1 Executive summary

This final progress report covers the period from 21 May 2023 to 10 November 2023.

All assets of the Company have now been realised and all costs finalised (Section 2 - Progress to date).

Midcap was the Company's only secured creditor, however, Midcap subsequently confirmed that it would seek to rely on other group companies for repayment of its debt (Section 3 – Outcome for creditors).

There were insufficient funds to allow a distribution to be made to either ordinary or secondary preferential creditors (Section (3) – Outcome for creditors).

There were insufficient funds to allow a distribution to be made to unsecured creditors (Section 3 – Outcome for creditors).

We consider that our original Proposals have now been completed. There have been no amendments to, or major deviations from, our original Proposals, as detailed in Appendix 5.

We have filed a copy of this final progress report with the Registrar of Companies together with the requisite notice. The administration will cease to have effect when the Registrar of Companies registers these documents. The Company will be dissolved three months after that date.

Please note: you should read this progress report in conjunction with our previous progress report(s) and proposals issued to the Company's creditors and can be found at <http://finelinealuminium.ia-insolv.com>. Unless stated otherwise, all amounts in this progress report and appendices are stated net of VAT.

James Clark
Joint Administrator

2 Progress to date

This section provides a final update on the strategy for the administration and on the progress made. It follows the information provided in our previous progress report.

2.1 Strategy and progress to date

Strategy

Our strategy during the Period has focused on realising the Company's remaining assets and settling outstanding costs, whilst attending to statutory matters.

All assets have now been realised and all costs finalised.

Unfortunately, there were insufficient funds to allow a distribution to be made to any class of creditor.

We therefore consider that our original Proposals have now been completed. There have been no amendments to, or major deviations from, our original Proposals, as detailed in Appendix 5.

2.2 Asset realisations

Realisations during the Period are set out in the attached receipts and payments account (Appendix 2).

Summaries of the most significant realisations during the Period are provided below.

Computer hardware

The sum of £390 was realised following the sale of a small number of tablets via an online auction.

Sundry refunds

The sum of £8,635 was received from Tewkesbury Borough Council in respect of a rates refund.

Investigations

We reviewed the affairs of the Company to find out if there were any actions which could be taken against third parties to increase recoveries for creditors. No further causes of action were identified.

We have complied with the relevant statutory requirements by submitting the online director conduct assessment to the Department for Business, Energy and Industrial Strategy. The contents of our submission are confidential.

2.3 Costs

Payments made in this Period are set out in the attached receipts and payments account (Appendix 2).

Summaries of the most significant payments made during the Period are provided below.

Agent's fees

BPI facilitated the sale of the tablets discussed above and their fees totalled £33.

Legal fees

The sum of £3,250 was paid to Harrison Clark Rickerbys Limited for legal advice provided over the course of the administration. In addition, the sum of £500 was paid to Gordons LLP for legal advice provided during the Period.

Utilities

Outstanding electricity costs totalling £141 were paid to Marble Power Limited.

Storage costs

The sum of £902 was paid to Iron Mountain UK Limited in respect of costs relating to the storage and eventual destruction of the Company's books and records.

Rent

The Joint Administrators occupied the premises in Gloucester for a short time whilst a small number of orders were completed and the sum of £6,152 paid to the landlord for this period.

Insurance

Outstanding insurance premiums totalling £466 were paid.

2.4 Schedule of expenses

We have detailed the costs incurred during the Period in the schedule of expenses attached (Appendix 3).

3 Outcome for creditors

3.1 Secured creditors

The Company had one secured creditor, Midcap, with fixed and floating charge security registered at Companies House.

Midcap provides secured lending facilities to the Group as part of a group facility and during the course of the administration agreed that it would continue to rely on those other group companies for repayment.

3.2 Ordinary preferential creditors (employees)

The ordinary preferential claims estimated at the date of commencement of the administration totalled £66,985.

There were insufficient funds available to pay a dividend to the ordinary preferential creditors.

3.3 Secondary preferential creditors (HMRC)

Certain claims from HMRC rank preferentially, but secondary to the employee, ordinary preferential creditors above. These claims are therefore referred to as "secondary preferential creditors".

The secondary preferential claims estimated at the date of commencement of the administration totalled £111,922.

There were insufficient funds available to pay a dividend to the secondary preferential creditors.

3.4 Unsecured creditors

There were insufficient funds to pay a dividend to the unsecured creditors.

4 Joint Administrators' remuneration and expenses

Time costs

From 21 May 2023 to 10 November 2023, we have incurred time costs of £73,472. These represent 191 hours at an average rate of £385 per hour.

From the date of our appointment to 10 November 2023, we have incurred time costs of £419,381. These represent 1,020 hours at an average rate of £411 per hour. There have been insufficient realisations from the administration to draw this amount.

Joint Administrators' remuneration

During the Period, we have drawn floating charge remuneration of £160,291. Total remuneration during the administration amounted to £220,291.

Joint Administrators' expenses

During the Period, we have incurred expenses of £338, which are included in the expenses reimbursed through the administration estate during the Period totalling £5,426.

Additional information

We have attached (Appendix 4) an analysis of the time spent, the charge-out rates for each grade of staff and the expenses paid directly by Interpath for the period from 21 May 2023 to 10 November 2023. We have also attached our charging and expenses policy.

5 Conclusion of the administration

We have filed a copy of this final progress report with the Registrar of Companies together with the requisite notice.

