1. Introduction

The purpose of this progress report is to detail the Joint Liquidators' acts and dealings together with the conduct of the Liquidations since the Appointment Date.

Philip Duffy and Sarah Bell were appointed as Joint Liquidators of the Companies on 22 April 2020.

Philip Duffy and Sarah Bell have ceased to act as Joint Office Holders of the insolvent estate and have been replaced by Robert Armstrong and Andrew Knowles of Kroll.

A Block Transfer Order (High Court of Justice, Business & Property Courts in Manchester CR-2021-MAN-000356) ("the Order") was obtained on 16 June 2021. The Order provided for the formal substitution of Philip Duffy and Sarah Bell from office and the appointment of Robert Armstrong and Andrew Knowles as joint office holders.

This Progress Report should be read in conjunction with Previous Progress Reports and the Proposals previously presented to creditors.

2. Progress of the Liquidations

As noted in Previous Progress Reports, the Companies were part of a group purported to operate investment schemes where investors were offered the opportunity to purchase rooms in a number of hotels acquired by subsidiaries of NPD in return for lucrative returns.

Our investigations into the affairs of the Companies indicate that these entities were incorporated for one of the following purposes:

- As an investment vehicle that issued leaseholds to investors for property which was held in another entity within the NPD Group;
- Raised deposits and exchanged contracts with investors with the intent on purchasing a hotel with a third-party vendor which never eventuated. The Company offered leaseholds over these properties to these investors even though the respective entity did not currently own the freehold title of the property; or
- Incorporated to act as the management company for the intended property holding entity mentioned above.

During the Reporting Period, the Joint Liquidators of the NPD Group have identified certain claims and have issued legal proceedings against the former legal advisors of the greater NPD Group, which includes the Companies. These proceedings are still ongoing, and the Joint Liquidators cannot at this juncture disclose details of these proceedings to prevent prejudicing the claim.

In addition to the above, the Joint Liquidators have continued to comply with statutory and compliance requirements including corresponding with HMRC regarding tax matters and the filing of statutory progress reports.

2.1 Assets

As previously reported, the Companies' main assets are as follows:

- Deposits raised and held by certain vendors pursuant to contracts for the purchase of a hotel;
- Intercompany balances within the NPD Group; or
- Sale of chattel assets in Atlantic Bay Hotel (Woolacombe) Management Limited only.

The items listed in the first two bullet points above are intrinsically linked as the investors' funds were generally administered through the NPD bank account.

These assets are discussed further below.

2.1.1 Vendor Deposits

Legal advice has been obtained in respect of the vendor deposits. The Joint Liquidators continue take legal advice from their legal advisors in relation to the recovery of these deposits since they are linked with the legal proceedings discussed below.

2.1.2 Intercompany Loans

Several of the associated companies are in formal insolvency processes and it is uncertain whether any of the intercompany debts are recoverable.

The Joint Liquidators have lodged claims in the respective estates and will deal with the collection of these balances should there be any funds available from the connected companies.

2.1.3 Chattel Asset Recoveries

As part of the sale of the freehold property of The Royal Hotel, Beach Road, Woolacombe, Devon, EX34 7AB which was owned by Atlantic Bay Hotel (Woolacombe) Limited (In liquidation), the chattel assets within the hotel were owned by Atlantic Bay Hotel (Woolacombe) Management Limited and formed part of the sale.

The consideration received for the chattel assets totalled £10,000 plus VAT. These sale proceeds were remitted to Atlantic Bay Hotel (Woolacombe) Management Limited on 28 April 2022.

2.2 Other Matters

There are no other known assets of the Companies to be realised for the benefit of the estates.

2.3 Statutory and Compliance Matters

Certain work has been performed solely to comply with statutory and compliance requirements. Whilst many of these tasks do not have a direct benefit in enhancing realisations, they assist in the efficient compliant progress of the Liquidation, ensuring that work is carried out to a high professional standard.

3. Investigations

As previously reported, the Joint Liquidators' investigations into the Companies' affairs remain ongoing. The Joint Liquidators cannot at this stage, detail the nature of these investigations as it may hamper any further action that may be required. However, should any of the Companies' Creditors have information concerning the Companies' affairs that they would like to bring to the Joint Liquidators' attention, please contact this office.

