Accordingly, whilst any one of them may make payments under any Finance Document (including this Deed), they shall each be jointly and severally liable therefor whether or not such liability is specifically referred to herein or therein. The failure of any Chargor to perform its obligations under any Finance Document (including this Deed) shall not affect the obligations of the other Chargors and the effectiveness of each Finance Document (including this Deed) shall not be revoked or impaired as to any of them by any contingency affecting any other of them or by the revocation or release of any obligations thereunder or hereunder of any of them or by any time or any indulgence granted to any of them. - (d) the Security Agent has reasonable grounds for considering that converting the floating charge created by this Deed into a fixed charge is necessary in order to protect the priority of its Security in relation to all or any of a Chargor's assets specified in the notice;
- (e) the Security Agent becomes aware or has reason to believe that steps have been taken which would, in the reasonable opinion of the Security Agent, be likely to lead to

the making of an application to appoint an administrator (whether out of court or otherwise) in relation to a Chargor (or that such an application has been made, or that such an administrator has been appointed) or the making of a petition to wind up a Chargor (or that such a petition has been presented or that a liquidator has been appointed); and/or

- (f) formal steps have been taken to appoint an administrator of a Chargor (whether out of court or otherwise).

3.3 Automatic Conversion

- (a) The floating charge created by this Deed shall (in addition to the circumstances in which the same will occur under general law) automatically be converted (without notice) with immediate effect into a fixed charge over all the assets, rights and property of a Chargor on the convening of any meeting of the members of that Chargor to consider a resolution to wind up that Chargor (or not to wind up that Chargor) or on the convening of any meetings of the directors or members of that Chargor for the purposes of considering any resolution or application for putting that Chargor into administration (whether out of court or otherwise).
- (b) If:
 - (i) a Chargor breaches or takes any steps with a view to breaching any provision of Clause 6.6 (*Restrictions on Dealings*) in respect of any of the Charged Assets which are subject to an uncrystallised floating charge under this Deed;
 - (ii) a Chargor creates or attempts to create any Security (other than Permitted Security) over any Charged Asset;
 - (iii) in addition to the circumstances in which the same will occur under general law, any steps are taken (including the giving of notice, the presentation of a petition, the passing of a formal resolution or the making of an application) to appoint a liquidator, provisional liquidator, administrator or receiver in respect of a Chargor or over all or any part of its assets, or if such person is appointed (in each case whether out of court or otherwise);
 - (iv) any other floating charge over any of the Charged Assets crystallises;

- (v) any person levies or attempts to levy any distress, attachment, execution or other legal process against any such Charged Assets;
- (vi) any person presents or makes an application for a warrant of execution, writ of fieri facias, garnishee order or charging order in respect of any such Charged Assets; and/or
- (vii) any other circumstances prescribed by law in which the same will occur,

then the floating charge created by this Deed over the Charged Assets to which the breach or step or levy or application relates shall (without prejudice to any law which may have a similar effect) automatically be converted (without notice) with immediate effect into a fixed charge over such assets (or in the case of the events set out in (iii) above, over all of the assets, rights and property of a Chargor) as soon as that breach occurs or step is taken or levy or application is made.

3.4 Qualifying Floating Charge

Each floating charge created by this Deed is a **qualifying floating charge** for the purposes of paragraph 14 of Schedule B1 to the Insolvency Act 1986.

3.5 No Waiver

The giving by the Security Agent of a notice pursuant to Clause 3.2 in relation to any class of a Chargor's assets, rights and property shall not be construed as a waiver or abandonment of the Security Agent's rights to give other similar notices in respect of any other class of assets or any of the rights of the Security Agent or any Secured Party under any Finance Document.

3.6 Re-conversion

The Security Agent may, at any time in its absolute discretion, by notice in writing to a Chargor, re-convert any charge which has crystallised under Clause 3.2 (*Conversion by notice*) or Clause 3.3 (*Automatic conversion*) into a floating charge in relation to the Charged Assets specified in the notice.

- (i) the Security Agent may hold all or any of each Chargor's Securities in any branch of the Security Agent or with any correspondents or other agents whether in the United Kingdom or overseas and that all such Securities shall be held at the expense, risk and responsibility of the Chargors; and

conferred by the Securities in a way which could reasonably be expected to adversely affect the interests of the Secured Parties (or any of them).

