#### 1. Progress of the Administration

#### Work undertaken during the Period

This report should be read in conjunction with the Administrators' proposals dated 12 October 2020 and the progress report dated 12 March 2021.

Attached at Appendix C are schedules of work undertaken during the Period, together with a summary of work still to be completed.

#### Cash at bank

During the Period, cash at bank of £249 has been recovered from CGHL's bankers, Natwest Bank. The Administrators are not aware of any bank accounts being held in the name of CUK, and no further funds are anticipated for CGHL.

#### Intercompany debtor position

The only other known assets in the Administrations are inter-company debtors due to CUK from DRL and DPL, which are both in administration, and investments held in CGHL. The asset realisation of DRL and DPL is currently ongoing and the outcome for creditors remains uncertain. Although it appears unlikely that any realisations will be made.

By way of reminder, creditors can obtain further information in relation to the administration of DRL and DPL via the administrators' statutory reports which are available for viewing and downloading from the Companies House website.

Attached at **Appendix E** are receipts and payments accounts detailing both transactions for the Period and cumulatively. No receipts or payments have been made in CUK.

#### **Investigations**

Part of the Administrators' duties include carrying out proportionate investigations into what assets the Companies have, including any potential claims against directors or

Celine Group Holdings Limited and Celine UK Newco 1 Limited (Both in Administration) The Administrators' Progress Report

other parties, and what recoveries could be made. The Administrators have reviewed the Companies' books and records and accounting information, requested further information from the directors, and invited creditors to provide information on any concerns they have regarding the way in which the Companies' business has been conducted.

Further details of the conduct of the Administrators' investigations are set out in the schedule of work attached. The Administrators confirm that no further investigations or actions were required.

#### Extension to the initial period of appointment

The Administrations would ordinarily end 12 months after the appointment of the Administrators, however it has proved necessary to request an extension of the Administrations beyond the statutory 12 months in order to determine whether assets will be realised from the administrations of DRL and DPL.

The secured creditors were asked to approve the extension of the Administrations in accordance with the Insolvency (England and Wales) Rules 2016, with approval received on 2 August 2021. The Administrations have accordingly been extended for a further 12 month period to 18 August 2022 for CGHL and 19 August 2022 for CUK.

#### Anticipated exit strategy

The Administrators do not believe the Companies will have sufficient property which will permit a distribution to the unsecured creditors other than by way of the prescribed part. The Administrators will therefore send notice to the Registrar of Companies in accordance with Paragraph 84 Schedule B1 of the Insolvency Act 1986 to bring the Administrations to an end and 3 months after filing the notice the Companies will be deemed to be dissolved.

#### 2. Estimated outcome for the creditors

**FRP** 

The estimated outcome for creditors was set out in the Administrators' proposals dated 12 October 2020.

#### **Outcome for the secured creditors**

The expected return for GTC is dependent on the outcome of DRL and DPL's administration. A return appears unlikely at this stage.

#### **Outcome for the preferential creditors**

There are no preferential creditors.

#### Outcome for the unsecured creditors

It is not currently anticipated there will be sufficient funds available to make a distribution to unsecured creditors.

#### **Prescribed Part**

The Prescribed Part is a carve out of funds available to the holder of a floating charge which is set aside for the unsecured creditors in accordance with Section 176A of the Insolvency Act 1986. The Prescribed Part only applies where the floating charge was created after 15 September 2003 and the net property available to the floating charge holder exceeds £10,000.

Payment of the Prescribed Part depends on the amount of any distribution received from DRL and DPL in respect of the inter-company debtor position. A further update will be provided in the Administrators next report to creditors.

#### 3. Administrators' remuneration, disbursements, expenses and pre-appointment costs

#### Administrators' remuneration

Shortly after the period of this report the secured creditors passed a resolution that the Administrators' remuneration should be calculated on a time costs basis. Details of the remuneration charged during the Period are set out in the statement of expenses attached.