Investigations into the NPD Group remain ongoing, however, the Joint Liquidators have now issued legal proceedings against the former legal advisors of the Companies and served on the defendants ("the Proceedings"). The Companies are included in the overall 43 claimant companies in the NPD Group participating in the Proceedings and the costs of the claim will be shared across the insolvent estates of the claimant companies.

The Joint Liquidators' legal advisors are in correspondence with the defendants and their legal advisors. Litigation funding has been obtained to fund the pursuit of the claim. The details of the Proceedings and of the litigation funding are confidential and privileged.

Since 12 August 2022, Kroll staff has engaged in work relating to the Proceedings and have been recording time costs to a separate shared time code. During the period, £71,788.50 has been recorded to this shared time code, representing 116.90 hours at an average hourly rate of £614.10 of which 1/43rd is chargeable to each of the claimants. This time has been incurred in:

- Reviewing company books and records for information required to bring the aforementioned claims;
- Preparing and maintaining an estimated outcome statement in relation to the litigation;
- Preparing particulars of claim;
- Liaising with the litigation funder; and
- Meetings with solicitors and other relevant parties.

As specified in this report, the details of the above work are privileged and confidential. The work is expected to continue whilst the Proceedings are ongoing, as well as other ad hoc duties which are required to facilitate the Proceedings, the details of which are also privileged and confidential.

A further update will be provided in the next report.

4. Liabilities and Dividends

4.1 Secured Creditors

As previously reported, Dunsmore Hall Management Limited and The Harland Hotel Management Limited granted fixed and floating charges to Mysing.

These charges which were granted to Mysing were cross collateralised with related entities within the greater NPD Group being Llandudno Bay Hotel & Spa Limited, The Old Golf House Hotel Limited, Belmont

Hotel Limited, Queens Hotel Management Limited and The Old Golf House Management Limited, Woodhouse Family Limited and Campus House Limited (All in Liquidation).

The cross collateralised debt to Mysing has been repaid in full following the distributions from the sale of secured assets made from the above-mentioned entities that it holds charges over. These distributions may be subject to the principles of subrogation.

4.2 Preferential Creditors

The Companies did not employ staff and therefore, no Preferential Creditor claims are expected.

4.3 Unsecured Creditors

As previously reported, unsecured creditors total £34,587,902 across the Companies, according to the SOA's. Below is a summary of the breakdown by the type of creditors per entity:

The Harland Hotel Management Limited	-	-	368,000	322,827	690,827
The Weaving Mill Limited	-	-	-	50,000	50,000
Total	164,051	61,857	30,245,458	4,116,536	34,587,902

Please note that the figures in the table above are based on the books and records of the Companies and not the proofs of debts received to date in the liquidation. The Joint Liquidators have not undertaken a formal adjudication on the debts of the Companies as at the date of this report.

Based on current information available to the Joint Liquidators, it is uncertain whether there will be sufficient realisations to enable a distribution to the unsecured creditors of the Companies. This is dependent on asset realisations, costs of the respective Liquidations and the quantum of creditor claims, once adjudicated.

If not done so already, creditors of the Companies are invited to complete the appropriate proof of debt form which can be found via the Kroll website at: <https://micro.kroll.com/ukrestructuring> and return it to the Joint Liquidators at Joss.Mitchison@kroll.com or Kroll Advisory Ltd., The Shard, 32 London Bridge Street, London, SE1 9SG.

An update will be provided in the Joint Liquidators' next progress report.

4.4 Prescribed Part

As previously reported, Dunsmore Hall Management Limited and The Harland Hotel Management Limited granted floating charges to Mysing. Although the debt has been repaid to Mysing by certain entities within the NPD Group, these related entities may have a right of subrogation and therefore may be entitled to a charge over Dunsmore Hall Management Limited and The Harland Hotel Management Limited. Therefore, in these circumstances the Prescribed Part provisions may apply in the Liquidations of these companies.

At this stage it still remains unclear as to whether there will be sufficient funds available from asset realisations to apply the Prescribed Part or what the value of the Prescribed Part will be. Where the net property is less than £100,000, or greater than £10,000 and the costs are disproportionate to the benefits to creditors, the Joint Liquidators may make a court application to disapply the Prescribed Part.

