 - (ii) the Auditors shall be requested to confirm that such calculations as have been made by the Company have, in their opinion, been performed in accordance with these Articles and are arithmetically accurate whereupon such calculations shall become final and binding on the Company and all holders of the Company's shares and any other securities issued by the Company which are converting into the Company's shares, subject to the proviso immediately after the definition of "J" in the definition of Conversion Ratio in Article 10.1;
- (b) the Directors shall procure that, as soon as practicable following such confirmation and in any event within 10 Business Days of the Calculation Date, a notice is sent to each C Shareholder of the relevant class, as applicable, advising such C Shareholder of the Conversion Date, the Conversion Ratio and the numbers of new Ordinary Shares and Deferred Shares to which such C Shareholders will be entitled on Conversion.
- (c) on Conversion each C Share of the relevant class in issue as at the Conversion Date shall automatically sub-divide into 10 conversion shares of £0.01 each and such conversion shares of £0.01 each shall automatically convert into such number of new Ordinary Shares and Deferred Shares as shall be necessary to ensure that, upon such Conversion being completed:
 - (i) the aggregate number of new Ordinary Shares into which the same number of conversion shares of £0.01 each are converted equals the number of C Shares of the relevant class in issue on the Calculation Date multiplied by the Conversion Ratio (rounded down to the nearest whole new Ordinary Share); and
 - (ii) each conversion share of £0.01 which does not so convert into a new Ordinary Share shall convert into one Deferred Share;
- (d) the new Ordinary Shares and Deferred Shares arising upon Conversion shall be divided amongst the former C Shareholders of the relevant class pro rata according to their respective former holdings of C Shares of the relevant class (provided always that the

Directors may deal in such manner as they think fit with fractional entitlements to new Ordinary Shares and Deferred Shares arising upon Conversion including, without prejudice to the generality of the foregoing, selling any new Ordinary Shares representing such fractional entitlements and retaining the proceeds for the benefit of the Company);

- (e) forthwith upon Conversion, the share certificates relating to the C Shares of the relevant class shall be cancelled and the Company shall issue to each relevant former C Shareholder of the relevant class new certificates in respect of the new Ordinary Shares which have arisen upon Conversion to which he is entitled. Share certificates will not be issued in respect of the Deferred Shares; and
- (f) the Directors may make such adjustments to the terms and timing of Conversion as they in their discretion consider are fair and reasonable having regard to the interests of all shareholders.

10.8 Class consents and variation of rights

Without prejudice to the generality of these Articles, for so long as any C Shares are for the time being in issue, it shall be a special right attaching both to the Existing Ordinary Shares and to the C Shares for the time being as separate classes that save that with the sanction or consent of such holders given in accordance with Article 12:

- (a) no allotment or issue of any security convertible into or carrying a right to subscribe for any share capital of the Company other than the allotment or issue of further C Shares shall be made, and
- (b) no resolution of the Company shall be passed to wind up the Company.

For the avoidance of doubt but subject to the rights or privileges attached to any other class of shares, the previous sanction of a special resolution of the holders of Existing Ordinary Shares and C Shares shall not be required in respect of:

- (c) the issue of further Ordinary Shares ranking *pari passu* in all respects with the Existing Ordinary Shares (otherwise than in respect of any dividend or other distribution declared, paid or made on the Existing Ordinary Shares by the issue of such further Ordinary Shares), or

- (d) the sale of any shares held as treasury shares (as such term is defined in Section 724 of the 2006 Act) in accordance with Sections 727 and 731 of the 2006 Act or the purchase or redemption of any shares by the Company (whether or not such shares are to be held in treasury).

10.9 Redemption

- (a) The Redeemable Preference Shares shall be redeemable in accordance with Article 10.9(b). None of the Ordinary Shares or the C Shares shall be redeemable by the Company.
- (b) The Company may by notice in writing and upon tendering to a registered holder of Redeemable Preference Shares the amount of capital paid up thereon, redeem any Redeemable Preference Shares at any time and in any event no later than 31 December 2021 (subject to the provisions of the 2006 Act) and such holder shall be bound to deliver up any certificate which may have been representing the same. Upon redemption, the name of the registered holder shall be removed from the Register. Each Redeemable Preference Share which is redeemed shall thereafter be cancelled.

11 CERTIFICATES

- 11.1 Unless otherwise determined by the Board and permitted by the Regulations, no person shall be entitled to receive a certificate in respect of any share for so long as the title to that share is evidenced otherwise than by a certificate and for so long as transfers of that share may be made otherwise than by a written instrument by virtue of the Regulations. The Board shall have power to implement any arrangements it may, in its absolute discretion, think fit in relation to the evidencing and transfer of shares in uncertificated form (subject always to the Regulations and the facilities and requirements of the Relevant Electronic System concerned).
- 11.2 Conversion of shares in certificated form into shares in uncertificated form and vice versa may be made in such manner as the Board may, in its absolute discretion, think fit (subject always to the Regulations and the facilities and requirements of the Relevant Electronic System concerned).
- 11.3 The Company shall enter on the Register how many shares are held by each member in uncertificated form and in certificated form and shall maintain the Register in each case as is required by the Regulations and the Relevant Electronic System concerned. Unless the Board

otherwise determines, holdings of the same holder or joint holders in certificated form and uncertificated form shall be treated as separate holdings.

- 11.4 A class of share shall not be treated as two classes by virtue only of that class comprising both shares in certificated form and shares in uncertificated form or as a result of any provision of these Articles or the Regulations which apply only in respect of shares in certificated form or shares in uncertificated form.
- 11.5 The Company shall not be bound to register more than four persons as the joint holders of a share, except in the case of executors or trustees of a deceased member.
- 11.6 The provisions of Articles 11.10 and 11.11 shall not apply to shares or debentures in uncertificated form.
- 11.7 Notwithstanding any other provision of these Articles, any provision in these Articles which is inconsistent with the Regulations in relation to the holding of shares in uncertificated form or the transfer thereof by means of a Relevant Electronic System shall not apply in relation to any shares which are to be so held or transferred and shall accordingly be construed as if such provision incorporates such amendment as may be necessary to make the same consistent with the Regulations.
- 11.8 Certificates for shares or certificates issued in respect of any debentures may be issued under the Seal or bear an imprint or representation of the Seal or such other form of authentication as the Board may determine and do not need to be signed or authenticated unless otherwise determined by a resolution of the Board.
- 11.9 Certificates for shares or certificates issued in respect of any debentures registered in an overseas branch register for use in a place in which the Company has an official seal may be issued under such seal or bearing an imprint or representation of such seal, in which event the certificates need not be signed or authenticated.
- 11.10 Subject to the provisions of these Articles, every member (other than a recognised clearing house or a nominee of a recognised clearing house or of a recognised investment exchange in respect of whom the Company is not by law required to complete and have ready for delivery a certificate) shall be entitled without payment to one certificate for all his shares of each class, or, upon payment of such reasonable sum as the Board shall determine for each additional certificate, to several certificates each for one or more of such shares PROVIDED that in the case of any share registered in the names of two or more persons the Company shall not be

bound to issue more than one certificate in respect thereof to all the joint holders, and delivery of such certificate to any one of them shall be sufficient delivery to all. Where a member transfers part of the shares to which any certificate relates he shall be entitled to a certificate for the balance thereof without payment. Every certificate shall specify the number and class and distinguishing numbers (if any) of the shares to which it relates and the amount paid up thereon.

- 11.11 Subject to the provisions of the Statutes, the Company shall within one month after the allotment of any of its shares or debentures, and within fourteen days after lodgement with the Company of any duly stamped and valid transfer of any of its shares or debentures, complete and have ready for delivery the certificates for the shares or the debentures so allotted or transferred, unless the conditions of issue of the shares or debentures otherwise provide or unless the shares or debentures are allotted or transferred as the case may be to a recognised clearing house or a nominee of a recognised clearing house or of a recognised investment exchange in respect of whom the Company is not by law required to complete and have ready for delivery a certificate.
- 11.12 If at any time all the issued shares of the Company, or all the issued shares of a particular class, are fully paid up and rank *pari passu* for all purposes, none of those shares shall thereafter (subject to any resolution of the Board to the contrary) have a distinguishing number so long as it remains fully paid up and ranks *pari passu* for all purposes with all shares of the same class for the time being issued and fully paid up.
- 11.13 If any certificate shall be worn out or defaced or shall be alleged to have been stolen, destroyed or lost, it may be renewed on such terms (if any) as to evidence and indemnity and payment of any exceptional out-of-pocket expenses incurred by the Company in connection with the matter as the Board may determine but otherwise free of charge, and (in the case of wearing out or defacement) on delivery up of the old certificate.
- 11.14 If the Company is entitled to sell, transfer or otherwise dispose of, forfeit, re-allot, accept the surrender of or otherwise enforce a lien over an uncertificated share, then, subject to these Articles and the Statutes, such entitlement shall include the right of the Board to:
- (a) require the holder of the uncertificated share by notice in writing to change that share from uncertificated to certificated form within such period as may be specified in the notice and keep it as a certificated share for as long as the Board requires;
 - (b) appoint any person to take such other steps, by instruction given by means of a relevant system or otherwise, in the name of the holder of such share as may be required to

effect the transfer of such share and such steps shall be as effective as if they had been taken by the registered holder of that share; and

- (c) take such other action that the Board considers appropriate to achieve the sale, transfer, disposal, forfeiture, re-allotment or surrender of that share or otherwise to enforce a lien in respect of that share.

12 VARIATION OF RIGHTS

- 12.1 Subject to the provisions of the Statutes, the rights attached to any class of shares for the time being forming part of the capital of the Company may be varied or abrogated, either while the Company is a going concern or during or in contemplation of a winding-up, with the consent in writing of the holders of three-fourths of the issued shares of the class, or with the sanction of a Special Resolution passed at a separate meeting of holders of the shares of the class. To every such separate meeting all the provisions of these Articles relating to General Meetings of the Company or the proceedings thereat shall mutatis mutandis apply, but so that the necessary quorum (other than at an adjourned meeting) shall be two persons holding or representing by proxy at least one-third in nominal value of the issued shares of the class, and at an adjourned meeting shall be one person holding shares of the class or his proxy, and that every holder of shares of the class present in person or by proxy shall, on a poll, have one vote in respect of every share of the class held by him and shall be entitled to demand a poll. The foregoing provisions of this Article shall apply to the variation or abrogation of the special rights attached to some only of the shares of any class as if each group of shares of the class differently treated formed a separate class the special rights whereof are to be varied.
- 12.2 The rights conferred upon the holders of any shares or class of shares shall not, unless otherwise expressly provided in the rights attaching to or the terms of issue of such shares, be deemed to be varied by the creation or issue of further shares ranking *pari passu* therewith or subsequent thereto.
- 12.3 The provisions of these Articles relating to General Meetings of the Company or the proceedings thereat shall mutatis mutandis apply to any meeting of the holders of a class held otherwise than in connection with the variation or abrogation of the rights attached to shares of that class.

13 ALTERATION OF CAPITAL

- 13.1 The Company may by Ordinary Resolution:

- (a) consolidate and divide all or any of its share capital into shares of larger nominal value than its existing shares;
- (b) sub-divide its shares, or any of them, into shares of smaller nominal value than its existing shares; and
- (c) determine that, as between the shares resulting from such a sub-division, one or more shares may, as compared with the others, have any such preferred, deferred or other rights or be subject to any such restrictions, as the Company has power to attach to unissued or new shares; and

where any difficulty arises in regard to any consolidation or division, the Directors may settle such difficulty as they see fit. In particular, without limitation, the Directors may sell to any person (including the Company) the shares representing the fractions for the best price reasonably obtainable and distribute the net proceeds of sale in due proportion among those members or retain such net proceeds for the benefit of the Company and:

- (d) in the case of shares in certificated form, the Directors may authorise any person to execute an instrument of transfer of the shares to the purchaser or a person nominated by the purchaser; and
- (e) in the case of shares in uncertificated form, the Directors may, to enable the Company to deal with the share in accordance with the provisions of this Article, require the operator of a Relevant Electronic System to convert the share into certificated form, and after such conversion, authorise any person to execute an instrument of transfer and/or take such other steps (including the giving of directions to or on behalf of the holder, who shall be bound by them) as they think fit to effect the transfer.

13.2 The transferee shall not be bound to see to the application of the purchase money nor shall his title to the shares be affected by any irregularity in or invalidity of the proceedings in reference to the sale.

13.3 Subject to the provisions of the 2006 Act, the Uncertificated Securities Regulations and every other statute, enactment or regulations for the time being in force concerning companies and affecting the Company relating to authority, pre-emption rights and otherwise, and of any resolution of the Company in general meeting passed pursuant thereto, all existing shares of the Company shall be at the disposal of the Directors and they may allot (with or without conferring a right of renunciation), grant options over, offer or otherwise deal with or dispose of

such shares to such persons, at such times and generally on such terms and conditions as the Directors think proper.

