## **DIRECTORS' REPORT**

The directors present their Annual Report and the audited Financial Statements for the year ended 31 March 2021.

This directors' report has been prepared in accordance with the provisions applicable to small companies entitled to the small companies' exemption.

## **BUSINESS REVIEW AND PRINCIPAL ACTIVITIES**

The Company will act as an intermediate holding company for Economic Intelligence Wales Limited and Angels Invest Wales Ltd.

Accordingly, the Company issued shares to the Development Bank of Wales plc as consideration for the purchase of the Group company shares. Further information regarding the subsidiary can be found in note 6.

The directors expect the general level of activity to remain consistent with 2021 in the forthcoming year.

## **GOING CONCERN**

The company operates on a breakeven basis with any expenditure incurred recharged to its parent company, DBW plc. The directors concluded that they have a reasonable expectation that the Company has adequate resources to continue in operational existence for the next 12 months from the date of signing this report. Accordingly, they continue to adopt the going concern basis in preparing the annual report and accounts.

## **COVID-19**

During the year significant economic and social disruption arose from the Covid-19 pandemic. This situation has continued after the year end and the outlook remains uncertain.

The Company continues to work with its stakeholders in order to minimise any economic disruption that Covid-19 might occasion. The Company believes that its activities are secure, and it is not anticipated that the impact of the pandemic is likely to be significant or materially increase during the next 12 months.

## **BREXIT**

The Brexit transition period ended on 31 December 2020, with the UK agreeing a trade deal with the European Union. The Company continues to work with its stakeholders in order to minimise any economic disruption that the process might occasion. The Company believes that its activities are secure, and it is not anticipated that the impact of the UK's exit from the EU is likely to be significant or materially increase during the next 12 months.

## **DIRECTORS**

The directors of the Company, who served throughout the financial year and subsequently to the date of this report unless stated otherwise, are as shown on page 1.

## **DIRECTORS' INDEMNITIES**

The company has made qualifying third-party indemnity provisions for the benefit of all directors. These were in force during the financial year and remained in force at the date of approval of the financial statements.

## **POLITICAL DONATIONS**

The company made no political donations during 2021 (2020: nil)

## **SUBSEQUENT EVENTS**

There were no subsequent events to report.

## **DIRECTORS' REPORT**

### **AUDITOR**

In the case of each of the persons who are directors of the Company at the date when this report is approved:

- so far as each of the directors is aware, there is no relevant audit information of which the Company's auditor is unaware; and
- each of the directors have taken all the steps that they ought to have taken as a director to make themselves aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

The Group has a policy of tendering the external audit every five years. The last time the audit was tendered was in 2016 when the incumbents Deloitte LLP were reappointed. As a result of the ongoing Covid-19 pandemic, the Group took the decision to extend the external audit contract for a further year. A procurement exercise will therefore be undertaken during the 2022 financial year.

Approved by the Board of Directors  
and signed on behalf of the Board

J Oates

Company Secretary

## **DIRECTORS' RESPONSIBILITIES STATEMENT**

The directors are responsible for preparing the Annual Report and the Financial Statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS 101 "Reduced Disclosure Framework". Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF  
DBW SERVICES LIMITED**

**REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS**

**Opinion**

In our opinion the financial statements of DBW Services Limited (the 'company'):

- give a true and fair view of the state of the company's affairs as at 31 March 2021 and of its result for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 101 "Reduced Disclosure Framework"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements which comprise:

- the profit and loss account;
- the balance sheet;
- the statement of changes in equity; and
- the related notes 1 to 10.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 101 "Reduced Disclosure Framework" (United Kingdom Generally Accepted Accounting Practice).

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the Financial Reporting Council's (the 'FRC's') Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report

**Other information**

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF  
DBW SERVICES LIMITED**

**Other information (continued)**

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**Responsibilities of directors**

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

**Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

**Extent to which the audit was considered capable of detecting irregularities, including fraud**

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

We considered the nature of the company's industry and its control environment, and reviewed the company's documentation of their policies and procedures relating to fraud and compliance with laws and regulations. We also enquired of management about their own identification and assessment of the risks of irregularities.

