## **DIRECTORS' REPORT**

---

The directors present their report and the audited financial statements of LSEG F1 Limited (the "Company") for the period ended 31 December 2020. The Company was incorporated on 14 November 2019 and these are its 1<sup>st</sup> financial statements since incorporation; as such, there are no comparatives.

### **REVIEW OF BUSINESS**

The main purpose of LSEG F1 Limited is to provide financial support by granting loans and securities to assist companies within the London Stock Exchange Group plc ("LSEG", the "parent", the "group"). The Company is part of LSEG.

During the current period the Company made a profit of US\$19,701k, mainly attributable to a taxation credit. Net assets as at 31 December 2020 were US\$1,983,136k. Due to the nature of the business, the directors have concluded that there are no other relevant KPIs.

### **FUTURE DEVELOPMENTS**

The Company is expected to continue to provide loans and securities to group companies.

### **EMPLOYEES**

The Company has no employees.

### **PRINCIPAL RISKS AND UNCERTAINTIES**

LSEG operates group wide risk management procedures which bring greater judgement to decision making as this allows management to make better, more informed and more consistent decisions based on a clear understanding of the risks involved.

LSEG has adopted a group wide risk management system that provides ongoing formal assurance that all subsidiary companies are appropriately controlling all of the risks to which they are exposed, ensuring that internal controls operate efficiently and effectively.

The Company is subject to a variety of foreseeable and unforeseeable risks and uncertainties which may have an impact on the Company's ability to execute its strategy and deliver its expected performance. The identification, assessment and management of these risks are central to the Company's operating framework. The Company's risk control structure is based on the '3 lines of defence' model:

- The 1<sup>st</sup> line (management) is responsible and accountable for identifying, assessing and managing risk.
- The 2<sup>nd</sup> line (risk management and compliance) is responsible for defining the risk management process and policy framework and providing challenge to the 1<sup>st</sup> line on risk management activities assessing risks and reporting to the group board committees on risk exposure.
- The 3<sup>rd</sup> line (internal audit) provides independent assurance to the board and other key stakeholders over the effectiveness of the systems of controls and the risk management framework.

The Company's principal risks are considered to arise from clients and competition (with client alignment paramount to the successful operation and growth of our business), the continuing changing regulatory environment and the macro economic environment (unfavourable tax regimes, impact of Brexit on ability to conduct business with European Union ("EU") members, or the changing regulatory environment, may reduce the attractiveness of London as a major financial centre) and increasing security threats (both physical and cyber).

# **LSEG F1 LIMITED**

## **DIRECTORS' REPORT**

---

The UK's exit from the EU leaves significant uncertainty concerning the political and regulatory environment, the UK's future relationship with the EU, and the overall impact on the UK and EU economies both in the short and medium term. The Company relies on a number of rights that are available to them to conduct business with other EU or EEA members. This includes, without limitation, the right for UK trading venues to offer services to members in the EU or EEA. The Company has analysed the potential impact and considered contingency plans that they may choose to execute should these rights not be replaced by rights that persist outside EU membership.

### **DIVIDENDS**

No dividends were declared in the current period.

### **DIRECTORS AND DIRECTORS' INTERESTS**

The following directors have held office throughout the period and up to the date of approval of the financial statements, as noted below:

L Condron	(appointed 14 November 2019)
C Thomas	(appointed 14 November 2019)
M Freedman	(appointed 14 November 2019)

None of the directors had any interest in the shares of the Company. There are no directors' interests requiring disclosure under the Companies Act 2006.

### **DIRECTORS' LIABILITIES**

The Company has directors and officers' insurance which provides an indemnity to 1 or more of its directors against liability in respect of proceedings brought by third parties. Such qualifying third-party indemnity provision remains in force as at the date of approving the directors' report.

### **STATEMENT OF DIRECTORS' RESPONSIBILITIES**

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial period. Under that law the directors have prepared the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 101 *Reduced Disclosure Framework* ("FRS 101").

Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting Standards, including FRS 101 have been followed, subject to any material departures disclosed and explained in the financial statements; and

# **LSEG F1 LIMITED**

## **DIRECTORS' REPORT**

---

- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the Company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

### **GOING CONCERN**

The directors have reviewed the Company's forecasts and projections, taking into account reasonably possible changes in trading performance, which show that the Company has sufficient financial resources. On the basis of this review, following consideration of the observed impact of the COVID pandemic on the business, and after making due enquiries, the directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future and for a period of at least 12 months from the date of approval of the financial statements. Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

### **EVENTS AFTER THE REPORTING PERIOD**

On 29 January 2021, the Group completed the acquisition of Refinitiv Parent Limited (Refinitiv), a company incorporated in the Cayman Islands and headquartered in London and New York. Refinitiv is a leading global provider of market and financial data, infrastructure, delivering data, insight and analytics tailored to strategic workflows. The principal operations of the Company are not expected to change.

### **STRATEGIC REPORT**

In accordance with section 414B of the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013, the Company has taken the exemption not to prepare a strategic report as the Company qualifies as a small company in accordance with section 382 of the Companies Act 2006. In the current period, the Company's turnover was not more than £10,200,000 and the number of employees was not more than 50.

### **DIRECTORS' STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS**

In the case of each of the persons who are directors of the Company at the date when this report was approved:

- so far as each of the directors is aware, there is no relevant audit information of which the Company's auditors are unaware; and
- each of the directors has taken all the steps that they ought to have taken as a director to make themselves aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

# **LSEG F1 LIMITED**

## **DIRECTORS' REPORT**

---

### **AUDITORS**

Ernst & Young LLP have expressed their willingness to continue in office as auditors. They are deemed to be reappointed under section 487(2) of the Companies Act 2006.

By order of the board:

Mark Freedman  
Director  
LSEG F1 Limited  
29 July 2021

REGISTERED OFFICE:  
10 Paternoster Square, London, EC4M 7LS

# INDEPENDENT AUDITOR'S REPORT TO THE MEMBER OF LSEG F1 LIMITED

---

## Opinion

We have audited the financial statements of LSEG F1 Limited ("LSEG (F1)" or "Company") for the 14 month period ended 31 December 2020 which comprise the Income Statement, the Statement of Financial Position, the Statement of Changes in Equity and the related notes 1 to 13, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards including FRS 101 "Reduced Disclosure Framework" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the Company's affairs as at 31 December 2020 and of its profit for the period then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

## Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report below. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for a period of 12 months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report. However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the Company's ability to continue as a going concern.

## Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements

# INDEPENDENT AUDITOR'S REPORT TO THE MEMBER OF LSEG F1 LIMITED

themselves. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard.

## **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' report has been prepared in accordance with applicable legal requirements.

## **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

## **Responsibilities of Directors**

As explained more fully in the directors' responsibilities statement set out on pages 3-4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

## **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

## ***Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud***

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect irregularities, including fraud. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

**7 LSEG F1 Limited Report and Financial Statements 31 December 2020**

# INDEPENDENT AUDITOR'S REPORT TO THE MEMBER OF LSEG F1 LIMITED

However, the primary responsibility for the prevention and detection of fraud rests with both those charged with governance of the entity and management.

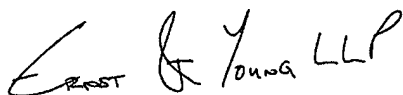

Our approach was as follows:

- We obtained an understanding of the legal and regulatory frameworks that are applicable to the Company and determined that the most significant are the Companies Act 2006, International Accounting Standards in conformity with the requirements of the Companies Act 2006, and tax legislation (governed by HM Revenue and Customs).
- We understood how the Company is complying with those frameworks by making enquiries of management and seeking representation from those charged with governance. We corroborated our enquiries through review of board meeting minutes and correspondence with relevant authorities.
- We assessed the susceptibility of the Company's financial statements to material misstatement, including how fraud might occur by considering the risk of fraud in relation to management override of controls over the valuation of investments in subsidiaries. We considered the controls that the Company has established to address risks identified by the Company, or that otherwise seek to prevent, deter or detect fraud. This included assessing the impact of remote working due to COVID-19. Our procedures involved journal entry testing by specific risk criteria, with a focus on manual top side financial statement adjustments and journals indicating large or unusual transactions based on our understanding of the business.
- Based on this understanding we designed our audit procedures to identify noncompliance with such laws and regulations. Our procedures involved enquires of executive management and those responsible for legal and compliance matters for their awareness of any non-compliance with laws and regulations, inquiring about the policies that have been established to prevent non-compliance with laws and regulations by officers and employees; inquiring about the Company's methods of enforcing and monitoring compliance with such policies; inspecting complaints log and reviewing board minutes.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

## Use of our report

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Hitesh Patel (Senior statutory auditor)

## **NOTES TO THE FINANCIAL STATEMENTS**

Period ended 31 December 2020

---

### **1. Basis of Preparation and Accounting Policies**

#### **Basis of Preparation**

The financial statements have been prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework ("FRS 101") and the Companies Act 2006 (the "Act"). FRS 101 sets out a reduced disclosure framework for a 'qualifying entity' as defined in the standard which addresses the financial reporting requirements and disclosure exemptions in the individual financial statements of qualifying entities that otherwise apply the recognition, measurement and disclosure requirements of International Accounting Standards ("IFRS") in conformity with the requirement of the Companies Act 2006.

The Company is a qualifying entity for the purposes of FRS 101. Note 11 gives details of the Company's ultimate parent and from where its consolidated financial statements prepared in accordance with IFRS may be obtained. The Company was incorporated on 14 November 2019 and these are its 1<sup>st</sup> financial statements since incorporation; as such, there are no comparatives.

FRS 101 sets out amendments to IFRS that are necessary to achieve compliance with the Act and related regulations.

The following disclosure exemptions under FRS 101 have been considered and applied where deemed to be applicable:

- IAS 7 *Statement of Cash Flows* and related notes;
- reduced IFRS 2 disclosure for share-based payment arrangements in a subsidiary's financial statements;
- IAS 8 the listing of new or revised standards that have not been adopted (and information about their likely impact) may be omitted;
- reduced IAS 36 disclosure of impairment reviews;
- reduced IFRS 3 disclosure for business combinations during and after the period;
- reduced IFRS 5 disclosure for discounted operations;
- reduced IFRS 7 disclosure for financial instruments;
- reduced IFRS 13 disclosure relating to fair value measurement;
- IAS 24 related party disclosures for intra-group transactions and disclosure of key management compensation;
- IAS 1 the requirement to present comparatives in roll-forward reconciliations for movements on share capital, property plant and equipment, intangible assets and investment property;
- reduced IAS 1.134-1.136 disclosure on capital management;
- reduced disclosure for IFRS 15 *Revenue from Contracts with Customers*; and
- reduced disclosure for IFRS 16 *Leases*.

The following standards and amendments were endorsed by the EU during the period and have been adopted in these financial statements:

- Amendments to References to the Conceptual Framework in IFRS Standards;
- Amendments to IFRS 3 *Business Combinations*;
- Amendments to IAS 1 and IAS 8, *Definition of Material*;
- Amendments to IFRS 9, IAS 39 & IFRS 7, *Interest Rate Benchmark Reform*; and
- Amendments to IFRS 16 *Leases*, *Covid-19-Related Rent Concessions*.

# **LSEG F1 LIMITED**

## **NOTES TO THE FINANCIAL STATEMENTS**

### **Period ended 31 December 2020**

---

The adoption of these standards and amendments did not have a material impact on the results of the Company. These financial statements are prepared under the historical cost convention as modified by the revaluation of assets and liabilities held at fair value.

