PART 1 - GENERAL DESCRIPTION OF THE COMPANY'S ACTIVITIES AND IMPACT

In the space provided below, please insert a general account of the company's activities in the financial year to which the report relates, including a description of how they have benefited the community.

Foundations4thefuture have worked within education and community environments to run a variety of programmes and workshops to enable a platform for development. Using our tailor-made programmes, we have been able to provide a platform of information and assist young people to progress by creating awareness to barriers, providing guidance and ensuring a positive and safe environment.

Young people we work with are highlighted by schools as being at risk of exclusion and are then referred to Foundations4thefuture in the hope of exclusion prevention. By tracking data of the individuals on our programmes we have been able to evidence the impact our programmes have on areas such as decision making, mentality, attitude and relationships. As a result, students have been able to avoid exclusion and go on to become more willing students, in turn our programmes have been able to assist taking the pressure off local authorities by reducing the risk of anti-social behaviour, knife crime and gang activity.

(If applicable, please just state "A social audit report covering these points is attached").
