- (c) Unless a contrary indication appears, a reference in this Deed to:
 - (i) a Finance Document or Transaction Document (including this Deed, or any other Security Document) or any other agreement or instrument or deed is, and shall be construed accordingly as, a reference to that Finance Document or Transaction Document (including this Deed or any other Security Document) or other agreement or instrument or deed as it may from time to time be amended, novated, supplemented, extended or restated (whether in respect of maturity thereunder, increasing any amount payable thereunder (including, without limitation, by reason of making further loans or advances to the Borrower or any person) or otherwise), modified and/or replaced (in each case, in whole or in part, however fundamentally, and whether or not so as to impose any new, additional or more onerous obligations on any party thereto, and including changing the basis for calculation of a payment thereunder or refinancing or restructuring any of the indebtedness constituted or secured thereby);
 - (ii) any **rights** in respect of an asset includes:

(ii) any statements referring to monies, obligations or liabilities owing to, or other rights, benefits or discretions granted or created under this Deed to, or covenants, undertakings or other agreements made in favour of, the Security Agent and/or the Finance Parties or Secured Parties (as the case may be);

 - (i) any refinancing, further advances, novation, deferral, or extension of the facilities under the Finance Documents;
 - (ii) any claim for (A) breach of representation, warranty or undertaking or on any event of default or under any indemnity under or in respect of any Finance Document or (B) damages or restitution;

 - (A) any claim as a result of any recovery by the Assignor, or any other person of a payment on the grounds of preference or otherwise; and
 - (B) any amounts which would be included as Secured Liabilities but for any discharge, non-provability, unenforceability or non-allowance of those amounts in any such insolvency, dissolution or other proceedings.
- (g) If the Security Agent considers that an amount paid to a Secured Party under a Finance Document is capable of being avoided or otherwise set aside on the liquidation or administration of the payer or otherwise, then that amount will not be considered to have been irrevocably paid for the purposes of this Deed.
- (h) Unless the context otherwise requires, a reference to a Security Asset includes the proceeds of any disposal of that Security Asset.
- (i) Pursuant to, and in accordance with, the definition of "Security Document" in the Facility Agreement, the Parties hereto hereby agree and confirm that this Deed shall be a Finance Document for all purposes.

6 WHEN SECURITY BECOMES ENFORCEABLE

6.1 Event of Default

This Security will become immediately enforceable if an Event of Default occurs and is continuing.

6.2 Discretion

After this Security has become enforceable, the Security Agent may enforce all or any part of this Security in any manner it sees fit or as instructed in accordance with the Facility Agreement.

6.3 Statutory Powers

The power of sale and other powers conferred by section 101 of the Act, as amended by this Deed, will be immediately exercisable at any time after this Security has become enforceable.

6.4 Additional Powers

Without limiting any powers of the Security Agent hereunder, or at law, the Security Agent shall be entitled (without any further consent or authority on the part of the Assignor and irrespective of any direction given by the Assignor) to:

- (a) exercise in relation to the Subordinated Documentation and the Subordinated Liabilities all of the rights of an absolute owner, including without limitation any rights of release or discharge;
- (b) assign any or all of the Security Assets to any person on such terms as the Security Agent considers appropriate; and/or
- (c) collect, recover or compromise, and give a good discharge for, any monies paid or payable to the Assignor under or in respect of the Security Assets (including without limitation any proceeds thereunder), and enforce (in any way whatsoever, including (without limitation) by way of instituting proceedings in the Assignor's name) any rights or claims arising under or in respect of the Security Assets.

7 ENFORCEMENT OF SECURITY

7.1 General

- (a) For the purposes of all powers implied by statute, the Secured Liabilities are deemed to have become due and payable on the date of this Deed.
- (b) Section 103 of the Act (restricting the power of sale) and section 93 of the Act (restricting the right of consolidation) do not apply to this Security.
- (c) The statutory powers of leasing conferred on the Security Agent are extended so as to authorise the Security Agent to lease, make agreements for leases, accept surrenders of leases and grant options as the Security Agent may think fit and without the need to comply with any provision of section 99 or section 100 of the Act.

7.2 No Liability as Mortgagee in Possession

Neither the Security Agent nor any Receiver will be liable, by reason of entering into possession of a Security Asset, to account as mortgagee in possession or for any loss on realisation or for any default or omission for which a mortgagee in possession might be liable.

7.3 Privileges

The Security Agent and each Receiver is entitled to all the rights, powers, privileges and immunities conferred by the Act on mortgagees and receivers duly appointed under the Act, except that section 103 of the Act does not apply.

7.4 Protection of Third Parties

No person (including a purchaser) dealing with the Security Agent or a Receiver or its or his/her agents will be concerned to enquire:

- (a) whether the Secured Liabilities have become payable;
- (b) whether any power which the Security Agent or a Receiver is purporting to exercise has become exercisable or is being properly exercised;
- (c) whether any money remains due under the Finance Documents; or
- (d) how any money paid to the Security Agent or to that Receiver is to be applied.