14 CALLS ON SHARES

14.1 Calls

- (a) The Board may from time to time make such calls as the Board may think fit upon the members in respect of the amounts unpaid on their shares (whether on account of the nominal value of the shares or by way of premium) and not by the conditions of allotment made payable at fixed times.
- (b) Any call may be made payable either in one sum or by instalments, and each member upon whom a call is made shall be liable to pay the amount of the call to the person and at the time or times and place appointed by the Board. A call may be revoked in whole or part or the time fixed for its payment may be postponed by the Board. A person upon whom a call is made shall remain liable for calls made upon him notwithstanding the subsequent transfer of the shares in respect whereof the call was made.
- (c) A call shall be deemed to have been made at the time when the resolution of the Board authorising the call was passed.

14.2 Joint and several liability in respect of calls

Joint holders of a share shall be jointly and severally liable for the payment of all calls in respect thereof.

14.3 Power to differentiate

The Board may make arrangements on the issue of shares for a difference between the allottees or holders of such shares in the amount of calls to be paid and the time of payment of such calls.

14.4 Sums treated as calls

Any sum which by the terms of issue of a share is made payable upon allotment or at any fixed date (whether on account of the nominal value of the share or by way of premium) shall for all purposes of these Articles be deemed to be a call duly made and payable on such fixed date,

and in case of non-payment all the provisions of these Articles as to payment of interest, forfeiture or otherwise shall apply as if such sum were a call duly made and notified.

14.5 Interest

If any sum in respect of a call is not paid before or on the day appointed for payment thereof the person from whom the sum is due shall pay interest on the sum from the day appointed for the payment thereof to the time of actual payment, at such reasonable rate as the Board may determine, or failing such determination, at the rate of 10 per cent per annum, and shall also pay all expenses that may have been incurred by the Company by reason of the non-payment of such sum, but the Board may waive payment of such interest and expenses in whole or in part.

14.6 Payment of calls in advance

The Board may, if it thinks fit, receive from any member willing to advance the same all or any part of the monies payable in respect of any shares held by him beyond the amount of the calls actually made thereon; and upon the monies so advanced, or so much thereof as shall from time to time exceed the amount of the calls due upon such shares, the Company may pay interest at such rate not exceeding 10 per cent per annum as the member and the Board shall agree upon, but no part of such monies shall be included or taken into account in ascertaining the amount of the dividend payable upon the shares in respect of which such advance has been made.

15 FORFEITURE

15.1 Notice if calls not paid and forfeiture

- (a) If any member fails to pay the whole or any part of any call on or before the day appointed for the payment thereof the Board may, at any time thereafter during such time as the call or any part thereof remains unpaid, serve a notice on him requiring him to pay such call or such part thereof as remains unpaid, together with any interest which may have accrued and any expenses incurred by the Company by reason of such non-payment.
- (b) The notice shall name a further day (not being less than fourteen days from the date of service of the notice) on or before which and the place where the payment required by the notice is to be made, and shall state that in the event of non-payment at or before

the time and at the place appointed the shares in respect of which the call was made will be liable to be forfeited.

- (c) If the requirements of any such notice as aforesaid are not complied with, any share in respect of which the notice has been given may at any time thereafter, before payment of all calls and interest and expenses due in respect thereof has been made, be forfeited by a resolution of the Board to that effect. Such forfeiture shall include all dividends or other monies payable in respect of the forfeited shares and not actually paid before the forfeiture. The Board may accept a surrender of any share liable to be forfeited hereunder.

15.2 Sale of forfeited shares

A forfeited or surrendered share may be sold, re-allotted or otherwise disposed of on such terms and in such manner as the Board thinks fit, and at any time before a sale, re-allotment or disposition the forfeiture or surrender may be cancelled on such terms as the Board thinks fit, but so that unless such share shall have been previously disposed of the Board shall cancel the same not later than three years from the date of forfeiture or surrender.

15.3 Cessation of membership and continuing liability

A person whose shares have been forfeited or surrendered shall cease to be a member in respect of such shares and in the case of shares in certificated form shall surrender to the Company for cancellation the certificate for the shares, but shall, notwithstanding, remain liable to pay to the Company all monies which, at the date of forfeiture or surrender, were payable by him to the Company in respect of the shares with interest from the date of forfeiture or surrender until payment. The rate at which such interest shall be payable shall be the rate at which interest was payable on those monies before forfeiture or surrender or, if no interest was so payable, at such rate not exceeding 15 per cent per annum as the Board shall determine. The Board may waive payment wholly or in part or enforce payment without any allowance for the value of the shares at the time of forfeiture or surrender or for any consideration received on their disposal.

15.4 Statutory declaration as to forfeiture

A statutory declaration that the declarant is a Director or the Secretary of the Company, and that a share in the Company has been duly forfeited or surrendered on a date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share. The Company may receive the consideration, if any, given

for the share on any sale, re-allotment or disposition thereof and the Board may authorise some person to execute a transfer of the share or, in the case of a share for the time being in uncertificated form, authorise any person to transfer such share, in accordance with the facilities and requirements of the Relevant Electronic System concerned, in each case in favour of the person to whom the share is sold or otherwise disposed of and he shall thereupon be registered as the holder of the share, and shall not be bound to see to the application of the purchase money, if any, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, surrender, sale, re-allotment or other disposal of the share.

15.5 Notice after forfeiture

When any share has been forfeited, notice of the forfeiture shall be served on the holder of the share or the person entitled to such share by transmission (as the case may be) before forfeiture. An entry of such notice having been given and of the forfeiture and the date of forfeiture shall immediately be made in the Register in respect of such share. However, no forfeiture shall be invalidated by any omission to give such notice or to make such entry in the Register.

15.6 Forfeiture may be annulled

The Board may annul the forfeiture of a share, at any time before any forfeited share has been cancelled or sold, re-allotted or otherwise disposed of, on the terms that payment shall be made of all calls and interest due on it and all expenses incurred in respect of the share and on such further terms (if any) as the Board shall see fit.

16 LIEN

16.1 Company's lien on shares not fully paid

The Company shall have a first and paramount lien on every share (not being a fully paid share) for all monies, whether immediately payable or not, called or payable at a fixed time in respect of such share. The Company's lien (if any) on a share shall extend to all dividends and other monies payable thereon or in respect thereof. The Board may resolve that any share shall for some specified period be exempt from the provisions of this Article. Unless otherwise agreed, the registration of a transfer of any share shall operate as a waiver of the Company's lien (if any) on such share.

16.2 Enforcing lien by sale

The Company may sell, in such manner as the Board thinks fit, any share on which the Company has a lien, but no sale shall be made unless a sum in respect of which the lien exists is immediately payable, nor until the expiration of fourteen days after a notice in writing, stating and demanding payment of such sum and giving notice of intention to sell in default, shall have been given to the holder for the time being of the share, or to the person entitled to the share by reason of his death or bankruptcy or otherwise by operation of law.

16.3 Application of proceeds of sale and giving effect to sale

The net proceeds of such sale, after payment of the costs of such sale, shall be applied in or towards payment or satisfaction of any sum immediately payable in respect of which the lien exists, and any residue shall (subject to a like lien in respect of any monies not immediately payable as exists on the share prior to the sale) (and in the case of shares in certificated form subject to surrender to the Company for cancellation of the certificate for the share sold) be paid to the person registered as holder of the share at the time of the sale. For giving effect to any such sale the Board may authorise some person to transfer the share sold to the purchaser thereof. The purchaser shall be registered as the holder of the share so transferred and shall not be bound to see to the application of the purchase money, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the sale. A statutory declaration that the declarant is a Director or the Secretary of the Company, and that a share in the Company has been duly sold pursuant to Article 17.4(a) on a date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share.

17 TRANSFER OF SHARES

17.1 Transfer of shares in certificated form

Shares in the Company in certificated form shall be transferred by instrument of transfer in any usual or common form, or in such other form as shall be approved by the Board. The instrument of transfer of a share in certificated form (which may be under hand) shall be signed by or on behalf of the transferor PROVIDED that in the case of a partly paid share in certificated form the instrument of transfer must also be signed by or on behalf of the transferee.

17.2 Transfer of shares in uncertificated form

All transfers of shares in uncertificated form shall be made in accordance with and be subject to the Regulations and the facilities and requirements of the Relevant Electronic System concerned and, subject thereto, in accordance with any arrangements made by the Board pursuant to Article 11.2.

17.3 Register

In relation to all transfers of shares, the transferor shall be deemed to remain the holder of the share concerned until the name of the transferee is entered in the Register as the holder thereof.

17.4 Refusal to register transfers

- (a) The Board may, in its absolute discretion but giving reason(s) for a refusal to register shares together with, if required, such further information as the transferee may reasonably request, refuse to register a transfer of any share which is not fully paid up provided that, where any such shares are admitted to trading on a market of the London Stock Exchange, such discretion may not be exercised in such a way as to prevent dealings in the shares of that class from taking place on an open and proper basis.
- (b) The Board may also refuse to recognise any instrument of transfer in respect of any share in certificated form unless:
 - (i) it is duly stamped, is deposited at the Office or such other place as the Board may appoint, and (except in the case of a transfer by a recognised clearing house or a nominee of a recognised clearing house or of a recognised investment exchange where a certificate has not been issued in respect of the shares) is accompanied by the certificate for the shares to which it relates, and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer; and
 - (ii) it is in respect of only one class of shares.
- (c) The Board may also refuse to register a transfer of any share (whether in certificated form or not and whether fully paid or not) to more than four persons to be held jointly by them.

- (d) The Board may also, subject to giving reason(s) together with, if required, such further information as the transferee may reasonably request, refuse to register a transfer of shares in uncertificated form in such other circumstances as may be permitted by the Regulations and the requirements of the Relevant Electronic System concerned provided that such restrictions do not prevent any dealing in the shares from taking place on an open and proper basis.

17.5 Notice of refusal

If the Board refuses to register a transfer of any share it shall within two months after the date on which the transfer was lodged with the Company or, in the case of an uncertificated share, the date on which the appropriate instruction was received by or on behalf of the Company in accordance with the Regulations send to the transferee notice of the refusal.

17.6 Retention of instrument of transfer

All instruments of transfer which are registered may be retained by the Company.

17.7 No fee for registration

The Company shall not charge any fee in respect of the registration of any transfer, probate, letters of administration, certificate of marriage or death, power of attorney, stop notice, order of court or other document or instruction relating to or affecting the title to any share.

17.8 Recognition of renunciation

Nothing in these Articles shall preclude the Board from recognising renunciation of any share by the allottee thereof in favour of some other person.

17.9 Destruction of documents

The Company shall be entitled to destroy all instruments of transfer of shares and all documents on the faith of which entries have been made in the Register at any time after the expiration of six years from the date of registration thereof, and all dividend mandates and notifications of change of name or address at any time after the expiration of two years from the date of the recording thereof, and all share certificates which have been cancelled at any time after the expiration of one year from the date of such cancellation, all proxy appointments which have been used for the purpose of a poll at any time after the expiration of one year from the date of

use, all proxy appointments which have not been used for the purpose of a poll at any time after one month from the end of the meeting to which the proxy appointment relates and at which no poll was demanded, and it shall conclusively be presumed in favour of the Company that every instrument of transfer so destroyed was a valid and effective instrument duly and properly registered and every share certificate so destroyed was a valid and effective document duly and properly cancelled and every other document mentioned above so destroyed was a valid and effective document in accordance with the recorded particulars thereof in the books or records of the Company provided that:

- (a) the previous provisions of this Article shall apply only to the destruction of a document in good faith and without notice of any claim (regardless of the parties thereto) to which the document might be relevant;
- (b) nothing contained in this Article shall be construed as imposing upon the Company any liability in respect of the destruction of any document earlier than as aforesaid or in any other circumstances in which liability would not attach to the Company in the absence of this Article; and
- (c) references in this Article to the destruction of any document include references to the disposal thereof in any manner.

18 TRANSMISSION OF SHARES

18.1 Transmission on death

In the case of the death of a member the survivors or survivor where the deceased was a joint holder, and the legal personal representatives of the deceased where he was a sole or only surviving holder, shall be the only persons recognised by the Company as having any title to his interest in any share; but nothing contained in this Article shall release the estate of a deceased joint holder from any liability in respect of any share which had been jointly held by him with any other person.

18.2 Election of person entitled by transmission

- (a) Any person becoming entitled to a share in consequence of the death or bankruptcy of any member, or of any other event giving rise to its transmission by operation of law, may, upon such evidence of his title being produced as may reasonably be required by the Board (but subject to the provisions contained below), and (in the case of shares in

uncertificated form) subject to compliance with such other procedures (consistent with the facilities and requirements of the Relevant Electronic System concerned) as the Board may determine elect either to be registered himself as the holder of the share or transfer such share to some other person.

