relating to the:

ISDA Master Agreement

between Security-provider and Security-taker;

and

Collateral Transfer Agreement

dated 22 September 2021 between Security-provider and Security-taker.

This Agreement is entered into in relation to the ISDA Master Agreement and Collateral Transfer Agreement.

Accordingly, the parties agree as follows:

Paragraph 1. Definitions, Inconsistency and Headings

(a) **Definitions and Inconsistency.** Unless otherwise defined in this Agreement, capitalised terms defined in the Collateral Transfer Agreement have the same meanings in this Agreement. Capitalised terms not otherwise defined in this Agreement or in the Collateral Transfer Agreement have the meanings specified pursuant to Paragraph 6, and all references in this Agreement to Paragraphs are to Paragraphs of this Agreement. In the event of any inconsistency between this Agreement and the provisions of the ISDA Master Agreement and the Collateral Transfer Agreement, the provisions of the ISDA Master Agreement and the Collateral Transfer Agreement (as applicable) shall prevail and in the event of any inconsistency between Paragraph 7 and the other provisions of this Agreement, Paragraph 7 will prevail. For the avoidance of doubt and notwithstanding that this document is referred to as an "Agreement" or "Security Agreement", the parties intend and agree that this document shall take effect as a deed.

¹ Note that this 2019 English Law Security Agreement for Initial Margin (IM) has been designed for use with regulatory IM.

² This 2019 English Law Security Agreement for Initial Margin (IM) has been prepared for use in conjunction with an ISDA 2019 Collateral Transfer Agreement for Initial Margin (IM). Users should consult their legal advisers as to the proper use and effect of this form and the arrangements it contemplates.

- (b) **Headings.** Headings are for ease of reference only and shall be ignored in interpreting this Agreement.

Paragraph 2. Security

(a) **Covenant to Perform.** The Security-provider covenants with the other party that it will perform the Obligations in the manner provided in the ISDA Master Agreement, the Collateral Transfer Agreement, this Agreement or any other relevant agreement.

(b) **Security.** The Security-provider, as security for the performance of the Obligations:

(i) charges and agrees to charge, with full title guarantee, in favour of the Security-taker by way of first fixed charge:

(A) all Posted Collateral (IM) (present and future); and

(B) the Segregated Account; and

(ii) assigns and agrees to assign, with full title guarantee, the Assigned Rights to the Security-taker absolutely.

(c) **Restriction on Dealings.** The Security-provider must not:

(i) create or permit to subsist any Security Interest on the Segregated Account or the Posted Collateral (IM) or the Assigned Rights; or

(ii) sell, transfer, licence, lease, loan, grant any option over, declare a trust over or otherwise dispose of any of its rights in respect of the Segregated Account or the Posted Collateral (IM) or the Assigned Rights,

other than (A) the security created by this Agreement, (B) a lien routinely imposed on all securities in a clearing system in which any such Posted Collateral (IM) may be held or (C) a lien or security interest referred to in, or in connection with, the Control Agreement.

(d) **Release of Security.** Upon the transfer by the Custodian (IM) to the Security-provider of Posted Collateral (IM) either (i) following an instruction from the Security-taker, (ii) in accordance with any provisions relating to the transfer of collateral following delivery of a Security-provider Access Notice under the Collateral Transfer Agreement or the Control Agreement or (iii) as otherwise agreed by the parties, the security interest granted under this Agreement on that Posted Collateral (IM) will be released immediately, and the Assigned Rights relating to that Posted Collateral (IM) will be re-assigned to the Security-provider, in each case without any further action by either party. To the extent that all Obligations of the Security-provider owed to the Security-taker have been irrevocably satisfied in full and no further Obligations may arise, then at the Security-provider's expense the Security-taker will also release the security interest granted under this Agreement on the Segregated Account.

