- (a) Unless a contrary indication appears in this Deed to:
  - (i) the provisions of clause 1.2 to 1.6 (inclusive) of each Loan Note Instrument apply to this Deed as though they were set out in full in this Deed, except that references to **"this Instrument"** will be construed as references to this Deed; and
- (b) Unless a contrary indication appears, any reference in this Deed to:
  - (i) a **"Chargor"**, the **"Company"**, the **"Security Trustee"** or any other **"Secured Party"** or any other person shall be construed so as to include its successors in title, permitted assigns and permitted transferees and, in the case of the Security Trustee, any person for the time being appointed as Security Trustee or Security Trustees in accordance with the Security Trust Deed;
  - (ii) **"this Deed"**, each **"Loan Note Instrument"**, any other **"Loan Note Document"** or any other agreement or instrument is a reference to this Deed, that Loan Note Instrument, that other Loan Note Document or that other agreement or instrument as amended, supplemented, extended, restated, novated and/or replaced in any manner from time to time (however fundamentally and even if any of the same increases the obligations of any member of the Group or provides for further advances);
  - (iii) **"Secured Obligations"** includes obligations and liabilities which would be treated as such but for the liquidation, administration or dissolution of or similar event affecting any member of the Group;
- (c) Each undertaking of any Chargor (other than a payment obligation) contained in this Deed:
  - (i) must be complied with at all times during the Security Period; and
  - (ii) is given by such Chargor for the benefit of the Security Trustee and each other Secured Party.
- (d) The terms of the other Loan Note Documents and of any side letters between any of the parties to them in relation to any Loan Note Document are incorporated in this Deed to the extent required to ensure that any disposition of the Real Property contained in this Deed is a valid disposition in accordance with section 2(1) of the Law of Property (Miscellaneous Provisions) Act 1989.
- (e) If the Security Trustee reasonably considers that an amount paid by any Chargor to a Secured Party under a Loan Note Document is capable of being avoided or otherwise set aside on the liquidation or administration of such Chargor, then that amount shall not be considered to have been irrevocably paid for the purposes of this Deed.
- (f) Where any Charged Securities are or may be held in CREST, reference to such Charged Securities shall, where the context permits, also include reference to:
  - (i) all rights of any kind which a Chargor may now have or acquire in future as against CREST in respect of any Charged Securities, including (but without

limitation) any rights which a Chargor may have (A) under any agreement with CREST or Euroclear UK & Ireland Limited and/or (B) to require delivery by CREST of any Charged Securities to, or to the order of, a Chargor; and

- (g) The liabilities and obligations of each Chargor under this Deed shall be joint and several. Each Chargor agrees to be bound by this Deed notwithstanding that any other Chargor which was intended to sign or be bound by this Deed did not so sign or is not bound by this Deed.
- (h) The Parties intend that this document shall take effect as a deed notwithstanding the fact that a Party may only execute this document under hand.
- (i) The rights and obligations of a Secured Party and any Chargor are subject to the provisions of the Subordination Deed as if the same were incorporated in this instrument. If there is any conflict or inconsistency between any provision of this Deed and any provision of the Subordination Deed, the provision of the Subordination Deed shall prevail.
- (j) All Security and dispositions made or created, and all obligations and undertakings contained, in this Deed to, in favour of or for the benefit of the Security Trustee are made, created and entered into in favour of the Security Trustee as trustee for the Secured Parties from time to time on the terms of the Security Trust Deed.

- (c) agrees with each Secured Party that if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal, it will, as an independent and primary obligation, indemnify that Secured Party immediately on demand against any costs, loss or

liability it incurs as a result of a Chargor not paying any amount which would, but for such unenforceability, invalidity or illegality, have been payable by it under any Loan Note Document on the date when it would have been due. The amount payable by a Chargor under this indemnity will not exceed the amount it would have had to pay under this Deed if the amount claimed had been recoverable on the basis of a guarantee.

