EQUITIX CHARIOT ENGLISH LP
GENERAL PARTNER'S REPORT
FOR THE YEAR ENDED 31 DECEMBER 2022

The members present their annual report and financial statements for the year ended 31 December 2022.

Principal activities

The principal activity of the limited partnership is that of a property investment

Fair review of the business

The results for the period and the financial position at the period end were considered by the General Partner who expects that the limited partnership will be profitable in the foreseeable future.

Constitution and governance

The partnership is a limited partnership, registered on 25 March 2019 under the Limited Partnership Act 1907.

The registered office of the general partner and the principal place of business of the partnership is c/o EMS Ltd, 2nd Floor Toronto Square, Toronto Street, Leeds, LS1 2HJ.

Partners' drawings, contributions and repayments

The general partner's drawing policy allows each member to draw a proportion of their profit share, subject to the cash requirements of the business.

A general partner's capital requirement is linked to their share of profit and the financing requirement of the limited partnership. There is no opportunity for appreciation of the capital subscribed. Just as incoming partners introduce their capital at "par", so the retiring partners are repaid their capital at "par".

The Partners

The General Partner is Equitix Chariot English GP Limited and the Limited Partner is Equitix Chariot (S) LP.

Auditor

The auditor, UHY Hacker Young, is deemed to be reappointed under section 487(2) of the Companies Act 2006.

EQUITIX CHARIOT ENGLISH LP

GENERAL PARTNER'S REPORT

FOR THE YEAR ENDED 31 DECEMBER 2022

Statement of partner's responsibilities

The General Partner is responsible for preparing the General Partners' Report and the financial statements in accordance with applicable law and regulations.

The Partnership Agreement requires the General Partner to prepare financial statements for each financial year. Under that law the General Partner has elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice. The General Partner must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Partnership and of the profit or loss of the Partnership for that period.

In preparing these financial statements, the General Partner is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the partnership will continue in business.

The General Partner is responsible for keeping adequate accounting records that are sufficient to show and explain the partnership's transactions and disclose with reasonable accuracy at any time the financial position of the partnership and enable them to ensure that the financial statements comply with the Partnerships (Accounts) Regulation 2008. They are also responsible for safeguarding the assets of the partnership and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report has been prepared in accordance with the special provisions relating to small LLPs within Part 15 of the Companies Act 2006.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF EQUITIX CHARIOT ENGLISH LP

Opinion

We have audited the financial statements of Equitix Chariot English LP (the 'limited partnership') for the year ended 31 December 2022 which comprise the profit and loss account, the balance sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the limited partnership's affairs as at 31 December 2022 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006 as applied to limited partnerships by the Limited Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the limited partnership in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the members' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the limited liability partnership's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the members with respect to going concern are described in the relevant sections of this report.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

TO THE MEMBERS OF EQUITIX CHARIOT ENGLISH LP

Other information

The General Partner is responsible for the other information. The other information comprises the information included in the general partner's report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 as applied to limited partnerships requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit; or
- the general partner was not entitled to prepare the financial statements in accordance with the small limited partnerships regime.

Responsibilities of members

As explained more fully in the general partner responsibilities statement, the general partner is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the general partner determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the general partner is responsible for assessing the limited partnership's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the general partner intends to liquidate the limited partnership or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)
TO THE MEMBERS OF EQUITIX CHARIOT ENGLISH LP

The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

Based on our understanding of the company and the industry in which it operates, we identified that the principal risks of non-compliance with laws and regulations related to the acts by the company, which were contrary to applicable laws and regulations including fraud, and we considered the extent to which non-compliance might have a material effect on the financial statements. We also considered those laws and regulations that have a direct impact on the preparation of the financial statements such as the Companies Act 2006. We evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls), and determined that the principal risks were related to inflated revenue and profit.

Audit procedures performed included: review of the financial statement disclosures to underlying supporting documentation, review of correspondence with legal advisors, enquiries of management and review of contracts and reports in so far as they relate to the financial statements, and testing of journals and evaluating whether there was evidence of bias by the general partner that represented a risk of material misstatement due to fraud.

There are inherent limitations in the audit procedures described above and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we would become aware of it. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

A further description of our responsibilities is available on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the limited partnership's partners, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006 as applied by the Limited Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008. Our audit work has been undertaken so that we might state to the limited partnership's general partner those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the limited partnership and the limited partnership's members as a body, for our audit work, for this report, or for the opinions we have formed.

EQUITIX CHARIOT ENGLISH LP

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022

1 Accounting policies

Limited partnership information

Equitix Chariot English LP is a limited partnership incorporated in England and Wales. The registered office is C/O EMS Ltd 2nd Floor Toronto Square, Toronto Street, Leeds, West Yorkshire, United Kingdom, LS1 2HJ.

