## **1. Introduction**

The Joint Administrators were appointed on the Appointment Dates as detailed in the schedule above.

The Administrations are being conducted by both Quantuma and Duff & Phelps, working collaboratively to achieve the purpose of the Administrations. Quantuma are handling all tasks relating to the realisation of assets, including the trading of certain businesses which have all since ceased to operate due to the coronavirus pandemic and UK legislation, while Duff & Phelps are handling the investigations into the company's financial dealings, conduct and potential recoveries.

This Progress Report provides an update on the Administrations of the Companies. It should be read in conjunction with the Joint Administrators' Statement of Proposals.

The Joint Administrators have also explained their future strategy for the Administrations and how it may likely impact each class of creditor.

You will find other important information in this Progress Report such as the costs the Joint Administrators have incurred.

A glossary of the abbreviations and definitions used throughout this document is attached at Appendix 7.

Please also note that an important legal notice about this Progress Report to Creditors is attached at Appendix 8.

## **2. Progress of the Administrations**

This section provides an update on the Joint Administrators' strategy for the Administration and progress to date.

### **2.1 Strategy and progress to date**

To date, the Joint Administrators have progressed and continue to progress the following key matters:

- Securing all freehold/leasehold property and trading of certain hotels;
- Attending to ongoing and urgent issues in relation to specific properties;
- Monitoring the trading of certain hotels and facilitated the closure of all trading hotels;
- Successfully obtained a freezing injunction against Sean Murray for any assets he may hold up to £40m;
- Co-operated with the relevant Government agencies with ongoing investigations;
- Preparing and filing of reports with DBEIS based upon investigations undertaken;
- Investigations into the Companies financial affairs including the tracing of investor funds;
- Realised assets, including watercraft in foreign jurisdictions and investments in shareholdings;
- Facilitated the formation of creditors' committees for certain Group entities;
- Convened investor and committee meetings for certain Companies;

Further details are provided within this progress report.

There have been no amendments or deviations from the Proposals, a summary of which is provided at Appendix 2.

### **2.2 Asset realisations**

Summaries of the most significant realisations and an update of the progress of realisations during the Administration are provided below:

## 2.2.1 Freehold / Leasehold property

<b>Total</b>			<b>21,700,981</b>

In addition to the properties owned by the Companies, a further company, CPHL, which is now also in Administration, is the registered owner of a luxury residential property at Haig Avenue, Poole. The property is in the process of being sold by Receivers acting for the lender and it is not expected that there will be any surplus monies for the Administration.

As investors will be aware, monies were raised from individual investors for each of the abovementioned companies ("SPVs"), with the exception of Carlauren Resort 22 Ltd, to purchase and renovate buildings, which would then form a number of "care studios", over which investors were granted 125-year leases.

All of the investors appointed a management company, Accordiant Limited (formerly Care Home Freehold Ltd), which is also in Administration (addressed separately to this report), which was responsible for payment of returns to investors.

Each of the properties noted above were at various stages of completion, however none of them were operating as care homes or provided care facilities.

Eight properties were trading as hotels and the Joint Administrators continued trading those as hotels while an assessment was being undertaken on their ongoing viability, however each of those properties have now ceased to trade as they were required to close due to the ongoing COVID-19 pandemic and

accordingly were no longer viable. In the case of Dean Valley Manor however, it was unable to continue to trade due to the hotel being damaged caused by flooding in February 2020.

Each of the SPVs are in Administration and are insolvent, meaning they have no funds to renovate or complete the developments.

Each property has its own unique issues and problems to overcome prior to any sale and the value of each property has been assessed by the Joint Administrators' agents, SIA Group. These assessments were carried out prior to the COVID-19 pandemic which is likely to have a negative impact on individual property values.

All properties are as secure as possible, however some properties in particular impose a safety risk, or are incurring substantial property holding costs and these are being dealt with as a priority.

In addition, some of the SPVs have granted legal charges over the properties in favour of TCFL, who are owed approximately £3.7m subject to accruing interest in respect of monies loaned to Carlauren Resort 22 Ltd and Heritage Management Services Ltd.

The Joint Administrators are writing to the investors of each SPV outlining the issues unique to the property and are in the process of convening and holding virtual meetings with investors to discuss the issues relating to the relevant property together with proposals for its disposal. These meetings will also seek agreement from investors on decisions with regard to the strategy for each of the properties.

