IT IS AGREED as follows:

1. INTERPRETATION

1.1 Incorporation of Definitions

This Fernando Group Deed of Charge shall have expressly and specifically incorporated into it the Definitions set out in the Master Definitions and Framework Deed entered into between, *inter alios*, the SSN Issuer, the JSN Issuer, the other Original Chargors and the Security Trustee and dated on or about the date of this Fernando Group Deed of Charge (as it may have been, or may from time to time be, replaced, extended, amended, varied, novated, supplemented or superseded in accordance with its terms (the ***Master Definitions and Framework Deed***)) as though they were set out in full in this Fernando Group Deed of Charge. If there is any conflict between this Fernando Group Deed of Charge and the Definitions, this Fernando Group Deed of Charge shall prevail.

1.2 Construction

- (a) This Fernando Group Deed of Charge shall have expressly and specifically incorporated into it the Principles of Construction set out in the Master Definitions and Framework Deed as though they were set out in full in this Fernando Group Deed of Charge. If there is any conflict between this Fernando Group Deed of Charge and the Principles of Construction, this Fernando Group Deed of Charge shall prevail.
- (b) A reference in this Fernando Group Deed of Charge to any Group Share, stock, share, debenture, loan stock, security, note, warrant, coupon, interest in any investment fund and any other investment includes:
 - (i) all dividends, interest, coupons and other distributions paid or payable;
 - (ii) all stocks, shares, securities, rights, moneys, allotments, benefits and other assets accruing or offered at any time by way of redemption, substitution, conversion, exchange, bonus or preference, under option rights or otherwise; and

- (iii) any rights against any clearance system and any right under any custodian or other agreement,

in relation to that Group Share, stock, share, debenture, loan stock, security, note, warrant, coupon, interest in any investment fund or other investment.

- (c) The terms of the other Transaction Documents and of any side letters relating to the Transaction Documents are incorporated in this Fernando Group Deed of Charge to the extent required for any contract for the purported disposition of any Charged Property contained in this Fernando Group Deed of Charge to be a valid disposition in accordance with section 2(1) of the Law of Property (Miscellaneous Provisions) Act 1989.
- (d) The fact that the details of any assets in the Schedules are incorrect or incomplete shall not affect the validity or enforceability of this Fernando Group Deed of Charge in respect of the assets of any Chargor.

1.3 Incorporation of Common Terms

This Fernando Group Deed of Charge shall have expressly and specifically incorporated into it the Common Terms set out in the Master Definitions and Framework Deed (other than Clauses 3 (*Representation*) and 4 (*Covenants*)) as though the same were set out in full in this Fernando Group Deed of Charge. 1.4 This Fernando Group Deed of Charge

This is the Fernando Group Deed of Charge referred to in the Master Definitions and Framework Deed.

1.5 Trustee Act 1925 and Trustee Act 2000

- (a) Section 1 of the Trustee Act 2000 shall not apply to any function of the Security Trustee or the trusts constituted by this Fernando Group Deed of Charge. Where there are any inconsistencies between the Trustee Act 1925 or the Trustee Act 2000 and the provisions of this Fernando Group Deed of Charge, the provisions of this Fernando Group Deed of Charge shall, to the extent allowed by law, prevail and, in the case of any inconsistency with the Trustee Act 2000, the provisions of this Fernando Group Deed of Charge shall constitute a restriction or exclusion for the purposes of the Trustee Act 2000.
- (b) For the avoidance of doubt:
 - (i) the Security Trustee may retain or invest in securities payable to bearer without appointing a person to act as a custodian; and
 - (ii) sections 22 and 23 of the Trustee Act 2000 shall not apply to this Fernando Group Deed of Charge.

1.6 Third parties

Except as otherwise expressly provided in Clause 13.5(a) (*Protection of third parties*) or elsewhere in this Fernando Group Deed of Charge, the terms of this Fernando Group Deed of Charge may be enforced only by a party to it and the operation of the Contracts (Rights of Third Parties) Act 1999 is excluded.