The preparation of financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's accounting policies.

The Company is a private limited company, limited by shares incorporated and domiciled in England and Wales. The address of its registered office is 10 Paternoster Square, London, EC4M 7LS.

#### **Going concern**

The directors have reviewed the Company's forecasts and projections, taking into account reasonably possible changes in trading performance, which show that the Company has sufficient financial resources. On the basis of this review, following consideration of the observed impact of the COVID pandemic on the business, and after making due enquiries, the directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future and for a period of at least 12 months from the date of approval of the financial statements. Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

## **Accounting Policies**

#### ***Income Statement***

##### ***Foreign currencies***

These financial statements are presented in US Dollars, which is the Company's presentation and functional currency.

Foreign currency transactions are converted into the functional currency of the reporting entity using the rate ruling at the date of the transaction. Foreign exchange gains or losses resulting from the settlement of such transactions and from the translation at year-end rates of monetary assets and liabilities denominated in foreign currencies are recognised in the income statement. The USD:GBP average exchange rate used is 0.77895. The closing rate used is 0.73380.

##### ***Current and deferred taxation***

Income tax on the result for the period comprises current and deferred tax. Income tax is recognised in the income statement except to the extent that it relates to items recognised in Other comprehensive income or directly in equity. In this case, the tax is also recognised in Other comprehensive income or directly in equity, respectively.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the balance sheet date in the country where the Company operates and generates taxable income and any adjustment to tax payable in respect of previous years.

Deferred tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax is not recognised if it arises from the initial recognition of an asset or liability in a transaction (other than a business combination) that affects neither accounting nor taxable profit or loss at that time. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the balance sheet date and are expected to apply

# **LSEG F1 LIMITED**

## **NOTES TO THE FINANCIAL STATEMENTS**

### **Period ended 31 December 2020**

---

when the deferred tax asset or liability is settled. Deferred tax assets are recognised to the extent that it is probable that future taxable profit will be available against which the temporary differences can be utilised.

Deferred income tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets against current tax liabilities and when the deferred income taxes assets and liabilities relate to income taxes levied by the same taxation authority.

#### ***Statement of Financial Position***

##### ***Investment in subsidiary undertakings***

Subsidiaries are all entities (including structured entities) over which the Company has control. The Company controls an entity when the Company is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity.

Investments in subsidiaries are stated in the Company's financial statements at cost less impairment, if any. On disposal, the difference between the net disposal proceeds and the investment's carrying amount is included in the income statement. Loans to subsidiaries which are determined as capital contributions are recorded as investments in subsidiary undertakings.

##### ***Financial instruments***

Financial assets and liabilities are initially recognised at fair value on their settlement date. The Company classifies its financial instruments as held at amortised cost. The Company's business model for managing its financial instruments is to collect the cashflows generated which are 'solely payments of principal and interest' ("SPPI").

##### ***Initial recognition:***

- a) *Financial assets at amortised cost* are financial assets that are held in order to collect the contractual cashflows and the contractual terms give rise to cashflows that are solely payments of principal and interest. The Company's cash and cash equivalents and trade and other receivables fall within this category.
- b) *Financial liabilities at amortised cost* are all financial liabilities that are not included within financial liabilities at FVPL. This comprises the Company's trade and other payables.

##### ***Subsequent measurement:***

The Company adopts a forward-looking approach to estimate impairment losses on financial assets. An expected credit loss ("ECL") is calculated based on the difference between the contractual cashflows due and the expected cashflows. The difference is discounted at the asset's original effective interest rate and recognised as an allowance against the original value of the asset.

- c) *Financial assets at amortised cost* - the ECL for financial assets held at amortised cost is calculated using IFRS 9's simplified approach using lifetime ECL. The allowance is based on the Company's historic experience of collection rates, adjusted for forward looking factors specific to each counterparty and the economic environment at large to create an expected loss matrix.