(e) **Preservation of Security.** The security constituted by this Agreement shall be a continuing security and shall not be satisfied by any intermediate payment or satisfaction of the whole or any part of the Obligations but shall secure the ultimate balance of the Obligations. If for any reason this security ceases to be a continuing security or any subsequent charge or other interest affects any Security Assets (in each case, other than in relation to either (i) a lien routinely imposed on all securities in a clearing system in which any such Posted Collateral (IM) may be held or (ii) a lien or security interest referred to in, or connected with, the Control Agreement), the Security-taker may direct that the Security-provider open a new account with the Custodian (IM) or continue the existing Segregated Account and the liability of the Security-provider in respect of the Obligations at the date of such cessation shall remain regardless of any payments into or out of any such account. The security constituted by this Agreement shall be in addition to, and shall not be affected by, any other security now or subsequently held by the Security-taker for all or any of the Obligations.

(f) **Waiver of Defences.** The obligations of the Security-provider under this Agreement or the Collateral Transfer Agreement shall not be affected by any act, omission or circumstance which, but for this provision, might operate to release or otherwise exonerate the Security-provider from its obligations under this Agreement

or the Collateral Transfer Agreement or affect such obligations, including (but without limitation) and whether or not known to the Security-provider or Security-taker:

- (i) any time or indulgence granted to or composition with the Security-taker or any other person;
 - (ii) the variation, extension, compromise, renewal or release of, or refusal or neglect to perfect or enforce, any terms of the ISDA Master Agreement or any rights or remedies against, or any security granted by, the Security-provider or any other person;
 - (iii) any irregularity, invalidity or unenforceability of any obligations of the Security-provider under the ISDA Master Agreement or any present or future law or order of any government or authority (whether of right or in fact) purporting to reduce or otherwise affect any of such obligations to the intent that the Security-provider's obligations under this Agreement or the Collateral Transfer Agreement shall remain in full force and this Agreement and the Collateral Transfer Agreement shall be construed accordingly as if there were no such irregularity, unenforceability, invalidity, law or order; and
 - (iv) any legal limitation, disability, incapacity or other circumstance relating to the Security-provider, any guarantor or any other person or any amendment to or variation of the terms of the ISDA Master Agreement or any other document or security.
- (g) **Immediate Recourse.** The Security-provider waives any right it may have of first requiring the Security-taker to proceed against or claim payment from any other person or enforce any guarantee or security before enforcing this Agreement.
- (h) **Reinstatement.** Where any discharge (whether in respect of the security constituted by this Agreement, any other security or otherwise) is made in whole or in part or any arrangement is made on the faith of any payment, security or other disposition which is avoided or any amount paid pursuant to any such discharge or arrangement must be repaid on bankruptcy, liquidation or otherwise without limitation, the security constituted by this Agreement and the liability of the Security-provider under this Agreement shall continue as if there had been no such discharge or arrangement.

Paragraph 3. Certain Rights and Remedies

(a) Security-taker's Rights and Remedies.

(i) General.

(A) For the purposes of all powers implied by statute, the Obligations are deemed to have become due and payable on the date of this Agreement.

(B) Section 103 (restricting the power of sale) and section 93 (restricting the right of consolidation) of the Act shall not apply to this Agreement.

(ii) **Security-taker's Rights.** If at any time a Security-taker Rights Event has occurred and is continuing, then, unless the Security-provider has paid in full all of its Obligations, the Security-taker shall, without prior notice to the Security-provider, be entitled to put into force and to exercise immediately or as and when it may see fit any and every power possessed by the Security-taker by virtue of this Agreement or available to a secured creditor and in particular (but without limitation) the Security-taker shall have power in respect of Posted Collateral (IM):

(A) to sell all or any of the Posted Collateral (IM) (other than Posted Collateral (IM) in the form of cash) in any manner permitted by law upon such terms as the Security-taker shall in its absolute discretion determine;

(B) to apply all or any of the Posted Collateral (IM) in the form of cash in or towards the payment or discharge of any amounts payable by the Security-provider with respect to any Obligation in such order as the Security-taker sees fit;

(C) to the extent that the assets charged under this Agreement constitute “financial collateral” and this Agreement and the obligations of the Security-provider under this Agreement and the Collateral Transfer Agreement constitute a “security financial collateral arrangement” (in each case for the purpose of and as defined in the Regulations), to appropriate all or any part of that financial collateral in or towards the satisfaction of the Obligations in such order as the Security-taker sees fit; and

(D) to collect, recover or compromise and to give a good discharge for any moneys payable to the Security-provider in respect of any of the Posted Collateral (IM);

and for the purposes of this Paragraph 3(a) the Security-taker shall be entitled to make any currency conversions or effect any transaction in currencies which it thinks fit, and to do so at such times and rates as it thinks proper.