Unless exceptional circumstances arise in relation to a particular property (e.g. enforcement action is commenced by local authorities) the Joint Administrators do not intend to take steps to dispose of any property or leasehold interests in the same, pending the outcome of the meetings and further dialogue with the investors as outlined above.

The Joint Administrators have already written to investors of certain of the SPVs, however there is a significant list of SPVs and the Joint Administrators will be addressing each SPV and property in an order of priority. The Joint Administrators appreciate the patience of investors while each SPV is being addressed and those investors with queries may contact Quantuma in the interim.

The Joint Administrators may also discuss issues relating to the specific properties with Creditors' Committees regarding SPVs where Creditors' Committees have been formed. Creditors' committees are discussed in further detail at section 4.1.

Investors should note that none of the properties have yet been marketed for sale. The options for disposal of the SPV's interests in the properties will be addressed and discussed with the appointed creditors' committees (where applicable) and the investors bodies generally.

## **2.2.2 Trading**

As mentioned above and in the Joint Administrators' proposals, at the date of the Joint Administrators' Appointment there were eight properties operating as hotels. The Joint Administrators instructed AH to conduct a review into the profitability of the hotels and better understand the current systems in place to manage the day-to-day trade at each site.

Three of the eight hotels were closed shortly thereafter as it was apparent that they were significantly loss making. Subsequently, however all remaining hotels have also been closed as they have either been forced to close as a result of the COVID-19 lockdown or in one case, sustained significant damage due to flooding.

The trading of the properties was undertaken by Heritage Hotels Ltd. A summary of the receipts and payments of Heritage Hotels Ltd is attached at Appendix 3.

### 2.2.3 Debtors

As previously reported, the Companies have significant intra-group debtor/creditor positions. The Joint Administrators are continuing to investigate the intra-group debtor/creditor positions, including tracing and analysing the use of investor monies.

The recoverability of these intra-company balances may differ on a company by company basis and will be determined by the amount payable to non-preferential unsecured creditors by each company, and the overall review of the Group's use of funds. The Joint Administrators understand that funds raised from investors were channelled through CGL, rather than the specific entity that an investor had acquired a lease from, which has likely given rise to many of the intra-company positions.

The intra-company position is complex and the Joint Administrators are continuing to reconstruct the intra-company positions from banking records due to deficiencies in the Companies accounts.

A further update on the impact of these balances will be provided in the Joint Administrators' next report to creditors.

### 2.2.5 Realisation of Carlauren Travel's assets

#### Boat – "Ademo"

Carlauren Travel owned the boat the Ademo which was a luxury motor cruiser located in Mallorca. Prior to the appointment of the Joint Administrators, Ademo had been secured by port authorities under a Spanish warrant for non-payment of port fees of approximately €55,000.

The Joint Administrators instructed agents, SIA, to market and sell the boat. It was agreed that the boat would remain in situ in Mallorca during the marketing and sale process but an undertaking had to be given that the warrant fees would be discharged from the sale proceeds in order for the port to release the boat.

A number of tentative offers were received that were in the region of c€400k but there was one offer of €700,000 which was taken forward. Unfortunately following the internal inspection of the boat and confirmation that the boat was not actually licensed as a charter boat, the offer was later rescinded.

Following the Covid-19 pandemic, interest in the boat fell away and accordingly the value was diminishing.

However, there were other interested parties in the boat and following negotiations, SIA advised that a best and final offer of €455,000 had been received. On the basis of continuing port costs, the pandemic and general market conditions SIA advised that the offer should be accepted.

Crowell and Moring solicitors were instructed to deal with the sale agreement which provided for staged payments. Unfortunately there was concern from the purchaser regarding the boat as no warranties were being given by the Joint Administrators, as is the usual practice.

The deferred payments were:

1. €125k to be paid upon completion
2. €110k to be paid when the boat was removed from the British registry
3. €110k when the boat is loaded on the transport boat for shipping to the purchaser
4. a final payment of €110k on 1st September 2020.

The Joint Administrators' solicitors have confirmed that the first 2 instalments have been received into their client account and that the payment of €55,962.24 has been paid in respect of the port fees.

There is also a claim over the sale proceeds of the boat by Bookajet. Further details of which are noted below.

## Aircraft M-URRY, Hawker XS800 Jet

The aircraft had been secured following the appointment of the Joint Administrators and was awaiting sale. SIA were instructed to market and sell the aircraft.

The aircraft was the subject of a lien for non-payment of contractual fees to a third party for the sum of £275k which is currently being reviewed by the Joint Administrators' solicitors as the Joint Administrators have been advised that the figure stated is incorrect.