7.5 Redemption of Prior Security

- (a) At any time after this Security has become enforceable, the Security Agent may:
 - (i) redeem any prior Security against any Security Asset; and/or
 - (ii) procure the transfer of that Security to itself; and/or
 - (iii) settle and pass the accounts of the prior mortgagee, chargee or encumbrancer; any accounts so settled and passed will be, in the absence of manifest error, conclusive and binding on the Assignor.
- (b) The Assignor must pay to the Security Agent, immediately on demand, the costs and expenses incurred by the Security Agent in connection with any such redemption and/or transfer, including the payment of any principal or interest.

7.6 Contingencies

If this Security is enforced at a time when no amount is due under the Finance Documents but at a time when amounts may or will become due, the Security Agent (or a Receiver) may pay the proceeds of any recoveries effected by it into a suspense account or other account selected by it.

7.7 Financial Collateral

- (a) To the extent that the Security Assets constitute "**Financial Collateral**" and this Deed and the obligations of the Assignor under this Deed constitute a "**Security Financial Collateral Arrangement**" (in each case, for the purpose of and as defined in the Financial Collateral Arrangements (No. 2) Regulations 2003 (the "**Regulations**")), the Security Agent will have the right after this Security has become enforceable to appropriate all or any part of that Financial Collateral in or towards the satisfaction of the Secured Liabilities.
- (b) Where any Financial Collateral is appropriated its value will be such amount as the Security Agent reasonably determines having taken into account advice obtained by it from an independent commercial property adviser, investment bank or accountancy firm of national standing selected by it and each Finance Party will give credit for the proportion of the value of the Financial Collateral appropriated to its use.
- (c) To the extent that any of the Security Assets constitute Financial Collateral, the Assignor hereby agrees that such Security Assets shall be held or re-designated so as to be under the control of the Security Agents for the purposes of the Regulations.

8 PRESERVATION OF SECURITY

8.1 Reinstatement

If any payment by the Assignor or discharge given by the Security Agent (whether in respect of the obligations of any Transaction Obligor or any Security for those obligations or otherwise) is avoided or reduced as a result of insolvency, liquidation, administration or any similar event:

- (a) the liabilities of the Assignor and the Security created by this Deed shall continue as if the payment, discharge, avoidance or reduction had not occurred; and
- (b) the Secured Parties shall be entitled to recover the value or amount of that Security or payment from the Assignor, as if the payment, discharge, avoidance or reduction had not occurred.

8.2 Waiver of defences

Neither the Security created by this Deed nor the obligations of the Assignor under this Deed will be affected by an act, omission, matter or thing which, but for this Clause, would reduce,

release or prejudice that Security or any of those obligations (whether or not known to it, the Security Agent or any other Secured Party) including:

- (a) any time, waiver or consent granted to, or composition with, any Transaction Obligor or other person;
- (b) the release of any Transaction Obligor or any other person under the terms of any composition or arrangement with any person;
- (c) the taking, variation, compromise, exchange, renewal, enforcement or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or Security over, assets of any Transaction Obligor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any Security;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of a Transaction Obligor or any other person;
- (e) any amendment (however fundamental), replacement, variation, novation, assignment or the avoidance or termination of a Finance Document or any other document or Security;
- (f) any unenforceability, illegality or invalidity of any obligation of, or any Security created by, any person under any Finance Document or any other document; or
- (g) any insolvency, liquidation, administration or similar.

8.3 Confirmations

Without prejudice to the generality of Clause 8.2 (Waiver of defences), the Assignor expressly confirms that it intends that the Security created by this Deed shall extend from time to time to any (however fundamental) variation, increase, extension or addition of or to any of the Finance Documents and/or any facility or amount made available under any of the Finance Documents for the purposes of or in connection with any of the following:

- (a) acquisitions of any nature;
- (b) increasing working capital;
- (c) enabling investor distributions to be made;

- (d) carrying out restructurings;
- (e) refinancing existing facilities;
- (f) refinancing any other indebtedness;
- (g) making facilities available to new (or existing) borrowers;
- (h) any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and
- (i) any fees, costs and/or expenses associated with any of the foregoing.

8.4 Immediate recourse

The Assignor waives any right it may have of first requiring any Secured Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or Security or claim payment from any person before claiming from the Assignor under this Deed. This waiver applies irrespective of any law or any provision of a Finance Document to the contrary.

8.5 Appropriations

During the Security Period each Secured Party may:

- (a) refrain from applying or enforcing any monies, Security or rights held or received by it (or any trustee or agent on its behalf) in respect of the Secured Liabilities, or, subject to Clause 11 (Application of Proceeds), apply and enforce the same in such manner and order as it sees fit (whether against the Secured Liabilities or otherwise) and the Assignor shall not be entitled to the benefit of the same; and
- (b) hold in an interest-bearing suspense account any monies received from the Assignor or on account of the Secured Liabilities.

8.6 Non-competition

During the Security Period and unless the Security Agent otherwise directs, the Assignor shall not exercise any rights which it may have by reason of performance by it of its obligations under this Deed or the enforcement of the Security created by this Deed:

- (a) to receive or claim payment from, or be indemnified by a Transaction Obligor;

16.5 No Withholding

The Assignor shall make all payments under or in respect of this Deed without set-off or counterclaim and free and clear of any withholding or deduction, save as may be required by law in which event the amount payable shall be increased so that after such withholding or deduction the Security Agent shall receive a net amount equal to what the Security Agent would have received in the absence of such withholding or deduction.
