Equinox Bishopsgate Limited

Strategic Report For the year ended 31 December 2022

Introduction

The directors present their Strategic report, Directors' report and financial statements of the Company for the year ended 31 December 2022.

Business review and future developments

The Company's profit for the financial period was £Nil (2021: £Nil). No dividend was paid during the year. The Company remains dormant.

Principal risks and uncertainties

The Company considers the following as principal risks:

Liquidity risk

Liquidity risk is identified across the entire Group.

Interest rate risk

The majority of the group's interest rate risk arises from borrowings. Other sources of interest rate risk for the Group may include interest bearing investments, creditors' accounts offering a discount and debtors' accounts on which discounts are offered.

Foreign exchange risk

Foreign exchange risk focuses on transaction exposures. The Group has two types of transaction exposure. Financing exposures are exposures from foreign currency financing activities such as asset purchases, asset sales, capital returns, coupon payments, external and inter-company loan repayments. Operating exposures arise from normal operations of the Group.

Counterparty credit risk

Counterparty credit risk represents the potential loss which the Company could incur if counterparties failed to meet their obligations under their respective contracts or arrangement with the Company. Credit risk for financial assets which have been recognised in the Statement of financial position is generally the carrying amount, net of any provisions for doubtful debts.

Financial Risk Management

The Company follows Equinox Holdings Inc's treasury risk management policy as detailed below. Equinox Fitness Holdings UK Limited is the Company's immediate parent. Equinox Holdings Inc is the immediate parent Company of Equinox Fitness Holdings UK Limited.

Equinox Holdings Inc's treasury has responsibility for the identification and management of the Group's financial risks and conducts the group's treasury activities in accordance with the Group's treasury policy. Group treasury policy sets out the policies with respect to the internal controls (including segregation of duties), organisational relationships, functions, delegated authority levels, management of foreign currency, interest rate exposures and counterparty credit limits and requires regular reporting to the board of directors of exposures to derivative financial instruments.

The Group's board of directors have an oversight role which involves ratification of group treasury policy, delegation of authorities and consideration of reports on implementation, effectiveness and compliance. The Group's audit committee has a role of monitoring, reviewing and approving recommendations for board approval.

The Group's policy towards risk management is to take an active approach to identify and manage financial risks and ensure that adequate risk management systems exist within the group such that risks are identified and appropriately managed. Financial asset and liability transactions are to be structured to enable the achievement of planned outcomes, reduce volatility and provide increased certainty.

This report was approved by the board and signed on its behalf.

Equinox Bishopsgate Limited

Statement of Changes in Equity (continued) For the year ended 31 December 2022

1. General information

The Company is a private company, limited by shares, incorporated in England and Wales and domiciled in the UK. The main office is 5 New Street Square London EC4A 3TW and the principal place of business is 8 Clerks Place, London, EC3A 8AQ.

2. Summary of significant accounting policies

The principal accounting policies adopted in the preparation of these financial statements are set out below. These policies have been consistently applied unless otherwise stated.

2.1 Statement of compliance with IFRS

These financial statements have been prepared in accordance with UK Endorsed International Financial Reporting Standards (IFRS), IFRIC interpretations and the Companies Act 2006 applicable to companies reporting under IFRS.

The financial statements have been prepared on the going concern basis under the historical cost convention. The directors believe that preparing the accounts on the going concern basis is appropriate due to the continued financial support of the ultimate parent company, Equinox Holdings Group.

The financial statements are presented in Sterling and all values are rounded to the nearest thousand pounds (£'000) except when otherwise stated.

The preparation of financial statements in conformity with IFRS requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts in the financial statements.

The statement of cash flows has not been prepared on the basis that the Company does not operate a bank account and does not hold any readily convertible assets.

2.2 Financial instruments

Financial assets and financial liabilities are recognised when an entity becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

2.3 Share capital

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of new ordinary shares or options are shown in equity as a deduction, net of tax, from the proceeds.
