The company directors and secretary works in the borough. The directors of the companies lived and worked in the area for a long time and has developed a good engagement, cohesion based on their experience on customer services.

We have conducted a survey and spoken to people and asked them what is their greatest concern on young people. This has helped us to shape and address these needs and what we can do to meet them more efficiently.

According to our research has given indication that knife crime remains the greatest concern, so we have started by installing Public bleeding cabinets on the high streets and going to schools demonstrating on how to use bleed kits. Thus providing community with life saving equipment.