The limited partnership's principal activities are disclosed in the Members' Report.

1.1 Accounting convention

These financial statements have been prepared in accordance with the Partnership (Accounts) Regulations 2008, together with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006 as applicable to companies subject to the small entities regime. The disclosure requirements of section 1A of FRS 102 have been applied other than where additional disclosure is required to show a true and fair view.

The financial statements are prepared in sterling, which is the functional currency of the limited partnership. Monetary amounts in these financial statements are rounded to the nearest £'000

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the general partner has a reasonable expectation that the limited partnership has adequate resources to continue in operational existence for the foreseeable future. Thus the members continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Turnover

Turnover represents rental income accounted on an accrual basis, excluding value added tax, as per the lease agreements.

1.4 Investment properties

Investment property, which is property held to earn rentals and/or for capital appreciation, is initially recognised at cost, which includes the purchase cost and any directly attributable expenditure. Subsequently it is measured at fair value at the reporting end date. Changes in fair value are recognised in profit or loss.

Turnover represents rental income accounted on an accrual basis, excluding value added tax, as per the lease agreements.

1.5 Cash and cash equivalents

Cash and cash equivalents are basic financial assets and include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

EQUITIX CHARIOT ENGLISH LP

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2022

1 Accounting policies

(Continued)

1.6 Financial instruments

The limited partnership has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the limited liability partnership's statement of financial position when the limited partnership becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset and the net amounts presented in the financial statements when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Other financial assets

Other financial assets, including investments in equity instruments which are not subsidiaries, associates or joint ventures, are initially measured at fair value, which is normally the transaction price. Such assets are subsequently carried at fair value and the changes in fair value are recognised in profit or loss, except that investments in equity instruments that are not publicly traded and whose fair values cannot be measured reliably are measured at cost less impairment.

Other financial assets, including investments in equity instruments which are not subsidiaries, associates or joint ventures, are initially measured at fair value, which is normally the transaction price. Such assets are subsequently carried at fair value and the changes in fair value are recognised in profit or loss, except that investments in equity instruments that are not publicly traded and whose fair values cannot be measured reliably are measured at cost less impairment.

Impairment of financial assets

Financial assets, other than those held at fair value through profit and loss, are assessed for indicators of impairment at each reporting end date.

Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows have been affected. If an asset is impaired, the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in profit or loss.

If there is a decrease in the impairment loss arising from an event occurring after the impairment was recognised, the impairment is reversed. The reversal is such that the current carrying amount does not exceed what the carrying amount would have been, had the impairment not previously been recognised. The impairment reversal is recognised in profit or loss.

EQUITIX CHARIOT ENGLISH LP

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2022

1 Accounting policies

(Continued)

Derecognition of financial assets

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the limited liability partnership transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

Classification of financial liabilities

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the limited partnership after deducting all of its liabilities.

Basic financial liabilities

Basic financial liabilities, including creditors, bank loans, loans from fellow group companies and preference shares that are classified as debt, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Other financial liabilities

Derivatives, including interest rate swaps and forward foreign exchange contracts, are not basic financial instruments. Derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value. Changes in the fair value of derivatives are recognised in profit or loss in finance costs or finance income as appropriate, unless hedge accounting is applied and the hedge is a cash flow hedge.

Debt instruments that do not meet the conditions in FRS 102 paragraph 11.9 are subsequently measured at fair value through profit or loss. Debt instruments may be designated as fair value through profit or loss to eliminate or reduce an accounting mismatch or if the instruments are measured and their performance evaluated on a fair value basis in accordance with a documented risk management or investment strategy.

Derecognition of financial liabilities

Financial liabilities are derecognised when the limited partnership's obligations expire or are discharged or cancelled.

EQUITIX CHARIOT ENGLISH LP**NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)****FOR THE YEAR ENDED 31 DECEMBER 2022****2 Judgements and key sources of estimation uncertainty**

In the application of the limited partnership's accounting policies, the members are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

Key sources of estimation uncertainty

The estimates and assumptions which have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities are as follows.

Investment properties

Investment properties are valued at each balance sheet date at fair value. Fair value is ascertained through review of a number of factors and information flows, including market knowledge, recent market movements, historical experience and rent levels. There is an inevitable degree of judgement involved and value can only be reliably tested ultimately in the market itself. The general partner considers the carrying amount as at the balance sheet date to be not materially different from the fair value of the properties.

3 Auditor's remuneration

	2022	2021
	£'000	£'000