### **3.2 Default interest**

- (a) Any amount which is not paid under this Deed when due shall bear interest (both before and after judgment and payable on demand) from the due date until the date on which such amount is unconditionally and irrevocably paid and discharged in full on a daily basis at the rate and in the manner agreed in the Loan Note Document under which such amount is payable and, in the absence of such agreement, at the Default Rate from time to time.
- (b) Default interest will accrue from day to day on a year of 365 days and will be compounded at such intervals as the Security Trustee states are appropriate.

## **4. GRANT OF SECURITY**

  - (ii) the consideration for any such transaction may consist of cash, debentures or other obligations, shares, stock or other valuable consideration (and the amount of such consideration may be dependent upon profit or turnover or be determined by a third party); and
  - (iii) any such consideration may be payable in a lump sum or by instalments spread over such period as he thinks fit;
- (e) to alter, improve, develop, complete, construct, modify, refurbish or repair any building or land and to complete or undertake or concur in the completion or undertaking (with or without modification) of any project in which any Chargor was concerned or interested before his appointment (being a project for the alteration, improvement, development, completion, construction, modification, refurbishment or repair of any building or land);
- (f) to carry out any sale, lease or other disposal of all or any part of the Security Assets by conveying, transferring, assigning or leasing the same in the name of the relevant Chargor and, for that purpose, to enter into covenants and other contractual obligations in the name of, and so as to bind, such Chargor;

### **18.1 Application**

### **18.2 Contingencies**

If the Debenture Security is enforced at a time when no amounts are due under the Loan Note Documents (but at a time when amounts may become so due), the Security Trustee or a Receiver may pay the proceeds of any recoveries effected by it into a blocked suspense account (bearing interest at such rate (if any) as the Security Trustee may determine.

## **19. SET-OFF**

### **19.1 Set-off rights**

- (a) The Security Trustee and each other Secured Party may (but shall not be obliged to) set off any obligation which is due and payable by any Chargor and unpaid (whether under the Loan Note Documents or which has been assigned to the Security Trustee or any other Secured Party by any other Chargor) against any obligation (whether or not matured) owed by the Security Trustee or such other Secured Party to such Chargor, regardless of the place of payment, booking branch or currency of either obligation.
- (b) At any time after the Debenture Security has become enforceable (and in addition to its rights under clause 19.1(a)), the Security Trustee and each other Secured Party may (but shall not be obliged to) set-off any contingent liability owed by a Chargor under any Loan Note Document against any obligation (whether or not matured) owed by the Security Trustee or such other Secured Party to such Chargor, regardless of the place of payment, booking branch or currency of either obligation.
- (c) If the obligations are in different currencies, the Security Trustee or such other Secured Party may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.

- (a) this Debenture Security has become enforceable; and
- (b) no Secured Obligation is due and payable,

such time deposit shall automatically be renewed for such further maturity as the Security Trustee or such other Secured Party in its absolute discretion considers appropriate unless the Security Trustee or such other Secured Party agrees in writing.

- (a) creating, perfecting or protecting the Security intended to be created by this Deed or any other Loan Note Document; and
- (b) facilitating the realisation of any Security Asset;
- (c) facilitating the exercise of any rights, powers and remedies exercisable by the Security Trustee or any other Secured Party, or any Receiver or any Delegate in respect of any Security Asset or provided by or pursuant to the Loan Note Documents or by law; or

### **21.2 Loan Note Documents**

Each Chargor shall take all such action as is available to it (including making all filings and registrations) as may be necessary for the purpose of the creation, perfection, protection or maintenance of any Security conferred or intended to be conferred on the Security Trustee or any other Secured Party by or pursuant to the Loan Note Documents.

### **21.3 Specific security**

Without prejudice to the generality of clause 21.1 (*Further action*), each Chargor will immediately upon request by the Security Trustee execute any document contemplated by that clause over any Security Asset which is subject to or intended to be subject to any fixed security under this Deed (including any fixed security arising or intended to arise pursuant to clause 7 (*Conversion of floating charge*)).

