In addition to any other power conferred on the Lender by this Debenture, at any time after the security created by this Debenture has become enforceable, any right, power or discretion conferred or which may be conferred on a Receiver by or pursuant to this Deed may be exercised by the Lender in relation to any of the Collateral without first appointing a Receiver or notwithstanding the appointment of a Receiver.

11.4 Right of appropriation

To the extent that the Collateral constitutes "financial collateral" and this Debenture and the obligations of the Chargor under it constitute a "security financial collateral arrangement" (in each case as defined in, and for the purposes of, the Financial Collateral Arrangements (No.2) Regulations 2003 (SI 2003 No. 3226) or (where the context admits) equivalent legislation in any applicable jurisdiction bringing into effect Directive 2002/47/EC on financial collateral arrangements), the Lender and each Receiver shall have the right at any time after this Debenture has become enforceable to appropriate all or any part of such financial collateral in or towards satisfaction of the Secured Obligations. For the purposes of this Clause 11.4 (*Right of appropriation*) the value of the financial collateral appropriated shall be such amount as the Lender or the Receiver determines having taken into account advice obtained by it from an independent investment or accountancy firm of national standing selected by it.

12. No liability as mortgagee in possession

The Lender shall not, nor shall any Receiver, by reason of it or such Receiver entering into possession of the Collateral be liable to account as mortgagee in possession or be liable for any loss on realisation or for any default or omission which a mortgagee in possession might be liable except for its gross negligence or wilful misconduct.

14.2 Delegation

The Lender shall have full power to delegate the power conferred on it by Clause 14.1 (*Appointment and powers*), but no such delegation shall preclude the subsequent exercise of such power by the Lender itself or preclude the Lender from making a subsequent delegation to some other person; and any such delegation may be revoked by the Lender at any time.

14.3 Ratification

The Chargor shall ratify and confirm all transactions entered into by the Lender or such Receiver or administrator or delegate of the Lender in the exercise or purported exercise of their respective

16. Subsequent charges

If the Lender receives, or is deemed to be affected by, notice, whether actual or constructive, of any subsequent security or other interest affecting any Collateral and/or the proceeds of sale of any Collateral, the Lender may open a new account for the Chargor. If the Lender does not open a new account, it shall nevertheless be treated as if it had done so at the time when it received or was deemed to have received notice. As from that time all payments made to the Lender will be credited or be treated as having been credited to the new account and will not operate to reduce any amount for which this Debenture is security.

17. Redemption of prior mortgages

The Lender may, at any time after the security created by this Debenture has become enforceable, redeem any prior security against the Collateral or procure the transfer of such prior security to itself and may settle and pass the accounts of the prior security holder. Any accounts so settled and passed shall be conclusive and binding on the Chargor. All principal monies, interest, costs, charges and expenses of, and incidental to, such redemption and transfer shall be paid by the Chargor to the Lender on demand.

In addition to any general lien or similar right which it may be entitled to exercise at any time under any contract or arrangement with the Chargor or by operation of law, the Lender shall have the right at any time after this Debenture has become enforceable without notice to the Chargor to combine or consolidate all or any of the Chargor's then existing accounts opened pursuant to this Debenture or otherwise with the Lender with any liabilities of the Chargor to the Lender and to set off or transfer any sum or sums standing to the credit of any one or more of such accounts in or towards satisfaction of any of the liabilities of the Chargor to the Lender on any other such account or in any other respect. The liabilities referred to in this Clause 18.1 (*Consolidation of accounts*) may be actual, contingent, primary, collateral, several or joint liabilities, and the accounts, sums and liabilities referred to in this Clause may be denominated in any currency.

18.2 Set-off

In addition to any right which it may be entitled to exercise at any time under any contract or arrangement with the Chargor or by operation of law, after this Debenture has become enforceable

the Lender may set off any Secured Obligations due and payable by the Chargor against any obligation (whether or not matured) owed by the Lender to the Chargor regardless of the place of payment or currency of either obligation. If the obligations are in different currencies, the Lender may convert any obligation in the manner provided in Clause 20 (*Currency*).

19. Payments

19.1 Manner of payment

All payments to be made by the Chargor under this Debenture shall be made in the same currency in which the relevant Secured Obligations are expressed to be payable.

19.2 Appropriation of payments

The Lender shall have an absolute and unfettered right to appropriate any payments received from the Chargor to such indebtedness of the Chargor under the Loan Documents as the Lender may determine, to the exclusion of any right on the part of the Chargor to make an appropriation in respect of such payments.

20. Currency

20.1 Currency indemnity

If any sum due from the Chargor under this Debenture (a "**Sum**"), or any order, judgment or award given or made in relation to a Sum, has to be converted from the currency (the "**First Currency**") in which that Sum is payable into another currency (the "**Second Currency**") for the purpose of:

20.2 Waiver

The Chargor waives any right it may have in any jurisdiction to pay any amount under this Debenture in a currency other than that in which it is expressed to be payable.

21. Suspense account

For so long as any of Secured Obligations is outstanding, all monies received, recovered or realised by the Lender under this Debenture (including the proceeds of any conversion of currency) may in the discretion of the Lender be credited to an interest bearing suspense or impersonal account and may be held in such account for so long as the Lender may think fit.

