REGISTRAR OF COMPANIES**

## DEED OF ACCESSION TO THE DEBENTURE

THIS DEED is dated 17 February 2022 and made

BETWEEN:

- (1) The entities listed in Schedule 1 (*Additional Chargors*) to this Deed as the acceding Additional Chargors (each an *Additional Chargor*);
- (2) Artemis Bidco Limited for itself and as attorney for each of the other Chargors as defined in the Debenture referred to below (the *Company*); and
- (3) GLAS Trust Corporation Limited for itself and as agent and trustee for each of the other Secured Parties as defined in the Debenture referred to below (the *Security Agent*).

WHEREAS:

- (A) Each Additional Chargor is a wholly-owned Subsidiary of the Company.
- (B) The Company entered into a Debenture dated 8 September 2021 (the *Debenture*) between, among others, the Company (as an Original Chargor), the other Original Chargor and the Security Agent.
- (C) Each Additional Chargor has agreed to enter into this Deed and to become a Chargor under the Debenture. Each Additional Chargor shall also, by execution of separate instruments, become a party to the Secured Debt Documents as a Guarantor.

IT IS AGREED as follows:

### 1. INTERPRETATION

- (a) In this Deed, unless the context otherwise requires or a contrary indication appears:
  - (i) terms defined in the Debenture have the same meanings when used in this Deed; and
  - (ii) the provisions of clause 1.2 (*Construction*) of the Debenture apply to this Deed as if set out in full in this Deed, except that references to the Debenture shall be construed as references to this Deed.
- (b) This Deed is a Secured Debt Document and a Security Document.

### 2. ACCESSION

With effect from the date of this Deed, each Additional Chargor:

- (a) shall become a party to the Debenture in the capacity of a Chargor; and
- (b) shall be bound by, and shall comply with, all of the terms of the Debenture which are expressed to be binding on a Chargor,

in each case, as if it had always been a party to the Debenture as a Chargor.

### **3. CREATION OF SECURITY**

#### **3.1 General**

Clauses 3.2 (*Investments*) to 3.5 (*Floating charge*) (inclusive) of this Deed apply without prejudice to the generality of Clause 2 (*Accession*) of this Deed.

#### **3.2 Investments**

Each Additional Chargor charges by way of a first fixed charge in favour of the Security Agent all its present and future right, title and interest in and to each of its Investments (including any shares referred to in Part A (*Shares*) of Schedule 2 (*Security Assets*) to this Deed in respect of that Additional Chargor).

#### **3.3 Material Intra-Group Loan Arrangements**

Each Additional Chargor assigns by way of security absolutely, subject to a proviso for re-assignment on redemption, all of its rights in respect of any Material Intra-Group Loan Agreement to which it is a party, including all amounts which each Chargor may receive or has received under such document, in each case, except to the extent that it is subject to any fixed security created under any other term of this Deed.

#### **3.4 Accounts**

Each Additional Chargor charges by way of a first fixed charge in favour of the Security Agent all of its rights in respect of any amount standing to the credit of any Account (including any Account referred to in Part B (*Accounts*) of Schedule 2 (*Security Assets*) to this Deed in respect of that Additional Chargor) and the debt represented by it.

#### **3.5 Floating charge**

- (a) Each Additional Chargor charges by way of a first floating charge all its assets.
- (b) Except as provided below, the Security Agent may by notice to the relevant Additional Chargor convert the floating charge created by such Additional Chargor under this Clause into a fixed charge as regards any of that Additional Chargor's assets specified in that notice, if:
  - (i) an Acceleration Event is continuing; or
  - (ii) those assets specified in that notice are at a material and imminent risk of being seized or sold under any form of distress, attachment, execution or other similar legal process.
- (c) The floating charge created by this Clause may not be converted into a fixed charge solely by reason of:
  - (i) the obtaining of a moratorium; or
  - (ii) anything done with a view to obtaining a moratorium,under section 1A of the Insolvency Act 1986.
- (d) The floating charge created under this Deed will (in addition to the circumstances in which the same will occur under general law) automatically convert into a fixed charge

over all the relevant Additional Chargor's assets if an administrator is appointed in respect of such Additional Chargor.

