Notes to the Financial Statements

Year ended 31 December 2022

1. General information

The company is a private company limited by guarantee, registered in England and Wales. The address of the registered office is 56 Stackpool Road, BS3 1NN, Bristol.

2. Statement of compliance

These financial statements have been prepared in compliance with Section 1A of FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through profit or loss.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Revenue recognition

Turnover is measured at the fair value of the consideration received or receivable for goods supplied and services rendered, net of discounts and Value Added Tax.

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership have transferred to the buyer (usually on despatch of the goods); the amount of revenue can be measured reliably; it is probable that the associated economic benefits will flow to the entity; and the costs incurred or to be incurred in respect of the transactions can be measured reliably.

Income tax

The taxation expense represents the aggregate amount of current and deferred tax recognised in the reporting period. Tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, tax is recognised in other comprehensive income or directly in equity, respectively.

Current tax is recognised on taxable profit for the current and past periods. Current tax is measured at the amounts of tax expected to pay or recover using the tax rates and laws that have been enacted or substantively enacted at the reporting date.

Deferred tax is recognised in respect of all timing differences at the reporting date. Unrelieved tax losses and other deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the reporting date that are expected to apply to the reversal of the timing difference.

Financial instruments

A financial asset or a financial liability is recognised only when the company becomes a party to the contractual provisions of the instrument.

Notes to the Financial Statements (continued)

Year ended 31 December 2022

3. Accounting policies (continued)

Financial instruments (continued)

Basic financial instruments are initially recognised at the transaction price, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Debt instruments are subsequently measured at amortised cost.

Where investments in non-convertible preference shares and non-puttable ordinary shares or preference shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in profit or loss. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in profit or loss, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss immediately.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised in profit or loss immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

4. Company limited by guarantee

The company is limited by guarantee of members and does not have a share capital.

5. Employee numbers

The average number of persons employed by the company during the year amounted to 2 (2021: 2).

This template illustrates what the Regulator of Community Interest Companies considers to be best practice for completing a simplified community interest company report. All such reports must be delivered in accordance with section 34 of the Companies (Audit, Investigations and Community Enterprise) Act 2004 and contain the information required by Part 7 of the Community Interest Company Regulations 2005. For further guidance see chapter 8 of the Regulator's guidance notes and the alternate example provided for a more complex company with more detailed notes.

(N.B. A Filing Fee of £15 is payable on this document. Please enclose a cheque or postal order payable to Companies House)

PART 1 - GENERAL DESCRIPTION OF THE COMPANY'S ACTIVITIES AND IMPACT In the space provided below, please insert a general account of the company's activities in the financial year to which the report relates, including a description of how they have benefited the community.

The company held a programme of engagement in different forms and in collaboration with other organisations to help people in the community shift their fashion habits away from fast fashion. This engagement included a range of different activities. Some examples of which are:

- Collaborating with Bristol Museums to create a commission piece for their climate change exhibition – Think Global Act Bristol – working with independent makers and a community group that works directly with women and young people from marginalised groups in Bristol.
- Working with Salisbury Museum on a mini workshop series to engage with young people in there Fashioning Our World project to support them in community building to support sustainable fashion
- Collaborating with the City of Bristol College and three other community partners to
 produce a catwalk show that demonstrated sustainability in fashion through the eyes of
 young people and members of the community.
- Delivering a national program of activities for our annual flagship event: Sustainable Fashion Week. This included workshops skills learning talks panel discussions fashion shows activism and more

For more information on our activities in 2022 – please see our Impact Report here:

(If applicable, please just state "A social audit report covering these points is attached").

(Please continue on separate continuation sheet if necessary.)

PART 2 – CONSULTATION WITH STAKEHOLDERS – Please indicate who the company's stakeholders are; how the stakeholders have been consulted and what action, if any, has the company taken in response to feedback from its consultations? <u>If there has been no consultation, this should be made clear.</u>

Each year we have a survey of our in-person and online audiences, inviting them to tell us what they face in terms of barriers to participation in sustainable fashion, and what activities we can offer to help them overcome these barriers and to make sustainable fashion more accessible. Our survey in 2022 resulted in over 200 respondents and of these 88% said they either strongly agreed or agreed that sustainable fashion week and it activities resourced them to have a more sustainable relationship with Fashion.

(If applicable, please just state "A social audit report covering these points is attached").

PART 3 – DIRECTORS' REMUNERATION – if you have provided full details in your accounts you need not reproduce it here. Please clearly identify the information within the accounts and confirm that, "There were no other transactions or arrangements in connection with the remuneration of directors, or compensation for director's loss of office, which require to be disclosed" (See example with full notes). If no remuneration was received you must state that "no remuneration was received" below.

All information in regards to directors remuneration is laid out in the accounts provided.

There were no other transactions or arrangements in connection with the remuneration of directors or compensation for directors loss of office was required to be disclosed.

PART 4 – TRANSFERS OF ASSETS OTHER THAN FOR FULL CONSIDERATION – Please insert full details of any transfers of assets other than for full consideration e.g. Donations to outside bodies. If this does not apply you must state that "no transfer of assets other than for full consideration has been made" below.

No transfer of assets other than for full consideration has been made.

(Please continue on separate continuation sheet if necessary.)
