ASSOCIATE DIRECTOR

This Deed of Charge sets out the terms on which you grant us a charge over all cash and Securities that you hold in accounts with us (other than in any (i) Restricted Account; and (ii) Investor Visa Account). The Deed of Charge is security for your obligations in connection with (i) the Facility Agreement that you have entered into with us; (ii) any Foreign Exchange and Precious Metals Transactions Supplement that you have entered into or may at any time in the future enter into with us; (iii) any Exchange Traded Derivatives Transactions Supplement that you have entered into or may at any time in the future enter into with us; and (iv) any other loan or overdraft facility or other credit that we have granted or may at any time in the future grant to you (except under any Ring Fenced Facility Agreement) and any other transactions in Securities or derivatives that you have entered into or may at any time in the future enter into with us. For the avoidance of doubt, nothing in this Deed of Charge shall create any security interest over or obligation in respect of any (i) Restricted Account; (ii) Investor Visa Account; or (iii) Restricted Security.

In this Deed of Charge **we** are UBS AG, London Branch and **you** are the Person or Persons granting a charge over cash and securities in our favour.

1 Grant Of Security

1.1 As security for the payment and satisfaction of the Secured Liabilities referred to in clause 1. 2, you:

- (a) charge by way of a first fixed charge in our favour all of your rights to and interest in all money deposited in or transferred or credited to any account now or at any time in the future held with us in your name (or in your name jointly with any other Person or Persons) including any re-designated or substituted account and any sub-account or ledger account, except for any (i) Restricted Account; and (ii) Investor Visa Account (an **Account**);
- (b) assign to us by way of first-ranking mortgage or, to the extent not effectively mortgaged, charge by way of a first fixed charge in our favour, all your rights to and interest in all Securities that you have deposited or may at any time in the future deposit with us or that we now hold or at any time in the future may hold on your behalf;
- (c) assign to us by way of first-ranking mortgage or, to the extent not effectively mortgaged, charge by way of a first fixed charge in our favour, all your rights to and interest in all Derivative Assets attributable to any Securities mortgaged or charged to us under paragraph (b) above; and
- (d) assign to us by way of first ranking mortgage all of your rights to and interest in any agreement that you have entered into or may at any time in the future enter into with us (other than any Ring Fenced Facility Agreement) in relation to the provision of investment services and/or banking or credit facilities to you and/or our transacting any other kind of business with you, including any agreement (other than any Ring Fenced Facility Agreement) evidencing the Secured Liabilities;

together referred to as the **Security Interest**.

1.2 The Security Interest is security for the payment of all amounts that you are obliged to pay to us, and for the discharge of all liabilities that you owe to us, under or in connection with:

- (a) the Facility Agreement and any Loan or Overdraft Drawing that we provide to you or any Instrument that we issue at your request;
- (b) any Foreign Exchange and Precious Metals Transactions Supplement that you have entered into, or may in future enter into, with us and any transaction entered into under that Supplement;

- (c) any Exchange Traded Derivatives Supplement that you have entered into, or may in future enter into, with us and any transaction entered into under that Supplement;
 - (d) any other loan or overdraft facility or other credit that we have granted or may at any time in the future grant to you (except under any Ring Fenced Facility Agreement) and any other transactions in Securities or derivatives that you have entered into or may at any time in the future enter into with us;
 - (e) this Deed of Charge; and
 - (f) if you are a Guarantor, any Guarantee;
- together referred to as the **Secured Liabilities**.

