A Receiver may let any Security Asset for any term and at any rent (with or without a premium) which he thinks fit and may accept a surrender of any lease or tenancy of any Security Asset on any terms which he thinks fit (including the payment of money to a Lessee or tenant on a surrender).

11.8 Compromise

A Receiver may settle, adjust, refer to arbitration, compromise and arrange any claim, account, dispute, question or demand with or by any person who is or claims to be a creditor of the Chargor or relating in any way to any Security Asset.

11.9 Legal actions

A Receiver may bring, prosecute, enforce, defend and abandon any action, suit or proceedings in relation to any Security Asset which he thinks fit.

11.10 Receipts

A Receiver may give a valid receipt for any moneys and execute any assurance or thing which may be proper or desirable for realising any Security Asset.

11.11 Subsidiaries

A Receiver may form a Subsidiary of the Chargor and transfer to that Subsidiary any Security Asset.

11.12 Delegation

A Receiver may delegate his powers in accordance with this Deed.

11.13 Lending

A Receiver may lend money or advance credit to any customer of the Chargor.

11.14 Protection of assets

A Receiver may:

- (a) make and effect any repair or insurance and do any other act which the Chargor might do in the ordinary conduct of its business to protect or improve any Security Asset;
- (b) commence and/or complete any building operation; and
- (c) apply for and maintain any planning permission, building regulation approval or any other authorisation,

in each case as he thinks fit.

11.15 Other powers

A Receiver may:

- (a) do all other acts and things which he may consider desirable or necessary for realising any Security Asset or incidental or conducive to any of the rights, powers or discretions conferred on a Receiver under or by virtue of this Deed or by law;
- (b) exercise in relation to any Security Asset all the powers, authorities and things which he would be capable of exercising if he were the absolute beneficial owner of that Security Asset; and
- (c) use the name of the Chargor for any of the above purposes.

12. APPLICATION OF PROCEEDS

Any moneys received by the Chargee or any Receiver after the Security created or evidenced by this Deed has become enforceable must be applied by the Chargee for the following purposes and, unless otherwise determined by the Chargee or that Receiver, in the following order of priority:

- (a) in or towards payment of or provision for all costs, charges and expenses incurred and payments made by the Chargee or any Receiver under or in connection with this Deed and of all remuneration due to any Receiver under or in connection with this Deed;
- (b) in payment to the Chargee for application towards the balance of the Secured Liabilities; and
- (c) in payment of the surplus (if any) to the Chargor or other person entitled to it.

This Clause is subject to the payment of any claims having priority over the Security created or evidenced by this Deed. This Clause does not prejudice the right of the Chargee to recover any shortfall from the Chargor.

13. INDEMNITY

The Chargor must keep the Chargee and any Receiver, attorney, manager, agent or other person appointed by the Chargee under this Deed indemnified against any loss or liability incurred by it in connection with any litigation, arbitration or administrative proceedings concerning the Security created or evidenced by this Deed save to the extent arising from such person's gross negligence or wilful misconduct; this includes any loss or liability arising from any actual or alleged breach by the Chargor of any law or regulation, whether relating to the environment or otherwise.

14. DELEGATION

14.1 Power of Attorney

The Chargee or any Receiver may delegate by power of attorney or in any other manner to any person any right, power, authority or discretion exercisable by it under this Deed.

14.2 Terms

Any such delegation may be made upon any terms (including power to sub-delegate) and subject to any restrictions which the Chargee or any Receiver may, in its discretion, think fit.

14.3 Liability

Neither the Chargee nor any Receiver shall be bound to supervise, or be in any way responsible for any damages, costs or losses incurred by reason of any misconduct, omission or default on the part of, any such delegate or sub-delegate.

15. FURTHER ASSURANCES

The Chargor must, at its own expense, take whatever action the Chargee or a Receiver may require for:

- (a) creating, perfecting or protecting any Security intended to be created by or pursuant to this Deed;
- (b) facilitating the realisation of any Security Asset upon and after the occurrence of an Enforcement Event;
- (c) facilitating the exercise of any right, power or discretion exercisable by the Chargee or any Receiver or any of their respective delegates or sub delegates in respect of any Security Asset; or
- (d) creating and perfecting Security in favour of the Chargee or the Finance Parties (equivalent to the Security intended to be created by this Deed) over any assets of the Chargor located in any jurisdiction outside England and Wales.

