**Notes to the Financial Statements  
for the year ended 31 March 2021**

**1. STATUTORY INFORMATION**

Latham Agri Ltd ('The Company') is primarily engaged in the provision of the hire of labour and machinery in the agricultural industry.

The company is a private company limited by shares and is incorporated in England and Wales. The address of the principle place of business and registered office is Six Acres, Kidderton Lane, Brindley, Nantwich, Cheshire, CW5 8JD. The registered number can be found on the Company Information page.

The presentation currency of the financial statements is the Pound Sterling (£).

**2. STATEMENT OF COMPLIANCE**

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006.

**3. ACCOUNTING POLICIES**

**Summary of significant accounting policies**

The principle accounting policies applied in the preparation of these financial statements are set out below.

These policies have been consistently applied to all years presented, unless otherwise stated.

**Basis of preparation**

The financial statements are prepared on the going concern basis under the historical cost convention and comply with the United Kingdom Accounting Standards and Companies Act 2006.

**Going concern**

No other material uncertainties that may cast significant doubt about the ability of the company to continue as a going concern have been identified by the director, other than those related to COVID-19 and its effect on the company and the economy in general.

Notwithstanding the uncertainties relating to COVID-19, the director considers it appropriate to prepare the financial statements on the going concern basis.

**Revenue recognition**

Turnover is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods supplied and services rendered, stated net of discounts and of Value Added Tax.

Income is recognised when goods and services have been delivered to customers such that risks and rewards of ownership have transferred to them.

**Notes to the Financial Statements - continued  
for the year ended 31 March 2021**

**3. ACCOUNTING POLICIES - continued**

**Tangible fixed assets**

Tangible fixed assets are stated at historical cost less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended.

Depreciation is provided at the following annual rates so as to write off their cost less residual amounts over their estimated useful economic lives. Assets are also reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the assets carrying amount exceeds its recoverable amount.

Plant & machinery	- 25% reducing balance
Office equipment	- 25% reducing balance

The residual values and useful lives of assets are reviewed and adjusted if appropriate at each statement of financial position date.

**Stocks**

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

**Financial instruments**

The following assets and liabilities are classified as financial instruments - trade debtors, trade creditors, bank loans and directors' loans.

Bank loans are initially measured at the present value of future payments, discounted at a market rate of interest, and subsequently at amortised cost using the effective interest method.

Directors' loans (being repayable on demand), trade debtors and trade creditors are measured at the discounted amount of the cash or other consideration expected to be paid or received.

Financial assets that are measured at amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the Statement of Income and Retained Earnings.

**Taxation**

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the statement of financial position date.

**Notes to the Financial Statements - continued  
for the year ended 31 March 2021**

**3. ACCOUNTING POLICIES - continued**

**Deferred tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the statement of financial position date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

**Pension costs and other post-retirement benefits**

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.

**Impairment of assets**

Assets not measured at fair value are reviewed for any indications that the asset maybe impaired at each statement of financial position date. If such indications exists the recoverable amount of the asset or the assets cash generating unit is estimated and compared to the carrying amount. Where the carrying amount exceeds its recoverable amount, an impairment loss is recognised unless the asset is carried at a revalued amount where the impairment loss is a revaluation decrease.

Any losses arising from impairment are recognised in the Statement of Comprehensive Income under the appropriate heading.