22. The Lender's remedies**22.1 Effect of release**

Any receipt, release or discharge of the security provided by, or of any liability arising under, this Debenture shall not release or discharge the Chargor from any liability to the Lender for the same or any other liability which may exist independently of this Debenture.

22.2 Arrangements with third parties

The Lender may in its discretion grant time or other indulgence, or make any other arrangement, variation or release with, any person or persons not party to this Debenture (whether or not such person or persons are jointly liable with the Chargor) in respect of any of the Secured Obligations or of any other security for, or guarantee in respect of, the Secured Obligations, without prejudice either to the security created by or pursuant to this Debenture or to the liability of the Chargor for the Secured Obligations or the exercise by the Lender of any rights, remedies and privileges conferred upon it by this Debenture.

The rights, powers and remedies provided in this Debenture are cumulative and are not, nor are they to be construed as, exclusive of any rights, powers or remedies provided by law, or under any other document or agreement.

22.4 Waiver

No failure by the Lender to exercise, or delay in exercising, any right or remedy provided by this Debenture or by law, shall operate as a waiver of such right or remedy, nor shall any single or partial waiver of any right or remedy preclude any further or other exercise of that right or remedy or the exercise of any other such right or remedy.

22.5 Insolvency relation back

- (a) Any settlement or discharge between the Lender and the Chargor shall be conditional upon no security of, or payment to, the Lender (whether by the Chargor or otherwise) being avoided or reduced or required to be paid away by virtue of any requirement (whether or not having the force of law) or enactment, whether relating to bankruptcy, insolvency, liquidation, administration or otherwise, at any time in force or by virtue of any obligation to give effect to any preference or priority and the Lender shall be entitled to recover the value or amount of any such security or payment from the Chargor as if such settlement or discharge had not occurred.
- (b) If the Lender reasonably considers that an amount paid by the Chargor (or any other person) to the Lender under any contract or agreement giving rise to, concerning or securing the Secured Obligations is capable of being avoided or set aside on the winding-up or administration of the Chargor or such other person or otherwise then that amount shall not be considered to have been irrevocably paid for the purposes of this Debenture.

23. Provisions severable

Every provision contained in this Debenture shall be severable and distinct from every other provision and if at any time any one or more of such provisions is or becomes invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining such provisions shall not in any way be affected.

24. The Lender's discretion

Subject to any provision expressly to the contrary and subject to any duty imposed by general law, any power which may be exercised or any determination which may be made under this Debenture by the Lender may be exercised or made in the absolute and unfettered discretion of the Lender.

25. Certificates

Any certification or determination by the Lender of a rate or amount under this Debenture is, in the absence of manifest error, conclusive evidence of the matters to which it relates.

26. Assignment

- (a) The Lender shall be entitled at any time to assign all or any of its rights and benefits under this Debenture to any person to whom the rights and benefits of the Lender under the Loan Agreement are assigned or transferred in accordance with its terms and this Debenture shall remain in full force and effect after, and shall continue to secure the Secured Obligations after and resulting from, any such assignment or transfer.
- (b) The Chargor shall enter into any documents specified by the Lender to be necessary to give effect to any assignment or transfer contemplated by paragraph (a) of this Clause 26 (*Assignment*).
- (c) The Lender may disclose such information about the Chargor and the assets as the Lender thinks fit to a potential assignee or transferee of all or any part of its rights under this Debenture, or to any person who may otherwise enter into contractual relations with the Lender in relation to any of the Secured Obligations, or to any person to whom, and to the extent that, information is required to be disclosed by any applicable law or regulation, or to any person at any time after the security created by this Debenture has become enforceable or the disclosure is in connection with the protection or enforcement of the Lender's rights under this Debenture.
- (d) The Chargor may not assign or transfer all or any part of its rights and/or obligations under this Debenture.

27. Release

Upon the expiry of the Security Period (but not otherwise), the Lender will, at the request and cost of the Chargor, take whatever action is necessary to release the Collateral from the security created by this Debenture.

28. Third party rights

Unless expressly provided to the contrary in this Debenture, a person who is not a party to this Debenture has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce or enjoy the benefit of any term of this Debenture. Notwithstanding any provision of this Debenture, the consent of any person who is not a party to this Debenture is not required to rescind or vary this Debenture at any time.

29. Counterparts

This Debenture may be executed in any number of counterparts and by the different parties on separate counterparts and this will have the same effect as if the signatures on the counterparts were on a single copy of this Debenture and each such counterpart shall be treated as an original.

30. Notices

Any notice or other communication to be made under or in connection with this Debenture or by applicable law shall be made as provided in the Loan Agreement.

31. Governing law and jurisdiction

31.1 Governing law

This Debenture and any non-contractual obligations arising out of or in connection with it shall (save to the extent expressly stated to the contrary) be governed by English law, save for Clause 3.16 (*US credit balances*) which shall be governed by the law of the Relevant State.

31.2 Jurisdiction

- (a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Debenture (including a dispute relating to the existence, validity or termination of this Debenture or the consequences of its nullity or any non-contractual obligation arising out of or in connection with this Debenture) (a "**Dispute**").
- (b) The parties to this Debenture agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no party will argue to the contrary.
