Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

PART 1 - GENERAL DESCRIPTION OF THE COMPANY'S ACTIVITIES AND IMPACT In the space provided below, please insert a general account of the company's activities in the financial year to which the report relates, including a description of how they have benefited the community.

Outdoors 4 All Together CIC aims to improve the mental health and wellbeing of people of all ages and capabilities through contact with nature.

The sessions and activities we provided benefitted participants and the community by giving them encouragement to spend time in the outdoors, with the aim of reducing anxiety and promoting positive physical and mental health by providing opportunities for social interaction, exercise and learning new skills.

We have operated as much as practically possible throughout Covid restrictions in order to keep in contact with clients, ranging from Facebook live sessions and building back up to full face to face sessions. We have run both tailored sessions for groups within the community e.g. 18-25 yr olds, Mother & Toddler, and 'open' sessions for all members of the communities in which we operate.

PART 2 – CONSULTATION WITH STAKEHOLDERS – Please indicate who the company's stakeholders are; how the stakeholders have been consulted and what action, if any, has the company taken in response to feedback from its consultations? If there has been no consultation, this should be made clear.
The stakeholders are the participants of any activities and sessions we have arranged, and also the local community where we are based. During our activities and in consultation and conversation with our participants and local community we are constantly looking at the type and frequency of services we can offer, dependent upon funding available. We have adapted our sessions where required in order to facilitate certain groups within the communities we operate. As an example, after a specific request and subsequent identified need, we started an 18-25yrs support group for young people who were placed on furlough or had been made redundant due to the covid pandemic.