2. COVENANT TO PAY

Each Chargor:

- (a) as primary obligor and not merely as surety, covenants with the Security Trustee (for its own account and as trustee for the Secured Parties) that it will unconditionally pay or discharge promptly on demand all of the Secured Obligations on the date(s) on which such Secured Obligations are expressed to become due and in the manner provided for in the relevant Transaction Document; and
- (b) acknowledges to the Security Trustee that the amount secured by this Fernando Group Deed of Charge and in respect of which this Fernando Group Deed of Charge and the Security Interests hereby created is enforceable is the full amount of the Secured Obligations.

3. CREATION OF SECURITY

3.1 Mortgages

Each Property Owner, with limited title guarantee and as continuing security for the payment or discharge of the Secured Obligations, charges and agrees to charge in favour of the Security Trustee by way of first legal mortgage all of its right, title, interest and benefit existing now and in the future, in and to all of the Real Property in England or Wales vested in it (and including, without limitation, all Real Property set out in Schedule 2 Part A (*Real Property*) to this Fernando Group Deed of Charge) and all Related Rights in respect thereof. It is acknowledged by the Parties that the charge created pursuant to this clause will take effect as an equitable mortgage until requisite registrations have been made.

3.2 Fixed charges

Each Chargor, with full title guarantee and as continuing security for the payment or discharge of the Secured Obligations, hereby conveys and transfers to the Security Trustee by way of first fixed charge all its rights, title and interest from time to time in and to:

- (a) each of its Accounts together with all moneys from time to time standing to the credit (including any interest thereon) of such bank accounts, in each case together with all Related Rights;
- (b) the Group Shares together with all Related Rights;
- (c) Plant and Machinery;
- (d) Monetary Claims;
- (e) Intellectual Property;
- (f) goodwill;

- (g) the benefit of any agreement, licence, consent or authorisation (statutory or otherwise) held by it in connection with its business or the use of any of its assets; and
- (h) to the extent not effectively assigned under Clause 3.3 (*Assignments*), the Assigned Agreements to which it is a party and the Insurance Policies under which it is a beneficiary or insured party (howsoever described) and any Insurance Proceeds relating to such Insurance Policies, in each case together with all Related Rights.

3.3 Assignments

Each Chargor, with full title guarantee and as continuing security for the payment or discharge of the Secured Obligations assigns absolutely and unconditionally (subject to right of each Chargor to redeem such assignment upon the irrevocable payment, discharge and performance of all of the Secured Obligations in accordance with Clause 5 (*Release and Reassignment*)) to the Security Trustee all its rights, title and interest (including all of its rights as a beneficiary with respect to any trust relationship) from time to time in and to:

- (a) each Assigned Agreement to which it is a party together with all Related Rights; and
- (b) the Insurance Policies under which it is a beneficiary or insured party (howsoever described) and any Insurance Proceeds relating to such Insurance Policies, in each case together with all Related Rights.

3.4 Floating charge

- (a) Each Chargor, with full title guarantee and as continuing security for the payment or discharge of the Secured Obligations, charges in favour of the Security Trustee by way of first floating charge all its present and future undertaking, property, assets and rights of whatever type and wherever located (other than property or assets from time to time being effectively mortgaged, charged by way of fixed charge, or otherwise assigned as security, by this Clause 3 (*Creation of Security*)).
- (b) The floating charge created by each Chargor pursuant to paragraph (a) of this Clause 3.4 (*Floating Charge*) shall be deferred in point of priority to all other Transaction Security.
- (c) The floating charge created by each Chargor pursuant to paragraph (a) of this Clause 3.4 (*Floating Charge*) is a “qualifying floating charge” for the purposes of paragraph 14 of Schedule B1 to the Insolvency Act 1986. Paragraph 14 of Schedule B1 to the Insolvency Act 1986 shall apply to this Fernando Group Deed of Charge and the Security Trustee may appoint an administrator to the relevant Chargor pursuant to that paragraph.

