- (a) by way of first legal mortgage, each Property; and

 - (i) all Property not effectively mortgaged under sub-clause 3.1(a);
 - (ii) all fixed and permanent Plant and Machinery;
 - (iii) all Units;
 - (iv) all Plant and Machinery not effectively charged under sub-clause 3.1(b)(ii);

3.2 ***Security assignment***

As security for the payment of the Secured Liabilities, the Chargor assigns, by way of security, with full title guarantee to the Lender all its rights, title and interest in:

- (b) all Rental Income;
- (c) any Lease Document;
- (d) any Additional Assigned Agreements; and
- (e) all Related Rights in respect of each of the above.

3.3 ***Non-Charged Agreements***

- (a) For each Non-Charged Agreement, to the extent that the same is not effectively assigned pursuant to sub-clause 3.2 (*Security assignment*), the Chargor shall use its reasonable endeavours to obtain the consent to charge, or a waiver of the prohibition on charging (as the case may be), that Non-Charged Agreement, as soon as reasonably practicable upon the request of the Lender following a Default and shall keep the Lender informed of the progress of such matters.
- (b) Pending receipt of the consent or waiver described in sub-clause 3.3(a), the Chargor shall hold all of its right, benefit and interest in a Non-Charged Agreement on trust for the Lender.

- (b) Paragraph 14 of Schedule B1 to the Insolvency Act 1986 shall apply to the floating charge created by this Deed.

3.5 ***Conversion of floating charge by notice***

- (a) an Event of Default has occurred and is continuing; or

- (b) the Lender is of the view (acting reasonably) that any legal process or execution is being enforced against any Floating Charge Asset or that any Floating Charge Asset is in danger of being seized, sold or otherwise in jeopardy,

the Lender may, by notice to the Chargor, convert the floating charge created under this Deed into a fixed charge as regards those assets which it specifies in that notice. The Chargor shall promptly following request by the Lender execute a fixed charge or legal or equitable assignment over those assets in such form as the Lender may require.

3.6 Automatic conversion of floating charge

If, without the prior written consent of the Lender:

- (b) any person levies or attempts to levy any distress, attachment, execution or other legal process against any of the Security Assets;

then the floating charge created by this Deed over the Floating Charge Assets of the Chargor will automatically, without notice, be converted into a fixed charge as soon as such event occurs.

3.7 Small company moratorium

Notwithstanding any other provision of this Deed, the obtaining of a moratorium under section 1A of the Insolvency Act 1986, or anything done with a view to obtaining such a moratorium (including any preliminary decision or investigation), shall not be an event causing any floating charge created by this Deed to crystallise or causing restrictions which would not otherwise apply to be imposed on the disposal of any asset by the Chargor or a ground for the appointment of a Receiver.

4. Nature of Security

4.1 Continuing security

- (a) The Security created by this Deed is to be a continuing security notwithstanding any intermediate payment or settlement of all or any part of the Secured Liabilities or any other matter or thing.
- (b) If any purported obligation or liability of any Transaction Obligor to the Secured Parties which if valid would have been the subject of any obligation or charge created by this Deed is or becomes unenforceable, invalid or illegal on any ground whatsoever whether or not known to any Secured Party, the Chargor shall nevertheless be liable in respect of that purported obligation or liability as if the same were fully valid and enforceable and the Chargor was the principal debtor in respect thereof. The Chargor agrees to keep the Secured Parties fully indemnified against all damages, losses, costs and expenses arising from any failure of any Transaction Obligor to carry out any such purported obligation or liability.
- (c) The obligations and liabilities of the Chargor under this Deed will not be affected by any act, omission, matter or thing which, but for this sub-clause, would reduce,

release or prejudice any of its obligations or liabilities under this Deed (without limitation and whether or not known to any Secured Party) including:

- (i) any time, waiver or consent granted to, or composition with, any Transaction Obligor or other person;
 - (ii) the release of any Transaction Obligor or any other person under the terms of any composition or arrangement with any creditor of any person;
 - (iii) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over any assets of any Transaction Obligor or any other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any Security;
 - (iv) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of any Transaction Obligor or any other person;
 - (v) any amendment (however fundamental) or replacement of any Finance Document or any other document or Security;
 - (vi) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or Security; or
 - (vii) any insolvency or similar proceedings.
- (d) Until the Security Period has ended and unless the Lender otherwise directs, the Chargor will not exercise any rights which it may have by reason of performance by it of its obligations under this Deed:
- (i) to be indemnified by any other Transaction Obligor (including any rights it may have by way of subrogation);
 - (ii) to claim any contribution from any guarantor of any other Transaction Obligor of the obligations under the Finance Documents;
 - (iii) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any right of the Lender or any of the other Secured Parties under any Finance Document or of any other guarantee or Security taken pursuant to, or in connection with, the Finance Documents;
 - (iv) to claim, rank, prove or vote as a creditor of any other Transaction Obligor or its estate in competition with the Lender or any of the other Secured Parties; and/or
 - (v) receive, claim or have the benefit of any payment, distribution or security from or on account of any other Transaction Obligor, or exercise any right of set-off against any other Transaction Obligor.
- (e) The Chargor shall hold on trust for and immediately pay or transfer to the Lender any payment or distribution or benefit of Security received by it contrary to this sub-clause.
- (f) The Chargor waives any right it may have of first requiring the Lender to proceed against or enforce any other rights or Security or claim payment from any person before claiming from a Transaction Obligor under a Finance Document. This waiver applies irrespective of any law or any provision of the Finance Document to the contrary.

- (g) Until the Security Period has ended, the Lender may refrain from applying or enforcing any other monies, Security or rights held or received by the Lender in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and the Chargor shall not be entitled to the benefit of the same.
- (h) Without prejudice to the generality of sub-clause 4.1(c), the Chargor expressly confirms that it intends that the Security constituted by this Deed shall extend from time to time to any (however fundamental) variation, increase, extension or addition of or to the Secured Liabilities as a result of the amendment and/or restatement of the Facility Agreement and/or any of the other Finance Documents and/or any additional facility or amount which is made available under any of the Finance Documents for the purposes of or in connection with any of the following: business acquisitions of any nature; increasing working capital; enabling investor distributions to be made; carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrowers; any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and any fees, costs and/or expenses associated with any of the foregoing.

4.2 ***Non-merger of Security***

The Security created by this Deed is to be in addition to and shall neither be merged with nor in any way exclude or prejudice or be affected by any other Security or other right which the Lender may now or after the date of this Deed hold for any of the Secured Liabilities, and this Deed may be enforced against the Chargor without first having recourse to any other rights of the Lender.

5. **Further assurances and protection of priority**

5.1 ***General***

- (a) The Chargor shall, at its own expense, promptly do all such acts or execute all such documents (including Supplemental Debentures, assignments, transfers, mortgages, charges, notices and instructions) as the Lender may reasonably specify (and in such form as the Lender may reasonably require in favour of the Lender or its nominee(s)):
