**1 Statutory information**

Datamake Ltd is a private company, limited by shares, registered in England and Wales, registration number 11576491. The registered office is 71-75 Shelton Street, London, WC2H 9JQ, United Kingdom.

**2 Compliance with accounting standards**

The accounts have been prepared in accordance with the provisions of FRS 102 Section 1A Small Entities. There were no material departures from that standard.

**3 Accounting policies**

The principal accounting policies adopted in the preparation of the financial statements are set out below and have remained unchanged from the previous year, and also have been consistently applied within the same accounts.

***Revenue***

Revenue, described as turnover, is the value of goods (net of VAT) provided to customers during the year, plus the value of work (net of VAT) performed during the year with respect to services.

Revenue is recognised on the sale of goods when the goods are delivered and title has passed. Revenue is recognised on the provision of services on a percentage degree of completion basis calculated by reference to the time expended compared to the total anticipated time.

***Tangible fixed assets and depreciation***

Tangible assets are included at cost less depreciation and impairment. Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives:

Plant & machinery	three years straight line
-------------------	---------------------------

***Foreign exchange***

Transactions denominated in foreign currencies are initially recorded at the rate of exchange as at the date of the transaction. Year end assets and liabilities are retranslated at the rate of exchange as at the year end with exchange differences included in arriving at profit before tax.