- (f) On or at any time after the occurrence of an Event of Default which is continuing or after a Chargor has requested the appointment of a Receiver, or after the appointment of a Receiver:
 - (i) the Security Agent may (in the name of any Chargor or otherwise and without any consent or authority on the part of any Chargor irrespective of any direction given by any Chargor) exercise or refrain from exercising all voting and other rights and powers which may be exercised by the person or persons in whose name or names any of the Securities are registered or who is the holder of any of them (including all the powers and discretions conferred on trustees by the Trustee Act 1925 and the Trustee Act 2000 except as otherwise expressly provided for in this Deed but provided that the duty of care set out in Section 1(1) of the Trustee Act 2000 shall not apply to any such power of investment (however conferred) by the Security Agent in respect of securities or property subject to a trust), and each Chargor hereby irrevocably authorises and appoints the Security Agent to exercise all such voting and other rights accordingly. (For the avoidance of doubt, in case of any conflict between the Trustee Act 2000 and the terms of this Deed, the terms of this Deed shall prevail, to the fullest extent permitted by law);
 - (ii) all Derivative Assets shall be paid without any set off or deduction whatsoever to the Security Agent;
 - (iii) the Security Agent or its nominee may, in the name of any Chargor or otherwise and without any further consent or authority on the part of any Chargor, exercise any or all rights attaching to the Charged Assets to nominate, appoint and/or remove any director or directors, as if the Security Agent or its nominee were the sole beneficial owner of the Secured Assets; and

- (h) Each Chargor shall promptly pay all calls, instalments or other payments due and payable in respect of any of its Securities and its Derivative Assets and if it fails to do so the Security Agent may pay the calls, instalments or other payments on behalf of that Chargor. Each Chargor shall forthwith on demand reimburse the Security Agent for any payment made by the Security Agent pursuant to this Clause 6.14 together with interest (as well after as before judgement, liquidation, bankruptcy, winding up or administration (whether out of court or otherwise)) at the Default Rate of interest from the date of payment by the Security Agent up to and including the date of reimbursement by that Chargor.
- (i) Without limiting its obligations under the Facility Agreement, each Chargor shall comply with all requests for information within its knowledge relating to its Securities which are made under section 793 of the Companies Act 2006 or which could be made under section 793 if the relevant company were a public limited company or under any similar provision contained in the articles of association or other constitutional documents of the relevant company relating to its Securities and, if it fails to do so, the Security Agent may provide such information as it may have on behalf of that Chargor.
- (j) Each Chargor shall comply with all other conditions and obligations assumed by it in respect of any of its Securities and its Derivative Assets.

- (k) The Security Agent is not obliged to carry out any obligation of any Chargor in respect of the Securities and the Derivative Assets or to make any payment, or to make any enquiry as to the nature or sufficiency of any payment received by it or a Chargor, or to present or file any claim or take any other action to collect or enforce the payment of any amount to which it may have been or to which it may be entitled under this Deed.

6.15 Sales Materials

After the security constituted by this Deed has become enforceable, the Chargor grants to the Security Agent and to any Receiver or Delegate of the Security Agent the sole right to use and deal with the Sales Materials in any manner which the Security Agent, a Receiver or a Delegate considers appropriate and to the exclusion of any other third party.

7 WHEN SECURITY BECOMES ENFORCEABLE

The security constituted by this Deed shall become immediately enforceable and the power of sale and other powers conferred by section 101 of the Act, as varied or amended by this Deed, shall be immediately exercisable upon and at any time after the occurrence of any Event of Default which is continuing after which the Security Agent may in its absolute discretion enforce all or any part of the security in any manner it sees fit or in accordance with the provisions of the Finance Documents.

8 ENFORCEMENT OF SECURITY

8.1 General

- (a) For the purposes of all powers implied by statute, the Secured Liabilities are deemed to have become due on the date of this Deed.
- (b) Section 103 of the Act (restricting the power of sale) and section 93 of the Act (restricting the right of consolidation) do not apply to the security constituted by this Deed.
- (c) The statutory powers of leasing conferred on the Security Agent are extended so that, without the need to comply with any provision of sections 99 or 100 of the Act, the Security Agent is empowered to lease, make agreements for leases, accept surrenders of leases and grant options as the Security Agent may think fit.

- (d) Each Chargor shall (at its own cost) forthwith upon the request of the Security Agent, appoint a second trustee or co-trustee (if there are not already two such trustees) (in each case approved by the Security Agent) of all or part of the Mortgaged Property or any other Charged Assets.