Carlauren Travel is party to a cross undertaking with Bookajet in relation to the lien which will allow the aircraft to be sold but any monies coming into the company, including but not limited to the sale proceeds of the boat, should be used to discharge the lien.

Following an inspection of the aircraft with SIA and further checks, it transpired that the aircraft needs a substantial update of its navigation systems and that the insurance on the engines was permitted to lapse prior to the appointment of the Joint Administrators, the result of which being that the likely sale value was considerably depressed.

Two offers were received for the aircraft and the offer for \$420,000 with a \$20,000 non-refundable commitment fee was taken forward.

SIA advised that with the aircraft in its current state, having not been flown for a year and being nearly 25 years old, that this is the best price achievable. There had been a number of interested parties in the aircraft but the next highest offer was \$325k with most offers ranging between \$100k and \$275k (break up for spares value). Furthermore, approximately \$500k would need to be spent on the aircraft by anyone purchasing it to bring it back to airworthiness and ADSB compliance. SIA recommended that the Joint Administrator should accept this offer.

Solicitors for the Joint Administrators were instructed to deal with the sale agreement but unfortunately when the Covid-19 pandemic took hold and the borders were closed, the purchaser rescinded their offer. With the aircraft being destined for Nigeria there was no clear way to transport the aircraft or a timescale for when the closed borders would be reopened. The aircraft remains actively marketed by SIA.

Asset Ingenuity Limited, part of the SIA Group, advanced an amount of £200,000 to Carlauren Travel, which was then loaned to Heritage Hotels immediately after the appointment of the Joint Administrators, for the purpose of funding trading costs and payment of wages. The lending from Asset Ingenuity Limited is secured by way of a fixed and floating charge over the aircraft and other assets owned by Carlauren Travel.

It is and remains the intention that Asset Ingenuity Limited will be repaid their lending from the sale proceeds of the aircraft once sold.

## Motor Vehicles

It is understood that Carlauren Travel previously held a fleet of luxury motor vehicles. On the Joint Administrators' appointment, one vehicle, remains with a former member of staff and SIA have been instructed to collect and sell the vehicle, unfortunately due to the pandemic collection has not yet been possible. SIA are continuing to liaise with them to arrange collection or delivery.

Investigations into the other vehicles are ongoing and a further update will be included in the next report.

The above assets are owned by Carlauren Travel Ltd and in the event that there are surplus monies after the costs and expenses of the Administration any surplus monies would be distributed to by way of a dividend to the non-preferential unsecured creditors of Carlauren Travel Ltd, which may include loans from Carlauren Group by way of an intercompany loan.

As discussed earlier in this report, the intercompany loan position is complex and the Joint Administrators are continuing investigations these positions, which will need to be concluded before any funds can be distributed to creditors from Carlauren Travel.

A further update will be provided in the Joint Administrators' next progress report.

A separate progress report was issued for Carlauren Travel on 12 June 2020 and filed with the Registrar of Companies, however the content is substantively the same as this report.

#### **2.2.6 Other assets**

##### **Cryptocurrency and software**

The Group also purportedly invested monies into intellectual property, including the development of software and a crypto-currency platform.

The Joint Administrators' preliminary investigations suggest there is limited value in such assets, however the Joint Administrators' investigations into the potential value of such assets are yet to be concluded.

##### **Shareholdings in Jets (Bournemouth) Limited**

Jets (Bournemouth) Ltd was a wholly owned subsidiary of Casarian Holdings, the shares having been purchased for the sum of £100,000 by Casarian Holdings Limited on 5 October 2018. Sean Murray was also appointed to the Board of Directors.

Jets (Bournemouth) Ltd is a trading company located at Bournemouth Airport, which is the Airport the Hawker XS800 jet owned by Carlauren Travel was based.

Jets (Bournemouth) Ltd was approved with the European Aviation Safety Agency (EASA), which is a company certification to the European Commission Regulation standards of design, production, maintenance and operation of aircraft components. It is understood that in the event of insolvency this approval would be lost, and with it any value.

The Joint Administrators reviewed the financial position of Jets (Bournemouth) Ltd with a view to ascertaining the value of the shareholdings owned by Casarian Holdings.

Protracted sale negotiations were held with an interested party and a sale price of the shareholding of £185,000 was agreed. The sale proceeded on the basis that there were no warranties provided from the Joint Administrators of Casarian Holdings Limited, that the purchaser was responsible for all liabilities and that the deal was to be completed in January 2020.

