1 Accounting policies

Company information

EEB34 Limited is a private company limited by shares incorporated in England and Wales. The registered office is The Old Rectory, Church Street, Weybridge, Surrey, KT13 8DE.

1.1 Accounting convention

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006 as applicable to companies subject to the small companies regime. The disclosure requirements of section 1A of FRS 102 have been applied other than where additional disclosure is required to show a true and fair view.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £.

The principal accounting policies adopted are set out below.

1.2 Going concern

Included in creditors are amounts due to fellow subsidiary company, Elgin Energy Es Co Limited, of £9,965. The parent company has confirmed that they will continue to support the company for the foreseeable future and is confident about the company's ability to trade as a going concern and meet its financial obligations. Therefore the accounts have been prepared on the going concern basis.

1.3 Reporting period

The company's year end has been shortened from 31 January 2020 to 31 March 2019 so this accounting period is for 3 months.

1.4 Debtors

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

1.5 Cash at bank and in hand

Cash at bank and in hand are basic financial assets and include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.6 Creditors

Short term creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.