8.2 Right of Appropriation of Financial Collateral

To the extent that any of the Charged Assets constitute Financial Collateral and this Deed and the obligations of each Chargor under this Deed constitute a Security FCA, the Security Agent (as agent and security trustee for and on behalf of itself and the other Secured Parties) shall have the right, at any time after the security constituted by this Deed has become enforceable, to appropriate all or any part of such Financial Collateral in or towards discharge of the Secured Liabilities. For this purpose, the parties agree that the value of such Financial Collateral shall be:

- (a) (in the case of cash) the amount standing to the credit of each bank account of each Chargor as the same may be secured hereunder pursuant to a Security FCA, together with any accrued but unpaid interest, at the time the right of appropriation is exercised; and
- (b) (in the case of Securities as the same may be secured hereunder pursuant to a Security FCA) the market price of such Securities determined by the Security Agent by reference to a public index or by such other process as the Security Agent may reasonably select (including independent valuation);

and, in each case, the parties hereby agree that the manner of valuation provided for in this Clause 8.2 shall constitute a commercially reasonable manner of valuation for the purposes of the Regulations. To the extent that any of the Charged Assets constitute Financial Collateral, each Chargor hereby agrees that such Charged Assets shall be held or re-designated so as to be under the control of the Security Agent for the purposes of the Regulations.

8.3 Contingencies

If the Security Agent enforces the security constituted by this Deed (whether by the appointment of a Receiver or otherwise howsoever) at a time when no amounts are due under the Finance Documents but at a time when amounts may or will become so due, the Security Agent (or the Receiver) may pay the proceeds of any recoveries effected by it into an interest bearing account or otherwise as directed by the Security Agent.

8.4 No liability as mortgagee in possession

Neither the Security Agent nor any Receiver will be liable, by reason of entering into possession of a Charged Asset, to account as mortgagee or security holder in possession or for any loss on realisation or for any default or omission for which a mortgagee or security holder in possession might otherwise be liable.

8.5 Privileges

Each Receiver and the Security Agent is entitled to all the rights, powers, privileges and immunities conferred by the Act on mortgagees and receivers when such receivers have been duly appointed under the Act, except that section 103 of the Act does not apply.

8.6 Protection of third parties

No person (including a purchaser) dealing with the Security Agent or a Receiver or its or his agents need enquire:

- (a) whether the Secured Liabilities have become payable; or
- (b) whether any power which the Security Agent or that Receiver may purport to exercise has become exercisable or is being properly exercised; or
- (c) whether any money remains due under the Finance Documents; or
- (d) how any money paid to the Security Agent or to the Receiver is to be applied.

8.7 Redemption of prior mortgages

At any time after the security constituted by this Deed has become enforceable, the Security Agent may, at the sole cost and expense of the Chargors (payable to the Security Agent on demand):

- (a) redeem any prior form of Security on or relating to any Charged Asset; and/or
- (b) procure the transfer of that form of Security to itself; and/or

- (c) settle and pass the accounts of any prior mortgagee, charge, security holder or encumbrancer which once so settled and passed shall be conclusive and binding on each Chargor.

Each Chargor shall on demand pay to the Security Agent all principal monies and interest and all costs, expenses and losses incidental to any such redemption or transfer made pursuant to this Clause 8.7.

9 RECEIVER AND ADMINISTRATOR

9.1 Appointment of Receiver or Administrator

- (a) At any time after the security constituted by this Deed becomes enforceable, or at any time if a Chargor so requests the Security Agent in writing, the Security Agent may, without further notice, appoint in writing under seal or in writing under its hand any one or more persons to be a Receiver of all or any part of the Charged Assets as if the Security Agent had become entitled under the Act to exercise the power of sale conferred under the Act.
- (b) At any time after the security constituted by this Deed becomes enforceable, without further notice the Security Agent (as agent and trustee for and on behalf of itself and the other Secured Parties) may appoint (or apply to the court to appoint) any one or more qualified persons to be an administrator of a Chargor.
- (c) In this Deed "qualified person" means a person who, under any applicable provision of the Insolvency Act 1986, is qualified to act as a receiver of the property of any company with respect to which he is appointed or as an administrative receiver or administrator of any such company.
- (d) Nothing in this Deed shall prejudice or limit any power, right or remedy available to an administrator at law.

