For the period ending 30 June 2020 the company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

**Directors responsibilities:**

- The members have not required the company to obtain an audit of its financial statements for the period in question in accordance with section 476;
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of financial statements.

These financial statements have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies' regime and in accordance with Section 1A of FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

In accordance with section 444 of the Companies Act 2006, the income statement has not been delivered.

**The notes on pages 4 to 7 form part of these financial statements.**

**Casa Angels Limited**

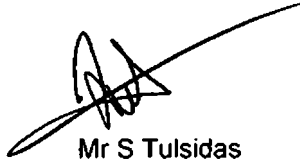

**Statement of financial position (continued)**  
**30 June 2020**

26/11/2020

These financial statements were approved by the board of directors and authorised for issue on 1 and are signed on behalf of the board by:

Mr R Mehta  
Director

Mr S Tulsidas  
Director

Company registration number: 12067684

**The notes on pages 4 to 7 form part of these financial statements.**

## **Casa Angels Limited**

### **Notes to the financial statements**

**Period ended 30 June 2020**

#### **1. General information**

The company is a private company limited by shares, registered in United Kingdom. The address of the registered office is 7 Plaza Parade, London, NW6 5RP.

#### **2. Statement of compliance**

These financial statements have been prepared in compliance with the provisions of FRS 102, Section 1A, 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. The Triennial review 2017 amendments to the standard have been early adopted.

#### **3. Accounting policies**

##### **Basis of preparation**

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through profit or loss.

The financial statements are prepared in sterling, which is the functional currency of the entity.

##### **Taxation**

The taxation expense represents the aggregate amount of current and deferred tax recognised in the reporting period. Tax is recognised in the statement of comprehensive income, except to the extent that it relates to items recognised in other comprehensive income or directly in capital and reserves. In this case, tax is recognised in other comprehensive income or directly in capital and reserves, respectively.

Current tax is recognised on taxable profit for the current and past periods. Current tax is measured at the amounts of tax expected to pay or recover using the tax rates and laws that have been enacted or substantively enacted at the reporting date.

Deferred tax is recognised in respect of all timing differences at the reporting date. Unrelieved tax losses and other deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the reporting date that are expected to apply to the reversal of the timing difference.

##### **Tangible assets**

Tangible assets are initially recorded at cost, and are subsequently stated at cost less any accumulated depreciation and impairment losses.

Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other comprehensive income and accumulated in capital and reserves, except to the extent it reverses a revaluation decrease of the same asset previously recognised in profit or loss. A decrease in the carrying amount of an asset as a result of revaluation is recognised in other comprehensive income to the extent of any previously recognised revaluation increase accumulated in capital and reserves in respect of that asset. Where a revaluation decrease exceeds the accumulated revaluation gains accumulated in capital and reserves in respect of that asset, the excess shall be recognised in profit or loss.

## **Casa Angels Limited**

### **Notes to the financial statements (continued)**

**Period ended 30 June 2020**

#### **Depreciation**

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

If there is an indication that there has been a significant change in depreciation rate, useful life or residual value of tangible assets, the depreciation is revised prospectively to reflect the new estimates.

#### **Investment property**

Investment property is initially recorded at cost, which includes purchase price and any directly attributable expenditure. Investment property is revalued to its fair value at each reporting date and any changes in fair value are recognised in the Income Statement.

#### **Impairment**

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

When it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that are largely independent of the cash inflows from other assets or groups of assets.

#### **Financial instruments**

A financial asset or a financial liability is recognised only when the company becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the transaction price, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Debt instruments are subsequently measured at amortised cost.

Where investments in non-convertible preference shares and non-puttable ordinary shares or preference shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in profit or loss. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in profit or loss, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss immediately.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised in profit or loss immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

**Casa Angels Limited**

**Notes to the financial statements (continued)**  
**Period ended 30 June 2020**

**Post Balance Sheet Events**

After the balance sheet date, we have seen macro-economic uncertainty with regard to the general trading conditions as a result of COVID-19 (coronavirus) outbreak leading to disruption to business activity. The directors consider the emergence and spread of COVID-19 to be non-adjusting post-balance sheet event. Given the inherent uncertainties, it is not practicable at this time to determine the impact of COVID-19 on the company or provide a quantitative estimate of this impact. We confirm that no other event has occurred between the Balance Sheet date and the date of these accounts, which will materially affect the amounts or manner in which significant items are reflected in the accounts.

**4. Tangible assets**

	Long leasehold property £	Total  £
<b>Cost</b>		
At 25 June 2019	-	-
Additions	275,454	275,454
<b>At 30 June 2020</b>	<u>275,454</u>	<u>275,454</u>
<b>Depreciation</b>		
At 25 June 2019 and 30 June 2020	<u>-</u>	<u>-</u>
<b>Carrying amount</b>		
At 30 June 2020	<u>275,454</u>	<u>275,454</u>

**Investment property**

The investment property was valued by the directors on 30 June 2020 on an open market basis. There has been no material change in value that needs to be reflected in these accounts. No depreciation has been provided in respect of these property.

**5. Debtors**

	30/06/20 £
Other debtors	<u>7,653</u>

**6. Creditors: amounts falling due within one year**

	30/06/20 £
Other creditors	<u>153,000</u>

**Casa Angels Limited**

**Notes to the financial statements (continued)**  
**Period ended 30 June 2020**

**7. Creditors: amounts falling due after more than one year**

	<b>30/06/20</b>
	<b>£</b>
Bank loans and overdrafts	142,100
Other creditors	50,000
	<u>192,100</u>

The bank loans and mortgages are secured over the company's investment property.

**8. Directors advances, credits and guarantees**

At the year end the company owed £76,500 to Mr S Tulsidas and £76,500 to Mr R Mehta. Both these loans are repayable on demand and are interest free.

**9. Controlling party**

There is no controlling party.
