Notes to the Financial Statements for the Year Ended 30 April 2022

1. STATUTORY INFORMATION

Mynydd Du Caravan Park Limited is a private company, limited by shares, registered in Wales. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The directors have considered the basis for the preparation of the financial statements and consider the going concern basis to be the most suitable. The directors will continue to give financial support to the company for twelve months from the date of signing these financial statements. Therefore, the accounts have been prepared on the assumption that the company is thus able to carry on its business as a going concern.

Turnover

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes, less any income that has been deferred as it related to the next period.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Site improvements - 2% straight line PV solar system - 4% straight line Plant & machinery - 20% reducing balance Fixtures & fittings - 20% reducing balance Motor vehicles - 20% reducing balance Computer equipment - 20% reducing balance

Fixed assets are stated at their cost prices less accumulated depreciation and less any amounts recognised in respect of any impairment.

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.