No other offers were received for the purchase of the shareholdings following an accelerated marketing process being undertaken.

#### **2.2.7 Investigations**

The Joint Administrators' investigations into the Companies' affairs are currently ongoing. The Joint Administrators cannot at this stage detail the nature of these investigations as it may hamper any further action that may be required, however can disclose that they are dealing with the relevant Government agencies in relation to the ongoing investigations.

The Joint Administrators have a statutory obligation to file a report with DBEIS concerning the conduct of all directors of the Companies that served in the three years prior to the Joint Administrators appointment. The Joint Administrators have filed their confidential reports with DBEIS regarding the conduct of the Directors of the Companies. The content of this report is confidential and has been submitted to the Insolvency Practitioners Compliance Unit.

The Joint Administrators can disclose that as a result of the investigations undertaken to date, the Joint Administrators were able to obtain a freezing injunction up to the value of £40m which has the effect of preventing Sean Murray disclosing of, dealing with or otherwise dissipating any personal assets.

Creditors should note that notwithstanding the freezing injunction obtained, it does not infer that personal assets to the value of the freezing order have been identified.

Subsequent to the freezing order being made on 29 April 2020, Sean Murray submitted a Bankruptcy Application and a Bankruptcy Order was made ordering that Sean Murray be declared bankrupt and the Official Receiver was appointed Trustee in Bankruptcy.

On 7 May 2020, Philip Duffy from Duff & Phelps Ltd., Maxine Reid-Roberts from Quantuma LLP and Louise Brittain of Wilkins Kennedy were appointed Joint Trustees in Bankruptcy by the Secretary of State.

The Joint Trustees will conduct their investigations into the personal financial affairs of Sean Murray.

Any claims that any of the Companies may have against Sean Murray will be subject to review of the Joint Trustees and will rank as unsecured claims, with any other creditors of the bankruptcy estate. Any dividend will be dependent on the outcome of the Joint Trustees' investigations and the realisation of any assets identified.

The Joint Administrators will keep the creditors informed of any significant developments, as pursuing such claims can be timely and expensive, with no guarantee of enhancing the overall return to creditors.

However, at this stage it is not possible to provide further detail in this report due to the ongoing nature of the investigations and to avoid prejudicing any possible actions by making public comment.

If any creditor has any information concerning the companies' affairs that they would like to bring to the Joint Administrators' attention, please do so by writing to [carlauren@duffandphelps.com](mailto:carlauren@duffandphelps.com) or Duff & Phelps Ltd, The Shard, 32 London Bridge Street, London, SE1 9SG. This information would be gratefully received.

### **3. Outcome for Creditors**

#### **3.1 Secured Creditors**

##### TCFL / LMC

As previously advised, Hurst Manor, Care Home Freehold 2 and Carlauren Resort 22 granted fixed and floating charge security over their assets in favour of TCFL on 21 December 2016, 30 November 2018 and 21 February 2019 respectively, and subsequently registered with the Registrar of Companies on 11 December 2018 and 27 February 2019 respectively.

The following companies also granted fixed charges over properties in favour of TCFL:

- CHF 2 Ltd
- CHF 6 Ltd
- Heritage Hotels Limited
- Care Home Freehold 2 Limited
- Hurst Manor Ltd (Formerly CHF 1 Limited)
- CHF 4 Ltd
- CHF 9 Ltd
- CHF 14 Ltd

It is understood that these fixed charges were granted in favour of TCFL to provide further security in relation to TCFL's lending.

Since the date of the Joint Administrators' proposals, and as mentioned earlier in this report, the Joint Administrators have also been appointed Joint Administrators of CPHL, which is the registered owner of the residential property situated at Haig Avenue, Poole. At the date of the Joint Administrators' appointment it is understood that TCFL were owed c.£2.5m from CPHL, secured by way of a legal mortgage over the property. TCFL have since appointed LPA receivers to market and sell the property. It is not yet certain, but expected that the net sale proceeds will repay, or substantially repay CPHL's indebtedness to TCFL.

The Joint Administrators note that the property owned by Carlauren Resort 22, which is subject to TCFL's security is a residential property located at Western Avenue, Poole, and therefore there were no leases sold to investors.

The property subject to TCFL's security for Heritage Hotels, being Langdon Court Hotel, is only subject to six leaseholds.

The Joint Administrators have sought clarification and requested further information from TCFL with respect to all of the above charges. As is standard practice, the Joint Administrators and their solicitors will review the validity of the charges. The Joint Administrators are in ongoing discussions with TCFL with regard to the redemption of the loans on the sale of the Langdon Court and Western Avenue properties and the impact of any shortfall on the other properties encumbered with charges in favour of TCFL.

