#### Presentation currency

The accounts are presented in £ sterling.

#### Turnover

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes. Turnover from the sale of goods is recognised when goods have been delivered to customers such that risks and rewards of ownership have transferred to them. Turnover from the rendering of services is recognised by reference to the stage of completion of the contract. The stage of completion of a contract is measured by comparing the costs incurred for work performed to date to the total estimated contract costs.

Rental income is recognised in the period to which is relates.

#### Investment property

Investment property is included at market fair value. Gains are recognised in the income statement. Deferred taxation is provided on these gains at the rate expected to apply when the property is sold.

#### Deferred taxation

Deferred tax arises as a result of including items of income and expenditure in taxation computations in periods different from those in which they are included in the company's accounts. Deferred tax is provided in full on timing differences which result in an obligation to pay more (or less) tax at a future date, at the average tax rates that are expected to apply when the timing differences reverse, based on current tax rates and laws.

Deferred tax assets and liabilities are not discounted.

## SALAMADI PROPERTIES LIMITED NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 30 JUNE 2020

Coina	concern
GOING	concern

At 30 June 2020 the company had net liabilities of £2,102.

Included in creditors falling due within 1 year was an amount owing to a director of £53,951. This director has provided an undertaking to support the company. The director has agreed that the balance will not be repaid until the company has sufficient reserves to do so.

Included in creditors failing due after more than 1 year was a mortgage creditor of £52,433. Sufficient bank and financing facilities have been put in place in order to fund the company's working capital requirements.

Based on the above, the directors are satisfied that it is appropriate to prepare the financial statements on the going concern basis.