## **22. POWER OF ATTORNEY**

Each Chargor, by way of security, irrevocably and severally appoints the Security Trustee, each Receiver and any Delegate to be its attorney to take any action whilst an Event of Default is continuing unremedied or unwaived or enforcement of the Debenture Security has occurred which such Chargor is obliged to take under this Deed, including under clause 21 (*Further assurances*) or, if no Event of Default is continuing unremedied or unwaived, which such Chargor has failed to take. Each Chargor ratifies and confirms whatever any attorney does or purports to do pursuant to its appointment under this clause.

  - (i) any set-off or counterclaim; or
  - (ii) except to the extent compelled by law, any deduction or withholding for or on account of tax.

### **23.2 Gross-up**

If any Chargor is compelled by law to make any deduction or withholding from any sum payable under this Deed to the Security Trustee, the sum so payable by such Chargor shall be increased so as to result in the receipt by the Security Trustee of a net amount equal to the full amount expressed to be payable under this Deed.

### **23.3 Costs and Expenses**

The Company shall, promptly on demand, pay the Security Trustee the amount of all costs and expenses (including legal fees) reasonably incurred by it, any Receiver and any Delegate) in connection with the negotiation, preparation, printing, execution, syndication and perfection of this Deed.

## **24. CURRENCY CONVERSION**

All monies received or held by the Security Trustee or any Receiver under this Deed may be converted from their existing currency into such other currency as the Security Trustee or the Receiver considers necessary or desirable to cover the obligations and liabilities comprised in

the Secured Obligations in that other currency at the Security Trustee's spot rate of exchange for the purchase of the relevant currency in the London foreign exchange market on the relevant day. Each Chargor shall indemnify the Security Trustee against all costs, charges and expenses incurred in relation to such conversion. Neither the Security Trustee nor any Receiver shall have any liability to any Chargor in respect of any loss resulting from any fluctuation in exchange rates after any such conversion.

### **25.1 Charging Companies**

No Chargor may assign any of its rights or obligations under this Deed.

### **25.2 Security Trustee**

The Security Trustee may assign or transfer all or any part of its rights under this Deed pursuant to the resignation or removal of the Security Trustee in accordance with the Security Trust Deed. Each Chargor shall, immediately upon being requested to do so by the Security Trustee, enter into such documents as may be necessary or desirable to effect such assignment or transfer.

### **25.3 Accession Deed**

Each Chargor:

- (a) consents to new subsidiaries of the Company becoming Chargors; and
- (b) irrevocably authorises the Company to agree to, and execute as a deed, any duly completed Accession Deed as agent and attorney for and on behalf of such Chargor.

## **26. MISCELLANEOUS**

### **26.1 New accounts**

- (a) If the Security Trustee or any other Secured Party receives, or is deemed to be affected by, notice, whether actual or constructive, of any subsequent Security affecting any Security Asset and/or the proceeds of sale of any Security Asset or any guarantee under the Loan Note Documents ceases to continue in force and/or the proceeds of sale of any Security Asset, it may open a new account or accounts for any Chargor. If it does not open a new account, it shall nevertheless be treated as if it had done so at the time when it received or was deemed to have received such notice.
- (b) As from that time all payments made to the Security Trustee or such other Secured Party will be credited or be treated as having been credited to the new account and will not operate to reduce any amount of the Secured Obligations.

### **26.2 Tacking**

- (a) Each Secured Party shall perform its obligations under each Loan Note Instrument (including any obligation to make available further advances).
- (b) This Deed secures advances already made and further advances to be made.

### 26.3 Land Registry

- (a) Each Chargor shall apply to the Chief Land Registrar (and consents to such an application being made by or on behalf of the Security Trustee) for a restriction in the following terms to be entered on the Register of Title relating to any property registered at the Land Registry (or any unregistered land subject to first registration) and against which this Deed may be noted:

*"No disposition of the registered estate by the proprietor of the registered estate is to be registered without a written consent signed by the proprietor for the time being of the charge dated [ ♦ ] 20[ ♦ ] in favour of [ ♦ ] referred to in the charges register or their conveyancer."*