(iii) ***Power of Attorney.*** The Security-provider, by way of security and solely for the purpose of more fully securing the performance of the Obligations, irrevocably appoints the Security-taker the attorney of the Security-provider on its behalf and in the name of the Security-provider or the Security-taker (as the attorney may decide) to do all acts, and execute all documents which the Security-provider could itself execute, in relation to any of the Posted Collateral (IM) or in connection with any of the matters provided for in this Agreement or in the Collateral Transfer Agreement, including (but without limitation):

(A) to execute any transfer, bill of sale or other assurance in respect of the Posted Collateral (IM);

(B) to exercise all the rights and powers of the Security-provider in respect of the Posted Collateral (IM);

(C) to ask, require, demand, receive, compound and give a good discharge for any and all moneys and claims for moneys due and to become due under or arising out of any of the Posted Collateral (IM);

(D) to endorse any cheques or other instruments or orders in connection with any of the Posted Collateral (IM); and

(E) to make any claims or to take any action or to institute any proceedings which the Security-taker considers to be necessary or advisable to protect or enforce the security interest created by this Agreement.

(iv) ***Protection of Purchaser.***

(A) No purchaser or other person dealing with the Security-taker or a Receiver or with its attorney or agent shall be concerned to enquire (1) whether any power exercised or purported to be exercised by the Security-taker has become exercisable, (2) whether any Obligation remains due, (3) as to the propriety or regularity of any of the actions of the Security-taker or (4) as to the application of any money paid to the Security-taker.

(B) In the absence of bad faith on the part of such purchaser or other person, such dealings shall be deemed, so far as regards the safety and protection of such purchaser or other person, to be within the powers conferred by this Agreement and to be valid accordingly. The remedy of the Security-provider in respect of any impropriety or irregularity whatever in the exercise of such powers shall be in damages only.

(v) ***Valuation of Appropriated Collateral.***

Subject to Paragraph 7, where any Posted Collateral (IM) is appropriated, the value of the appropriated Posted Collateral (IM) will be the Appropriation Value of such Posted Collateral (IM) as of, or as soon as reasonably practicable after, the date on which such Posted Collateral (IM) is appropriated.

(vi) *Appointment of Receiver.*

(A) Except as provided below, the Security-taker may appoint any one or more persons to be a Receiver of all or any part of the Security Assets if:

- (1) the security granted under this Agreement has become enforceable; or
- (2) the Security-provider so requests the Security-taker in writing at any time.

(B) Any appointment under Paragraph 3(a)(vi)(A) above may be by deed, under seal or in writing under its hand.

(C) Any restriction imposed by law on the right of a mortgagee to appoint a Receiver (including under section 109(1) of the Act) does not apply to this Agreement.

(vii) *Removal of Receiver and Remuneration.*

(A) The Security-taker may by writing under its hand remove any Receiver appointed by it and may, whenever it thinks fit, appoint a new Receiver in the place of any Receiver whose appointment may for any reason have terminated.

(B) The Security-taker may fix the remuneration of any Receiver appointed by it and any maximum rate imposed by law (including under section 109(6) of the Act) will not apply.

(viii) *Agent of the Security-provider.*

(A) A Receiver will be deemed to be the agent of the Security-provider for all purposes and, accordingly, will be deemed to be in the same position as a Receiver duly appointed by a mortgagee under the Act. The Security-provider is solely responsible for the contracts, engagements, acts, omissions, defaults and losses of a Receiver and for liabilities incurred by a Receiver.

(B) No Security-taker will incur any liability (either to the Security-provider or to any other person) by reason of the appointment of a Receiver or for any other reason.

(ix) *Relationship with Security-taker.*

To the fullest extent allowed by law, any right, power or discretion conferred by this Agreement (either expressly or impliedly) or by law on a Receiver may after the security granted under this Agreement becomes enforceable be exercised by the Security-taker in relation to any Security Asset without first appointing a Receiver or notwithstanding the appointment of a Receiver.