- (b) If the person so becoming entitled shall elect to be registered himself, he shall deliver or send to the Company a notice in writing signed by him stating that he so elects. If he shall elect to transfer the share in question to some other person he shall testify his election by in the case of a share in certificated form executing a transfer of the share or, in respect of a share in uncertificated form, by authorising any person to transfer such share, in accordance with the facilities and requirements of the Relevant Electronic System concerned, in each case to the person concerned. All the limitations, restrictions and provisions of these Articles relating to the right to transfer and the registration of transfers of shares shall be applicable to any such notice or transfer as aforesaid as if the death or bankruptcy of the member or other event giving rise to the transmission had not occurred and the notice or transfer were a transfer signed by that member.

18.3 Rights of person entitled by transmission

A person entitled to a share in consequence of the death or bankruptcy of a member, or of any other event giving rise to its transmission by operation of law, shall, upon such evidence of his title being produced as may reasonably be required by the Board, be entitled to receive and may give a discharge for all dividends and other monies payable in respect of the share and shall have the same rights to which he would be entitled if he were the holder of the share, except that he shall not, before he is registered as the holder of the share, be entitled in respect of the share to attend or vote at any General Meeting of the Company or at any separate meeting of the holders of any class of shares of the Company PROVIDED that the Board may at any time give notice requiring any such person to elect either to be registered himself or to transfer the share, and if the notice is not complied with within ninety days the Board may thereafter withhold payment of all dividends or other monies payable in respect of the share until the requirements of the notice have been complied with.

19 UNTRACED SHAREHOLDERS

- 19.1 The Company shall be entitled to sell at the best price reasonably obtainable at the time of sale any share held by a member or any share to which a person is entitled by transmission if and provided that:

- (a) the share has been in issue throughout a period of twelve years and at least three cash dividends have become payable on such share during such period;
- (b) no cash dividend payable on the share has at any time during the relevant period either been claimed by presentation to the paying bank of the relevant cheque or warrant or been satisfied by the transfer of funds to a bank account designated by the member or person entitled by transmission;
- (c) the Company has on or after the expiry of the said period of twelve years given notice of its intention to sell such share by advertisement in both a national newspaper and in a newspaper circulating in the area in which the last known address of the member or the address at which service of notices may be effected in the manner authorised by these Articles is located;
- (d) the Company has not at any time during the relevant period received any communication from the member or person entitled by transmission; and
- (e) the Company has given notice in writing to the London Stock Exchange of its intention to sell such share.

For the purposes of this Article 19.1, "**the relevant period**" means the period beginning at the commencement of the above period of twelve years and ending on the expiry of a period of three months following the date of publication of the advertisements referred to in Article 19.1(c) above or of the last of the two advertisements to be published if they are published on different dates.

If (a) during the relevant period any additional share has been issued in lieu of any share held at the beginning of the relevant period (or in lieu of any share so issued) (the "**original share**"), (b) all the requirements of Articles 19.1(b), 19.1(d) and 19.1(e) above have been satisfied in regard to any additional share and (c) any advertisement published pursuant to Article 19.1(c) in respect of the original share is expressed to apply to the additional share as well as the original share, the Company shall also be entitled to sell the additional share at the best price reasonably obtainable at the time of sale notwithstanding that the requirement of Article 19.1(a) above is not satisfied in regard to such additional share. (For the avoidance of doubt references in Articles 19.1(b) to 19.1(e) to "**the relevant period**" and "**the said period of twelve years**" shall for this purpose refer to the relevant period and the period of twelve years applicable in respect of the original share.)

19.2 To give effect to any such sale the Company may appoint any person to execute as transferor an instrument of transfer of the said shares, or in the case of shares for the time being in uncertificated form to authorise in the name of the holder any person to transfer such shares in accordance with the facilities and requirements of the Relevant Electronic System concerned, in each case to the purchaser, and such instrument of transfer or transfer (as the case may be) shall be as effective as if it had been executed or had been authorised by the registered holder of or person entitled by transmission to such shares and the title of the transferee shall not be affected by any irregularity or invalidity in the proceedings relating thereto. The Company shall account to the former member or other person previously entitled as aforesaid for the net proceeds of such sale by carrying all monies in respect thereof to a separate account which shall be a permanent debt of the Company and the Company shall be deemed to be a debtor and not a trustee in respect thereof for such former member or other person. No interest shall be payable in respect of the same and the Company shall not be required to account for any money earned on the net proceeds, which may be employed in the business of the Company or invested in such investments (other than shares of the Company or its holding company if any) as the Board may from time to time think fit.

19.3 In any case where the registered address of a member, or an address supplied for the purpose of dividend payments pursuant to Article 18.3 by a person (in this Article called a "**transmittee**") entitled to a share upon the death or bankruptcy of a member, or upon any other event giving rise to its transmission by operation of law, appears to the Board to be incorrect or out of date, such member or transmittee shall, if the Board so resolves, be treated for the purposes of these Articles as if he had no registered address, or, as the case may be, had failed to supply an address for the purpose of dividend payments pursuant to Article 18.3, provided that the Board shall not so resolve unless on at least two consecutive occasions dividend warrants sent to such member or transmittee through the post to his registered address or to the address supplied pursuant to Article 18.3 have been returned undelivered or have been left uncashed. A member or transmittee who has in accordance with the provisions of this Article 19.3 been treated as having no registered address or address supplied pursuant to Article 18.3 shall nevertheless be entitled (subject to the provisions of these Articles) to reclaim the arrears of dividend and instruct the Company to recommence sending dividend warrants to him.

20 DISCLOSURE OF INTERESTS

20.1 If any member, or any other person appearing to be interested in shares held by such member, has been duly served with a notice under section 793 of the 2006 Act and is in default for the prescribed period in supplying to the Company the information thereby required, then the Board

may in its absolute discretion at any time thereafter serve a notice (a "**direction notice**") upon such member as follows:

(a) a direction notice may direct that, in respect of:

(i) the shares comprising the shareholding account in the Register which comprises or includes the shares in relation to which the default occurred (all or the relevant number as appropriate of such shares being the "**default shares**"; and

(ii) any other shares held by the member;

the member shall not be entitled to vote at a General Meeting or meeting of the holders of any class of shares of the Company either personally or by proxy or to exercise any other right conferred by membership in relation to meetings of the Company or of the holders of any class of shares of the Company; and

(b) where the default shares represent at least 0.25 per cent of the class of shares concerned, excluding any treasury shares, then the direction notice may additionally direct that:

(i) in respect of the default shares, any dividend or part thereof or other money which would otherwise be payable on such shares shall be retained by the Company without any liability to pay interest thereon when such money is finally paid to the member and, in the circumstances where an offer of the right to elect to receive Ordinary Shares instead of cash in respect of any dividend is or has been made, any election made thereunder by such member in respect of such default shares shall not be effective;

(ii) no transfer other than an approved transfer of any of the shares held by such member shall be registered unless:

(A) the member is not himself in default as regards supplying the information requested; and

(B) the transfer is of part only of the member's holding and when presented for registration is accompanied by a certificate by the member in a form satisfactory to the Board to the effect that after due and careful enquiry

the member is satisfied that no person in default as regards supplying such information is interested in any of the shares the subject of the transfer.

The Company shall send to each other person appearing to be interested in the shares the subject of any direction notice a copy of the notice, but the failure or omission by the Company to do so shall not invalidate such notice.

20.2 If shares are issued to a member as a result of that member holding other shares in the Company and if the shares in respect of which the new shares are issued are default shares in respect of which the member is for the time being subject to particular restrictions, the new shares shall on issue become subject to the same restrictions whilst held by that member as such default shares. For this purpose, shares which a company procures to be offered to members pro rata (or pro rata ignoring fractional entitlements and shares not offered to certain members by reason of legal or practical problems associated with offering shares outside the United Kingdom) shall be treated as shares issued as a result of a member holding other shares in the Company.

20.3 Any direction notice shall have effect in accordance with its terms for as long as the default, in respect of which the direction notice was issued, continues but shall cease to have effect in relation to any shares which are transferred by such member by means of an approved transfer. As soon as practicable after the direction notice has ceased to have effect (and in any event within 7 days thereafter) the Board shall procure that the restrictions imposed by Articles 20.1 and 20.2 above shall be removed and that dividends and other monies withheld pursuant to Article 20.1(b)(i) above are paid to the relevant member.

20.4 For the purpose of this Article:

- (a) a person shall be treated as appearing to be interested in any shares if the member holding such shares has given to the Company a notification under the said section 793 which either (a) names such person as being so interested or (b) fails to establish the identities of those interested in the shares and (after taking into account the said notification and any other relevant section 793 notification) the Company knows or has reasonable cause to believe that the person in question is or may be interested in the shares;
- (b) the prescribed period in respect of any particular member is 28 days from the date of service of the said notice under section 793 except where the default shares represent

at least 0.25 per cent of the class of shares concerned in which case such period shall be 14 days;

- (c) a transfer of shares is an approved transfer if but only if:
 - (i) it is a transfer of shares to an offeror by way or in pursuance of acceptance of a take-over offer (within the meaning of section 974 of the 2006 Act) in respect of shares in the Company; or
 - (ii) the Board is satisfied that the transfer is made pursuant to a sale of the whole of the beneficial ownership of the shares to a party unconnected with the member and with other persons appearing to be interested in such shares; or
 - (iii) the transfer results from a sale made through a recognised investment exchange (as defined in the Financial Services and Markets Act 2000) or any stock exchange outside the United Kingdom on which the Company's shares are normally traded.

For the purposes of this sub-paragraph any associate (as that term is defined in section 435 of the Insolvency Act 1986) shall be included amongst the persons who are connected with the member or any person appearing to be interested in such shares.

20.5 Nothing contained in this Article shall limit the power of the Board under section 793 of the 2006 Act or any other powers of the Company whatsoever.

21 GENERAL MEETINGS

21.1 The Company shall hold a General Meeting as its Annual General Meeting in accordance with the requirements of the Statutes.

21.2 Any General Meeting other than an Annual General Meeting shall be called a General Meeting.

21.3 The board shall determine in relation to all General Meetings the date, time and means of attendance at and participation in the meeting, including whether the persons entitled to attend and participate in the General Meeting shall be entitled to do so by simultaneous attendance and participation at a physical place (or places) anywhere in the world determined by it, or by means of an Electronic Facility (or Electronic Facilities) determined by it in accordance with the following provisions of these Articles, or partly in one way and partly in another.

21.4 The Board may, whenever it thinks fit, convene a General Meeting, and a General Meeting shall also be convened upon any requisition made in accordance with the Statutes, or in default may be convened by such requisitionists as thereby provided. Any meeting convened by requisitionists shall be convened in the same manner as nearly as possible as that in which meetings are to be convened by the Board.

21.5 **Notice of General Meetings**

- (a) In the case of the Annual General Meeting, twenty-one clear days' notice at the least shall be given to all the members and to the Auditors. All other General Meetings shall also be convened by not less than twenty-one clear days' notice to all those members and to the Auditors unless the Company offers members an electronic voting facility and a Special Resolution reducing the period of notice to not less than fourteen clear days has been passed in which case a General Meeting may be convened by not less than fourteen clear days' notice in writing. The notice shall be exclusive of the day on which it is served or deemed to be served and of the day for which it is given, and shall specify the place, the day and the hour of the meeting and, in the case of special business, the general nature of that business, and such notice shall be given in the manner mentioned below. Every notice of an Annual General Meeting shall specify the meeting as such and every notice of a meeting convened for passing a Special Resolution shall state the intention to propose such Resolution as a Special Resolution. Where the Company has given an electronic address in any notice of meeting, any document or information relating to proceedings at the meeting may be sent by electronic means to that address, subject to any conditions or limitations specified in the relevant notice of meeting.
- (b) A General Meeting shall, notwithstanding that it is called by shorter notice than that specified in the last preceding Article, be deemed to have been duly called if it is so agreed by such number of members entitled or having a right to attend and vote thereat as is prescribed by the Statutes.
- (c) In every notice calling a meeting of the Company there shall appear with reasonable prominence a statement that a member entitled to attend and vote is entitled to appoint another person as his proxy to exercise all or any of his rights to attend and to speak and to vote at a General Meeting (including an Annual General Meeting) of the Company. Failure to comply with this Article does not affect the validity of the meeting or of anything done at the meeting.