- (b) Each Chargor:
- (i) authorises the Security Trustee to make any application which the Security Trustee deems appropriate for the designation of this Deed, any Loan Note Instrument or any other Loan Note Document as an exempt information document under rule 136 of the Land Registration Rules 2003;
  - (ii) shall use its best endeavours to assist with any such application made by or on behalf of the Security Trustee; and
  - (iii) shall notify the Security Trustee in writing as soon as it receives notice of any person's application under rule 137 of the Land Registration Rules 2003 for the disclosure of this Deed, any Loan Note Instrument or any other Loan Note Document, following its designation as an exempt information document.
- (c) No Chargor shall make any application under rule 138 of the Land Registration Rules 2003 for the removal of the designation of any such document as an exempt information document.
- (d) Each Chargor shall promptly make all applications to and filings with Land Registry which are necessary or desirable under the Land Registration Rules 2003 to protect the Debenture Security.

### 26.4 Protective clauses

Each Chargor is deemed to be a principal debtor in relation to this Deed. The obligations of each Chargor under, and the security intended to be created by, this Deed shall not be impaired by any forbearance, neglect, indulgence, extension or time, release, surrender or loss of securities, dealing, amendment or arrangement by any Secured Party which would otherwise have reduced, released or prejudiced this Debenture Security or any surety liability of a Chargor (whether or not known to any Secured Party).

### 27. NOTICES

- (a) Clause 10 of each Loan Note Instrument is incorporated into this Deed as if fully set out in this Deed.
- (b) The address and fax numbers of each Party for all communications or documents given under or in connection with this Deed are those identified with its name in the

**28. CALCULATIONS AND CERTIFICATES**

Any certificate of or determination by a Secured Party specifying the amount of any Secured Obligation due from the Chargors (including details of any relevant calculation thereof) is in the absence of manifest error, conclusive evidence against the Chargors of the matters to which it relates.

**29. PARTIAL INVALIDITY**

All the provisions of this Deed are severable and distinct from one another and if at any time any provision is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of any of the remaining provisions nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.

**30. REMEDIES AND WAIVERS**

No failure to exercise, nor any delay in exercising, on the part of the Security Trustee (or any other Secured Party), any right or remedy under this Deed shall operate as a waiver, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise, or the exercise of any other right or remedy. The rights and remedies provided are cumulative and not exclusive of any rights or remedies provided by law.

**31. AMENDMENTS AND WAIVERS**

Any provision of this Deed may be amended in writing by the Security Trustee and the Chargors (or the Company acting on their behalf and each Chargor irrevocably appoints the Company as its agent for the purpose of agreeing and executing any amendment on its behalf). Any breach of this Deed may be waived before or after it occurs only if the Security Trustee so agrees in writing. A waiver given or consent granted by the Security Trustee under this Deed will be effective only if given in writing and then only in the instance and for the purpose for which it is given.

**32. COUNTERPARTS**

This Deed may be executed in any number of counterparts, and this has the same effect as if the signatures (and seals, if any) on the counterparts were on a single copy of this Deed.

**33. RELEASE**

**33.1 Release**

Upon the expiry of the Security Period (but not otherwise) the Security Trustee shall, at the request and cost of the Chargors, take whatever action is necessary to release or re-assign (without recourse or warranty) the Security Assets from the Debenture Security.

**33.2 Reinstatement**

Where any discharge (whether in respect of the obligations of any Chargor or any security for those obligations or otherwise) is made in whole or in part or any arrangement is made on the faith of any payment, security or other disposition which is avoided or must be restored on

insolvency, liquidation or otherwise (without limitation), the liability of the Chargors under this Deed shall continue as if the discharge or arrangement had not occurred. The Security Trustee may concede or compromise any claim that any payment, security or other disposition is liable to avoidance or restoration.

**34. GOVERNING LAW**

This Deed and any non-contractual obligations arising out of or in connection with it shall be governed by English law.