9.2 Relationship with Security Agent

To the fullest extent permitted by law, any right, power or discretion conferred by this Deed (be it express or implied) or by law upon a Receiver, security holder or mortgagee of any Charged Asset may, after the security created by this Deed has become enforceable, be exercised by

the Security Agent (as agent and trustee for and on behalf of itself and the other Secured Parties) in relation to any Charged Asset either:

- (a) without first appointing a Receiver; or
- (b) notwithstanding the appointment of a Receiver.

9.3 Agent of the Chargors

For all purposes each Receiver is deemed to be the agent of the Chargor in respect of which it is appointed and accordingly is deemed to be in the same position as a Receiver duly appointed by a mortgagee under the Act. Such Chargor alone shall be responsible for the Receiver's contracts, engagements, acts, commissions, omissions, defaults and losses and for liabilities incurred by him, and no Secured Party shall incur any liability of whatsoever nature (either to such Chargor or to any other person) by reason of the Security Agent making his appointment as a Receiver or for any other reason. The agency of the Receiver shall continue until such Chargor shall go into liquidation and after that the Receiver shall act as principal and shall not become the agent of the Security Agent.

9.4 Removal

The Security Agent (as agent and trustee for and on behalf of itself and the other Secured Parties) may by writing under its hand (subject to any requirement for any order of the court in the case of an administrative receiver):

- (a) remove any Receiver appointed by it;
- (b) whenever it deems it expedient, appoint a new Receiver in the place of any Receiver whose appointment may for any reason have terminated; and
- (c) replace an administrator of a Chargor previously appointed by the Security Agent where there is a vacancy in such office.

9.5 Remuneration

The Security Agent may, subject to section 36 of the Insolvency Act 1986, fix the remuneration of any Receiver appointed by it without being limited to the maximum rate specified in section 109(6) of the Act.

10 POWERS OF RECEIVER

10.1 General

- (a) In addition to those conferred by the Act on any receiver appointed under the Act, each Receiver has, and is entitled to exercise, all of the rights, powers, remedies and discretions set out below in this Clause 10 and all other rights, powers, remedies and discretions conferred on any Receiver or the Security Agent elsewhere in this Deed.
- (b) If there is more than one Receiver holding office at the same time, unless the document appointing him states otherwise, each Receiver may exercise all of the powers conferred on a Receiver under this Deed individually and to the exclusion of any other Receivers.
- (c) Every Receiver for the time being holding office by virtue of an appointment made by the Security Agent under this Deed shall have all the rights, powers and discretions conferred by the Act, the Insolvency Act 1986 and otherwise by law and shall have all the rights, powers and discretions conferred on an administrative receiver under the Insolvency Act 1986.
- (d) A Receiver may, in the name of any relevant Chargor if he so wishes:
 - (i) do all acts and things which he may consider expedient for realising any Charged Asset or incidental or conducive to any of the rights, powers or discretions conferred on a Receiver under or by virtue of this Deed or by law; and
 - (ii) exercise in relation to any Charged Asset all the powers, authorities and things which he would be capable of exercising as if he were its absolute beneficial owner (including, for the avoidance of doubt, the operation of any account (including, without limitation, any Account) in which the relevant Chargor has any rights, title or interest (whether legal or beneficial)).

10.2 Borrow Money

A Receiver may raise and borrow money (either unsecured or on the security of any Charged Asset, either in priority to the security constituted by this Deed or otherwise) on any terms and for whatever purpose which he thinks fit. No person lending that money need enquire as to

the propriety or purpose of the exercise of that power or to check the application of any money so raised or borrowed.

10.3 Carry on Business

A Receiver may carry on the business of any relevant Chargor as he thinks fit.

10.4 Compromise

If the Security Agent or any other Secured Party receives, or is deemed to be affected by, notice, whether actual or constructive, of any subsequent charge or other interest affecting any Charged Asset and/or the proceeds of sale of any Charged Asset, the Security Agent or the relevant Secured Party (as the case may be) may open a new account in the name of the relevant Chargor. If the Security Agent or the relevant Secured Party (as the case may be) does not open a new account, it shall nevertheless be treated as if it had done so at the time when it received or was deemed to have received notice. As from that time all payments made to the Security Agent or the relevant Secured Party (as the case may be) will be credited or be treated as having been credited to the new account and will not operate to reduce any amount for which this Deed is security.

