## **INTRODUCTION**

This report provides a summary of the outcome of the Liquidation of Porthart Limited.

The Liquidation commenced in September 2020 with no anticipated assets but liabilities of £51,000.

## **ADMINISTRATION AND PLANNING**

The Liquidator is required to meet a considerable number of statutory and regulatory obligations. Whilst many of these tasks do not have a direct benefit in enhancing realisations for the insolvent estate, they assist in the efficient and compliant progressing of the administration of the case, which ensures that work is carried out to high professional standards.

### **Reporting**

The Liquidator has met his statutory and regulatory duties to report to creditors. In consideration of the need for transparency and engagement with creditors, care has been taken to ensure that reports and other communications with creditors have provided useful details of the strategies pursued and the outcomes anticipated.

### **Other administration tasks**

During the Liquidation a number of full case reviews have been carried out.

## **ENQUIRES AND INVESTIGATIONS**

During the Review Period, the Liquidator carried out an initial review of the Company's affairs in the period prior to appointment. This included seeking information and explanations from the director(s) (and senior employees) by means of questionnaires (and interviews); making enquiries of the Company's accountants; reviewing information received from creditors; and collecting and examining the Company's bank statements, accounts and other records.

The information acquired from this process enabled the Liquidator to meet his statutory duty to submit a confidential report on the conduct of the directors (past and present) to the Insolvency Service.

This work was also carried out with the objective of making an initial assessment of whether there were any matters that may lead to any recoveries for the benefit of creditors. This would typically include any potential claims which may be brought against parties either connected to or who have past dealings with the Company.

The Liquidator identified a number of transactions made prior to the insolvency of the Company. After further investigations were made, the Liquidator was unable to establish any benefit to the Company from these payments which total £47,340.

Prosperity Law were instructed in this regard to assist the Liquidator in pursuing claims against Mr Ihsan.

On 17 June 2021, Mr Ihsan declared himself bankrupt and as such, we have been advised that there is no prospect of recovery.

### ***Pre-Appointment transactions with connected parties***

There were no other transactions prior to insolvency to connected parties.

## **REALISATION OF ASSETS (AS STIPULATED IN APPENDIX II)**

There have been no asset realisations throughout the course of the liquidation.

### **Transactions with connected parties**

Since my appointment a sale to a connected party has not occurred.

## **CREDITORS**

Irrespective of whether sufficient realisations are achieved to pay a dividend to creditors, the Liquidator has had to carry out key tasks which are detailed in the list at Appendix III. The following sections explain the anticipated outcomes to creditors and any distributions paid.

### **Secured creditors**

The Company has not granted any charges over its assets and as such there are no secured creditors in the matter.

### **Preferential creditors**

#### ***Employee claims***

There are no preferential creditors in the matter.

### **Unsecured creditors**

Unsecured creditors were estimated to total £51,000. To date I have received claims totalling £1,000.

### **Dividend prospects**

It is not anticipated that a distribution will be made to any class of creditor.

## **FEES AND EXPENSES**

As per the resolution passed at the meeting of creditors, I am entitled to draw £3,500 plus VAT in respect of work carried out in connection with the preparation of the statement of affairs and this sum has been drawn as shown in the enclosed receipts and payments account. I can confirm DSI Business Recovery were paid £2,800 of this fee by the director.

### **The Liquidator's fees**

It is the firm's practice to ensure that work is conducted by the appropriate staff member at the appropriate level of experience. Junior members of staff deal with the day to day administration on cases and a manager and director then oversees the work undertaken. Where the issues are complex and litigious, the work will be closely supervised or undertaken by a senior manager or director.

The basis of the Liquidator's fees was approved by creditors on 10/09/2020 in accordance with the following resolution:

"THAT the basis of the Liquidator's fees be fixed by reference to the time properly given by the Liquidator and his staff in attending to matters as set out in the fees estimate, such time to be charged at the prevailing standard hourly charge out rates used by the firm at the time when the work is performed."

I can confirm that my post appointment time costs total £4,191 exceed the original estimate of £3,150. These costs were exceeded due to the increased investigation works in respect of antecedent transactions. Due to negligible assets realisations however, I have been unable to draw any amount against these costs.

Having regard for the costs that are likely to be incurred in bringing this Liquidation to a close, the Liquidator considers that the original fees & expenses estimates are unlikely to be exceeded.

#### **Disbursements**

The category 1 disbursements paid for since the date of appointment total £294. These represent the simple reimbursement of actual out of pocket payments made in relation to the assignment such as specific bond and advertising costs. These costs have been met by DSI Business Recovery.

There has been no category 2 disbursements paid throughout the course of the liquidation.

Information about this insolvency process may be found on the R3 website at <http://www.creditorinsolvencyguide.co.uk/>. A copy of 'A Creditors' Guide to Fees' together with the firm's charge-out rate and disbursement policy is attached at Appendix III.

#### **Other professional costs**

##### **Solicitors**

Prosperity Law were instructed in relation to pursuing the various claims against the director on a percentage of recoveries made basis. No recoveries were made and as such, no fees have been charged.

#### **CREDITORS' RIGHTS**

An unsecured creditor may, with the permission of the court or with the concurrence of 5% in value of the unsecured creditors (including the creditor in question) request further details of the Liquidator's remuneration and expenses, within 21 days of receipt of this report. Any secured creditor may request the same details in the same time limit.

An unsecured creditor may, with the permission of the court or with the concurrence of 10% in value of the creditors (including the creditor in question), apply to court to challenge the amount and/or basis of the Liquidator's fees and the amount of any proposed expenses or expenses already incurred, within 8 weeks of receipt of this report. Any secured creditor may make a similar application to court within the same time limit.

**EC REGULATIONS (WHETHER PROCEEDINGS ARE MAIN PROCEEDINGS OR TERRITORIAL)**

The Company's centre of main interest was in **103 Rother View Road, Rotherham, S60 2UR** and therefore it is considered that the EC Regulations will apply. These proceedings are main proceedings as defined in Article 3 of the EC Regulation.

**CONCLUSION**

As there is now no further routes of recovery, there is no outstanding matters. The affairs of the company have now been fully wound up.

If you require any further information, please contact this office.

Signed

Simon Weir