**35. ENFORCEMENT AND JURISDICTION**

- (a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed (including a dispute relating to the existence, validity or termination of this Deed or any non-contractual obligation arising out of or in connection with this Deed) (a "Dispute").
- (b) The Parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no Party will argue to the contrary.
- (c) This clause 35 is for the benefit of the Secured Parties only. As a result, no Secured Party shall be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. ## **SCHEDULE 2: THE GUARANTEE**

### **1. Continuing guarantee**

This guarantee is a continuing guarantee and will extend to the ultimate balance of sums payable by any Chargor under the Loan Note Documents, regardless of any intermediate payment or discharge in whole or in part.

### **2. Reinstatement**

If any discharge, release or arrangement (whether in respect of the obligations of any Chargor or any security for those obligations or otherwise) made by a Secured Party in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation, administration or otherwise, without limitation, then the liability of each Chargor under this Deed will continue or be reinstated as if the discharge, release or arrangement had not occurred.

### **3. Waiver of defences**

The obligations of each Chargor under this Deed will not be affected by an act, omission, matter or thing which, but for this Deed, would reduce, release or prejudice any of its obligations under this Deed (without limitation and whether or not known to it or to any Secured Party) including:

- (a) any time, waiver or consent granted to, or composition with, any Chargor or other person;
- (b) the release of any other Chargor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Chargor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of a Chargor or any other person;
- (e) any amendment, novation, supplement, extension, restatement (however fundamental and whether or not more onerous) or replacement of a Loan Note Document or any other document or security including, without limitation, any change in the purpose of, any extension or increase in any facility or the addition of any new facility under any Loan Note Document or other document or security;
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Loan Note Document or any other document or security; or
- (g) any insolvency, administration or similar proceedings.

### **4. Guarantor Intent**

Without prejudice to the generality of paragraph 3 (*Waiver of defences*), each Chargor expressly confirms that it intends that this guarantee shall extend from time to time to any

(however fundamental) variation, increase, extension or addition of or to any of the Loan Note Documents and/or any facility or amount made available under any of the Loan Note Documents for the purposes of or in connection with any of the following: business acquisitions of any nature; increasing working capital; enabling investor distributions to be made; carrying out restructurings; refinancing existing facilities, refinancing any other indebtedness; making facilities available to new borrowers; any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and any fees, costs and/or expenses associated with any of the foregoing.

**5. Immediate recourse**

Each Chargor waives any right it may have of first requiring any Secured Party to proceed against or enforce any other rights or security or claim payment from any person before claiming from that Chargor under this Deed. This waiver applies irrespective of any law or any provision of a Loan Note Document to the contrary.

**6. Appropriations**

Until all amounts which may be or become payable by the Chargors under or in connection with the Loan Note Documents have been irrevocably paid in full, each Secured Party (or any trustee or agent on its behalf) may:

- (a) refrain from applying or enforcing any other monies, security or rights held or received by that Secured Party (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and no Chargor shall be entitled to the benefit of the same; and
- (b) hold in an interest-bearing suspense account any monies received from any Chargor or on account of any Chargor's liability under this Deed.

**7. Deferral of Guarantors' rights**

Until all amounts which may be or become payable by the Chargors under or in connection with the Loan Note Documents have been irrevocably paid in full and unless the Security Trustee otherwise directs, no Chargor will exercise any rights which it may have by reason of performance by it of its obligations under the Loan Note Documents or by reason of any amount being payable, or liability arising, under this Deed:

- (a) to be indemnified by a Chargor;
- (b) to claim any contribution from any other guarantor of any Chargor's obligations under the Loan Note Documents;
- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Secured Parties under the Loan Note Documents or of any other guarantee or security taken pursuant to, or in connection with, the Loan Note Documents by any Secured Party;
- (d) to bring legal or other proceedings for an order requiring any member of the Group to make any payment, or perform any obligation, in respect of which any Chargor has given a guarantee, undertaking or indemnity under clause 2.1 (*Guarantee and indemnity*);

- (e) to exercise any right of set-off against any member of the Group; and/or
- (f) to claim or prove as a creditor of any member of the Group in competition with any Secured Party.

If a Chargor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Secured Parties by the any member of the Group under or in connection with the Loan Note Documents to be repaid in full on trust for the Secured Parties and shall promptly pay or transfer the same to the Security Trustee or as the Security Trustee may direct.