(d) Subject to the provisions of the Statutes, it shall be the duty of the Company, on the requisition in writing of such number of members as is specified in the Statutes and (unless the Company otherwise resolves) at the expense of the requisitionists:

(i) to give to members entitled to receive notice of the next Annual General Meeting notice of any resolution which may properly be moved and is intended to be moved at that meeting; and

(ii) to circulate to members entitled to have notice of any General Meeting sent to them any statement of not more than one thousand words with respect to the matter referred to in any proposed resolution or the business to be dealt with at that meeting.

Notice of any such resolution shall be given, and any such statement shall be circulated, to members of the Company entitled to have notice of the meeting sent to them by serving a copy of the resolution or statement on each such member in any manner permitted for service of notice of meeting.

(e) A notice of any General Meeting may specify a time, being not more than forty-eight hours (not including any part of a day that is not a Business Day) before the time fixed for the meeting, by which a person must be entered on the Register in order to have the right to attend or vote at the meeting. Changes made to entries on the Register after the time so specified shall be disregarded in determining the rights of any person to attend or vote at the meeting.

(f) The accidental omission to give notice of any meeting to, or the non-receipt of notice of a meeting by, any person entitled to receive notice shall not invalidate any resolution passed or proceedings at any such meeting.

(g) A member present in person or by proxy at a meeting shall be deemed to have received proper notice of that meeting and, where applicable, of the purpose of that meeting.

(h) When by any provision contained in the Statutes special notice is required of a resolution, the resolution shall not be effective unless notice of the intention to move it has been given to the Company not less than twenty-eight clear days (or such shorter period as the Statutes may allow) before the meeting at which it is moved, and the Company shall give to the members notice of any such resolution as required by and in accordance with the provisions of the Statutes.

21.6 Postponement of General Meetings

If, after the sending of notice of General Meeting but before the meeting is held, or after the adjournment of a General Meeting but before the adjourned meeting is held (whether or not notice of the adjourned meeting is required), the Board, in its absolute discretion, considers that it is impractical or unreasonable for any reason to hold the meeting on the date or at the time or at any place specified in the notice calling the General Meeting (including a satellite meeting place to which Article 23.5(c) applies) and/or by means of an Electronic Facility specified in the notice, it may postpone the General Meeting to another date, or time and/or change the Electronic Facility and/or place ((or, in the case of a General Meeting to be held at a principal meeting place and a satellite meeting place, to such other places) which places may include Electronic Facilities). If such a decision is made, the Board may then change the place ((or any of the places in the case of a General Meeting to which Article 23.5(c) applies) which place or places may include Electronic Facilities) and/or the Electronic Facility and/or postpone the date and/or time again if it considers that it is reasonable to do so. No new notice of the General Meeting need be sent but the Board shall take reasonable steps to ensure that notice of the change of date, time, place (or places, in the case of a general meeting to which Article 23.5(c) applies) of, and/or electronic facility for, the postponed meeting appear at the original time and at the original place (or places, in the case of a general meeting to which Article 23.5(c) applies), and/or on the original Electronic Facility. When a General Meeting is so postponed, notice of the date, and time and the means of attendance and participation (including any place or places and/or Electronic Facility) at the postponed meeting shall be given in such manner as the Board may, in its absolute discretion, determine. No business shall be transacted at any postponed meeting other than business which might properly have been transacted at the meeting had it not been postponed. Notice of the business to be transacted at such postponed meeting shall not be required. If a General Meeting is postponed in accordance with this Article, the appointment of a proxy will be valid if it is delivered and received as required by these Articles not less than 48 hours before the time appointed for holding the postponed meeting. When calculating the 48 hour period mentioned in this Article, the Directors can decide not to take account of any part of a day that is not a working day.

22 AMENDMENTS TO RESOLUTIONS

- 22.1 In the case of a resolution duly proposed as a Special Resolution no amendment thereto (other than a mere clerical amendment to correct a patent error) may in any event be considered or voted upon. In the case of a resolution duly proposed as an Ordinary Resolution no amendment thereto (other than a mere clerical amendment to correct a patent error) may in any event be considered or voted upon unless approved by the Board or notice of the amendment has been

left at the Office not less than forty-eight hours before the time appointed for the holding of the meeting at which the Ordinary Resolution is to be considered.

- 22.2 With the consent of the Chairman of the meeting, an amendment may be withdrawn by its proposer before it is voted on. If an amendment shall be proposed to any resolution under consideration but shall in good faith be ruled out of order by the Chairman of the meeting the proceedings on the substantive resolution shall not be invalidated by any error in such ruling.

23 PROCEEDINGS AT GENERAL MEETINGS

23.1 Quorum

No business shall be transacted at any General Meeting unless a quorum is present. Two persons entitled to vote upon the business to be transacted, each being a member or a proxy for a member or a duly authorised representative of a corporation (including for this purpose two persons who are proxies or corporate representatives of the same member), shall be a quorum.

23.2 Chairing General Meetings

The Chairman of the Board (if any), or in his absence the Deputy Chairman of the Board (if any), shall preside as Chairman at every General Meeting, but if there is no such Chairman or Deputy Chairman, or if neither of them is present within ten minutes after the time appointed for holding the meeting or if neither of them shall be willing to act as Chairman, the Directors present shall choose one of their number to act as Chairman of the meeting, and if there be no Director chosen who shall be willing to act, the members present and entitled to vote shall choose one of their own number to act as Chairman at the meeting.

23.3 Procedure if quorum not present

If within ten minutes (or such longer time not exceeding one hour as the Chairman of the meeting may decide to wait) after the time appointed for the meeting a quorum is not present, the meeting, if convened by or upon the requisition of members, shall be dissolved. If otherwise convened it shall stand adjourned to such time, with such means of attendance and participation (including at such place or places and/or by means of such Electronic Facility) as the Chairman of the meeting may determine, provided that the adjourned meeting shall be held at least ten clear days after the date of the original meeting (or if that day be a public holiday, then to the next Business Day following such public holiday), and no notice of such adjournment need be

given. If at such adjourned meeting a quorum is not present within 15 minutes from the time appointed for the meeting, the meeting shall be dissolved.

23.4 Adjournments

- (a) The Chairman may, with the consent of the meeting, and if directed by the meeting shall, adjourn the meeting from time to time or sine die and from place to place (or, in the case of a meeting held at a principal meeting place and a satellite meeting place, such other places), which place or places may include Electronic Facilities. Where, in the opinion of the Chairman, it is not practicable to conduct the business for which the meeting was called and it is not practicable to ascertain the views of the meeting on the question of an adjournment, the Chairman may adjourn the meeting to such place (or, in the case of a meeting held at a principal meeting place and a satellite meeting place, such other places), which place or places may include Electronic Facilities, and to such time as the Chairman may reasonably determine. No business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place. When a meeting is adjourned sine die, the time and place (or, in the case of a meeting held at a principal meeting place and a satellite meeting place, such other places), which place or places may include Electronic Facilities, for the adjourned meeting shall be fixed by the Board. When a meeting is adjourned for thirty days or more or sine die, seven days' notice at the least of the adjourned meeting shall be given in like manner as in the case of an original meeting. Save as aforesaid, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.
- (b) All business conducted at a General Meeting up to the time of any adjournment shall, subject to Article 23.4(c), be valid.
- (c) The Chairman of the meeting may specify that only the business conducted at a meeting up to a point in time which is earlier than the time of the adjournment is valid if, in his opinion, to do so would be more appropriate.

23.5 Attendance and participation at different places and by electronic means

- (a) If the Board determines that a General Meeting shall be held (wholly or partly) at a physical place or places, the notice shall specify the place or places (and any satellite meeting place determined in accordance with Article 23.5(c) shall be identified as such in the notice).

- ?
- (b) If the Board determines that a General Meeting shall be held partly by means of an Electronic Facility (or Electronic Facilities), the notice shall specify the means, or all different means, of attendance and participation determined in accordance with Article 23.5(d) and any access, identification and security arrangements determined in accordance with Article 23.6.
 - (c) The Board may resolve to enable persons entitled to attend and participate in the General Meeting to do so by simultaneous attendance and participation at a satellite meeting place or places anywhere in the world. The members present in person or by proxy at satellite meeting places shall be counted in the quorum for, and entitled to participate in, the General Meeting in question, and that meeting shall be duly constituted and its proceedings valid if the Chairman of the meeting is satisfied that adequate facilities are available throughout the General Meeting to ensure that members attending at all the meeting places are able to:
 - (i) participate in the business for which the meeting has been convened;
 - (ii) hear all persons who speak (whether by the use of microphones, loudspeakers, audio-visual communications equipment or otherwise) in the principal meeting place and at any satellite meeting place; and
 - (iii) be heard by all other persons attending and participating in the meeting.
 - (d) The Board may resolve to enable persons entitled to attend and participate in a General Meeting to do so (wholly or partly) by simultaneous attendance and participation by means of an Electronic Facility and determine the means, or all different means, of attendance and participation used in relation to the General Meeting. The members present in person or by proxy or by means of an Electronic Facility (as so determined by the Board) shall be counted in the quorum for, and be entitled to participate in, the General Meeting in question. That meeting shall be duly constituted and its proceedings valid if the Chairman of the meeting is satisfied that adequate facilities are available throughout the meeting to ensure that members attending the meeting by all means (including by means of an Electronic Facility) are able to:
 - (i) participate in the business for which the meeting has been convened;
 - (ii) hear all persons who speak at the General Meeting; and

- (iii) be heard by all other persons attending and participating in the meeting.
- (e) In the event of a General Meeting at a physical place or places, the Chairman of the General Meeting shall be present at, and the meeting shall be deemed to take place at, the principal meeting place and the powers of the Chairman of the General Meeting shall apply equally to each satellite meeting place, including his power to adjourn the meeting. Under no circumstances will a failure (for any reason) of communication equipment, or any other failure in the arrangements for participation in the meeting at more than one place, affect the validity of the such meeting at the principal meeting place, or any business conducted thereof, or any action taken pursuant thereto.
- (f) A person (a "**Satellite Chairman**") appointed by the Board shall preside at each of the satellite meeting places (if any). Every Satellite Chairman shall carry out all requests made of him by the Chairman of the General Meeting, may take such action as he thinks necessary to maintain the proper and orderly conduct of the satellite meeting and shall have all the powers necessary or desirable for such purposes.
- (g) If, in the case of a General Meeting which is held wholly or partly by means of an Electronic Facility (or Electronic Facilities), any document is required to be on display or available for inspection at that meeting (whether prior to and/or for the duration of the meeting), the Company shall ensure that it is electronically available to persons entitled to inspect it for at least the required period of time. Compliance with this Article in relation to a document shall be deemed to satisfy any requirement for that document to be on display or available for inspection in relation to that General Meeting.
- (h) All persons seeking to attend or participate in a General Meeting by way of Electronic Facility (or Electronic Facilities) shall be responsible for maintaining adequate facilities to enable them to do so. Subject only to the requirement of the Chairman of the meeting to adjourn a General Meeting in accordance with the provisions of Article 23.4, any inability of a person or persons to attend or participate in a General Meeting by way of an Electronic Facility (or Electronic Facilities) (including without limitation by reason of such person(s) having been refused entry to or ejected from a General Meeting in accordance with Article 23.6(e)) shall not invalidate the proceedings of that General Meeting.
- (i) The Board may from time to time make such arrangements for controlling the level of attendance at any such place or places or Electronic Facility (or Electronic Facilities) as is mentioned in Article 23.5(a) to Article 23.5(h) (whether involving the issue of tickets

or the imposition of some other means of selection or otherwise) as it shall in its absolute discretion consider appropriate, and may from time to time change any such arrangements, provided that a member who, pursuant to such arrangements, is not entitled to attend, in person or by proxy, at any particular place shall be entitled so to attend at one of the other places; and the entitlement of any member so to attend the meeting or adjourned meeting at such place shall be subject to any such arrangement as may be for the time being in force and by the notice of meeting or adjourned meeting stated to apply to the meeting.

- (j) If it appears to the Chairman of the General Meeting that the facilities at the principal meeting place or any satellite meeting place or any Electronic Facility (or Electronic Facilities) have become inadequate for the purposes referred to in Article 23.5(a) to Article 23.5(h), then the Chairman may, without the consent of the meeting, interrupt or adjourn the General Meeting. All business conducted at that General Meeting up to the time of such adjournment shall be valid. The provisions of Article 23.4 shall apply to that adjourned meeting.
- (k) For the purposes of Article 23.5, the right for a member to participate in the business of any General Meeting shall include, without limitation, the right to: speak; vote on any show of hands; demand a poll; vote on any poll; be represented by proxy; and have access to all documents which are required by the Statutes and these Articles to be made available at the meeting.