- (e) The floating charge created by this Clause is a qualifying floating charge for the purpose of paragraph 14 of Schedule B1 to the Insolvency Act 1986.

### 3.6 Property Excluded from Security

- (a) There shall be excluded from the floating charge created under Clause 3.5 (*Floating charge*):
  - (i) any asset or undertaking which each Additional Chargor is at any time prohibited (whether conditionally or unconditionally) from creating Security on or over by reason of any contract, licence, lease, instrument or other arrangement with a third party (including any asset or undertaking which each Additional Chargor is precluded from creating Security on or over without the prior consent of a third party), in each case to the extent of that prohibition and for so long as such prohibition is in existence or until consent has been received from the third party; and
  - (ii) any asset which, if subject to the applicable Security or the provisions of this Deed, would give a third party the right to terminate or otherwise amend any rights, benefits and/or obligations with respect to any member of the Group in respect of the asset or require each Additional Chargor to take any action materially adverse to the interests of the Group or any member thereof,

provided that each Additional Chargor shall use reasonable endeavours (exercised for a period of time not more than 20 Business Days) to obtain consent to charging any material asset (where otherwise prohibited) if each Additional Chargor is reasonably satisfied that such endeavours would not have a negative impact on any relationships with third parties or otherwise place those relationships in jeopardy.

- (b) Immediately upon receipt of the relevant waiver or consent, the formerly excluded asset shall stand charged to the Security Agent under Clause 2.6 (*Floating charge*).

## 4. RELATIONSHIP BETWEEN THIS DEED AND THE DEBENTURE

- (a) With effect from the date of this Deed:
  - (i) the Debenture shall be read and construed for all purposes as if:
    - (A) each Additional Chargor had been an original party to the Debenture in the capacity of a Chargor;
    - (B) the rights, obligations and liabilities of, under or in connection with the Debenture apply to each Additional Chargor in the capacity of a Chargor; and
    - (C) the provisions of the Debenture which are consistent with this Deed, or in respect of which this Deed is silent, apply to each Additional Chargor,

but, in each case, so that the Transaction Security created on this accession shall be created on the date of this Deed;

- (ii) the provisions of the Debenture which are expressed to apply to the Security Agent, any Secured Party, any Receiver or any other person shall apply to this Deed as if set out in full in this Deed except that references to the Debenture shall include this Deed; and
  - (iii) unless the context otherwise requires, any reference in the Debenture to “this Deed” and similar phrases shall include this Deed and all references in the Debenture to any relevant schedule to the Debenture (or any part of it) shall include a reference to Schedule 2 (*Security Assets*) to this Deed (or relevant part of it).
- (b) Without prejudice to any other provision of this Deed, all Transaction Security:
  - (i) is created in favour of the Security Agent for itself and on behalf of each of the other Secured Parties;
  - (ii) is created free from any security interest (other than any Transaction Security);
  - (iii) is created over the present and future assets of each Additional Chargor; and
  - (iv) is a continuing security for the payment, discharge and performance of all of the Secured Obligations, shall extend to the ultimate balance of all amounts payable under the Secured Debt Documents and shall remain in full force and effect until the Final Discharge Date. No part of the Transaction Security shall be considered to be satisfied or discharged by any intermediate payment, discharge or satisfaction of the whole or any part of the Secured Obligations.
- (c) The Security Agent holds the benefit of this Deed, the Debenture and the Transaction Security on trust for itself and each of the other Secured Parties from time to time on the terms of the Intercreditor Agreement.

## 5. EXECUTION AS A DEED

Each party to this Deed intends this Deed to take effect as a deed, and confirms that it is executed and delivered as a deed on the date stated at the beginning of this Deed, notwithstanding the fact that any one or more of those parties may only execute this Deed under hand.

## 6. COUNTERPARTS

This Deed may be executed in any number of counterparts, and by each party to this Deed on separate counterparts. Each counterpart is an original, but all counterparts shall together constitute one and the same instrument. Delivery of a counterpart of this Deed by e-mail attachment or telecopy shall be an effective mode of delivery.

## 7. GOVERNING LAW

This Deed and any non-contractual obligations arising out of or in connection with it are governed by English law.

**THIS DEED** has been executed and delivered as a deed on the date stated at the beginning of this Deed.