(x) *Powers of Receiver.*

(A) General

(1) A Receiver has all the rights, powers and discretions set out below in this subparagraph in addition to those conferred on it by any law. This includes all the rights, powers and discretions conferred on a receiver (or a receiver and manager) under the Act and the Insolvency Act 1986.

(2) If there is more than one Receiver holding office at the same time, each Receiver may (unless the document appointing him states otherwise) exercise all the powers conferred on a Receiver under this Agreement individually and to the exclusion of any other Receiver.

(B) Possession

A Receiver may take immediate possession of, get in and collect any Security Asset and may subsequently relinquish such possession.

(C) Sale of assets

(1) A Receiver may sell, exchange, convert into money and realise any Security Asset by public auction or private contract and generally in any manner and on any terms which he thinks fit.

(2) The consideration for any such transaction may consist of cash, debentures or other obligations, shares, stock or other valuable consideration and any such consideration may be payable in a lump sum or by instalments spread over any period which he thinks fit.

(D) Receipts

A Receiver may give a valid receipt for any moneys and execute any assurance or thing which may be necessary or desirable for realising any Security Asset.

(E) Delegation

A Receiver may delegate his powers in accordance with this Agreement.

(F) Other powers

A Receiver may:

(1) do all other acts and things which he may consider desirable or necessary for realising any Security Asset or incidental or conducive to any of the rights, powers or discretions conferred on a Receiver under or by virtue of this Agreement or law;

(2) exercise in relation to any Security Asset all the powers, authorities and things which he would be capable of exercising if he were the absolute beneficial owner of that Security Asset; and

(3) use the name of the Security-provider for any of the above purposes.

(b) ***Security-provider's Rights and Remedies.*** If at any time a Security-provider Rights Event has occurred and is continuing, then:

(i) the Security-provider may exercise all rights and remedies available to a chargor under applicable law with respect to Posted Collateral (IM); and

(ii) the Security-taker will be obligated immediately to transfer or instruct the Custodian (IM) to transfer all Posted Collateral (IM) to the Security-provider.

(c) ***Deficiencies and Excess Proceeds.***

(i) The Security-provider will remain liable for all Obligations of it remaining unsatisfied after the exercise of rights and remedies by the Security-taker under Paragraph 3(a) of this Agreement, provisions relating to the exercise of rights and remedies by a security-provider in the Other Security Agreement, or equivalent provisions of any Other CSA.

(ii) Following the exercise of such rights and remedies, the Security-taker hereunder will transfer or instruct the Custodian (IM) to transfer to the Security-provider any proceeds and Posted Collateral (IM) remaining after satisfaction in full of all payment and delivery Obligations of the Security-provider,

including (if applicable) the transfer and release to the Security-taker by the Security-provider, in its capacity as the "Security-taker" under the Other Security Agreement or equivalent provisions of any Other CSA, of all "Posted Collateral (IM)" as defined thereunder and the return of any other amounts and items posted by the Security-taker to the Security-provider as credit support under any Other CSA.

(d) **Final Returns.** Subject to Paragraph 3(c), upon satisfaction in full of all Obligations of the Security-provider (except for any potential liability under Section 2(d) of the ISDA Master Agreement or any obligation to transfer any interest payment under any Other CSA), the Security-taker will transfer or instruct the Custodian (IM) to transfer to the Security-provider all Posted Collateral (IM), if any.

Paragraph 4. Expenses

All reasonable costs and expenses incurred by or on behalf of the Security-taker in connection with the liquidation, appropriation and/or application of any Posted Collateral (IM) under Paragraph 3 or the Control Agreement, as applicable, will be payable, on demand, by the Defaulting Party (as defined in the ISDA Master Agreement) or, if there is no Defaulting Party, equally by the parties.

Paragraph 5. Miscellaneous Provisions

(a) **Further Assurances.** Promptly following a demand made by a party, the other party will execute, deliver, file and record any financing statement, specific assignment or other document, and take any other action that may be necessary or desirable and reasonably requested by that party to create, preserve, perfect or validate any security interest granted under Paragraph 2, to enable that party to exercise or enforce its rights under this Agreement with respect to the Posted Collateral (IM) or to effect or document a release of a security interest on Posted Collateral (IM).