The administration will cease to have effect when the Registrar of Companies registers these documents. The Company will be dissolved three months after that date.

We will be discharged from liability in respect of any action of ours as Joint Administrators upon the filing of their final receipts and payments account with the Registrar of Companies.

Appendix 4 Joint Administrators' charging and expenses policy

Joint Administrators' charging policy

The time charged to the administration is by reference to the time properly given by us and our staff in attending to matters arising in the administration. This includes work undertaken in respect of in-house Interpath Advisory tax, VAT and employee specialists.

Our policy is to delegate tasks in the administration to appropriate members of staff considering their level of experience and requisite specialist knowledge, supervised accordingly, so as to maximise the cost effectiveness of the work performed. Matters of particular complexity or significance requiring more exceptional responsibility are dealt with by senior staff or us.

Policy for the recovery of expenses

We have recovered both Category 1 and Category 2 expenses from the estate.

For the avoidance of doubt, such expenses are defined within SIP 9 as follows:

Expenses: These are any payments which are neither an office holder's remuneration nor a distribution to a creditor or a member. Expenses also includes disbursements which are payments first met by the office holder, and then reimbursed to the office holder from the estate.

Category 1 expenses: These are payments to persons providing the service to which the expense relates who are not an associate of the office holder. These may include, for example, advertising, room hire, storage, postage, telephone charges, travel expenses, and equivalent costs reimbursed to the officeholder or his or her staff.

Category 2 expenses: These are payments to associates or which have an element of shared costs. They may include shared or allocated costs that can be allocated to the appointment on a proper and reasonable basis, for example, business mileage.

Associates: are defined in the insolvency legislation but also extends to parties where a reasonable and informed third party might consider there would be an association between the third party and the office holder or their firm.

Category 2 expenses charged by Interpath Advisory include mileage. This is calculated as follows:

Mileage claims fall into three categories:

Use of privately-owned vehicle or car cash alternative – 45p per mile.

Use of company car – 60p per mile.

Use of managing director's car – 60p per mile.

For all of the above car types, when carrying Interpath passengers an additional 5p per mile per passenger will also be charged where appropriate.

We have incurred the following expenses (excluding VAT) during the period 21 May 2023 to 10 November 2023.

Postage	169.92	NIL	169.92
Professional and legal fees	167.84	NIL	167.84
Total	337.76	NIL	337.76

We have the authority to pay Category 1 expenses without the need for any prior approval from the creditors of the Company.

Category 2 expenses have been approved in the same manner as our remuneration.

Appendix 5 Summary of Joint Administrators' proposals

As it was not possible to achieve a sale of the business as going concern, rescuing the Company in accordance with Paragraph 3(1)(a) is not achievable.

Therefore our primary objective is to achieve a better result for the Company's creditors as a whole than would be likely if the Company were wound up, in accordance with Paragraph 3(1)(b).

In addition to the specific itemised proposals below, this document in its entirety constitutes our proposals.

We propose the following:

General matters

- to continue to do everything that is reasonable, and to use all our powers appropriately, in order to maximise realisations from the assets of the Company in accordance with the objective as set out above;
- to investigate and, if appropriate, to pursue any claims the Company may have;
- to seek an extension to the administration period if we consider it necessary.

Distributions

- to make distributions to the secured and preferential creditors where funds allow;
- to make distributions to the unsecured creditors if funds become available, and to apply to the Court for authority to do so, where applicable.

Ending the administration

We might use any or a combination of the following exit route strategies in order to bring the administration to an end:

- apply to Court for the administration order to cease to have effect from a specified time and for control of the Company to be returned to the Directors;
- formulate a proposal for either a company voluntary arrangement (CVA) or a scheme of arrangement and put it to meetings of the Company's creditors, shareholders or the Court for approval as appropriate;
- place the Company into creditors' voluntary liquidation. In these circumstances we propose that we, James Clark and Chris Pole, be appointed as Joint Liquidators of the Company without any further recourse to creditors. If appointed Joint Liquidators, any action required or authorised under any enactment to be taken by us may be taken by us individually or together. The creditors may nominate different persons as the proposed Joint Liquidators, provided the nomination is received before these proposals are approved;
- petition the Court for a winding-up order placing the Company into compulsory liquidation and to consider, if deemed appropriate, appointing us, James Clark and Chris Pole, as Joint Liquidators of the Company without further recourse to creditors. Any action required or authorised under any enactment to be taken by us as Joint Liquidators may be taken by us individually or together;

file notice of move from administration to dissolution with the Registrar of Companies if we consider that liquidation is not appropriate because (1) no dividend will become available to creditors, and (2) there are no other outstanding matters that require to be dealt with in liquidation. The Company will be dissolved three months after the registering of the notice with the Registrar of Companies.

Alternatively, we may allow the administration to end automatically.

Joint Administrators' remuneration and pre-administration costs

We propose that:

our remuneration will be drawn on the basis of time properly given by us and the various grades of our staff in accordance with the fees estimate provided in Appendix 3 and the charge-out rates included in Appendix 5;

Category 2 expenses (as defined in Statement of Insolvency Practice 9) will be charged and drawn in accordance with Interpath Advisory's policy as set out in Appendix 5;

unpaid pre-administration costs be an expense of the administration.

Discharge from liability

We propose that we shall be discharged from liability in respect of any action of ours as Joint Administrators upon the filing of our final receipts and payments account with the Registrar of Companies.