4. CONVERSION OF FLOATING CHARGE

4.1 Conversion by notice

The Security Trustee may by notice in writing to a Chargor convert any floating charge created by that Chargor under Clause 3 (*Creation of Security*) with immediate effect into fixed charges as regards all or any of such Chargor’s assets, rights and property specified in the notice (which assets need not be exclusively assets which are in danger of seizure or sale) if:

- (a) the Security Trustee considers any Charged Property subject to such floating charge to be in danger of being seized or sold under any form of distress, attachment, execution or other legal process or to be otherwise in jeopardy; or
- (b) the Security Trustee considers that such conversion is desirable in order to protect the value of the Charged Property or the priority of the Transaction Security,

and the Security Trustee shall further be entitled (but not bound) to take possession of or appoint a Receiver of such assets.

4.2 Automatic conversion

The floating charge created by each relevant Chargor under Clause 3.4(a) (*Floating charge*) shall automatically and immediately, upon the occurrence of any of the events set out in (a) to (f) below, be converted into a fixed charge over such Chargor's assets, rights and property not already subject to an effective fixed charge:

- (a) if that Chargor takes any step to create any Security Interest in breach of Clause 7 (*Restriction on dealings*) or any other term of any other Transaction Document over any of the Charged Property subject to such floating charge; or
- (b) if any person creates a trust over any of the Charged Property other than in accordance with the provisions of the Transaction Documents; or
- (c) if any person takes any step to effect any expropriation, attachment, sequestration, distress or execution against any of the Charged Property subject to such floating charge; or
- (d) on the occurrence of an SSN Event of Default or Junior Debt Event of Default (as applicable); or
- (e) on the occurrence of an ICA Insolvency Event in respect of the relevant Chargor; or
- (f) in any circumstance prescribed by law,

and the Security Trustee shall be entitled (but not bound) to take possession of or appoint a Receiver of such assets.

4.3 Future floating charge assets

Except as otherwise stated in any notice given under Clause 4.1 (*Conversion by notice*) or unless that notice relates to all of its assets comprised within the floating charge created by Clause 3.4 (*Floating charge*), prospective assets acquired by a Chargor after crystallisation has occurred under Clause 4.1 (*Conversion by notice*) or Clause 4.2 (*Automatic conversion*) will become subject to the floating charge created by Clause 3.4 (*Floating charge*), so that the crystallisation will be effective only as to the relevant assets in existence at the date of crystallisation.

4.4 Moratorium

No floating charge created under Clause 3.4(a) (*Floating charge*) may be converted into a fixed charge solely by reason of the obtaining of a moratorium or anything done with a view to obtaining a moratorium under the Insolvency Act 2000.

4.5 Reconversion to floating charge

Any floating charge which has crystallised under Clause 4.1 (*Conversion by notice*) or Clause 4.2 (*Automatic conversion*) may by notice in writing given at any time by the Security Trustee (acting on the unanimous instructions of the Junior Debt Agent (acting on the instructions of the Junior DIG Representatives) and the SSN Trustee (acting on the instructions of the relevant Instructing SSN Holders)) to the relevant Chargor be reconverted into a floating charge under Clause 3.4(a) (*Floating charge*) in relation to the assets, rights and property specified in such notice.

5. RELEASE AND REASSIGNMENT

(a) The Security Trustee shall, at the request and cost of the Chargors, in the circumstances set out in Clause 19.22 (*Winding up of the trust*) of the Intercreditor Agreement:

- (i) release and re-assign to the relevant Chargor the rights, title and interest in and to the Charged Property; and
- (ii) execute such notices and directions to any persons as the relevant Chargor may reasonably require in order to give effect to such release and re-assignment,

in each case, without recourse to or any representation or warranty by any Secured Party or any other person.

(b) Subject to the Intercreditor Agreement, upon the disposal of a Chargor's right, title, interest and benefit in and to a particular part of the Charged Property as a result of a Permitted Transaction, the Security Trustee agrees that such asset will automatically be released from the Security Interests created pursuant to this Fernando Group Deed of Charge.

(c) From time to time, for the avoidance of doubt, there shall, subject to Clause 17.1 (*Reinstatement*), be deemed to be released from the Security Interests created pursuant to this Fernando Group Deed of Charge all amounts which the Cash Manager is permitted to withdraw from the Accounts, in each case, under and in accordance with the Transaction Documents, any such release to take effect immediately upon the relevant withdrawal being made provided that where the relevant amount is transferred to another Account, it shall thereupon become subject to the Security Interests created pursuant to this Fernando Group Deed of Charge in respect of such Account.

