- 3. Statement of Creditors' Rights

- 1. Introduction
- 1.1 Benjamin Wiles and Paul Williams were appointed Joint Liquidators of the Companies on the Appointment Date.
- 1.2 The purpose of this progress report is to detail the Joint Liquidators' acts and dealings together with the conduct of the Liquidations during the Reporting Period.
- 1.3 The Companies were incorporated in 2017, established with the eventual purpose of operating as holding companies.
- 1.4 Visionscape was set up to oversee the operations of the Associated Companies, with the goal of consolidating the Associated Companies' structure and financial governance.
- 1.5 Avantgarde was initially incorporated to provide specialist consultancy to medical service companies based outside of the UK. Avantgarde ceased to trade in December 2018, following the cessation of its contract with AMS Medical Services.
- 1.6 As a result of their dormancy, the Companies were unable to meet their financial obligations as and when they fell due, and were therefore cash-flow insolvent by definition.
- 1.7 It became clear that the Companies required a formal insolvency process, and Duff & Phelps were engaged on 24 September 2019 to assist with the same.
- 2. Progress of the Liquidations

Debtors

- 2.1 As detailed in the Previous Report, Avantgarde's accounting records indicated a debt in the sum of £13,114, owing by a since dissolved Nigerian entity.
- 2.2 Therefore, there have been no realisations with respect to this debt, nor are any expected in this regard.

Intercompany Debtors

- 2.3 As noted in the Previous Report, there are intercompany balances standing to Avantgarde's credit, the collective quantum being £3,050.
- 2.4 These sums are due from associated group companies which are now either subject to insolvency proceedings or have been dissolved.
- 2.5 Any prospective realisation on these amounts will be subject to the potential dividends available from the insolvencies of these entities.
- 2.6 In light of the above, only nominal realisations are expected to be available in this regard and as such, the cost of continuing to pursue these outstanding balances will outweigh any potential realisations available. Consequently, these intercompany debtors have been written off.

Cash at Bank

2.7 Upon appointment, Visionscape's bank accounts were overdrawn therefore no realisations were available from this source.

Projected Actions

- 2.8 There are no other possible avenues of realisation known to the Joint Liquidators, with respect to either of the Companies. As such, the Liquidations are now being progressed to closure and the Companies will be dissolved accordingly.
- 3. Investigations
- 3.1 The Joint Liquidators have a duty to investigate what assets the Companies have (including potential claims against third parties, including the Directors) and what recoveries can be made from the same.
- 3.2 The Joint Liquidators have complied with their statutory obligation to file reports with DBEIS regarding the conduct of the Directors of the Companies that served in the three years prior to the Appointment Date.
- 3.3 Whilst the content of these reports is confidential, it should be noted that nothing throughout the Joint Liquidators' investigations gave rise to warrant further investigation. The Joint Liquidators' investigations are therefore complete, and there are no outstanding lines of enquiry to pursue for the benefit of the Liquidations.
- 4. Liabilities and Dividends

Secured Creditors

4.1 As detailed in the Previous Report, Companies House confirms that neither of the Companies granted any guarantees or debentures since their respective incorporations. Therefore, there are no Secured Creditors of either of the Companies.

Preferential Creditors

4.2 As previously reported, the Companies were dormant as at the Appointment Date. As such, neither of the Companies had any employees, and the Joint Liquidators therefore do not expect to receive any preferential claims in the Liquidations, nor have any been received to date.

Non-Preferential Creditors

4.3 As at the date of the Previous Report, the Directors estimated that Avantgarde's and Visionscape's non-preferential unsecured debts summed to £112,901 and £2,679,187 respectively.

In respect of Visionscape's Liquidation, the Joint Liquidators' have received non-preferential claims totalling £317,785 during the Reporting Period, broken down as follows:

| Creditor | |
|----------------------|----------|
| HMRC | £214,639 |
| Loyens & Loeff | £58,679 |
| Barclays Bank UK Plc | £44,467 |

- 4.5 The Joint Liquidators have yet to receive any non-preferential claims in respect of the Liquidation of Avantgarde.
- 4.6 There have been insufficient realisations to enable payment of a dividend to non-preferential creditors, with respect to either of the Liquidations.
- 5. Costs and Expenses
- 5.1 The basis of the Joint Liquidators' remuneration was agreed to be capped at £7,500 plus VAT and disbursements on a per Liquidation basis. These costs have been settled in full by a third party.
- 5.2 The time costs incurred by the Joint Liquidators prior to the commencement of the Liquidations of Avantgarde and Visionscape are £5,939 and £5,573 respectively, representing a collective 54 hours at an average charge-out rate of £214.
- 5.3 Time has been charged in six-minute units. A detailed breakdown of the Joint Liquidators' preappointment time costs is available at Appendix 2.
- Total time costs incurred by the Joint Liquidators during the Reporting Period in dealing with the Liquidations of Avantgarde and Visionscape sum to £2,926 and £2,930 respectively, representing a collective 35 hours at an average charge-out rate of £170.
- 5.5 Again, time has been charged in six-minute units. Further details are at Appendix 2.
- 6. Joint Liquidators' Receipts and Payments Accounts
- 6.1 Receipts and Payments Accounts for the Reporting Period are enclosed at Appendix 1.
- 6.2 Creditors should note that as no realisations have been available from either entity, no Liquidation estate bank accounts were required. Consequently, the Receipts and Payments Accounts show zero balances with respect to both Liquidation estates.
- 7. Creditors' Rights
- 7.1 Information regarding the fees and disbursements of Liquidators, including the rights to challenge such costs, is attached at Appendix 3.
- 8. Conclusion
- 8.1 Creditors will receive formal reports annually until the conclusion of the Liquidations.

- As detailed earlier in this report, the Liquidations are now being progressed to closure and the next report to creditors will be the Joint Liquidators' Final Report to Creditors.
- 8.3 Should you require further information, please contact Toby Osborne of this office.
