Notes to the Financial Statements

Period from 19 March 2021 to 31 March 2022

1. General information

The company is a private company limited by shares, registered in England and Wales, registration number 13278036 . The address of the registered office is 333 Hartshill Road, Hartshill, Stoke-On-Trent, ST4 7NR.

2. Statement of compliance

These financial statements have been prepared in compliance with Section 1A of FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis. The financial statements are prepared in sterling, which is the functional currency of the entity. Monetary amounts in these financial statements are rounded to the nearest £.

Going concern

At the balance sheet date, the company's liabilities exceeded its assets. The company has received assurance from the directors and related company that they will continue to give financial support to the company for twelve months from the date of signing these financial statements. On this basis, the directors consider it appropriate to prepare the accounts on a going concern basis. However, should the financial support mentioned above not be forthcoming, the going concern basis used in preparing the company's accounts may be invalid and adjustments would have to be made to reduce the value of assets to their realisable amount and to provide for any further liabilities which might arise. The accounts do not include any adjustment to the company's assets or liabilities that might be necessary should this basis not continue to be appropriate.

Revenue recognition

The turnover shown in the profit and loss account represents amounts receivable for services provided during the period in the normal course of the business.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities. The basic financial instruments of the company are as follows: Debtors Debtors do not carry any interest and are stated at their nominal value. Appropriate allowances for estimated irrecoverable amounts are recognised in the Profit and Loss account when there is objective evidence that the asset is impaired. Cash at bank and in hand This comprises cash at bank and cash in hand.