(b) **No Waiver of Rights.** A failure or delay in exercising any right, power or privilege in respect of this Agreement will not be presumed to operate as a waiver, and a single or partial exercise of any right, power or privilege will not be presumed to preclude any subsequent or further exercise, of that right, power or privilege or the exercise of any other right, power or privilege.

(c) **Further Protection.** The Security-provider will promptly give notice to the Security-taker of, and defend against, any suit, action, proceeding or lien that involves Posted Collateral (IM) transferred by the Security-provider or that could adversely affect the security interest granted by it under Paragraph 2.

(d) **Entire Agreement.** Each of the parties acknowledges that in entering into this Agreement it has not relied on any oral or written representation, warranty or other assurance (except as provided for or referred to in this Agreement) and waives all rights and remedies which might otherwise be available to it in respect thereof, except that nothing in this Agreement will limit or exclude any liability of a party for fraud.

(e) **Demands and Notices.** All demands and notices made by a party under this Agreement will be made in accordance with the Collateral Transfer Agreement.

(f) **Partial Invalidity.** If at any time any provision of this Agreement is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.

(g) **Counterparts.** This Agreement may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this Agreement.

(h) **Amendments.** An amendment, modification or waiver in respect of this Agreement will only be effective if in writing and executed by each of the parties.

(i) **Governing Law.** This Agreement, and any non-contractual obligations arising out of or in connection with this Agreement are governed by and construed in accordance with English law.

(j) **Jurisdiction.** With respect to any dispute, claim, difference or controversy arising out of, relating to or having any connection with this Agreement, including any dispute as to its existence, validity, interpretation, performance, breach or termination or the consequences of its nullity and any dispute relating to any non-contractual obligations arising out of or in connection with it ("**Proceedings**"), and unless otherwise specified in Paragraph 7, each party irrevocably:

(i) submits to the non-exclusive jurisdiction of the English courts;

(ii) waives any objection which it may have at any time to the laying of venue of any Proceedings brought in any such court, waives any claim that such Proceedings have been brought in an inconvenient forum and further waives the right to object, with respect to such Proceedings, that such court does not have any jurisdiction over such party; and

(iii) agrees, to the extent permitted by applicable law, that the bringing of Proceedings in any one or more jurisdictions will not preclude the bringing of Proceedings in any other jurisdiction.

(k) **Service of Process.** Each party irrevocably appoints the Process Agent, if any, specified opposite its name in Paragraph 7 to receive, for it and on its behalf, service of process in any Proceedings before the English courts. If for any reason any party's Process Agent is unable to act as such, such party will promptly notify the other party and may within 30 days appoint a substitute process agent acceptable to the other party. The parties irrevocably consent to service of process given in the manner provided for notices in Section 12 of the ISDA Master Agreement, except as otherwise provided in Paragraph 7. Nothing in this Agreement will affect the right of either party to serve process in any other manner permitted by applicable law.

(l) **Contracts (Rights of Third Parties) Act 1999.** A person who is not a party to this Agreement shall not have any rights under the Contracts (Rights of Third Parties) Act 1999 to enforce, or enjoy the benefit of, any term of this Agreement. This does not affect any right or remedy of a third party which exists, or is available, apart from the Contracts (Rights of Third Parties) Act 1999.

(m) **Interpretation.** Unless otherwise specified in Paragraph 7, references to a law, statute or statutory provision include: (i) such law, statute or statutory provision as from time to time amended, modified, re-enacted or consolidated whether before or after the date of this Agreement; and (ii) any subordinate legislation from time to time made, amended, modified, re-enacted or consolidated, whether before or after the date of this Agreement, under any such law, statute or statutory provision.

(i) **U.S. Resolution Stay**

(1) Recognition of the U.S. Special Resolution Regimes

(A) In the event that a Covered Entity becomes subject to a proceeding under (i) the Federal Deposit Insurance Act and the regulations promulgated thereunder or (ii) Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act and the regulations promulgated thereunder (a “**U.S. Special Resolution Regime**”) the transfer from a Covered Entity of this Agreement, and any interest and obligation in or under, and any property securing, this Agreement, will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if this Agreement, and any interest and obligation in or under, and any property securing, this Agreement were governed by the laws of the United States or a state of the United States.

