other sales taxes, where applicable. Turnover is the value of work performed during the year with respect to services.

Tangible fixed assets

Items or property, plant and equipment are stated at cost of acquisition less accumulated depreciation.

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives. The estimated useful lives range as follows:

Plant & Machinery - 25% on straight line method.

Computer Equipment - 25% on straight line method.

Stocks

Work in progress is valued at the lower of cost and net realisable value.

Cost is calculated using the first-in, first-out method and includes all purchase, transport, and handling costs in bringing stocks to their present location and condition.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and subsequently measured at amortised cost using the effective interest method. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including trade and other creditors are initially recognised at transaction price. Financial liabilities classified as payable within one year are not amortised.

Equity instruments

Equity instruments issued by the company are recorded at the proceeds received, net of direct issue costs. Dividends payable on equity instruments are recognised as liabilities once they are no longer at the discretion of the company.

Notes to the Financial Statements - continued
for the Period 1 June 2020 to 31 July 2021

2. **ACCOUNTING POLICIES - continued**

Taxation

A current tax liability is recognised for the tax payable on the taxable profit of the current and past periods. A current tax asset is recognised in respect of a tax loss that can be carried back to recover tax paid in a previous period.

Deferred tax is recognised in respect of all timing differences between the recognition of income and expenses in the Financial Statements and their inclusion in tax assessments.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the reporting date and that are expected to apply to the reversal of the timing difference, except for revalued land and investment property where the tax rate that applies to the sale of the asset is used.

Current and deferred tax assets and liabilities are not discounted.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to profit or loss on a straight line basis over the period of the lease.

Going concern

The directors have taken consideration of the impact of COVID-19 on the business and the withdrawal of the United Kingdom from the European Union.

The directors note that the Group is trading adequately and has sufficiently working capital and other finance available to continue trading for a period of not less than 12 months from the date of signing these financial statements. There are no significant uncertainties in their assessment of whether the business is a going concern and therefore have prepared the accounts on a going concern basis.