- 1.3 The charge over your Account(s) in clause 1.1(a) applies only to the amounts that are due to you after the application of any set-off under clause 4.1(e).
- 1.4 Securities are regarded as deposited with us or held by us for the purpose of clause 1.1 (b) if we hold (or our nominee holds) the certificate(s) or document(s) of title for the Securities, or if we are (or our nominee is) registered as the holder of the Securities with the issuer of the Securities or with any depository, clearing system, custodian or other or financial intermediary by or through which the Securities are held.
- 1.5 The Secured Liabilities include obligations and liabilities:
 - (a) that exist now or that will exist in the future, actual obligations and liabilities and those that are contingent on an event occurring, and obligations and liabilities whose amount has not yet been ascertained;
 - (b) that are owed to us at any of our branches in any currency; and
 - (c) that are owed by you alone or jointly with another, that are owed by you as principal or as agent for another Person or that are owed by you as guarantor of another Person's liabilities.

2 Restrictions on Dealing with Charged Assets

- 2.1 Subject to clause 2.2, you may not withdraw money from any Account or withdraw from our custody any Charged Securities, and we will not be obliged to comply with any instruction from you to do so, before the final payment and discharge in full of the Secured Liabilities.
- 2.2 Until the Security Interest becomes enforceable, you may:
 - (a) request our permission to withdraw money from any Account or to withdraw any Charged Securities from custody with us. We may, but will not be obliged to, agree to your request *provided that the Security Value of the Collateral remaining after you have withdrawn that money or those Charged Securities is at least equal to the Collateral Maintenance Limit*; and
 - (b) subject to clause 6(d), exercise any voting or other rights or powers in relation to the Charged Securities.
- 2.3 You may at any time request our permission to substitute Securities for any Charged Securities or for any money standing to the credit of an Account, or to pay money into an Account in substitution for any Charged Securities. Any substituted Securities or money paid into an Account will become subject to the Security Interest. We may, but will not be obliged to, agree to your request provided that:
 - (a) any substitute Securities are acceptable to us and any money paid in substitution for Charged Securities is in a currency acceptable to us; and
 - (b) immediately following the substitution or withdrawal, the Security Value of the Collateral is at least equal to the Collateral Maintenance Limit.

- 2.4 We will treat any instruction that you give to us under any other agreement (other than any Ring Fenced Facility Agreement) to deal in any Charged Securities or to pay any money out of an Account as a request for permission under clause 2.2.

3 Release Of Security

- 3.1 Subject to clause 3.2, on the final payment and discharge in full of all the Secured Liabilities, and provided that no Call Loan, Overdraft Drawing, Instrument, FX/Metals Transaction, ETD Transaction or any drawing under any other facility granted to you by us or any other transaction in Securities or derivatives entered into by you with us is outstanding and no further amount is or may become payable to us under the Facility Agreement or any Foreign Exchange and Precious Metals Transactions Supplement or any Exchange Traded Derivatives Transactions Supplement or any other facility or credit agreement (other than any Ring Fenced Facility Agreement) between you and us or under any other agreement (other than any Ring Fenced Facility Agreement) between you and us relating to transactions in Securities or derivatives, we will at your request and expense release to you all our rights to and interest in the Charged Assets, free from the Security Interest.
- 3.2 Notwithstanding clause 3.1, we will not be obliged to release the Charged Assets from the Security Interest until the expiry of a further period of one month plus any statutory period within which any payment or discharge made by you can be avoided under applicable insolvency laws. Any release of the Charged Assets from the Security Interest will be subject to the condition that it will be void if any payment or security which we have received from any Person in respect of the Secured Liabilities is set aside, refunded or reduced under any applicable law or proves to have been invalid. If this condition is satisfied, the Security Interest will continue to apply to the Charged Assets, as if we had not granted the relevant release.