23.6 Accommodation of members, security arrangements and orderly conduct

- (a) The Board may, for the purposes of controlling the level of attendance and ensuring the safety of those attending and participating at any physical place specified for the holding of a General Meeting, ensuring the security of the meeting and ensuring the future orderly conduct of the meeting, from time to time make such arrangements as the Board shall in its absolute discretion consider to be appropriate and may from time to time vary any such arrangements in place or make new arrangements therefor. Any decision made in good faith under this Article shall be final and the entitlement of any member or proxy to attend and participate in a General Meeting at such place (or places, in the case of a meeting to which Article 23.5(c) applies) shall be subject to any such arrangements as may be for the time being approved by the Board. The Board shall be entitled in its absolute discretion to authorise one or more persons (including without limitation the Directors, the Secretary or the Chairman of the meeting) to refuse entry to, or eject from, any meeting any person who fails to comply with such arrangements,

requirements or restrictions as are required pursuant to this Article or who causes the meeting to become disorderly. At any General Meeting, the Chairman is entitled to refuse entry to a person who refuses to comply with these arrangements, requirements or restrictions.

- (b) The Board may make arrangements for persons entitled to attend a General Meeting or an adjourned General Meeting to be able to hear the proceedings of the General Meeting or adjourned General Meeting and to speak at the General Meeting (whether by use of microphones, loudspeakers, audio-visual communications equipment or otherwise) by attending at a venue anywhere in the world not being a satellite meeting place. Those attending at any such venue shall not be regarded as present at the General Meeting or adjourned General Meeting and shall not be entitled to vote at the General Meeting at or from that venue.
- (c) The inability for any reason of any member present in person or by proxy at such a venue to view or hear all or any of the proceedings of the General Meeting or to speak at the General Meeting shall not in any way affect the validity of the proceedings of the General Meeting. The Board may direct that any person wishing to attend any General Meeting held at a physical place should provide evidence of identity and submit to such searches or other security arrangements or restrictions (including restrictions on items of personal property which may be taken into the meeting) as the Board shall consider appropriate in the circumstances.
- (d) If a General Meeting is held wholly or partly by means of an Electronic Facility (or Electronic Facilities), the Board and the Chairman of the meeting may make any arrangement and impose any requirement or restriction that is:
 - (i) necessary to ensure the identification of those taking part by way of such Electronic Facility (or Electronic Facilities) and the security of the electronic communication; and
 - (ii) in its or his view, proportionate to those objectives.
- (e) The Board shall be entitled in its absolute discretion to authorise one or more persons (including without limitation the Directors, the Secretary or the Chairman of the meeting) to refuse electronic entry to, or eject electronically from, any meeting any person who fails to provide such evidence of identity or to submit to such searches or to otherwise

comply with such security arrangements or restrictions as are required pursuant to Article 23.6, or who causes the meeting to become disorderly.

24 POLLS

24.1 Demand for a poll

A resolution put to the vote at a General Meeting held wholly or partly by means of an Electronic Facility (or Electronic Facilities) shall be decided on a poll, which poll votes may be cast by such electronic means as the Board, in its sole discretion, deems appropriate for the purposes of the meeting. Any such poll shall be deemed to have been validly demanded at the time fixed for the holding of the meeting to which it relates. At any General Meeting held wholly at a physical place or places, any question submitted to a General Meeting shall be determined in the first instance by a show of hands of the members present in person, but, subject to the provisions of the Statutes, a poll may be demanded (before or upon the declaration of the result of the show of hands) by the Chairman or by:

- (a) not less than five members having the right to vote at the meeting; or
- (b) a member or members representing not less than one-tenth of the total voting rights of all the members having the right to vote at the meeting; or
- (c) a member or members holding shares conferring a right to vote at the meeting, being shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all the shares conferring that right.

Unless a poll is duly demanded in accordance with the foregoing provisions a declaration by the Chairman that a resolution has been carried or lost or has or has not been carried by any particular majority, and an entry to that effect in the minutes of the proceedings of the Company, shall be conclusive evidence of the fact without proof of the number, proportion or validity of the votes recorded in favour of or against such resolution.

24.2 Objections and validity of votes

If:

- (a) any objection is raised to the qualification of any voter, or

- (b) any votes are counted which ought not to have been counted or which might have been rejected, or
- (c) any votes are not counted which ought to have been counted,

the objection or error shall not vitiate the decision of the meeting on any resolution unless the same is raised or pointed out at the meeting or adjourned meeting at which the vote objected to is given or tendered or at which the error occurs. Any objection or error shall be referred to the Chairman of the meeting and shall only vitiate the decision of the meeting on any resolution if the Chairman decides that the same may have affected the decision of the meeting. The decision of the Chairman on such matters shall be final and conclusive. The Company shall not be bound to enquire whether any proxy or corporate representative votes in accordance with the instructions given to him by the member he represents and if a proxy or corporate representative does not vote in accordance with the instructions of the member he represents the vote or votes cast shall nevertheless be valid for all purposes.

24.3. Polls to be taken as Chairman directs

If a poll is duly demanded it shall be taken in such manner as the Chairman may direct (including the use of ballot or voting papers) and the result of the poll shall be deemed to be the decision of the meeting at which the poll was demanded. The Chairman may appoint scrutineers for the purposes of a poll, and may adjourn the meeting to some place and time fixed by him for the purpose of declaring the result of the poll.

24.4 When poll to be taken

- (a) A poll demanded on the election of a Chairman or on a question of adjournment shall be taken at once. A poll demanded on any other question shall be taken either at once or at such time and by such means of attendance and participation (including at such place or places and/or by means of such Electronic Facility (or Electronic Facilities)) as the Chairman of the meeting directs, not being more than thirty days from the date of the meeting or adjourned meeting at which the poll was demanded.
- (b) The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll has been demanded.

24.5 Withdrawal of demand for poll

The demand for a poll may be withdrawn but only with the consent of the Chairman and a demand so withdrawn shall not be taken to have invalidated the result of a show of hands declared before the demand was made.

24.6 Notice of poll

No notice need be given of a poll not taken immediately if the time and place at which it is to be taken are announced at the meeting at which it is given. In any other case, at least seven clear days' notice shall be given specifying the time and place at which the poll is to be taken.

25 VOTING

25.1 Voting rights

Subject to any rights or restrictions as to voting attached to any shares:

(a) on a show of hands

- (i) every member who is present in person has one vote;
- (ii) every proxy present who has been duly appointed by one or more members entitled to vote on the resolution has one vote, except that if the proxy has been duly appointed by more than one member entitled to vote on the resolution and is instructed by one or more of those members to vote for the resolution and by one or more others to vote against it, or is instructed by one or more of those members to vote in one way and is given discretion as to how to vote by one or more others (and wishes to use that discretion to vote in the other way) he has one vote for and one vote against the resolution; and
- (iii) every corporate representative present who has been duly authorised by a corporation has the same voting rights as the corporation would be entitled to; and

(b) on a poll every member present in person or by duly appointed proxy or corporate representative has one vote for every share of which he is the holder or in respect of which his appointment as proxy or corporate representative has been made.

A member, proxy or corporate representative entitled to more than one vote need not, if he votes, use all his votes or cast all the votes he uses the same way.

25.2 Corporate representatives

Subject to the provisions of the 2006 Act, any corporation which is a member of the Company may, by resolution of its directors or other governing body, authorise such person as it thinks fit to act as its representative at any meeting of the Company, or at any meeting of any class of members of the Company, and the person so authorised shall be entitled to exercise the same powers on behalf of the corporation which he represents as that corporation could exercise if it were an individual member of the Company.

25.3 Votes of joint holders

Where there are joint holders of any share, any one of such persons may vote at any meeting, either personally or by proxy, in respect of such share as if he were solely entitled thereto PROVIDED that if more than one of such joint holders be present at any meeting, personally or by proxy, one of the said persons so present in person or by proxy whose name stands first in the Register in respect of such share shall alone be entitled to vote in respect thereof.

25.4 Votes on behalf of incapable member

A member in respect of whom an order has been made by any competent court (whether in the United Kingdom or elsewhere) by reason of mental disorder may vote, whether on a show of hands or on a poll, by his receiver, or other person authorised in that behalf by that court, who may, on a poll, vote by proxy PROVIDED that such evidence as the Board may require of the authority of the person claiming to vote shall have been deposited or received at the Office (or at such other place within the United Kingdom as is specified for the deposit or receipt of appointments of proxy in accordance with these Articles) not less than forty-eight hours before the time for holding the meeting or adjourned meeting at which such person claims to vote, and in default the right to vote shall not be exercisable.

25.5 No right to vote where sums overdue

No member shall, unless the Board otherwise determines, be entitled in respect of shares held by him to vote at a General Meeting or meeting of the holders of any class of shares of the Company either personally or by proxy or to exercise any other right conferred by membership in relation to meetings of the Company or of the holders of any class of shares of the Company

if any call or other sum presently payable by him to the Company in respect of such shares remains unpaid.

26 PROXIES

26.1 Appointment of proxies

- (a) A member may appoint more than one proxy to attend on the same occasion and if he does so he shall specify the number of shares held by him in respect of which each proxy is entitled to exercise his rights. Multiple proxies may be appointed provided that each proxy is appointed to exercise the rights attached to a different share. A proxy need not be a member of the Company.
- (b)
 - (i) Unless the contrary is stated therein, the appointment of a proxy shall be valid for any adjournment of the meeting or meetings to which it relates, and for any poll arising from any such meeting or adjourned meeting.
 - (ii) The valid appointment of a proxy relating to more than one meeting (including any adjournment thereof), having once been so delivered for the purposes of any meeting, shall not have to be re-lodged or otherwise re-registered with the Company for the purposes of any subsequent meeting to which it relates.
 - (iii) The appointment of a Proxy to vote at a meeting shall be deemed to confer authority to demand or join in demanding a poll and to vote on any amendment of a resolution put to the meeting for which it is given as the proxy thinks fit and to confer the right to speak at a meeting.
- (c) When two or more valid but differing appointments of proxy are received in respect of the same share for use at the same meeting, the one which is last delivered (regardless of its date or of the date of its signature) shall be treated as replacing and revoking the others as regards that share and if the Company is unable to determine which was last received none of them shall be treated as valid in respect of that share.

26.2 Form of proxy appointment

- (a) A proxy shall only be appointed in one of the manners specified in this Article (as supplemented by the following Articles).
- (b) A proxy may be appointed by an instrument in writing in any usual or common form, or in any other form which the Board may approve, and:
 - (i) in the case of an appointor who is a natural person shall be signed by the appointor or his agent lawfully authorised in writing; and
 - (ii) in the case of an appointor that is a corporation shall be either given under its common seal or signed on its behalf by an agent lawfully authorised in writing or by a duly authorised officer of the corporation.

The signature on such an instrument appointing a proxy need not be witnessed.

Such an instrument appointing a proxy must be left at such place in the United Kingdom as may be specified for the purpose in or by way of note to or in any document accompanying the notice convening the meeting (or, if no place is so specified, at the Office) not less than 48 hours before the time appointed for the commencement of the meeting or adjourned meeting (or in the case of a poll taken otherwise than at or on the same day as the meeting or adjourned meeting not less than 24 hours before the time appointed for the taking of the poll) at which it is to be used, and in default shall not be treated as valid. The Directors may specify in the notice convening the meeting that in determining the time for delivery of proxies pursuant to this Article, no account shall be taken of any part of a day that is not a working day (as defined in section 1173(1) of the 2006 Act).

Where an instrument appointing a proxy is signed on behalf of the appointor by an agent lawfully authorised in writing, the authority under which the agent is appointed or a duly certified copy thereof must (failing previous registration with the Company) be lodged with the instrument of proxy in the manner directed above, failing which the instrument may be treated as invalid.

- (c) A proxy may be appointed by electronic means to such address as may be notified by or on behalf of the Company for that purpose, or by any other lawful means from time to time authorised by the Board. Any means of appointing a proxy which is authorised

by or under this paragraph shall be subject to any terms, limitations, conditions or restrictions that the Board may from time to time prescribe.

(d) An appointment of a proxy by electronic means where an address has been specified for the purpose of receiving appointments by electronic means:

(i) in the notice convening the meeting; or

(A) in any instrument of proxy sent out by the Company in relation to the meeting; or

(B) in any invitation contained in electronic form to appoint a proxy issued by the Company in relation to the meeting

must be received at such address not less than 48 hours before the time appointed for the commencement of the meeting or adjourned meeting (or, in the case of a poll taken otherwise than at or on the same day as the meeting or adjourned meeting, not less than 24 hours before the time appointed for the taking of the poll) at which it is to be used, and in default shall not be treated as valid. The Directors may specify in the notice convening the meeting that in determining the time for delivery of proxies pursuant to this Article, no account shall be taken of any part of a day that is not a working day (as defined in section 1173(1) of the 2006 Act).