Further information will be provided by the Joint Liquidators in future reports.

5. Costs and Expenses

5.1 Joint Liquidators' Remuneration

It is proposed that the Joint Liquidators' fee basis be based on time costs and the remuneration be drawn on the basis of time properly given by the Joint Liquidators and their staff in accordance with the fee estimate provided and Kroll's usual charge out rates for work of this nature.

It is currently uncertain as to whether there will be sufficient realisations in the estates in order to pay the Joint Liquidators' fees.

Time has been charged in six-minute units. The Joint Liquidators time costs incurred during the Reporting and Cumulative Period for each of the Companies are enclosed in Appendix 3.

In accordance with SIP 9, the Joint Liquidators have provided creditors with additional information regarding major areas recorded below across the Companies:

Case Review and Diary Management

- Time costs of £ 8,903.00 across the Group have been incurred under the heading Case review & Case Diary Management. This relates to the completion of periodical reviews as required by the Joint Liquidators' regulatory body in accordance with best practice. Furthermore, time under this heading has also been incurred in completing regular monitoring of internal case diary prompts and the review of outstanding matters to ensure the case is progressed in an efficient and timely manner.

Statutory Matters

- Time costs of £23,106.50 across the Group have been incurred in respect of Statutory Matters. This relates to time spent dealing with all statutory matters required for the Liquidations during the Reporting Period including the filing of statutory notices, preparing correspondence to be sent to creditors and attending to all other matters required of the Joint Liquidators under statute.

Strategy, Planning & Control

- Time costs of £12,463.00 across the Group have been incurred under the heading Strategy, Planning and Control. This relates to time involved in gathering relevant information and holding discussions both internally and externally with third parties in order to formulate strategies for the Liquidations to ensure that they are dealt with in an efficient and timely manner.

Communications with Creditors

- Time costs of £6,267.50 across the Group have been incurred in Communications with Creditors. This related to time incurred in liaising with the Companies' creditors, responding to queries and maintaining up to date creditor information.

Other Administration and Planning matters.

- Time costs of £3,243.00 across the Group have been incurred in relation to internal system maintenance and control, cashiering and accounting, dealing with insurance matters, tax compliance issues and communication with non-preferential creditors.

Investigations

- As discussed in section 3 of this report, Kroll staff has been engaged in work related to the Proceedings and have been recording time costs to a separate shared time code. During this period, £71,788.50 has been recorded against this shared code which 1/43rd is chargeable to each of the claimants which includes the Companies. Please refer to section 3 of this report in respect to further details in relation to work undertaken in relation to the Proceedings.

No remuneration has been drawn by the Joint Liquidators during the Reporting Period.

5.2 Expenses

Expenses are any payments from the Liquidation which are neither a Liquidator's remuneration nor a distribution to a creditor or member. Expenses also include disbursements. Disbursements are payments which are first met by the Liquidator and then reimbursed to the Liquidator from the Liquidation estate.

Expenses are divided into those that do not need approval before they are charged to the Liquidation (Category 1) and those that do (Category 2).

Category 1 Expenses are payments to persons providing the service to which the expense relates who are not an associate of the Liquidator.

Category 2 Expenses are payments to associates or which have an element of shared costs and require approval from creditors in the same manner as the Liquidator's remuneration, whether paid directly from the estate or as a disbursement.

The Joint Liquidators have not incurred any further expenses in the Reporting Period since the previous Progress Report when dealing with the Liquidations of the Companies.

6. Joint Liquidators' Receipts and Payments Accounts

Detailed Receipts and Payments Accounts for the Reporting Period for all companies are shown in Appendix 1.

7. Statement of Creditors' Rights

Information regarding the fees and expenses of Liquidators, including the rights to challenge such costs, are attached at Appendix 4.

8. Conclusion

The Joint Liquidators will continue to conduct their investigations into the Companies and the wider NPD Group of companies.

The Joint Liquidators have lodged claims in the respective estates for the intercompany balances and will deal with the collections where applicable.

Creditors will receive formal reports annually until the conclusion of the Liquidations.

In the meantime, if you require any further information, please contact Joss Mitchison of this office.