4 Enforcement Of Security

- 4.1 If (i) you fail to pay or discharge when due any of the Secured Liabilities, (ii) you breach any of your obligations or undertakings under this Deed of Charge, any of the Finance Documents or any other document or arrangement in connection with the Secured Liabilities, (iii) any representation or warranty made by you under or in connection with this Deed of Charge, any of the Finance Documents or any other document or arrangement in connection with the Secured Liabilities is incorrect in a material respect, (iv) you die or become incapable of managing your affairs (whether by reason of mental incapacity or for any reason whatsoever) or (v) any Insolvency Event occurs in relation to you, then we may after notifying you:
- (a) take possession of any Charged Assets (if they are not already in our possession);
 - (b) sell, exchange or otherwise dispose of or realise the Charged Assets on whatever terms, for whatever consideration and in whatever currency or currencies we think fit, without any responsibility for any resulting loss. We may exercise our right to sell Charged Securities at whatever time we consider appropriate and will not be liable for any loss you suffer as a result of any diminution in price since the time at which we became entitled to exercise our right to sell the Securities or any increase in price since the time at which we sold the Securities or as a result of selling Securities at a time of limited market liquidity or demand for the Securities in question;
 - (c) to the extent that we are legally entitled to do so, appropriate any of the Charged Securities in or towards satisfaction of the Secured Liabilities. The amount of the Secured Liabilities that is discharged will be equal to the value of the appropriated Securities as valued by us in a commercially reasonable manner;

- (d) apply any money standing to the credit of any Account (in whatever currency it is denominated), any dividends, interest or other income received in respect of the Charged Assets and any amounts received on repayment or redemption of the Charged Securities in or towards satisfaction of the Secured Liabilities;
 - (e) set off any sum (whether or not then due) standing to the credit of any of the Accounts, in whatever currency it is denominated, against all or any of the Secured Liabilities;
 - (f) combine or consolidate any of the Accounts in any currency at any of our offices anywhere with any other of the Accounts;
 - (g) if any liability is unascertained, set off, combine or apply an amount that we reasonably estimate to be the amount of that liability;
 - (h) exercise any powers or rights incidental to the ownership of the Charged Assets, including voting rights;
 - (i) collect, receive and give a good discharge for interest, dividends, other distributions, proceeds of repayment or redemption and other payments and receipts in respect of the Charged Assets;
 - (j) at your expense, execute any assignments, transfers and other documents and do any other acts and things that we consider necessary or expedient in order to perfect the Security Interest, facilitate the realisation of the Charged Assets and exercise the rights, powers and discretions that we have under this Deed of Charge;
 - (k) exercise all the rights and remedies of a secured party under applicable laws without giving you notice or requesting you to perform your obligations or issuing any advertisement that we intend to exercise our rights; and
 - (l) do anything else that we in our reasonable judgment consider necessary or desirable in connection with the realisation of the Charged Assets or the exercise of our rights under this Deed of Charge or applicable laws.
- 4.2 We will endeavour to ensure that you receive any notice given by us under clause 4.1 above, but provided that we have properly issued a notice we will be entitled to exercise our rights under clause 4.1, whether or not the request or notice is actually received by you.

5 Ancillary Provisions

- 5.1 If we receive notice of any subsequent charge or other interest affecting the Charged Assets, we may open a new account in your name. If we do not open a new account, we will nevertheless be treated as if we had done so at the time when the subsequent charge or interest was created. As from that time all payments made by you or on your behalf under the Finance Documents will be credited to, or be treated as having been credited to, the new account and will not operate to reduce the amount of the Secured Liabilities as at the date the new account is opened or treated as having been opened.
- 5.2 The Security Interest will continue in force until it is released as provided in clause 3 and it will not be discharged or otherwise affected by any payment you make or any settlement of your liabilities.
- 5.3 The Security Interest is in addition to and will not be prejudiced by any other security or right that we hold. We do not have to enforce any other security or claim payment from or exercise any other right against anyone else before enforcing the Security Interest.
- 5.4 We will not be liable for the performance of any of your obligations (including calls or other payments) or the exercise of any of your rights in relation to any Charged Securities.