We obtained an understanding of the legal and regulatory frameworks that the company operates in, and identified the key laws and regulations that:

- had a direct effect on the determination of material amounts and disclosures in the financial statements. This included the UK Companies Act 2006; and
- do not have a direct effect on the financial statements but compliance with which may be fundamental to the company's ability to operate or to avoid a material penalty.

We discussed among the audit engagement team regarding the opportunities and incentives that may exist within the organisation for fraud and how and where fraud might occur in the financial statements.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF  
DBW SERVICES LIMITED**

**Extent to which the audit was considered capable of detecting irregularities, including fraud (continued)**

In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override. In addressing the risk of fraud through management override of controls, we tested the appropriateness of journal entries and other adjustments; assessed whether the judgments made in making accounting estimates are indicative of a potential bias; and evaluated the business rationale of any significant transactions that are unusual or outside the normal course of business.

In addition to the above, our procedures to respond to the risks identified included the following:

- reviewing financial statement disclosures by testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;
- enquiring of management concerning actual and potential litigation and claims, and instances of non-compliance with laws and regulations; and
- reading minutes of meetings of those charged with governance.

**REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS**

**Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the directors' report for the financial period for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the directors' report.

**Matters on which we are required to report by exception**

Under the Companies Act 2006 we are required to report in respect of the following matters if, in our opinion:

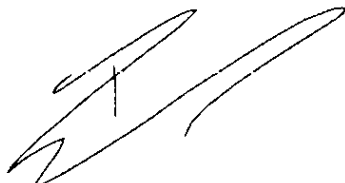

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in respect of these matters.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF  
DBW SERVICES LIMITED**

**Use of our report**

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

## NOTES TO THE FINANCIAL STATEMENTS

### For the year ended 31 March 2021

#### 1. ACCOUNTING POLICIES

The principal accounting policies are summarised below. They have been applied consistently throughout the current and prior financial year.

##### **Basis of accounting**

DBW Services Limited is a Company incorporated in the United Kingdom under the Companies Act 2006. The Company is a private Company limited by shares and is registered in England & Wales. The address of the registered office is given on page 1. The nature of the Company's operations and its principal activities are set out in the Directors' Report on page 2.

The Company meets the definition of a qualifying entity under FRS 100 (Financial Reporting Standard 100) issued by the Financial Reporting Council. These financial statements were prepared in accordance with FRS 101 (Financial Reporting Standard 101) '*Reduced Disclosure Framework*' as issued by the Financial Reporting Council.

The financial statements are presented in Sterling (£). This is the functional currency of the entity.

The financial statements have been prepared on the historical cost basis and on a going concern basis as discussed in the Director's report on page 2. Historical cost is generally based on the fair value of the consideration given in exchange for the goods and services. The principal accounting policies adopted are set out below.

These financial statements are separate financial statements. The company is exempt from the preparation of consolidated financial statements, because it is included in the Group financial statements of Development Bank of Wales plc. Details of the parent in whose consolidated financial statements the company is included are shown in note 10 to the financial statements.

As permitted by FRS 101, the Company has taken advantage of the disclosure exemptions available under that standard in relation to business combinations, presentation of a statement of cash flows, revenue disclosures, financial instruments, standards not yet effective and related party transactions. Where required, equivalent disclosures are given in the Group financial statements of Development Bank of Wales plc. The Group financial statements of Development Bank of Wales plc are available to the public and can be obtained as set out in note 10.

##### **Taxation**

##### ***Current tax***

Current tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date. The tax currently payable is based on taxable profit for the period. Taxable profit differs from net profit as reported in the profit and loss account because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible.

##### ***Deferred tax***

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit and is accounted for using the balance sheet liability method.

Deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 March 2021

### 1. ACCOUNTING POLICIES (continued)

#### **Taxation (continued)**

##### ***Deferred tax (continued)***

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled, or the asset is realised based on tax laws and rates that have been enacted or substantively enacted at the balance sheet date.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

##### ***Current tax and deferred tax for the period***

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

#### **Turnover**

Turnover represents fund managers' fees, application fees and arrangement fees. All turnover relates to one class of business and arises in the UK. Revenue is measured based on the consideration specified in a contract with a customer. The Company recognises revenue when performance obligations have been satisfied.

