### STRATEGIC REPORT FOR THE YEAR ENDED 31 MARCH 2021

---

The directors present their Strategic Report for Agilico Holdco Limited (formerly Tokyo Holdco Limited) (the "Company") for the year ended 31 March 2021.

#### Background and principal activities

The principal activity of the Company during the year was that of an intermediate holding company. The Company is part of a group of companies headed by Agilico Group Limited (formerly Tokyo Topco Limited) (hereafter referred to as the "Agilico Group" or the "Group"). The principal activity of the Group is the provision of workplace technology, including managed print services, information management and telecoms and IT services.

#### Business review and key performance indicators

Due to the Company being an intermediate holding company which does not trade in its own right, the directors believe that key performance indicators for the Company are not necessary or appropriate for an understanding of the development, performance or position of the business. The performance of the Group, of which this Company is part of, is discussed in the Agilico Group Limited consolidated Annual Report and financial statements, which does not form part of this Report.

#### Principal risks and uncertainties

The directors manage the Company's risks at the Group level.

The Company provides financing to the Group's operations. The Group adopts a prudent approach to liquidity risk management, maintaining sufficient cash and availability of funding through an adequate amount of committed credit facilities, so that the Group is able to meet all of its obligations as they fall due. The principal risks and uncertainties of the Group are discussed in the Agilico Group Limited consolidated Annual Report and financial statements.

This report was approved by the board and signed on its behalf.

**Results and dividends**

The loss for the year, after taxation, amounted to £219,993 (2020: £261,051).

The directors do not recommend a dividend for the financial year (2020: £Nil).

**Directors**

The directors who served during the year were:

S A Davey  
P Jan (appointed 1 July 2020)  
L A Kingston  
N A Deman (resigned 1 July 2020)

**Qualifying third party indemnity provisions**

Qualifying third party indemnity provision is in place for the benefit of all directors of the Company.

**Disclosure of information to auditor**

Each of the persons who are directors at the time when this Directors' Report is approved has confirmed that:

- so far as the director is aware, there is no relevant audit information of which the Company's auditor is unaware; and
- the director has taken all the steps that ought to have been taken as a director in order to be aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

**Auditor**

The auditor, Nexia Smith & Williamson, will be proposed for reappointment in accordance with section 485 of the Companies Act 2006.

This report was approved by the board and signed on its behalf.

**DIRECTORS' RESPONSIBILITIES STATEMENT  
FOR THE YEAR ENDED 31 MARCH 2021**

---

The directors are responsible for preparing the Strategic Report, the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies for the Company's financial statements and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF AGILICO HOLDCO LIMITED (FORMERLY  
TOKYO HOLDCO LIMITED)**

---

**Opinion**

We have audited the financial statements of Agilico Holdco Limited (formerly Tokyo Holdco Limited) (the 'Company') for the year ended 31 March 2021 which comprise the Statement of Comprehensive Income, the Balance Sheet, the Statement of Changes in Equity and the notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 March 2021 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

### Other information

The other information comprises the information included in the Annual Report and financial statements, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the Annual Report and financial statements. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the Directors' Report have been prepared in accordance with applicable legal requirements.

### Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report or the Directors' Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

### Responsibilities of directors

As explained more fully in the Directors' Responsibilities Statement set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF AGILICO HOLDCO LIMITED (FORMERLY TOKYO HOLDCO LIMITED) (CONTINUED)

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

In the context of the audit, we considered those laws and regulations which determine the form and content of the financial statements and which are central to the Company's ability to conduct its business and where failure to comply could result in material penalties. We have identified the following laws and regulations as being of significance in the context of the Company.

- Companies Act 2006 in respect of the preparation and presentation of the financial statements.
- FRS102 in respect of the preparation and presentation of the financial statements.

We performed the following specific procedures to gain evidence about compliance with the significant laws and regulations identified above:

- We enquired with the Company's management as to the existence of litigation and no material items were identified;
- We have enquired of legal correspondence throughout the year, and nothing has come to light in respect of non-compliance;
- We obtained written management representations regarding disclosure of any non-compliance with laws and regulations.

The senior statutory auditor led a discussion with all members of the engagement team regarding the susceptibility of the entity's financial statements to material misstatement, including how fraud might occur. We also considered performance targets and their influence on efforts made by management to meet external pressures in reporting the financial results or for personal interest of the directors.

Audit procedures performed by the engagement team on the areas where fraud might occur included:

- Evaluation of the design effectiveness of management's controls designed to prevent and detect irregularities;
- Testing journal entries, selected based on specific risk assessments applied based on client processes and controls surrounding manual journals.