6 Undertakings

You undertake that you will:

- (a) not mortgage, charge, create or agree to create any security interest other than the Security Interest over the Charged Assets;
- (b) not assign, transfer or otherwise dispose of or deal with the Charged Assets or enter into any arrangement under which set-off may be made in respect of the Charged Assets;
- (c) not do nor cause or permit to be done anything which may adversely affect the Security Interest;
- (d) not (i) exercise any voting or other rights or powers in relation to any Charged Assets in favour of the alteration of the constitutional documents of any issuer of Securities in a manner which may adversely affect the Security Interest; nor (ii) do or cause to be done anything which is likely to impair the value of the Charged Assets and if any resolution is proposed which would have that effect then you will exercise any voting or other rights or powers in accordance with our directions;
- (e) pay all calls or other payments due, and discharge all other obligations, in respect of any of the Charged Assets. If you fail to make any payment or discharge any obligation, we may at our option pay any relevant sum or discharge any relevant obligation on your behalf, and you must on our demand reimburse to us any amount that we have paid or discharged on your behalf together with interest from the date of our payment to the date of reimbursement at a rate per annum equal to our overdraft rate then in force and a margin of 3 per cent;
- (f) promptly provide us with copies of any reports, accounts, circulars and notices you receive in relation to any Charged Securities; and
- (g) reimburse us for any other payments that we are required to make in relation to the Charged Assets, for any loss that we suffer as a result of any defect in your title to the Charged Assets and for all liabilities, actions, claims, demands, costs, losses, charges and expenses that we reasonably incur in respect of the Charged Assets.

9 Payments

- 9.1 All payments that you are required to make under this Deed of Charge must be made in full without setting off any amount or making any deduction or withholding in respect of tax or otherwise unless the deduction or withholding is required by law, in which case you must pay us an additional amount in order to ensure that we receive and retain the full amount as if no deduction or withholding had been made.
- 9.2 We may, at our discretion, without prior notice to you, debit any sums (whether in respect of principal, interest, fees, costs or otherwise) due and payable from you to us in respect of the Secured Liabilities from any Account, notwithstanding that any such debit results in a debit balance or an increased debit balance on the Account.

- 14.3 The rights and remedies in this Deed of Charge are separate rights and remedies that we may exercise independently of each other and are in addition to and do not exclude any rights or remedies provided by law.
- 14.4 If at any time any of the provisions of this Deed of Charge is or becomes illegal, invalid or unenforceable in any respect under any law of any country, this will not affect the legality, validity or enforceability of the remaining provisions of the Deed of Charge, nor the legality, validity or enforceability of that provision under the law of any other country.

This means that we have the right to go against any one Person for the whole amount of the liabilities of each Person under the Deed of Charge. It is each Person's responsibility to agree on sharing the liability between themselves.
- 15.2 We may release or discharge any one Person from liability under this Deed of Charge without thereby releasing or discharging the other Person or Persons and may make a compromise or arrangement with any one Person without thereby affecting our rights against any other Person or Persons.
- 15.3 If any one Person (the **Affected Person**) is not bound by the provisions of this Deed of Charge for any reason, the other Person or Persons will continue to be bound as if the Affected Person had never been included as a party to this Agreement.
- 15.4 Any one of you may give us any notice or request in connection with this Deed of Charge. We may rely on any notice or request given by one of you as if it were given by each of you and it is therefore your responsibility to make sure that any instruction, notice, or request given by one of you is copied to all of you.

- 15.6 If one of you dies or is adjudicated bankrupt (if that Person is an individual) or is dissolved (if that Person is a partnership or a corporation):
- (a) we may treat the Person or Persons who has not or have not died, become bankrupt or been dissolved (the **survivor(s)**) as the only Person(s) entitled to assets that we hold on behalf of all of you and treat the survivor(s) as responsible for the full amount of Secured Liabilities; and
 - (b) the survivor(s) must at once give us written notice of the death, bankruptcy or dissolution.

 - (b) will be deemed to have been received by you:
 - (i) in the case of a letter, when delivered personally or 5 days after it has been sent by first class post;
 - (ii) in the case of a facsimile transmission or email, when it has been sent.
- 16.2 You may not give any demand or notice to us by email.