17.6 Certificates and Determinations

Any certification or determination by the Security Agent of a rate or amount under any Finance Document is, in the absence of manifest error, conclusive evidence of the matters to which it relates.

17.7 Stamp duties

Each Chargor shall pay, and within three Business Days of demand indemnify, the Security Agent against any cost, loss or liability it incurs in relation to all stamp duty, SDLT, registration and/or other similar taxes payable in respect of this Deed from time to time, and any performance or enforcement of it.

17.8 Collateral Security

Where any Security constituted under this Deed initially takes effect as a collateral or further Security to another Security intended to be constituted under this Deed or which otherwise secures all or any part of the Secured Liabilities to which a Chargor is a party then, despite any receipt, release or discharge indorsed on or given in respect of or under the second mentioned Security, the first mentioned Security will operate as an independent Security.

17.9 Suspense Accounts

All monies received, recovered or realised by the Security Agent under this Deed (including the proceeds of any conversion of currency) may in the discretion of the Security Agent be

credited to an interest bearing suspense or impersonal account(s) in the name of the Security Agent with such financial institution (including itself) for so long as the Security Agent shall think fit (the interest being credited to the relevant account) pending the application from time to time of those monies in the Security Agent's discretion in accordance with the provisions of Clause 11 (*Application of proceeds*) (and save as expressly provided herein no Obligor will be entitled to withdraw any amount at any time standing to the credit of any suspense or impersonal account referred to above).

17.10 Exercise of Powers

Any liberty or power which may be exercised or any determination which may be made under this Deed by the Security Agent or any Receiver may, in respect of the Transaction Obligors, be exercised or made at his absolute and unfettered discretion without any obligation to give reasons for doing so.

17.11 Trustee Provisions

- (a) The Security Agent shall hold the Security Property constituted by or in connection with this Deed, including:
 - (i) the benefit of this Deed;
 - (ii) the Security constituted by this Deed, including the proceeds thereof; and
 - (iii) all representations, undertakings, rights, title, interests, monies and other assets contained in, constituted by or received or recovered by the Security Agent under or in connection with, this Deed;

in each case in trust for the benefit of the Secured Parties on the terms and subject to the conditions set out in this Deed and the Finance Documents.

- (b) The replacement, resignation or retirement of the person for the time being acting as Security Agent, and the appointment of any successor, shall in no way prejudice: (a) the Security created or intended to be created by the Security Documents (including this Deed); (b) the obligations of the Transaction Obligors (including each Chargor) under the Finance Documents (including this Deed); (c) the rights, powers and remedies of the Security Agent and/or the other Secured Parties under the Finance

Documents (including this Deed); nor (d) the trust established pursuant to this Deed and the other Finance Documents.

17.12 Constitutional Documents

Each Chargor hereby certifies that its creation by this Deed of security in favour of the Security Agent (as agent and trustee for and on behalf of itself and the other Secured Parties) does not contravene any of the provisions of its constitutional or organisational documents.

17.13 Assignment

- (a) No Chargor may assign, transfer, novate or otherwise dispose of, or declare any trust of, any of its rights and/or obligations under this Deed. This Deed shall be binding on the successors, transferees or assigns of each Chargor.
- (b) The Security Agent may at any time assign, transfer, novate, charge or otherwise dispose of all or any of its rights and benefits under this Deed to any person to whom it may assign, transfer, charge or otherwise dispose of all or any part of its rights and benefits under the Facility Agreement. The Security Agent may at any time resign or retire as Security Agent in accordance with the terms of the Facility Agreement (and the appointment of any successor or replacement shall be governed by the terms of the Facility Agreement).

17.14 Partial Invalidity

If, at any time, any provision of this Deed is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.

17.15 Remedies, waivers, amendments and consents

- (a) No failure on nor any delay in exercising, on the part of any Secured Party (including the Security Agent) or any Receiver, any right, remedy, power or discretion under this Deed (a "**Right**") shall operate as a waiver of any such Right or constitute an election to affirm this Deed. No single or partial exercise of any Right shall prevent any further or other exercise of any other Right. The Rights provided in this Deed are cumulative and not exclusive of any rights, remedies, powers or discretions provided by law.

