**SYMMETRY PARK DONCASTER MANAGEMENT COMPANY LIMITED**

---

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE PERIOD ENDED 31 DECEMBER 2019**

---

**1. General information**

Symmetry Park Doncaster Management Company Limited is a private company limited by share capital, incorporated in England and Wales, registration number 11272549. The address of the registered office is Unit B, Grange Park Court, Roman Way, Northampton, NN4 5EA.

**2. Accounting policies**

**2.1 Basis of preparation of financial statements**

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Section 1A of Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

The financial statements are prepared in Sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £1.

The following principal accounting policies have been applied:

**2.2 Going concern**

The directors have considered the working capital needs of the business for the next twelve months from the date of approval of the financial statements and have the continued support of the company's shareholders.

On the basis of the above support, the directors consider it appropriate to prepare the financial statements on the going concern basis. The financial statements do not include any adjustments that would result from a withdrawal of this support.

**2.3 Debtors**

Short term debtors are measured at transaction price, less any impairment.

**2.4 Creditors**

Short term creditors are measured at the transaction price. Other financial liabilities, amounts owed to group undertakings, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

**2.5 Financial instruments**

The company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments issues' of FRS 102 to all of its financial instruments.

The company only enters into basic financial instrument transactions that result in the recognition of financial assets and liabilities like other debtors and creditors.

Financial assets that are measured at cost and amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the Statement of Income and Retained Earnings.

Financial assets and liabilities are offset and the net amount reported in the Balance Sheet when there is an enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.