(e) Without limiting the foregoing, in relation to any shares which are held in uncertificated form, the Board may from time to time permit appointments of a proxy to be made by electronic means or by means of a website in the form of an Uncertificated Proxy Instruction (that is, a properly authenticated dematerialised instruction, and/or other instruction or notification, which is sent by means of the Relevant Electronic System concerned and received by such participant in such Relevant Electronic System acting on behalf of the Company as the Board may prescribe, in such form and subject to such terms and conditions as may from time to time be prescribed by the Board (subject always to the facilities and requirements of the Relevant Electronic System concerned)); and may in a similar manner permit supplements to, or amendments or revocations of, any such Uncertificated Proxy Instruction to be made by like means. The Board may in addition prescribe the method of determining the time at which any such properly authenticated dematerialised instruction (and/or other instruction or notification) is to be treated as received by the Company or such participant. The Board may treat any such

Uncertificated Proxy Instruction which purports to be or is expressed to be sent on behalf of a holder of a share as sufficient evidence of the authority of the person sending that instruction to send it on behalf of that holder.

26.3 Availability of appointments of proxy

- (a) The Board shall at the expense of the Company send or make available invitations to appoint a proxy to the members by post, by electronic means or otherwise (with or without provision for their return prepaid) for use at any General Meeting or any separate meeting (including any Annual General Meeting) of the holders of any class of shares.
- (b) Such invitations to appoint a proxy shall be issued to all the members entitled to be sent a notice of the meeting and to vote thereat by proxy, and not to some only of such members.
- (c) The accidental omission to send or make available such an invitation to or the non-receipt thereof by any member entitled to attend and vote at a meeting, shall not invalidate any resolution passed or proceedings at that meeting.

26.4 Termination of appointment of proxy

A vote given or poll demanded by proxy or by the duly authorised representative of a corporation shall be valid notwithstanding the previous determination of the authority of the person voting or demanding a poll unless notice of such determination was received by the Company at the Office (or at such other place within the United Kingdom as is specified for the deposit of appointment of proxy or where the appointment of proxy was contained in electronic form, at the address at which such appointment was duly received) before the commencement of the meeting or adjourned meeting at which the vote is given or the poll demanded or (in the case of a poll taken otherwise than on the same day as the meeting or adjourned meeting) the time appointed for taking the poll.

27 DIRECTORS

27.1 Number of Directors

Unless and until otherwise determined by the Company by Ordinary Resolution the number of Directors (other than alternate Directors) shall not be subject to any maximum but shall not be less than two.

27.2 No shareholding qualification

A Director shall not be required to hold any shares of the Company by way of qualification.

27.3 Directors entitled to attend and speak

A Director shall, notwithstanding that he may not be a member of the Company, be entitled to attend and speak at General Meetings or separate meetings of the holders of any class of shares.

28 ALTERNATE DIRECTORS

Any Director may at any time appoint any other Director or any other person approved by the Board to be his alternate, and may at any time remove any such alternate and (subject to such approval as aforesaid) appoint another in his place. An alternate shall not be entitled to receive any remuneration from the Company, nor to appoint an alternate, nor shall it be necessary for him to acquire or hold any share qualification but he shall be entitled (subject to his giving to the Company an address within the United Kingdom at which notices may be served on him) to receive notice of meetings of the Board and of any committee of the Board of which his appointor is a member and to attend and vote as a Director at any meeting at which his appointor is not present, and generally at such meeting to exercise all the powers, rights, duties and authorities of his appointor. An alternate shall be entitled at such a meeting to one vote for every Director whom he represents (and who is not present) in addition to his own vote (if any) as a Director, but he shall count as only one for the purpose of determining whether a quorum is present. An alternate may be removed from office by a resolution of the Board, shall vacate his office on the happening of any event which, if he were a Director, would cause him to vacate his office as a Director and shall ipso facto cease to be an alternate if his appointor ceases for any reason to be a Director PROVIDED that if any Director retires at a General Meeting but is re-elected by the meeting or is, pursuant to the provisions of these Articles, deemed to be re-elected at the meeting at which such retirement took effect, any appointment made by him pursuant to this Article which was in force immediately prior to his retirement shall continue to operate after such re-election as if he had not so retired. Every person acting as an alternate shall be an officer of the Company, and shall alone be responsible to the Company for his own acts and defaults, and he shall not be deemed to be the agent of or for his appointor. An alternate may be paid expenses and shall be entitled to be indemnified by the Company to the same extent as if he were a Director. All appointments and removals made in pursuance of this Article shall be in writing under the hand of the appointor or in any other manner approved by the Board and shall be sent to or left at the Office.

29 DIRECTORS' REMUNERATION, EXPENSES, GRATUITIES AND BENEFITS

29.1 Directors' remuneration

- (a) Until otherwise determined by the Company by Ordinary Resolution, there shall be paid to the Directors (other than alternate directors) such fees for their services, in the office of director as the Directors may determine, not exceeding £500,000 per annum or such larger amount as the Company may by Ordinary Resolution decide, divided between the Directors as they may determine. Such remuneration shall be deemed to accrue from day to day.
- (b) If any Director, being willing and having been called upon to do so, shall render or perform extra or special services of any kind, including services on any Committee of the Board, or shall travel or reside abroad for any business or purposes of the Company, he shall be entitled to receive such sum as the Board may think fit for expenses, and also such remuneration as the Board may think fit, either as a fixed sum or as a percentage of profits or otherwise, and such remuneration may, as the Board shall determine, be either in addition to or in substitution for any other remuneration he may be entitled to receive.

29.2 Expenses

The Directors shall be entitled to be paid all expenses properly incurred by them in attending General Meetings or separate meetings of the holders of any class of shares or meetings of the Board or Committees of the Board or otherwise in or with a view to the performance of their duties.

29.3 Directors' gratuities and benefits

The Board on behalf of the Company may pay a gratuity or pension or allowance on retirement to any Director or former Director who has held any salaried office or place of profit with the Company or with any body corporate which is or has been a subsidiary of the Company or a predecessor in business of the Company or any such subsidiary or to any member of his family (including a spouse and a former spouse) or to any person who is or was dependent on him and may (as well before as after he ceases to hold such office or place of profit) make contributions to any fund and pay premiums for the purchase or provision of any such gratuity, pension or allowance and may make payments for or towards the provision by means of insurance or otherwise of benefits for any such person.

30 TERMINATION OF A DIRECTOR'S APPOINTMENT

30.1 The office of a Director shall be vacated in any of the events following, namely:

- (a) if (not being an executive director holding office for a fixed term) he resigns his office by notice in writing delivered to the Office or submitted to a meeting of the Board or (being an executive director holding office for a fixed term) his resignation in writing is accepted by the Board;
- (b) either:
 - (i) registered medical practitioner who is treating that person gives a written opinion to the Company stating that that person has become physically or mentally incapable of acting as a director and may remain so for more than three months; or
 - (ii) reason of that person's mental health, a court makes an order which wholly or partly prevents that person from personally exercising any powers or rights which that person would otherwise have;
- (c) if, without leave, he is absent from meetings of the Board (whether or not any alternate Director appointed by him attends) for six consecutive months, and the Board resolves that his office is vacated;
- (d) if he becomes bankrupt or makes any arrangement or composition with his creditors generally;
- (e) if he is removed from office pursuant to these Articles or by virtue of any provision of the Statutes or prohibited by law from being a Director;
- (f) if, being an executive director, he ceases to be the holder of executive office; or
- (g) if all the other Directors unanimously resolve that he be removed as a Director.

30.2 A resolution of the Board declaring a Director to have vacated office under the terms of Article 30.1 shall be conclusive as to the fact and ground of vacation stated in the resolution.

31 DIRECTORS' INTERESTS

31.1

(a) Provided that he has disclosed to the Directors the nature and extent of any material interest of his, a Director, notwithstanding his office:

- (i) may be a party to, or otherwise interested in, any transaction or arrangement with the Company or in which the Company is otherwise interested; and
- (ii) may be a director or other officer of, or employed by, or a party to any transaction or arrangement with, or otherwise interested in, any body corporate in which the Company is interested;

and (i) he shall not, by reason of his office, be accountable to the Company for any benefit which he derives from any such office or employment or from any such transaction or arrangement or from any interest in any such body corporate, (ii) he shall not infringe his duty to avoid a situation in which he has, or can have, a direct or indirect interest that conflicts, or possibly may conflict, with the interests of the Company as a result of any such office or employment or any such transaction or arrangement or any interest in any such body corporate, (iii) he shall not be required to disclose to the Company, or use in performing his duties as a Director of the Company, any confidential information relating to such office or employment if to make such a disclosure or use would result in a breach of a duty or obligation of confidence owed by him in relation to or in connection with such office or employment, (iv) he may absent himself from discussions, whether in meetings of the Directors or otherwise, and exclude himself from information, which will or may relate to such office, employment, transaction, arrangement or interest; and (v) no such transaction or arrangement shall be liable to be avoided on the ground of any such interest or benefit.

(b) For the purposes of this Article:

- (i) a general notice given to the Directors that a Director is to be regarded as having an interest of the nature and extent specified in the notice in any transaction or arrangement in which a specified person or class of persons is interested shall be deemed to be a disclosure that the Director has an interest in any such transaction of the nature and extent so specified;

- (ii) an interest of which a Director has no knowledge and of which it is unreasonable to expect him to have knowledge shall not be treated as an interest of his;
- (iii) a Director shall be deemed to have disclosed the nature and extent of an interest which consists of him being a director, officer or employee of any subsidiary undertaking of the Company;
- (iv) a Director need not disclose an interest if it cannot be reasonably regarded as likely to give rise to a conflict of interest; and
- (v) a Director need not disclose an interest if, or to the extent that, the other Directors are already aware of it (and for this purpose the other Directors are treated as aware of anything of which they ought reasonably to be aware).

31.2

- (a) The Directors may (subject to such terms and conditions, if any, as they may think fit to impose from time to time, and subject always to their right to vary or terminate such authorisation) authorise, to the fullest extent permitted by law:
 - (i) any matter which would otherwise result in a Director infringing his duty to avoid a situation in which he has, or can have, a direct or indirect interest that conflicts, or possibly may conflict, with the interests of the Company and which may reasonably be regarded as likely to give rise to a conflict of interest (including a conflict of interest and duty or conflict of duties); and
 - (ii) a Director to accept or continue in any office, employment or position in addition to his office as a Director of the Company and, without prejudice to the generality of Article 31.2(a)(i) of this Article, may authorise the manner in which a conflict of interest arising out of such office, employment or position may be dealt with, either before or at the time that such a conflict of interest arises;

provided that the authorisation is effective only if (i) any requirement as to the quorum at the meeting at which the matter is considered is met without counting the director in question or any other interested director, and (ii) the matter was agreed to without their voting or would have been agreed to if their votes had not been counted.

- (b) If a matter, or office, employment or position, has been authorised by the Directors in accordance with this Article then (subject to such terms and conditions, if any, as the Directors may think fit to impose from time to time, and subject always to their right to vary or terminate such authorisation or the permissions set out below):
- (i) the Director shall not be required to disclose to the Company, or use in performing his duties as a Director of the Company, any confidential information relating to such matter, or such office, employment or position if to make such a disclosure or use would result in a breach of a duty or obligation of confidence owed by him in relation to or in connection with that matter, or that office, employment or position;
 - (ii) the Director may absent himself from discussions, whether in meetings of the Directors or otherwise, and exclude himself from information, which will or may relate to that matter, or that office, employment or position; and
 - (iii) a Director shall not, by reason of his office as a Director of the Company, be accountable to the Company for any benefit which he derives from any such matter, or from any such office, employment or position.

32 POWERS OF THE BOARD

32.1 General powers of the Company vested in the Directors

The business of the Company shall be managed by the Board, who may exercise all such powers of the Company and do on behalf of the Company all such acts as are within the scope of the Articles and as are not, by the Statutes or by these Articles, required to be exercised or done by the Company in General Meeting, subject, nevertheless, to the provisions of the Statutes and to these Articles and to such directions (whether or not consistent with these Articles) as may be prescribed by the Company by Special Resolution, but so that no such direction and no alteration to these Articles shall invalidate any prior act of the Board which would have been valid if that direction or alteration had not been given or made.

32.2 Delegation to persons or committees

- (a) Subject to the provisions of these Articles, the Directors may delegate any of the powers which are conferred on them under the Articles:

- (i) to such person or committee;
- (ii) by such means (including by power of attorney);
- (iii) to such an extent;
- (iv) in relation to such matters or territories; and
- (v) on such terms and conditions;

as they think fit.