This includes, but is not limited to:

- (i) the execution of any mortgage, charge, transfer, conveyance, assignment or assurance of any asset, whether to the Chargee or to its nominee, including after the occurrence of a Enforcement Event, to enable the Chargee or any such nominee and/or Receiver to exercise (or to delegate) all or any of the rights conferred on it by this Deed or by statute in relation to this Deed or the Security charged, or purported to be charged, by it; or
- (ii) the giving of any notice, order or direction and the making of any filing or registration,

which, in any such case, the Chargee may consider expedient.

16. POWER OF ATTORNEY

The Chargor, by way of security, irrevocably and severally appoints the Chargee, each Receiver and each of their respective delegates and sub-delegates to be its attorney to take any action which that Chargor is obliged to take under this Deed. The Chargor ratifies and confirms whatever any attorney does or purports to do under its appointment under this Clause.

17. PRESERVATION OF SECURITY

17.1 Continuing security

The Security created or evidenced by this Deed is a continuing security and will extend to the ultimate balance of the Secured Liabilities, regardless of any intermediate payment or discharge in whole or in part.

17.2 Reinstatement

If any payment by the Chargor or any discharge given by the Chargor (whether in respect of the obligations of the Chargor or any security for those obligations or otherwise) is avoided or reduced as a result of insolvency or any similar event:

- (a) the liability of the Chargor will continue as if the payment, discharge, avoidance or reduction had not occurred; and
- (b) the Chargee will be entitled to recover the full value or amount of that security or payment from the Chargor, as if the payment, discharge, avoidance or reduction had not occurred.

17.3 Appropriations

Until all amounts which may be or become payable by the Obligors under or in connection with the Secured Liabilities have been irrevocably paid in full, the Chargee (or any trustee or agent on its behalf) may without affecting the liability of the Chargor under this Deed:

- (a) refrain from applying or enforcing any other moneys, security or rights held or received by the Chargee (or any trustee or agent on its behalf) against those amounts; or
- (b) apply and enforce them in such manner and order as it sees fit (whether against those amounts or otherwise); and
- (c) hold in an interest-bearing suspense account any moneys received from the Chargor or on account of the Chargor's liability under this Deed.

17.4 Additional security

- (a) This Deed is in addition to and is not in any way prejudiced by any other security now or subsequently held by the Chargee.
- (b) No prior security held by the Chargee over any Security Asset will merge into the Security created or evidenced by this Deed.

18. MISCELLANEOUS

18.1 Covenant to pay

The Chargor must pay or discharge the Secured Liabilities in the manner provided for in the Finance Documents and undertakes to the Chargee that it will duly, unconditionally and punctually pay and discharge without deduction, set-off or counterclaim all Secured Liabilities.

18.2 Tacking

The Chargee must perform its obligations under the Intra-Group Facility Agreement (including any obligation to make available further advances).

18.3 New Accounts

- (a) If any subsequent charge or other interest affects any Security Asset, the Chargee may open a new account with the Chargor.
- (b) If the Chargee does not open a new account, it will nevertheless be treated as if it had done so at the time when it received or was deemed to have received notice of that charge or other interest.
- (c) As from that time all payments made to the Chargee will be credited or be treated as having been credited to the new account and will not operate to reduce any Secured Liability.

18.4 Time deposits

Without prejudice to any right of set-off the Chargee may have under any Finance Document or otherwise, if any time deposit matures on any account the Chargor has with the Chargee within the Security Period when:

- (a) an Enforcement Event has occurred; and
- (b) no Secured Liability is due and payable,

that time deposit will automatically be renewed for any further maturity which the Chargee in its absolute discretion considers appropriate unless the Chargee otherwise agrees in writing.

