Appendix 3 Joint Liquidators' charging and expenses policy

Joint Liquidators' charging policy

The time charged to the liquidation is by reference to the time properly given by the Joint Liquidators and their staff in attending to matters arising in the liquidation. This includes work undertaken by in-house Interpath Advisory tax, VAT and employee specialists.

The Joint Liquidators' policy is to delegate tasks in the liquidation to appropriate members of staff considering their level of experience and requisite specialist knowledge, supervised accordingly, so as to maximise the cost effectiveness of the work performed. Matters of particular complexity or significance requiring more exceptional responsibility are dealt with by senior staff or the Joint Liquidators themselves.

Under the terms of the Interpath engagement letter dated 12 December 2022, the Joint Liquidators are paid a fixed fee of £24,000 plus VAT and expenses for the liquidation and three other Companies, including pre-liquidation advice in assisting the Company's directors in preparing for the liquidation. It is only the Joint Liquidators' costs in dealing with matters which fall outside the scope of the fixed fee that are charged on a time cost basis.

Hourly rates

The relevant charge-out rates per hour worked for the grades of the Joint Liquidators' staff actually or likely to be involved on this liquidation are set out below. Time is charged by reference to actual work carried out on the liquidation.

All staff who have worked on the liquidation have charged time directly to the liquidation and are included in the analysis of time spent. The cost of staff employed in central administration functions is not charged directly to the liquidation but is reflected in the general level of charge-out rates.

Table of charge-out rates

The charge-out rates used by the Joint Liquidators might periodically rise (for example to cover annual inflationary cost increases) over the period of the liquidation.