- (b) Any provision of this Deed may be amended, supplemented or novated only if the Security Agent agrees in writing, in accordance with Clause 36 (*Amendments and Waivers*) of the Facility Agreement. Any waiver of, and any consent or approval by the Security Agent under, any provision of this Deed shall not be effective unless it is in writing, and may be given subject to any conditions thought fit by the Security Agent, may be withdrawn or modified at any time, and shall be effective only in the instance, and for the purpose, for which it is given.

17.16 Delivery

The signature or sealing of this Deed by or on behalf of a party shall constitute an authority to the solicitors, or an agent or employee of the solicitors, acting for that party in connection with this Deed, and, in the case of each Chargor, the Security Agent's solicitors to date it and to deliver it as a deed on behalf of that party.

17.17 Perpetuity

The perpetuity period applicable to the trusts constituted by this Deed shall (if relevant) be 125 years.

17.18 Notice to Chargor

This Deed constitutes notice in writing to each Chargor of any charge or assignment of a debt owed by the Chargors to any Obligor and contained in any other Security Document.

18 RELEASE AND RE-ASSIGNMENT

Upon the expiry of the Security Period (or earlier only in the Lenders' absolute discretion), and subject to Clauses 1.3 and 16.3, the Security Agent shall, at the request and cost of the Chargors, take whatever action is necessary to release and/or reassign (without recourse or warranty) the applicable Charged Assets from the security constituted by this Deed.

19.4 Electronic communication

(a) Any communication to be made between the parties to this Deed under or in connection with this Deed may be made by electronic mail or other electronic means

to the extent the parties agree that, unless and until notified to the contrary, this is to be an accepted form of communication and if the parties:

- (i) notify each other in writing of their electronic mail address and/or any other information required to enable the sending and receipt of information by that means; and
 - (ii) notify each other of any change to their address or any other such information supplied by them by not less than five Business Days' notice.

 - (i) delivered to or left at that address; or
 - (ii) delivered into the custody of the postal authorities as a prepaid first class letter; or
- (b) the notice was transmitted by facsimile to the fax number of such Chargor set out in the execution block below.

19.6 English language

Any notice or other document given under or in connection with this Deed must be in English.

20 COUNTERPARTS

This Deed may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this Deed.

21 GOVERNING LAW

This Deed (and any non-contractual obligations arising out of or in connection with it) are governed by, and shall be construed in accordance with, English law.

22 ENFORCEMENT

22.1 Jurisdiction

- (a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed (including a dispute regarding the existence, validity or termination of this Deed or any non-contractual obligations arising out of or in connection with it) (a "**Dispute**").
- (b) The parties to this Deed agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no party to this Deed will argue to the contrary.
- (c) This Clause 22.1 is for the benefit of the Security Agent and the Secured Parties only. As a result, no Secured Party (including the Security Agent) shall be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Security Agent (and the Secured Parties) may take concurrent proceedings in any number of jurisdictions.
- (d) Each Chargor hereby irrevocably and unconditionally:
 - (i) waives any objection to the jurisdiction of the English courts dealing with (and agrees not to raise or claim immunity from) any proceedings for such enforcement of this Deed (and shall ensure that no such claim is made on its behalf);
 - (ii) consents to the issue of any process, or the giving of any relief, in connection with those proceedings;

- (iii) waives all immunity from suit, attachment and/or execution, that it or its assets may now or in the future have; and
- (iv) expressly consents to and acknowledges the terms of this Clause 22.1.

23 THIRD PARTY RIGHTS

23.1 Nothing in this Deed is intended to confer on any person any right to enforce any provision of this Deed which that person would not have had but for the Contracts (Rights of Third Parties) Act 1999, save as set out in Clause 23.2 below.

23.2 Any Receiver appointed by the Security Agent, any Relevant Person (including, without limitation, any Secured Party) and any lawful delegate or sub-delegate of the Security Agent or Receiver may take the benefit of:

provided that:

- (i) until the Secured Liabilities have been discharged in full, no such person may exercise or otherwise enforce any such right without the prior written consent of the Security Agent; and
- (ii) notwithstanding such rights, this Deed may be restated, varied amended, supplemented, or substituted in any respect by the Security Agent and the Chargors whether to remove such rights in whole or in part or otherwise whatsoever or novated, or assigned, released or discharged by the Security Agent without, in any such case, notice to or consent from any such person.

IN WITNESS of which this document has been duly executed and delivered as a deed by each of the parties on the day and the year first stated above.