18.5 Financial Collateral

- (a) To the extent that the assets charged under this Deed constitute “financial collateral” and this Deed and the obligations of the Chargor under this Deed constitute a “security financial collateral arrangement” (in each case for the purpose of and as defined in the Financial Collateral Arrangements (No. 2) Regulations 2003 (SI 2003 No. 3226)) the Chargee shall have the right after the occurrence of an Enforcement Event to appropriate all or any part of that financial collateral in or towards the satisfaction of the Secured Liabilities.
- (b) Where any financial collateral is appropriated:
 - (i) if it is listed or traded on a recognised exchange, its value will be taken as being the value at which it could have been sold on the exchange on the date of appropriation; or
 - (ii) in any other case, its value will be such amount as the Chargee reasonably determines having taken into account advice obtained by it from an independent commercial property adviser, investment bank or accountancy firm of national standing selected by it.

19. RELEASE

At the end of the Security Period, the Chargee must take whatever action is reasonably necessary to release the Security Assets from the Security created or evidenced by this Deed.

20. ASSIGNMENTS AND TRANSFERS

- (a) The Chargee shall be entitled to assign or transfer any of its rights or obligations under this Agreement without the consent of the Chargor.
- (b) The Chargor may not assign or transfer its rights or obligations under this Agreement without the consent of the Chargee.

21. SEVERABILITY

If a term of this Deed is or becomes illegal, invalid or unenforceable in any respect under any jurisdiction in relation to any Party, that will not affect:

- (a) in respect of such Party the legality, validity or enforceability in that jurisdiction of any other term of this Deed;
- (b) in respect of any other Party the legality, validity or enforceability in that jurisdiction of that or any other term of this Deed; or
- (c) in respect of any Party the legality, validity or enforceability in other jurisdictions of that or any other term of this Deed.

22. COUNTERPARTS

This Deed may be executed in any number of counterparts and all of those counterparts taken together shall be deemed to constitute one and the same instrument.

23. NO THIRD PARTY RIGHTS

Except as expressly provided in this Deed, no person other than a Party shall have any right by virtue of either the Contracts (Rights of Third Parties) Act 1999 or any other provision of English law under which rights might accrue to persons other than a Party, to enforce any term (express or implied) of this Deed. No consent of any person who is not a Party is required to amend this Deed.

24. AMENDMENTS IN WRITING

None of the terms or provisions of this Deed may be waived, amended, supplemented or otherwise modified except by a written instrument executed by the Chargor and the Chargee.

25. CONFIDENTIAL INFORMATION

25.1 All Parties agrees to keep all Confidential Information confidential and not to disclose it to any person, save those permitted by Clause 25.2, and to ensure that all Confidential Information is protected with security measures and a degree of care that would apply to their own confidential information.

25.2 Parties may disclose:

- (a) to any Affiliates and any of their officers, directors, employees, professional advisers, auditors and partners;
- (b) to any person to whom it assigns or transfers (where permitted) all or any of its rights and/or obligations;

- (c) to any rating agency (including its professional advisers) such Confidential Information as may be required to be disclosed to enable such rating agency to carry out its normal rating activities
- (d) to whom information is required or requested to be disclosed by any court of competent jurisdiction or any governmental, banking, taxation or other regulatory authority or similar body, or pursuant to any applicable law or regulation; and
- (e) to whom information is required to be disclosed in connection with, and for the purposes of, any litigation, arbitration, administrative or other investigations, proceedings or disputes,

such Confidential Information as that Party shall consider appropriate.

26. GOVERNING LAW

This Deed and any non-contractual obligations arising out of or in connection with it are governed by English law.

27. ENFORCEMENT

- (a) The courts of England have exclusive jurisdiction to settle any claim, dispute or matter of difference which may arise in any way whatsoever out of or in connection with this Deed, including a dispute relating to any non-contractual obligation arising out of or in connection with this Deed (including a dispute regarding the existence, validity or termination of this Deed or any claim for set-off) (a “**Dispute**”).
- (b) The Parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no Party will argue to the contrary.
- (c) To the extent allowed by law, the Chargor irrevocably waives any objection it may now or hereafter have on any grounds whatsoever to the laying of venue of any legal proceeding, and any claim it may now or hereafter have that any such legal proceeding has been brought in an inappropriate or inconvenient forum.
- (d) This Clause is for the benefit of the Chargee only. As a result, the Chargee shall not be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Chargee may take concurrent proceedings in any number of jurisdictions.

THIS DEED has been executed and delivered as a deed on the date stated at the beginning of this deed.
