2. ACCOUNTING POLICIES

2.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Section 1A of Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

The following principal accounting policies have been applied:

2.2 GOING CONCERN

At 31 March 2022 the Company's total liabilities exceeded its total assets by £489,883 (2021 - £196,596). The directors are confident that the Company will make good this deficit by future gains. On the basis of their review, the directors have a reasonable expectation that the Company will continue in operational existence and have sufficient resources to meet its liabilities as they fall due for the foreseeable future. The financial statements do not include any adjustments that would result if the Company were unable to continue as a going concern. Short-term creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.