The ECL on other financial assets held at amortised cost is measured using the general approach. The Company calculates an allowance based on the 12-month ECL at each reporting date until there is a significant increase in the financial instrument's credit risk, at which point the Company will calculate a loss allowance based on the lifetime ECL. If there is a significant increase in credit risk, then a lifetime ECL will be calculated. A significant increase in credit risk is considered to have occurred when contractual payments are more than 30 days past due.

# **LSEG F1 LIMITED**

## **NOTES TO THE FINANCIAL STATEMENTS**

Period ended 31 December 2020

---

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

### *Cash and cash equivalents*

Cash and cash equivalents comprise cash at bank, short-term deposits and investments in money market funds, and other instruments and structures that are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value.

### *Trade and other payables*

Other payables relate to loans from other companies within the group. Trade payables are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Trade and other payables are classified as 'trade and other payables' within current liabilities, if payment is due within 1 year or less (or in the normal operating cycle of the business if longer). If not, they are presented as 'other non-current payables' within non-current liabilities.

Trade and other payables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method.

### *Share capital*

The share capital of the Company consists only of 1 class of ordinary shares and these are classified as equity.

### *Dividend distributions*

Dividend distributions to the Company's equity holders are recognised as a liability in the financial statements in the period in which the dividends are approved by the Company's shareholder.

## **2. Significant Judgements and Estimates**

Judgements and estimates are regularly evaluated based on historical experience, current circumstances and expectations of future events. The Company has considered and exercised judgements in evaluating the ongoing impact of COVID-19 on the preparation of these financial statements. The significant judgements and estimates for the period ended 31 December 2020 are as follows:

### *Estimates:*

- Valuation of investment in subsidiary undertakings: for the purpose of impairment assessment, this is determined based on forecast cashflows and an appropriate discount rate. The basis of such values cannot be precise and is subject to market variations in both cases. The Company has considered the impact of COVID-19 on future cashflows. Following this review there was no direct impact for COVID-19.

There were no principal judgements applied by management.

## **3. Expenses by Nature**

Expenses comprise the following:

**LSEG F1 LIMITED**  
**NOTES TO THE FINANCIAL STATEMENTS**  
Period ended 31 December 2020

	Period ended 31 December 2020 US\$'000
Other costs	(15)

Other costs comprise audit fees for the audit of the Company's financial statements.

#### 4. Directors' Remuneration

No remuneration was received by the directors in respect of qualifying services to this Company in the period.

Income not taxable / (expenses not deductible)	217
<b>Taxation credit</b>	<b>18,574</b>

The UK budget on 3 March announced that the UK rate of corporation tax will increase from 19% to 25% effective 1 April 2023 which received Royal Assent on 10 June.

**LSEG F1 LIMITED**  
**NOTES TO THE FINANCIAL STATEMENTS**  
Period ended 31 December 2020

**6. Dividends**

No dividends were declared in the current period.

**7. Investment in Subsidiary Undertakings**

	US\$'000
At 14 November 2019	-
Investment in LSEG F2 Limited	1,962,446
<b>At 31 December 2020</b>	<b>1,962,446</b>

The Company's subsidiary as at 31 December 2020 is given below. The entire share capital is held within the Company except where the Company's ownership percentage is shown. This percentage gives the Company's ultimate percentage and therefore allows for the situation where subsidiaries are owned by partly owned intermediate subsidiaries.

Name of subsidiary undertaking	Country of incorporation and principal operations	Identity of each class of share held in the subsidiary undertaking	Direct or indirect holding	Percentage of class by direct parent	Ultimate Company percentage	Registered office address
LSEG F2 Limited	England and Wales	Ordinary	Direct	100	100	10 Paternoster Square, London, EC4M 7LS

**8. Trade and Other Payables**

	31 December 2020 US\$'000
Amounts owed to ultimate parent	15
	15

Amounts owed to the ultimate parent are interest free and repayable on demand. The carrying values of trade and other payables are reasonable approximations of fair value.
