The company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31 October 2022.

The members have not required the company to obtain an audit of its financial statements for the year ended 31 October 2022 in accordance with Section 476 of the Companies Act 2006.

The directors acknowledge their responsibilities for:

- (a) ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

Page 2 continued...

# BALANCE SHEET - continued 31 OCTOBER 2022

The financial statements have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies regime.

In accordance with Section 444 of the Companies Act 2006, the Income Statement has not been delivered.

The financial statements were approved by the Board of Directors and authorised for issue on 31 March 2023 and were signed on its behalf by:

A G Edmeades-Stearns - Director

G D Wakeman - Director

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 OCTOBER 2022

#### 1. STATUTORY INFORMATION

Wakeman & Stearns Ltd is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

The presentation currency of the financial statements is the Pound Sterling (£).

#### 2. STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with Financial Reporting Standard 102, The Financial Reporting Standard applicable in the UK and Republic of Ireland, including the presentation and disclosure requirements of Section 1A applicable to small companies, and the Companies Act 2006.

## 3. ACCOUNTING POLICIES

## Basis of preparing the financial statements

The financial statements have been prepared under the historical cost convention.

#### **Turnover**

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

Revenue is measured as the fair value of the consideration received or receivable from the sale of goods or exchange of services, excluding discounts, rebates, value added tax and other sales taxes.

#### Rendering of services

The percentage of completion method is used to calculate the revenue recognised at the period end.

Revenue from the rendering of services is recognised when all of the following conditions are satisfied:

- the amount of revenue can be measured reliably;
- it is probable that the economic benefits associated with the transaction will flow to the entity;
- the stage of completion of the transaction at the end of the reporting period can be measured reliably: and
- the costs incurred for the transaction and the costs to complete the transaction can be measured reliably.

## Sale of goods

Revenue from the sale of goods is recognised when all of the following conditions are satisfied:

- the company has transferred the significant risks and rewards of ownership to the buyer;
- the company retains neither continuing managerial involvement to the degree usually associated with the ownership nor effective control over the goods sold;
- the amount of revenue can be measured reliably;
- it is probable that the company will receive the consideration due under the transaction;
- the costs incurred or to be incurred in respect of the transaction can be measured reliably.

#### Rental income

Rental income from ground rents and service charges is recognised on a straight-line basis over the lease term.

Page 4 continued...

# NOTES TO THE FINANCIAL STATEMENTS - continued FOR THE YEAR ENDED 31 OCTOBER 2022

#### 3. ACCOUNTING POLICIES - continued

#### Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery etc - 33% on cost

#### Investments in associates

Investments in associate undertakings are recognised at cost.

#### Investment property

Investment property is shown at most recent valuation. Any aggregate surplus or deficit arising from changes in fair value is recognised in profit or loss.

Investment property is included at fair value. Valuations are carried out annually by the directors based on:

- how the market could be expected to price the asset
- measuring the risk return factors inherent in the asset

Gains are recognised in the income statement. Deferred taxation is provided on these gains at the rate expected to apply when the property is sold. No depreciation is provided in respect of investment properties.

#### **Stocks**

Work in progress is valued at the lower of cost and net realisable value.

Cost is calculated using the first-in, first-out method and includes all purchase, transport, and handling costs in bringing stocks to their present location and condition.

#### **Taxation**

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Page 5 continued...

# NOTES TO THE FINANCIAL STATEMENTS - continued FOR THE YEAR ENDED 31 OCTOBER 2022

# 3. ACCOUNTING POLICIES - continued

#### Hire purchase and leasing commitments

Assets held under finance lease and hire purchase contracts are capitalised in the balance sheet and depreciated over their expected useful lives. The interest element of the leasing payments represents a constant proportion of the capital balance outstanding and is charged to the profit and loss account over the period of the lease.

All other leases are regarded as operating leases and the payments made under them are charged to the profit and loss account on a straight line basis over the lease term.

#### Pension costs and other post-retirement benefits

Loans to undertakings in which the company

has a participating interest

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.

#### 4. EMPLOYEES AND DIRECTORS

The average number of employees during the year was 5 (2021 - 4).