- (b) If the Directors so specify, any such delegation may authorise further delegation of the Directors' powers by any person to whom they are delegated.
- (c) The Directors may revoke any delegation in whole or in part, or alter its terms and conditions.
- (d) The power to delegate under this Article includes power to delegate the determination of any fee, remuneration or other benefit which may be paid or provided to any Director.
- (e) Subject to Article 32.2(f), the proceedings of any committee appointed under Article 32.2(a)(i) with one or more director members shall be governed by such of these Articles as regulate the proceedings of Directors so far as they are capable of applying.
- (f) The Directors may make rules regulating the proceedings of such committees, which shall prevail over any rules derived from these Articles pursuant to Article 32.2(e) if, and to the extent that, they are not consistent with them.

33 BORROWING POWERS AND RESTRICTIONS

The Board on behalf of the Company may exercise all the powers of the Company to borrow money, to indemnify, to guarantee and to mortgage or charge its undertaking property and uncalled capital and (subject to the provisions of the Statutes regarding authority to allot debentures convertible into shares) to issue debentures and other securities whether outright or as collateral security for any debt, liability or obligation of the Company or of any third party.

34 EXERCISE OF VOTING POWER

The Board exercise or cause to be exercised the voting power conferred by the shares in any other company held or owned by the Company, or any power of appointment to be exercised by the Company, in such manner as it thinks fit (including the exercise of the voting power or power of appointment in favour of the appointment of any Director as a director or other officer or employee of such company or in favour of the payment of remuneration to the directors, officers or employees of such company).

35 NET ASSET VALUE

The net asset value per share shall be calculated at least annually and disclosed to members from time to time in such manner as may be determined by the Board.

36 INFORMATION MADE AVAILABLE TO MEMBERS

36.1 Investor Disclosures shall be made available to members and prospective members in such manner as may be determined by the Board from time to time (including, without limitation and where so determined, by posting some or all of the Investor Disclosures on the Company's website or by electronic notice).

36.2 For the purposes of Article 36.1 the term "**Investor Disclosures**" means the information required to be made available to members and prospective members pursuant to FUND 3.2.2.R of the FCA Handbook as amended or replaced from time to time.

37 VALUATION

Without prejudice to any other provision of these Articles, valuation of the Company's assets shall be performed in accordance with prevailing accounting standards.

38 LIABILITY FOR LOSS OF FINANCIAL ASSETS HELD IN CUSTODY

The Board, at its discretion, may allow a depositary appointed to safe-keep the Company's assets to contractually discharge itself of liability for loss of such assets (including in cases where the law of a country that is not part of the European Economic Area requires assets to be held by a local custodian), provided always that all other conditions for such discharge have been met.

39 RETIREMENT AND APPOINTMENT OF DIRECTORS

39.1 Retirement by rotation

(a) At every Annual General Meeting, there shall retire from office any Director who shall have been a Director at each of the two preceding Annual General Meetings and who was not appointed or re-elected by the Company in General Meeting at, or since, either such Annual General Meeting. A retiring Director shall be eligible for re-election. A Director retiring at a meeting shall, if he is not re-elected at such meeting, retain office until the conclusion of the meeting or adjourned meeting at which he is due to retire.

(b) Where a Director is:

- (i) a non-executive director and has been in office for nine years or more; or
- (ii) a director, partner, other officer or employee of or professional advisor to the AIFM and/or Investment Manager or any other company in the same group as the Investment Manager,

he shall retire from office at every Annual General Meeting.

39.2 Filling of vacancy

The Company at the meeting at which a Director retires in manner aforesaid may fill the vacated office by electing a person thereto. If at any such meeting the place of a retiring Director is not filled, the retiring Director shall, if willing to act, be deemed to have been re-elected, unless at such meeting it is resolved not to fill such vacated office, or unless a motion for the re-election of such Director shall have been put to the meeting and lost.

39.3 Procedure for appointment or reappointment at a General Meeting

No person, not being a Director retiring at the meeting or a person recommended by the Board, shall be eligible for election as a Director at any General Meeting unless not less than seven nor more than forty-two days before the day appointed for the meeting there has been delivered to the Office notice in writing signed by a member (not being the person to be proposed) duly qualified to be present and vote at the meeting for which such notice is given of his intention to propose such person for election, and also notice in writing signed by the person to be proposed of his willingness to be elected.

39.4 Power of Company to appoint a Director

Without prejudice to the next following Article, the Company may from time to time by Ordinary Resolution appoint any person to be a Director, either to fill a casual vacancy or as an addition to the Board.

39.5 Power of Directors to appoint a Director

The Board shall have power at any time, and from time to time, to appoint any person as a Director, either to fill a casual vacancy or as an addition to the Board. Any Director so appointed shall retire at the next Annual General Meeting but shall then be eligible for re-election.

39.6 Resolutions to appoint Directors

Except so far as the Statutes otherwise allow, at a General Meeting the appointment of Directors shall be voted on individually.

39.7 Register of Directors and Secretary

The Company shall keep at the Office a register containing such particulars with respect to the Directors and "Secretary of the Company" as are required by, and shall from time to time notify the Company's Registrars of any change in such register and of the date of such change in manner prescribed by, the Statutes.

40 REMOVAL OF DIRECTORS

The Company may by Special Resolution, or by Ordinary Resolution of which special notice has been given in accordance with the Statutes, remove any Director before the expiration of his period of office as Director (including an executive director but without prejudice to any claim he may have for damages for breach of any contract between him and the Company) and may by Ordinary Resolution appoint another person to be a Director in his stead. The person so appointed shall be subject to retirement at the same time as if he had become a Director on the day on which the Director in whose place he is appointed was last appointed a Director.

41 EXECUTIVE DIRECTORS

The Directors may appoint one or more of their number to the office of managing director or to any other executive office of the Company and any such appointment may be made for such

term, at such remuneration and on such other conditions as the Directors think fit. Any appointment of a Director to an executive office shall terminate if he ceases to be a Director but without prejudice to any claim for damages for breach of the contract of service between the Director and the Company.

42 PROCEEDINGS OF THE BOARD

42.1 Procedures regarding board meetings

- (a) The Board may meet for the despatch of business, adjourn, and otherwise regulate its meetings and proceedings as it thinks fit and determine the quorum necessary for the transaction of business. Until otherwise determined two Directors shall be a quorum and no business shall be transacted at any meeting of the Directors unless a quorum is present. A person who holds office only as an alternate shall if his appointor is not present be counted in the quorum. A Director shall not be counted in the quorum present in relation to a matter or resolution on which he is not entitled to vote (or when his vote cannot be counted) but shall be counted in the quorum present in relation to all other matters or resolutions considered or voted on at the meeting. A meeting of the Board at which a quorum is present shall be competent to exercise all or any of the powers, authorities and discretions by or under these Articles vested in or exercisable by the Directors generally. Questions arising at any meeting of the Board shall be decided by a majority of votes. In case of an equality of votes the Chairman of the meeting shall (unless he is not entitled to vote on the resolution in question) have a second or casting vote. Members of the Board or of any Committee thereof may participate in a meeting of the Board or of such Committee by means of conference telephone or similar communications equipment by means of which all persons participating in a meeting can hear each other, by a series of telephone calls from the Chairman of the meeting or by exchange of communications in electronic form addressed to the Chairman of the meeting and participation in a meeting pursuant to this provision shall constitute presence in person at such meeting and shall accordingly be counted in a quorum and be entitled to vote. Such a meeting shall be deemed to take place where the largest group of those participating is assembled, or, if there is no such group, where the Chairman of the meeting is then present.
- (b) The continuing Directors may act notwithstanding any vacancy in their number PROVIDED that if the Directors shall at any time be reduced in number to less than the number fixed as the quorum, it shall be lawful for the continuing Director or Directors to

act for the purpose of filling vacancies or summoning a General Meeting, but not for any other purpose.

42.2 Notice of Board meetings

A Director may, and on the request of a Director the Secretary shall, at any time summon a meeting of the Board. Notice of a meeting of the Board may be given in any manner, including in writing or facsimile transmission or electronic means or by telephone or otherwise orally. A Director may waive notice of any meeting and any such waiver may be retroactive.

42.3 Permitted interests and voting

- (a) Subject to the provisions of these Articles, a Director shall not vote at a meeting of the Directors on any resolution concerning a matter in which he has, directly or indirectly, a material interest (other than an interest in shares, debentures or other securities of, or otherwise in or through, the Company), unless his interest arises only because the case falls within one or more of the following sub-paragraphs:
 - (i) the resolution relates to the giving to him of a guarantee, security, or indemnity in respect of money lent to, or an obligation incurred by him for the benefit of, the Company or any of its subsidiary undertakings;
 - (ii) the resolution relates to the giving to a third party of a guarantee, security, or indemnity in respect of an obligation of the Company or any of its subsidiary undertakings for which the Director has assumed responsibility in whole or part and whether alone or jointly with others under a guarantee or indemnity or by the giving of security;
 - (iii) the resolution relates to the giving to him of any other indemnity which is on substantially the same terms as indemnities given or to be given to all of the other Directors and/or to the funding by the Company of his expenditure on defending proceedings or the doing by the Company of anything to enable him to avoid incurring such expenditure where all other directors have been given or are to be given substantially the same arrangements;
 - (iv) the resolution relates to the purchase or maintenance for any director or directors of insurance against any liability;

- (v) his interest arises by virtue of his being, or intending to become, a participant in the underwriting or sub-underwriting of an offer of any shares in or debentures or other securities of the Company for subscription, purchase or exchange;
 - (vi) the resolution relates to an arrangement for the benefit of the employees and Directors and/or former employees and former Directors of the Company or any of its subsidiary undertakings, and/or the members of their families (including a spouse or civil partner or a former spouse or former civil partner) or any person who is or was dependent on such persons, including but without being limited to a retirement benefits scheme and an employees' share scheme, which does not accord to any Director any privilege or advantage not generally accorded to the employees and/or former employees to whom the arrangement relates; or
 - (vii) the resolution relates to a transaction or arrangement with any other company in which he is interested, directly or indirectly (whether as director or shareholder or otherwise) provided that he is not the holder of or beneficially interested in 1 per cent or more of any class of the equity share capital of that company and not entitled to exercise 1 per cent or more of the voting rights available to members of the relevant company (and for the purpose of calculating the said percentage there shall be disregarded (i) any shares held by the Director as a bare or custodian trustee and in which he has no beneficial interest, (ii) any shares comprised in any authorised unit trust scheme in which the Director is interested only as a unit holder, and (iii) any shares of that class held as treasury shares).
- (b) Where proposals are under consideration concerning the appointment (including the fixing or varying of terms of appointment) of two or more Directors to offices or employments with the Company or any body corporate in which the Company is interested, the proposals may be divided and considered in relation to each director separately and (provided he is not by virtue of paragraph 42.3(a)(vii) of this Article, or otherwise under that paragraph, or for any other reason, precluded from voting) each of the Directors concerned shall be entitled to vote and be counted in the quorum in respect of each resolution except that concerning his own appointment.

42.4 Suspension or relaxation of prohibition on voting

The Company may by Ordinary Resolution suspend or relax to any extent, in respect of any particular matter, any provision of these Articles prohibiting a Director from voting at a meeting of the Directors or of a Committee of the Directors.

42.5 Questions regarding Directors' rights to vote

If a question arises at a meeting of the Directors as to the right of a Director to vote, the question may, before the conclusion of the meeting, be referred to the Chairman of the meeting (or, if the Director concerned is the Chairman, to the other Directors at the meeting) and his ruling in relation to any Director other than himself (or, as the case may be, the ruling of the majority of the other Directors in relation to the Chairman) shall be final and conclusive.

42.6 Election of Chairman and Deputy Chairman

The Board may from time to time elect a Chairman and Deputy Chairman of the Board and determine the period for which they are respectively to hold office. The Chairman so elected, or in his absence the Deputy Chairman, shall preside at all meetings of the Board, but if no such Chairman or Deputy Chairman be elected, or if at any meeting the Chairman or Deputy Chairman be not present within five minutes after the time appointed for holding the same, the Directors present shall choose one of their number to act as Chairman of the meeting.

42.7 Resolutions in writing

A resolution signed by all the Directors for the time being entitled to receive notice of a meeting of the Board (and who would be entitled to vote and whose vote would have been counted) shall be as valid and effectual as a resolution passed at a meeting of the Board duly convened and held, and may consist of several documents in like form each signed by one or more Directors and may be in any form; including facsimile transmission or electronic means. A resolution signed by an alternate need not also be signed by his appointor and, if it is signed by a Director who has appointed an alternate, it need not be signed by the alternate in that capacity. The date of the resolution shall be the date when the resolution is signed by the last member of the Board.