(B) In the event that a Covered Entity or an Affiliate of a Covered Entity becomes subject to a proceeding under a U.S. Special Resolution Regime, any Default Rights (as defined in 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable (“**Default Right**”)) under this Agreement that may be exercised against a Covered Entity are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if this Agreement were governed by the laws of the United States or a state of the United States.

(2) Limitation on Exercise of Certain Default Rights Related to an Affiliate’s Entry Into Insolvency Proceedings.

Notwithstanding anything to the contrary in this Agreement, the parties expressly acknowledge and agree that:

(A) No party shall be permitted to exercise any Default Right with respect to this Agreement or any Affiliate Credit Enhancement that is related, directly or indirectly, to an Affiliate of a Covered Entity becoming subject to receivership, insolvency, liquidation, resolution, or similar proceeding (an “**Insolvency Proceeding**”), except to the extent that the exercise of such Default Right would be permitted under the provisions of 12 C.F.R. 252.84, 12 C.F.R. 47.5 or 12 C.F.R. 382.4, as applicable; and

- (B) Nothing in this Agreement shall prohibit the transfer of any Affiliate Credit Enhancement, any interest or obligation in or under such Affiliate Credit Enhancement, or any property securing such Affiliate Credit Enhancement, to a transferee upon or following an Affiliate of a Covered Entity becoming subject to an Insolvency Proceeding, unless the transfer would result in a party being the beneficiary of such Affiliate Credit Enhancement in violation of any law applicable to such party.
- (3) U.S. Protocol or Bilateral Agreement
- (A) If prior to the date of this Agreement the parties have previously adhered to, or subsequently adhere to, the ISDA 2018 U.S. Resolution Stay Protocol as published by the International Swaps and Derivatives Association, Inc. as of July 31, 2018 (the “*ISDA U.S. Protocol*”), the terms of such protocol shall be incorporated into and form a part of this Agreement and the terms of the ISDA U.S. Protocol shall supersede and replace the terms of this Paragraph 7(f)(i). For purposes of incorporating the ISDA U.S. Protocol, a Covered Entity shall be deemed to be a Regulated Entity, a party that is not a Covered Entity shall be deemed to be an Adhering Party, and this Agreement shall be deemed to be a Protocol Covered Agreement. Capitalized terms used but not defined in this Paragraph 7(f)(i)(3)(A) shall have the meanings given to them in the ISDA U.S. Protocol.
- (B) If prior to the date of this Agreement the parties have previously entered into a bilateral agreement in a form consistent with the forms published by ISDA on November 2, 2018 (currently available at www.isda.org on the 2018 ISDA U.S. Resolution Stay Protocol page and <https://www.isda.org/a/vrCEE/US-Stay-Regulations-Bilateral-Amendments.pdf> (the “*Omnibus Bilateral*”), the terms of such Omnibus Bilateral shall be incorporated into and form a part of this Agreement and shall supersede and replace the terms of this Paragraph 7(f)(i). For purposes of incorporating the Omnibus Bilateral, a Covered Entity shall be deemed to be a Covered Entity, a party that is not a Covered Entity shall be deemed to be a Counterparty Entity and this Agreement shall be deemed to be a Covered Agreement. Capitalized terms used but not defined in this Paragraph 7(f)(i)(3)(B) shall have the meanings given to them in the Omnibus Bilateral. In the event of any inconsistencies between this Agreement and the Omnibus Bilateral, the Omnibus Bilateral will prevail.

For purposes of this Paragraph 7(f)(i)

“*Affiliate*” is defined in, and shall be interpreted in accordance with, 12 U.S.C. § 1841(k).

“*Affiliate Credit Enhancement*” means any Credit Enhancement granted by an Affiliate.

“*Covered Entity*” means a “covered entity” as defined in 12 C.F.R. §252.82, a “covered FSI” as defined in 12 C.F.R. §382.2 or a “covered bank” as defined in 12 C.F.R. §47.3.

