PART 1 - GENERAL DESCRIPTION OF THE COMPANY'S ACTIVITIES AND IMPACT

In the space provided below, please insert a general account of the company's activities in the financial year to which the report relates, including a description of how they have benefited the community.

In this financial year we started our mentoring and coaching project in Basildon, Essex and Brentwood, Essex. We have been funded for 3 years through the National lottery Community Fund, to offer a specialist service to support young people aged 10-17 through bespoke 1:1 mentoring and coaching. Our aims are:

- 1) See fewer young people involved in criminal or anti-social behaviour such as county lines and gangs.
- 2) See more young people who were once at risk of offending, accessing apprenticeships and college courses, through our partnerships post mentoring.
- 3) Parents with children embroiled in crime will feel empowered to support their children, through the parent support we offer.
- 4) Reduce the risk of young people being involved in risk taking behaviours.

Our approach is child centred to help achieve higher success rates in terms of meeting the needs of the young people affected by the above issues in Basildon and Brentwood, Essex, ensuring the young person has a voice in their plan and support from their support from us. We work closely with other agencies and organisations in the areas, such as schools, family solutions, social care, police, emotional well-being mental health service so forth, to enable a holistic and multi-agency approach, ensuring the best support and outcomes for the young people we mentor, plus their families (where appropriate).

We have employed two mentors to cover the areas in Essex, both holding a minimum case load of 12 young people at a time. Additionally we have an operations manager and part time project co-ordinator/Business support manager.

(If applicable, please just state "A social audit report covering these points is attached").

(Please continue on separate continuation sheet if necessary.)

PART 2 – CONSULTATION WITH STAKEHOLDERS – Please indicate who the company's stakeholders are; how the stakeholders have been consulted and what action, if any, has the company taken in response to feedback from its consultations? If there has been no consultation, this should be made clear.

Our consultation with our main stakeholders are with community safety managers in all both Basildon and Essex, local schools, local police-mainly child and youth police officers and social care. They refer young people into our service they feel would benefit from our service. We screen each referral to ensure they fit our threshold and then assign the cases to our mentors. We also attend multi-agency meetings in which different needs, local hotspots and issues are raised and we voice how we can support or meet the needs raised. Primarily we are a service for young people, however in some instances where stakeholders, such as social care, raise significant parenting issues, we will offer additional parenting support that would directly and substantially support young people.

Additionally our stakeholders are the young people living in Basildon and Brentwood Essex, who are at risk of criminal exploitation, risky behaviours, or anti-social behaviour such as county lines and gangs, who are at risk of offending, and need help accessing apprenticeships and college courses as diversional tactic.

Furthermore, our stakeholders are the parents of the children and young people embroiled in crime and exploitation, who need empowering to support their children, through the parent support we offer.

We ensure we gather feedback from every young person at the end of their support, but mainly we ensure that our support is completely young person lead, ensuring we are meeting their needs, voiced by them, rather than just meeting the needs identified by other professionals and stakeholders.

(If applicable, please just state "A social audit report covering these points is attached").
