1. Accounting policies

Significant accounting policies

Statement of compliance

These financial statements have been prepared in compliance with FRS 102 – The Financial Reporting Standard applicable in the UK and Republic of Ireland and the Companies Act 2006.

Basis of preparation

The financial statements have been prepared on the going concern basis and under the historical cost convention as modified by the revaluation of land and buildings and certain financial instruments measured at fair value in accordance with the accounting policies.

The financial statements are prepared in sterling which is the functional currency of the company.

Turnover

Turnover comprises the invoiced value of goods and services supplied by the company, net of Value Added Tax and trade discounts.

Taxation

Taxation represents the sum of tax currently payable and deferred tax. Tax is recognised in the statement of income, except to the extent that it relates to items recognised in other comprehensive income or directly in capital and reserves. The company's liability for current tax is calculated using the tax rates and laws that have been enacted or substantively enacted at the reporting date. Current and deferred tax assets and liabilities are not discounted

Stocks

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow moving items. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.