Once the TCFL position is ascertained, the Joint Administrators will communicate separately with those investors in the SPVs which TCFL have registered charges.

### **3.2 Preferential Creditors**

Claims from preferential creditors received to date total £125,723.53 and comprises of claims made by former employees through the Redundancy Payment Service and claims received by former employees directly for outstanding employee entitlements. All employees of the Group were employed by Heritage Hotels, with the exception of one employee that was employed by Carlauren Technology.

At this stage it is not possible to estimate the quantum of dividends to preferential creditors as it is dependent on the level of asset realisations and the costs of the Administrations which are currently uncertain.

### **3.3 Unsecured Creditors**

As previously reported, based upon the current information available, it is anticipated that there will be sufficient realisations to enable distributions to the non-preferential unsecured creditors of certain entities. At this stage it is not possible to estimate the quantum of dividends as it is dependent on the level of asset realisations and the costs of the Administrations which are currently uncertain. In the case of the Companies that own freehold properties, the outcome is also dependent on the review of the hierarchy of ownership and security interests in the properties.

There are potentially a number of different classes of unsecured creditors that may exist in the Administrations which will require consideration prior to distribution of funds. These are:

- Registered leaseholders with direct interest in properties;
- Unregistered leaseholders with direct interest in properties (where the lease has not been registered with the Land Registry);
- Leaseholders with unregistered agreements for lease;
- Non-preferential, unsecured creditors (e.g. trade creditors and HMRC liabilities);

These classes of creditors may have differing statutory and equitable priorities due to the differing legislative requirements. It is not yet clear on the priorities applicable to these classes of creditors, however in the event that a dividend to non-preferred unsecured creditor is likely, directions may need to be sought by the Court to resolve these conflicting priorities.

Creditors of the Companies should submit their claims via the Creditors' Portal as detailed in the initial letter to creditors from the Quantuma. Instruction on how and when to use the Creditors' Portal are also contained within the letter.

### **3.4 Prescribed part**

The prescribed part is calculated as a percentage of net property, as follows:

Net property less than £10,000:	50% unless the Joint Administrator considers that the costs of making a distribution to the non-Preferential Unsecured Creditors would be disproportionate to the benefits
Net property greater than £10,000:	50% up to £10,000 plus 20% thereafter to a maximum of £600,000.

The prescribed part provisions will only apply to the companies with fixed and floating charges.

As noted earlier in this report, of the Companies only Care Home Freehold 2, Hurst Manor and Carlauren Resort 22 have granted fixed and floating charges. TCFL's position is presently uncertain, however, based on the information presently known, TCFL, may be repaid in full from the proceeds of sale of certain assets subject to their fixed charge security, being Langdon Court and Western Avenue. Until those properties are sold, any shortfall to TCFL is uncertain and therefore the application of the prescribed part provisions is also uncertain.

The Joint Administrators are able to apply to the Court for an order under Section 176A(5) of the Act to disapply the Prescribed Part where they consider that the costs of making such a distribution to non-preferential unsecured creditors would be disproportionate to the benefits. The Joint Administrators do not intend to make an application on this basis at this point.

## **4. Other matters**

### **4.1 Creditors' Committee**

Creditors' Committees have been established for the following companies:

- CHF 2 Ltd
- CHF 6 Ltd
- CHF 7 Ltd
- CHF 8 Ltd
- CHF 14 Ltd
- CHF 15 Ltd
- CHF 16 Ltd

Details of the committee members with their contact details have been filed with Companies House. A copy of the document is accessible by searching the Companies House register, alternatively it may be provided upon request to Duff & Phelps by emailing [carlauren@duffandphelps.com](mailto:carlauren@duffandphelps.com).

Any creditors wishing to form further committees for companies other than those listed above should note that in accordance with Rule 17.3 of the Insolvency (England and Wales) Rules 2016 ("the Rules"), a committee must have at least three but no more than five elected members.

