 - 4.3.8 to do all other acts and things which he may consider to be incidental or conducive to any of the above powers.

No waiver of any of the Chargee's rights shall preclude any further or other exercise of that right or of any other right.

5.4 The Chargee may give time or other indulgence or make any other arrangement, variation or release with any person in respect of the Indebtedness or any other security or guarantee for the Indebtedness without derogating from the Company's liabilities or the Chargee's rights under this Charge.

5.5 The Company certifies that the charges created by this Charge do not contravene any provision of its memorandum and articles of association or any agreement binding on it or any of the Charged Assets.

7.2 All the provisions of Clause 7.1 shall mutatis mutandis apply in relation to the liability of any Receiver in all respects as though every reference in Clause 7.1 to the Chargee were instead a reference to such Receiver.

8 AVOIDANCE OF PAYMENTS

No assurance, security or payment which may be avoided or adjusted under any applicable law, and no release, settlement or discharge given or made by the Chargee on the faith of any such assurance, security or payment, shall prejudice or affect the right of the Chargee to recover the Indebtedness in full from the Company (including any moneys which it may be compelled by due process of law to refund pursuant to the provisions of any law relating to liquidation, bankruptcy, insolvency or creditors' rights generally) and any costs payable by it pursuant to (or otherwise incurred in connection with such process) or to enforce the security created by or pursuant to this Charge or require the Chargee to release this Charge or any other security created by or pursuant to it.

9 AIRCRAFT REGISTERS

The Company agrees to maintain the registration of any aircraft owned by it on the United Kingdom Registration of Civil Aircraft and to take such steps, and pay such fees, as are from time to time required by the Chargee to register the security granted hereunder on any register required by the Chargee.

10 COSTS

All costs, charges and expenses incurred by the Chargee and all other moneys paid by the Chargee or the Receiver in perfecting or otherwise in connection with this Charge and all costs of the Chargee or the Receiver of all proceedings for

enforcement of this Charge shall be recoverable from the Company as a debt, shall bear interest at the same rate from time to time as the Indebtedness (as well before as after judgment) and shall be charged on the Charged Assets.

11 SEVERANCE

If at any time any provision in this Charge is or becomes invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions of this Charge shall not be impaired.