No fees have been drawn to date and in the absence of any recoveries it is anticipated that the Administrators' remuneration will be paid by the secured creditor.

A breakdown of the Administrators' time costs incurred during the Period and to date is attached at Appendix D. The remuneration anticipated to be recovered by the Administrators based on time costs is not likely to exceed the sum provided in the fees estimate circulated to the secured creditors.

The Administrators are unable to draw fees based on time costs exceeding the total amount set out in the fees estimate without further approval of the secured creditors. Approval will be sought under separate cover if required.

#### Administrators' disbursements

The Administrators' disbursements are a recharge of actual costs incurred by the Administrators on behalf of the Companies. Mileage payments made for expenses relating to the use of private vehicles for business travel, which is directly attributable to the insolvency estate, are paid by FRP at the HMRC approved mileage rate prevailing at the time the mileage was incurred. Details of disbursements incurred during the Period are set out in **Appendix D**.

#### Administrators' expenses

Attached at  $\bf Appendix~\bf F$  are statements of expenses that have been incurred during the Period.

Celine Group Holdings Limited and Celine UK Newco 1 Limited (Both in Administration) The Administrators' Progress Report

When instructing third parties to provide specialist advice and services, or having the specialist services provided by the firm, the Administrators are obligated to ensure that such advice or work is warranted and that the advice or work contracted reflects the best value and service for the work being undertaken. This is reviewed by the Administrators periodically throughout the duration of the assignment. The specialists chosen may regularly be used by the Administrators and usually have knowledge specific to the insolvency industry and, where relevant, to matters specific to this insolvency appointment.

Creditors have a right to request further information from the Administrators and further have a right to challenge the Administrators' remuneration and other expenses, which are first disclosed in this report, under the Insolvency (England and Wales) Rules. (For ease of reference these are the expenses incurred in the reporting period as set out in **Appendix F** only). Further details of these rights can be found in the Creditors' Guide to Fees which you can access using the following link <a href="https://creditors.frpadvisory.com/info.aspx">https://creditors.frpadvisory.com/info.aspx</a> and select the one for administrations. Alternatively, a hard copy of the relevant guide will be sent to you on request. Please note there is a time limit for requesting information being 21 days following the receipt of this progress report. There is a time limit of 8 weeks following the receipt of this report for a Court application that the remuneration or expenses are excessive.

#### Administrators' pre-appointment costs

No pre-administration costs were incurred by the Administrators.

#### **SCHEDULE OF WORK**

The table below sets out a detailed summary of the work undertaken by the office holder(s) to date and details of the work it is anticipated will be undertaken by the office holder throughout the duration of this assignment. Details of assumptions made in compiling this table are set out below.

Where work undertaken results in the realisation of funds (from the sale of assets, enhanced recoveries and potentially a reduction in creditor claims if the business has continued to trade, or recoveries from successful actions taken against third parties), there may be a financial benefit to creditors should there be sufficient funds available to make a distribution to one or more class of creditor. In this case work undertaken will include the scrutiny and agreement of creditor claims.

A proportion of the work undertaken by an Insolvency Practitioner is required by statute, including ensuring the appointment is valid, notifications of the appointment to third parties, regular reporting on the progress, notifying statutory bodies where required in relation to the conduct of the directors complying with relevant legislation and regulatory matters. This may not have a direct financial benefit to creditors but is substantially there to protect creditors and other stakeholders and ensuring they are kept informed of developments.

#### GENERAL ASSUMPTIONS IN COMPILING THIS SCHEDULE OF WORK

- The records received are complete and up to date;
- · There are no matters to investigate or pursue;
- No financial irregularities are identified;
- A committee of creditors is not appointed;
- There are no exceptional queries from stakeholders;
- Full co-operation of the directors and other relevant parties is received as required by legislation;
- There are no health and safety or environmental issues to be dealt with; and
- The case will be closed within 2 years.