The senior statutory auditor was satisfied that the engagement team collectively had the appropriate competence and capabilities to identify or recognise irregularities.

A further description of our responsibilities is available on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

**Use of our report**

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

### **NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021**

---

#### **1. General information**

Agilico Holdco Limited (formerly Tokyo Holdco Limited) is a private company, limited by shares, domiciled and incorporated in England and Wales (registered number: 11333771). The registered office address is C/O Harrison Clark Rickerbys, Ellenborough House, Wellington Street, Cheltenham, GL50 1YD.

The Company changed its name from Tokyo Holdco Limited to Agilico Holdco Limited on 9 April 2021 via a special resolution.

The Company's functional and presentational currency is GBP.

#### **2. Accounting policies**

##### **2.1 Basis of preparation of financial statements**

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the Company's accounting policies (see note 3).

The following principal accounting policies have been applied:

##### **2.2 Financial reporting standard 102 - reduced disclosure exemptions**

The Company has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by the FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland":

- the requirements of Section 7 Statement of Cash Flows; and
- the requirements of Section 3 Financial Statement Presentation paragraph 3.17(d).

This information is included in the consolidated financial statements of Agilico Topco Limited (formerly Tokyo Topco Limited) as at 31 March 2021 and these financial statements may be obtained from Companies House.

##### **2.3 Exemption from preparing consolidated financial statements**

The Company is a parent company that is also a subsidiary included in the consolidated financial statements of its immediate parent undertaking established under the law of an EEA state and is therefore exempt from the requirement to prepare consolidated financial statements under section 400 of the Companies Act 2006.

---

**AGILICO HOLDCO LIMITED (FORMERLY TOKYO HOLDCO LIMITED)**

---

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 MARCH 2021**

---

**2. Accounting policies (continued)**

**2.4 Going concern**

The Company is a subsidiary of and part of a group of companies headed by Agilico Group Limited (formerly Tokyo Topco Limited).

The Company meets its day to day working capital requirements through its own cash balances and from funding from the Group. The Company has received written confirmation from Agilico Group Limited that it will continue to provide financial support, for a period of at least twelve months from the date of signing these financial statements.

The Group's directors have assessed the impact of the principal risks and uncertainties brought about by the current economic environment, and have reviewed the Group's forecast cash flows, liquidity and borrowing facilities which were stress-tested for plausible downside scenarios as a result of the COVID-19 pandemic. These demonstrate that the Group has sufficient cash reserves and available headroom under its borrowing facilities to pay all debts as they fall due for a period of at least twelve months from the date of signing these financial statements.

As such the directors believe that the Company will have adequate resources to continue to operate for the foreseeable future. They therefore consider it appropriate to adopt the going concern basis of accounting in preparing these financial statements.

**2.5 Interest income**

Interest income is recognised in profit or loss using the effective interest method.

**2.6 Finance costs**

Finance costs are charged to profit or loss over the term of the debt using the effective interest method so that the amount charged is at a constant rate on the carrying amount. Issue costs are initially recognised as a reduction in the proceeds of the associated capital instrument.

**2.7 Valuation of investments**

Investments in subsidiaries are measured at cost less accumulated impairment.

---

**AGILICO HOLDCO LIMITED (FORMERLY TOKYO HOLDCO LIMITED)**

---

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 MARCH 2021**

---

**2. Accounting policies (continued)**

**2.8 Financial instruments**

Financial assets and financial liabilities are recognised in the Balance Sheet when the Company becomes a party to the contractual provisions of the instrument.

*Trade and other debtors and creditors are classified as basic financial instruments and measured at initial recognition at transaction price. Debtors and creditors are subsequently measured at amortised cost using the effective interest rate method. A provision is established when there is objective evidence that the Company will not be able to collect all amounts due.*

Cash and cash equivalents are classified as basic financial instruments and comprise cash in hand and at bank, short-term bank deposits with an original maturity of three months or less and bank overdrafts which are an integral part of the Company's cash management.

Financial liabilities and equity instruments issued by the Company are classified in accordance with the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument. An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments issued by the Company are recorded at the proceeds received, net of direct issue costs.

Financial assets and liabilities are offset and the net amount reported in the Balance Sheet when there is an enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

**2.9 Taxation**

Tax is recognised in profit or loss except that a charge attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the balance sheet date in the countries where the Company operates and generates income.

**3. Judgements in applying accounting policies and key sources of estimation uncertainty**

In the application of the Company's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

There are no judgements or key sources of estimation uncertainty that have had a significant effect on the financial statements.