“*Credit Enhancement*” means any credit enhancement or credit support arrangement in support of the obligations of a Covered Entity under or with respect to this Agreement, including any guarantee, collateral arrangement (including any pledge, charge, mortgage or other security interest in collateral or title transfer arrangement), trust or similar arrangement, letter of credit, transfer of margin or any similar arrangement.

(ii) **Counterparts.** This Agreement may be executed and delivered in counterparts (including by portable document format “pdf”), each of which will be deemed an original.

(iii) **Treatment of Security-provider.** Security-provider and Security-taker hereby acknowledge that use of this form of agreement, by which Security-taker agrees with multiple entities identified as Security-provider, is for ease of administration only, and it is hereby acknowledged and agreed that by executing this Agreement Security-taker shall have entered into and executed a separate Agreement with each Security-provider separately and not jointly, each containing terms and provisions identical to those contained in this Agreement, and without reference to any other entity identified on Appendix A hereto as Security-provider.

Furthermore, this Agreement shall constitute a separate and discrete agreement between Security-taker and each of the entities listed on Appendix A hereto, as if set out in a separate writing executed by Security-taker and such entity alone. Notwithstanding any other provision of this Agreement each obligation or liability under this Agreement shall for all purposes be and be deemed to be between Security-taker and only the relevant Security-provider, and no other person or entity, whether listed on Appendix A or not, shall have any obligation or incur any liability in respect of the relevant obligation or liability. Specifically, no collateral or other security provided by or for the account of any entity listed on Appendix A shall be or be deemed to be collateral or security for any obligation of any other entity listed on Appendix A, and Security-taker hereby acknowledges and agrees that it shall have no interest in any such collateral or other security except to secure the obligations of the entity that provided the collateral or for whose account it was provided.

For clarity, in any case where Security-provider is a class, series, division, or other legal or economic sub-element of any legal or juridical entity (by way of example, and not of limitation, one series of a series investment company), the obligations under this Agreement shall be those of such class, series, division, or other sub-element alone, and shall not be obligations of or binding on (or satisfied out of the assets of) the legal or juridical entity generally or any other class, series, division, or other sub-element of such entity.

(iv) **Binding Nature of Agreement.** This Agreement and the obligations hereunder shall be binding on, and shall be satisfied only out of, the assets of Security-provider under investment management by Wellington Management Company LLP and, where relevant, any affiliate thereof acting as agent on behalf of Security-provider for purposes of the Agreement (the “**Investment Adviser**”) at the time Security-taker seeks to enforce this Agreement or such obligations, and shall not be binding on, or satisfied out of, any other assets or property of Security-provider. This Agreement shall not govern any transaction or course of dealing between Security-taker and Security-provider except transactions and any course of dealing entered into by the Investment Adviser on behalf of Security-provider in respect of assets under management by the Investment Adviser. To the extent that any provision of this Agreement refers to any right or obligations of either party arising under or in respect of any transaction or course of dealing between the parties, including without limitation any right to net or offset rights or obligations arising under or in respect of this Agreement against any rights or obligations arising under any such other transaction or course of dealing, then, to the extent such provision refers to any rights or obligations of Security-provider other than those arising under this Agreement, such reference shall conclusively be presumed to refer only to the rights and obligations of Security-provider under any transaction or course of dealing entered into by the Investment Adviser in respect of assets under investment management by the Investment Adviser.

(v) **Limitation of Liability.** Under no circumstance will the Investment Adviser be required to pay, or be liable, to Security-taker for, or in respect of, Security-provider’s obligations under this Agreement or in connection with any course of dealing by Security-provider under this Agreement.

(vi) **Trustees.** Security-provider is a trust. Notice is hereby given that the Trustee of the trust is acting in its capacity as trustee of the trust and as such (save where the Trustee fraudulently deals with the assets in breach of trust) shall have no liability under this Agreement except to the extent that such liability can be satisfied out of the assets subject to the trust. No recourse shall be had against the Trustee in its capacity as trustee or depositary of other trusts. Furthermore, the assets of each trust belong exclusively to the Trustee in its capacity as trustee of that trust, and shall not be used to discharge directly or indirectly the liabilities of or claims against, any other trust.

IN WITNESS of which this Agreement has been executed as a deed and has been delivered on the date first above written.