It is not essential that a creditors' committee is formed for each of the Companies and the rights and interests of investors are not affected by the formation of a committee or otherwise. Details about the role and function of a creditors' committee can be found at:

<https://www.duffandphelps.co.uk/-/media/assets/pdfs-international/uk/creditors-guide/a-guide-for-creditors-march-2017>

#### **4.2 Joint Administrators' Receipts and Payments accounts**

A detailed receipts and payments accounts to the end of the Reporting Period are shown in Appendix 3

Quantuma are maintaining all Administration bank accounts for the respective appointments and as such, there are no Receipts and Payments' Accounts from Duff & Phelps. Creditors should note that only the companies that have received monies or made payments since the Appointment Dates have a Receipts and Payments' account provided. If a Receipts and Payments' account does not appear in relation to a company for the Reporting Period, there have been no receipts or payments during the Administration to the end of the Reporting Period.

#### **4.3 Creditors' rights**

Further information regarding the remuneration and disbursements of the Joint Administrators, including Creditors' rights to challenge such costs is provided at Appendix 6, Statement of Creditors Rights.

### **5. Joint Administrators' fees and expenses and pre-Administration costs**

#### **5.1 Fees and expenses**

##### **5.1.1 Time costs**

Upon a review of our hourly rates, inflation and industry averages, Duff & Phelps Ltd's hourly charge out rates have been revised to reflect market rates. Rate changes apply to all appointments held by employees of Duff & Phelps with effect from 1 February 2020.

Time has been charged in six-minute units. Details of the time charged for the reporting period are attached at Appendix 4.

These costs are within the estimate provided in the Joint Administrators' Statement of Proposals.

In accordance with SIP 9, the Joint Administrators have provided further narrative detail of the time costs incurred at Appendix 5.

##### **5.1.2 Fees**

No fees have been drawn in the Reporting Periods.

##### **5.1.3 Expenses and disbursements**

Details of the Joint Administrators' expenses and disbursements charged for the reporting period are attached at Appendix 4.

#### **5.1.5 Additional information**

Also attached at Appendix 5 is a narrative summary of the work carried out to assist Creditors in understanding the progress of the Administration, the associated costs and expenses of the related activities and the financial benefit to Creditors.

Details of how to obtain further information relating to the fees and disbursements of the Joint Administrators is set out in Appendix 6.

#### **5.2 Pre-Administration costs**

Pre-Administration costs are fees, charges and expenses incurred by the Joint Administrators or their firm, or another person qualified to act as an insolvency practitioner, before the Company entered Administration but with a view to it doing so.

Details of the Pre-Administration costs were reported in the Joint Administrators' Proposals.

### **6. Future strategy**

#### **6.1 Future conduct of the Administration**

The Joint Administrators will continue to manage the affairs, the business and the property of the Company in order to achieve the purpose of the Administration. This will include but not be limited to:

- Realising the Companies' assets, notably including dealing with the complex matters relating to the properties, the charges on them and the investor leasehold interests (please refer to Section 2.2 of this report);
- Continuing investigations into the Group's use of investor funds and possible recovery actions that may be possible.
- Paying -dividends to Preferential and Unsecured Creditors where possible;
- Dealing with other statutory matters and duties including accounting for VAT and completing corporation tax returns.

#### **6.2 Extension of the Administration**

An Administration automatically comes to an end after one year, unless an extension is granted by the Court or with the Creditors' consent. It is likely that at least certain of the Administrations will not have had all matters completed by the anniversary and therefore, unless there are sufficient assets to allow a move into Creditors' Voluntary Liquidation to pay dividends to creditors, it is likely that creditors' consent will be sought to extend the Administrations.

#### **6.3 Future reporting**

The Joint Administrators will provide a further progress report within one month of 27 November 2020 or earlier if the Administration has been completed prior to that time.

If you require further information or assistance, please do not hesitate to contact the Joint Administrators, depending on the nature of the query as follows:

For queries relating to assets, creditors, ongoing trade or employee claims please contact Quantuma by telephone +44 (0) 23 8033 6464 or by email [carlauren@quantuma.com](mailto:carlauren@quantuma.com).

For queries relating to investigations or this report generally, please contact Duff & Phelps by telephone +44 (0) 20 7089 4700 or by email [carlauren@duffandphelp.com](mailto:carlauren@duffandphelp.com).

**Philip Duffy**  
Joint Administrator

**Carl Jackson**  
Joint Administrator

The affairs, business and property of the Companies are being managed by the Joint Administrators, Philip Duffy of Duff & Phelps Ltd and Carl Jackson of Quantuma LLP, who act as agents for the Companies. UK Licensed Insolvency Practitioners acting as office holders act without personal liability, are bound by the Insolvency Code of Ethics. Philip Duffy is licensed by the Insolvency Practitioners Association. Carl Jackson is licensed by the ICEAW. A full list of insolvency appointments in the Carlauren Group is available on request.