6. PROVISIONS RELATING TO TRANSACTION SECURITY

(a) All Transaction Security:

- (i) is created in favour of the Security Trustee for itself and on behalf of each of the other Secured Parties;
- (ii) is created over the present and future assets of each Chargor; and
- (iii) is a continuing security for the payment, discharge and performance of all of the Secured Obligations and will extend to the ultimate balance of all sums

payable under the Transaction Documents regardless of any intermediate payment or discharge in whole or in part.

- (b) The term “all of its rights”, as used in Clause 3 (*Creation of security*) includes, unless the context requires otherwise:

- (i) all powers and remedies of enforcement and/or protection;
- (ii) all rights to serve notices and/or to make demands and all rights to take such steps as are required to cause payment to become due and payable; and
- (iii) all causes and rights of action in respect of any breach and all rights to receive damages or obtain other relief in respect thereof,

in each case, in respect of the relevant Charged Property.

- (c) The Transaction Security created pursuant to this Fernando Group Deed of Charge shall be in addition to and not in substitution for or derogation of any other security (whether given by the Chargors or otherwise) now or from time to time hereafter held by the Security Trustee or any other Secured Party in respect of or in connection with any or all of the Secured Obligations.

- (d) If a Chargor purports to mortgage, assign or charge (absolutely or by way of first fixed mortgage or charge) an asset under this Fernando Group Deed of Charge and such Chargor becomes aware or is aware on the date of this Deed that such mortgage, assignment or charge breaches a term of an agreement binding on that Chargor in respect of that asset because the consent of a person (other than a member of the Fernando Group) has not been obtained:

- (i) that Chargor shall notify the Security Trustee immediately;
- (ii) subject to sub-paragraph (iv), the relevant mortgage, assignment or fixed charge hereunder over a Non-Real Property Asset will extend to (to the extent no breach of the relevant agreement would occur) the Related Rights in respect of that Non-Real Property Asset but will exclude the Non-Real Property Asset itself;
- (iii) unless the Security Trustee otherwise requires, that Chargor shall use best endeavours to obtain the consent of the relevant person and, once obtained, shall promptly provide a copy of that consent to the Security Trustee; and
- (iv) forthwith upon receipt of the relevant consent, the relevant asset shall (to the extent it is not already subject) become subject to the Transaction Security in favour of the Security Trustee under Clause 3.1 (*Mortgages*), Clause 3.2 (*Fixed charges*) or Clause 3.3 (*Assignments*), as applicable.

For the purposes of this Clause 6(d), ***Non-Real Property Asset*** means any asset owned by a Chargor other than Real Property.

- (e) The Security Trustee holds the benefit of this Fernando Group Deed of Charge (including all obligations, covenants, mortgages, assignments, charges and other Security Interests contained herein) on trust for itself and each of the other Secured Parties for the purpose of securing the Secured Obligations in accordance with the Intercreditor Agreement.