#### **Investments**

Investments are accounted for at cost less impairment.

#### **Financial instruments**

Financial assets and financial liabilities are recognised in the Company's balance sheet when the Company becomes a party to the contractual provisions of the relevant instrument.

##### ***Financial Assets***

##### **Financial Assets held at amortised cost**

Trade receivables, loans, and other receivables that have fixed or determinable payments that are not quoted in an active market are classified at amortised cost.

##### ***Financial liabilities***

Debt instruments are classified as financial liabilities according to the substance of the contractual arrangements.

##### ***Derecognition of financial liabilities***

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or they expire.

#### **Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and demand deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value.

#### **Related party transactions**

In accordance with the exemption conferred by paragraph 8 (j) of FRS 101 "Reduced Disclosure Framework" the Company has not disclosed transactions with other Group Companies, where 100% of the voting rights are controlled by the Group.

**NOTES TO THE FINANCIAL STATEMENTS****For the year ended 31 March 2021****2. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY**

In the application of the Company's accounting policies, which are described in note 1 above, the directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

**Critical judgements in applying the Company's accounting policies**

The directors do not consider there to be any critical accounting judgements that could cause a material difference compared to the figures as disclosed in the Annual Report and Financial Statements.

**Key sources of estimation uncertainty**

There are no key assumptions concerning the future, or other key sources of estimation uncertainty at the balance sheet date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

**3. AUDITOR'S REMUNERATION**

	<b>2021</b>	<b>2020</b>
	<b>£</b>	<b>£</b>
Fees borne by Development Bank of Wales plc in relation to the audit of the company's annual financial statements	3,650	3,480
<b>Other services</b>		
Fees borne by Development Bank of Wales plc in relation to tax compliance services	820	796

**4. INFORMATION REGARDING DIRECTORS AND EMPLOYEES**

None of the directors received any emoluments from the Company in the current or prior financial year. It is not practicable to allocate their remuneration between their services as directors of this Company and other Group companies. Further details of directors' remuneration are presented in the financial statements of Development Bank of Wales plc and DBW FM Limited.

There were no employees in the current or prior financial year.

**5. TAX**

There is no taxation charge for the current or prior financial year due to the results in the year.

There is no difference between the current taxation and the amount calculated by applying the standard rate of UK corporation tax to the result before tax. The main rate of corporation tax is 19%. The UK Budget on 3 March 2021 provided the main rate of corporation tax to rise to 25% from 1 April 2023 in Finance Bill 2021. This legislation was substantively enacted on 24 May 2021. As the date of substantive enactment was after the balance sheet date the 25% rate has not been used to calculate deferred tax in these financial statements

**NOTES TO THE FINANCIAL STATEMENTS**  
**For the year ended 31 March 2021**

**6. INVESTMENTS**

	<b>2021</b>	<b>2020</b>

The Company has one class of ordinary share which carries no right to fixed income.

**NOTES TO THE FINANCIAL STATEMENTS**  
**For the year ended 31 March 2021**

**10. ULTIMATE PARENT COMPANY AND CONTROLLING PARTY**

The Company's immediate parent undertaking is Development Bank of Wales plc, a company incorporated in the United Kingdom. Development Bank of Wales plc is the smallest group within which the Company is a member, and for which consolidated financial statements are prepared. Welsh Ministers is the largest group within which the Group results are consolidated. The registered office address of Development Bank of Wales plc is Unit J, Yale Business Village, Ellice Way, Wrexham, LL13 7YL. Copies of the Group financial statements of Development Bank of Wales plc are available from Companies House, Crown Way, Maindy, Cardiff CF14 3UZ. The consolidated financial statements of Welsh Ministers may be obtained from its registered address, Cathays Park, Cardiff, CF10 3NQ.

Development Bank of Wales plc regards the Welsh Ministers, acting through the Welsh Government, as the ultimate parent company and ultimate controlling party.
