1. Accounting policies

Significant accounting policies

Statement of compliance

These financial statements have been prepared in compliance with FRS 102 – The Financial Reporting Standard applicable in the UK and Republic of Ireland and the Companies Act 2006.

Basis of preparation

The financial statements have been prepared under the historical cost convention as modified by the revaluation of land and buildings and certain financial instruments measured at fair value in accordance with the accounting policies.

The financial statements are prepared in sterling which is the functional currency of the company.

Turnover

Turnover comprises the invoiced value of goods and services supplied by the company, net of Value Added Tax and trade discounts.

Taxation

Taxation represents the sum of tax currently payable and deferred tax. Tax is recognised in the statement of income, except to the extent that it relates to items recognised in other comprehensive income or directly in capital and reserves. The company's liability for current tax is calculated using the tax rates and laws that have been enacted or substantively enacted at the reporting date. Current and deferred tax assets and liabilities are not discounted

Tangible fixed assets

Tangible fixed assets, other than freehold land, are stated at cost or valuation less depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following basis:

2. Average number of employees