- (f) If the Security Trustee considers that an amount paid to a Secured Party under a Transaction Document is capable of being avoided or otherwise set aside on the liquidation or administration of the payer or otherwise, then the Transaction Security and the liability of each Chargor under this Fernando Group Deed of Charge shall continue and that amount will not be considered to have been irrevocably paid for the purposes of this Fernando Group Deed of Charge.
- (g) Each Chargor shall take such action as the Security Trustee may reasonably require
 - (a) to perfect or protect the Transaction Security created or intended to be created by or pursuant to this Fernando Group Deed of Charge and (b) from time to time and at any time after the Transaction Security shall have become enforceable to facilitate the realisation of such Transaction Security and the exercise of the functions of the Security Trustee or any receiver of any such Transaction Security. A certificate from:
 - (i) prior to delivery of an Enforcement Notice and prior to the Final Discharge Date, the Junior Debt Agent (acting on the instructions of the Junior DIG Representatives) and (prior to the SSN Discharge Date) the SSN Trustee;
 - (ii) following the delivery of an Enforcement Notice, Junior Debt Agent or the SSN Trustee (as applicable) in accordance with the Intercreditor Agreement; or
 - (iii) on and from the Final Discharge Date, the Fairhold Indemnified Parties,
 or the Security Trustee to the relevant Chargor to the effect that a particular action is reasonably required by it shall be conclusive evidence of that fact.
- (h) Each Chargor shall make, or procure to be made, all registrations required to give effect to, and protect the priority of the Secured Parties' interests in connection with, the Security Interests created under this Fernando Group Deed of Charge (other than any registration at the Land Registry) within the applicable time limit and shall remove or procure the removal of any previously registered Security Interests with respect to the Charged Property within 10 days of the Issue Date.
- (i) Where any Real Property is held leasehold by a Chargor and the relevant superior interest is owned by a Chargor:
 - (i) if any lease requires landlord consent to charge, the relevant Chargor (in their capacity as landlord to the relevant lease) hereby provides their consent for the relevant lease to be charged in favour of the Security Trustee under this Fernando Group Deed of Charge and waives any related notification of charge requirements as may be set out in the relevant lease; and
 - (ii) the relevant Chargor (in their capacity as landlord to the relevant lease) hereby confirms that they will not commence any forfeiture or irritancy proceedings in relation to the relevant lease.
- (j) Each of the Chargors:
 - (i) consents to the registration of this Fernando Group Deed of Charge against the HM Land Registry title registers of the Real Property;

- (ii) shall not object to a unilateral notice being added to the HM Land Registry title registers of the Real Property in respect of this Fernando Group Deed of Charge; and
- (iii) consents to a restriction being entered on the HM Land Registry title registers of the Real Property in either of the following forms:

“No disposition of the registered estate by the proprietor of the registered estate is to be registered without a written consent signed by GLAS Trust Corporation Limited of 45 Ludgate Hill, London EC4M 7JU or their conveyancer.” (Standard Form N)

“No disposition of the registered estate by the proprietor of the registered estate is to be registered without a written consent signed by the proprietor for the time being of the charge dated 25 September 2020 in favour of GLAS Trust Corporation Limited referred to in the charges register or their conveyancer.” (Standard Form P)

7. RESTRICTION ON DEALINGS

No Chargor may:

- (a) create or permit to subsist any Security Interest on any of the Charged Property other than the Permitted Security; or
- (b) (whether by a single transaction or a number of related or unrelated transactions and whether at the same time or over a period of time) mortgage, assign, charge, transfer or dispose of all or any part of its rights, title and interest in and to the Charged Property,

unless expressly permitted to do so under the Transaction Documents or otherwise with the prior written consent of the Security Trustee (acting on the instructions of the Note Trustees (acting on the written instructions of the relevant Instructing SSN Holders and the relevant Instructing Qualifying Junior Creditors (as applicable))).

- (a) refrain from applying or enforcing any other moneys, security or rights held or received by that Secured Party (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and no Chargor shall be entitled to the benefit of the same; and
- (b) hold in an interest-bearing suspense account any moneys received from any Chargor or on account of any Chargor's liability under this Fernando Group Deed of Charge.

17.5 Deferral of Chargor's rights

 - (i) to be indemnified by any other Chargor;
 - (ii) to claim any contribution from any guarantor of any other Chargor's obligations under the Transaction Documents;
 - (iii) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Secured Parties under the Transaction Documents or of any other guarantee or security taken pursuant to, or in connection with, the Transaction Documents by any Secured Party; or
 - (iv) to bring legal or other proceedings for an order requiring any other Chargor to make any payment, or perform any obligation, in respect of which the relevant Chargor has given a guarantee, undertaking or indemnity under the Transaction Documents;
 - (v) to exercise any right of set-off against any other Chargor;
 - (vi) to claim or prove as a creditor of any other Chargor in competition with the Secured Parties.
- (b) If any Chargor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Secured Parties by any other Chargor under or in connection with the Transaction Documents to be repaid in full on trust for the Secured Parties and shall promptly pay or transfer the same to the Secured Parties or as the Secured Parties may direct.

17.6 Security Interest held by Chargor