42.8 Authentication of documents

- (a) Any Director or the Secretary or any person appointed by the Board for the purpose shall have power to authenticate any documents affecting the constitution of the Company and any resolution passed by the Company or the Board or any Committee of the Board and any books, records, documents and accounts relating to the business of the Company and to certify copies thereof or extracts therefrom as true copies or extracts; and where any books, records, documents or accounts are elsewhere than at the Office the local manager or other officer of the Company having the custody thereof shall be deemed to be the person appointed by the Board as aforesaid.
- (b) A document purporting to be a copy of a resolution or an extract from the minutes of a meeting of the Board or of a Committee of the Board which is certified as such in accordance with the provisions of the last preceding Article shall be conclusive evidence in favour of all persons dealing with the Company upon the faith thereof that such resolution has been duly passed or, as the case may be, that such extract is a true and accurate record of a duly constituted meeting of the Board or of the Committee.

43 MINUTES AND RECORDS

43.1 The Board shall cause minutes to be entered in books kept for the purpose:

- (a) of all appointments of officers made by the Board; and
- (b) of all proceedings at meetings of the Company, of the holders of any class of shares in the Company, and of the Board, and of Committees of the Board including the names of the Directors present at each such meeting.

Minutes shall be retained for at least ten years from the date of the appointment or meeting and shall be kept available for inspection in accordance with the 2006 Act.

44 APPOINTMENT OF SECRETARY

Subject to the provisions of the Statutes, the Secretary shall be appointed by the Board on such terms and for such period as it thinks fit. Any Secretary so appointed may at any time be removed from office by the Board but without prejudice to any claim for damages for breach of any contract between him and the Company.

45 THE SEAL

45.1

- (a) The Board shall provide for the safe custody of the Seal which shall only be used by the general or special authority of the Board or of a Committee of the Board authorised by the Board in that behalf. Subject to the provisions of these Articles as to certificates for shares or debentures, the Directors may determine who shall sign any instrument to which the Seal is affixed and such person appointed by the Board for that purpose in the presence of a witness who attests the signature shall be designated "**Authorised Sealing Officer**".
- (b) Subject to the Statutes, the Company may dispense with the need for the Seal, either generally or in respect of particular classes of documents, at the Board's discretion, and, whether it does or does not dispense with the Seal, a document signed by a Director and the Secretary, any two Directors or by a Director, in the presence of a witness who attests the signature and expressed (in whatever form of words) to be executed by the Company shall have the same effect as if executed under the Seal, and a document so executed by the Company which makes it clear on its face that it is intended to be a deed shall have effect upon delivery as a deed.

45.2 Official seal for use abroad

The Company or the Board on behalf of the Company may exercise the powers conferred by the Statutes with regard to having an official seal for use abroad and with regard to the keeping of an overseas branch register in any place.

46 RESERVES

- 46.1 The Board shall establish a reserve to be called the "**Capital Reserve**" and shall either carry to the credit of such reserve from time to time all capital appreciations arising on the sale, transposition, payment off, or re-valuation of any investments or other capital assets of the Company in excess of the book value thereof or apply the same in providing for depreciation or contingencies. Any losses realised on the sale, revaluation or payment off of any investments or other capital assets may be carried to the debit of the Capital Reserve, except in so far as the Directors may in their discretion decide to make good the same out of other funds of the Company. All sums carried and standing to the Capital Reserve may be applied for any of the

purposes to which sums standing to any reserve under the provisions of these Articles are applicable.

- 46.2 The Board may, before recommending any dividend, whether preferential or otherwise, carry to reserve out of the profits of the Company which would otherwise be available for dividend (including any premiums received upon the issue of debentures or other securities of the Company) such sums as they think proper as a reserve or reserves which shall, at the discretion of the Board, be applicable for any purpose to which the profits of the Company may be properly applied, and pending such application may, at the like discretion, either be employed in the business of the Company or be invested in such investments as the Board may from time to time think fit. The Board may also without placing the same to reserve carry forward any profits which they may think prudent not to divide.

47 DIVIDENDS

47.1 Declaration of dividends by the Company

- (a) The profits of the Company available for dividend in accordance with the provisions of the Statutes and determined to be distributed shall be applied in the payment of dividends to the members in accordance with their respective rights and priorities. The Company may by Ordinary Resolution declare dividends accordingly.
- (b) No dividend shall be payable except out of the profits of the Company (excluding any profits which under the provisions of these Articles ought to be applied in providing for depreciation or contingencies) or except in accordance with the provisions of the Statutes or in excess of the amount recommended by the Board.

47.2 Payment according to amount paid up

Subject to the rights of persons (if any) entitled to shares with special rights as to dividends, all dividends shall be declared and paid according to the amounts paid up on the shares in respect whereof the dividend is paid, but no amount paid up on a share in advance of calls shall be treated for the purposes of this Article as paid up on the shares; all dividends shall be apportioned and paid pro rata according to the amounts paid up on the shares during any portion or portions of the period in respect of which the dividend is paid, except that if any share is issued on terms providing that it shall rank for dividends as if paid up (in whole or in part) as from a particular date such share shall rank for dividends accordingly. Dividends may be declared or paid in any currency.

47.3 Payment of interim dividends

If and so far as in the opinion of the Board the profits of the Company (excluding any profits which under the provisions of these Articles ought to be applied in providing for depreciation or contingencies) justify such payments, the Board may declare and pay the fixed dividends on any class of shares carrying a fixed dividend expressed to be payable on fixed dates on the half-yearly or other dates prescribed for the payment thereof, and may also from time to time declare and pay interim dividends on shares of any class of such amounts and on such dates and in respect of such periods as they think fit. Provided the Board acts in good faith it shall not incur any liability to the holders of shares conferring preferred rights for any loss they may suffer by the lawful payment of an interim dividend on any shares having deferred or non-preferred rights.

47.4 Deduction from dividends

- (a) The Board may deduct from any dividend or other monies payable to any member on or in respect of a share all sums of money (if any) immediately payable by him to the Company on account of calls in relation to the shares of the Company held by him.
- (b) The waiver in whole or in part of any dividend on any share by any document (whether or not executed as a Deed) shall be effective only if such document is signed by the shareholder (or the person entitled to the share in consequence of the death or bankruptcy of the holder or otherwise by operation of law) and delivered to the Company and if or to the extent that the same is accepted as such or acted upon by the Company.

47.5 Unclaimed dividends

All dividends unclaimed for one year after having been declared may be invested or otherwise made use of by the Board for the benefit of the Company until claimed and so that the Company shall not thereby be constituted a trustee in respect thereof. If any dividend shall have remained unclaimed for at least twelve years after the same became payable the Board may forfeit the same, and after such forfeiture no member or other person shall have any right to or claim in respect of such dividend.

47.6 No interest on dividends

No dividend shall bear interest against the Company.

47.7 Joint holders

If two or more persons are registered as joint holders of any share, or are entitled jointly to a share in consequence of the death or bankruptcy of the holder or otherwise by operation of law, any one of them may give effectual receipts for any dividend or other monies payable or property distributable on or in respect of the shares.

47.8 Dividend payment procedure

Any dividend or other monies payable in cash on or in respect of a share or debenture or other security may be paid by cheque or warrant sent through the post to the registered address of the member or person entitled thereto (or, if two or more persons are registered as joint holders of the share or debenture or other security or entitled thereto in consequence of the death or bankruptcy of the holder or otherwise by operation of law, to any one of such persons) or to such person at such address as such member or person or persons may by writing direct. Where such dividend or other monies are to be paid by cheque or warrant, every such cheque or warrant shall be made payable to the order of the person to whom it is sent or to such person as the holder or joint holders or person or persons entitled to the share in consequence of the death or bankruptcy of the holder or otherwise by operation of law may direct. Any such dividend or other monies may also be paid by such other method (including, without limitation, direct debit, bank or other funds transfer system or transfer by any electronic media) as the Board may in its absolute discretion think fit (subject always, in the case of shares or securities in uncertificated form, to the facilities and requirements of the Relevant Electronic System concerned where payment is to be made by means of such Relevant Electronic System) to or through such person as the holder or person entitled may in writing direct. Every such cheque or warrant so sent or payment so made shall be sent or made at the risk of the holder or person entitled. Payment of a cheque or warrant by the bank on which it was drawn, the transfer of the funds by the bank instructed to make the same or the making of payment otherwise in accordance with this Article shall be a good discharge to the Company. The Company shall have no responsibility for any sums lost or delayed in the course of payment by a method selected by the Board pursuant to this Article, or where it has acted on any directions given by the holder or person entitled.

47.9 Non-cash distribution

Any General Meeting declaring a dividend may direct payment of such dividend wholly or in part by the distribution of specific assets, and in particular of paid up shares or debentures of any other company, or in any one or more of such ways, and the Board shall give effect to such

resolution, and where any difficulty arises in regard to the distribution it may settle the same as it thinks expedient, and in particular may disregard in whole or in part or round up or down any fractional entitlements and may issue fractional certificates and may fix the value for distribution of such specific assets or any part thereof and may determine that cash payments shall be made to any members upon the footing of the value so fixed in order to adjust the rights of all parties, and may vest any such specific assets in trustees upon such trusts for the persons entitled to the dividend as may seem expedient to the Board.

48 **SCRIP DIVIDENDS**

48.1 The Board may, if authorised by an Ordinary Resolution of the Company, offer any holders of Ordinary Shares the right to elect to receive Ordinary Shares, credited as fully paid, instead of cash in respect of the whole (or some part, to be determined by the Board) of any dividend specified by the Ordinary Resolution. The following provisions shall apply:

- (a) An Ordinary Resolution may specify a particular dividend, or may specify all or any dividends declared within a specified period, but such period may not end later than the beginning of the third Annual General Meeting following the date of the meeting at which the Ordinary Resolution is passed PROVIDED nevertheless that the Board may in its absolute discretion suspend or terminate (whether temporarily or otherwise) such right to elect and may do such things and acts as may be considered necessary or expedient with regard to, or in order to effect, any such suspension or termination.
- (b) The entitlement of each holder of Ordinary Shares to new Ordinary Shares shall be such that the relevant value of the entitlement shall be as nearly as possible equal to (but not greater than) the cash amount (disregarding any tax credit) of the dividend that such holder elects to forego. For this purpose "**relevant value**" shall be calculated by reference to the average of the middle market quotations for the Company's Ordinary Shares on the London Stock Exchange as derived from the London Stock Exchange Daily Official List, on the day on which the Ordinary Shares are first quoted "ex" the relevant dividend and the four subsequent dealing days, or in such other manner as may be determined by or in accordance with the Ordinary Resolution. A certificate or report by the Auditors as to the amount of the relevant value in respect of any dividend shall be conclusive evidence of that amount.
- (c) The basis of allotment shall be such that no member may receive a fraction of a share. The Board may make such provisions as it thinks fit for any fractional entitlements, including without limitation provisions whereby, in whole or in part, the benefit thereof

accrues to the Company and/or fractional entitlements are accrued and/or retained and in either case accumulated on behalf of any holder of Ordinary Shares.

- (d) On or as soon as practicable after announcing that it is to declare or recommend any dividend, the Board, if it intends to offer an election in respect of that dividend, shall also announce that intention, and shall, after determining the basis of allotment, if it decides to proceed with the offer, notify the holders of Ordinary Shares in writing of the right of election offered to them, and specify the procedure to be followed and place at which, and the latest time by which, elections must be lodged in order to be effective. The Board may also from time to time establish or vary a procedure for election mandates, under which a holder of Ordinary Shares may elect in respect of future rights of election to be offered to the holder under this Article until the election mandate is revoked in accordance with this procedure.
- (e) Any offer to holders of Ordinary Shares may be subject to such exclusions or restrictions as the Board may, in its absolute discretion, deem necessary or desirable in relation to compliance with legal or practical problems under the laws of, or the requirements of any recognised regulatory body or any stock exchange in, any territory.
- (f) On each occasion the dividend (or that part of the dividend in respect of which a right of election has been offered) shall not be payable on Ordinary Shares in respect of which an election has been made and has not been revoked (the "**elected Ordinary Shares**"). Instead, Ordinary Shares shall be allotted to the holders of the elected Ordinary Shares on the basis of allotment calculated as stated. For such purpose the Board shall capitalise, out of any amount for the time being standing to the credit of any reserve or fund (including the profit and loss account) whether or not the same is available for distribution as the Board may determine, a sum equal to the aggregate nominal amount of the additional Ordinary Shares to be allotted on that occasion on that basis and apply it in paying up in full the appropriate number of unissued Ordinary Shares for allotment and distribution to the holders of the elected Ordinary Shares on that basis. A resolution of the Board capitalising any part of any reserve or fund pursuant to this Article shall have the same effect as if such capitalisation had been sanctioned by an Ordinary Resolution in accordance with Article 49.1.
- (g) The additional Ordinary Shares, when allotted shall rank *pari passu* in all respects with the fully-paid Ordinary Shares then in issue except that they will not be entitled to participation in the relevant dividend (or share election in lieu).

49 CAPITALISATION OF RESERVES

49.1 In addition to the provisions of Article 48, the Board may at any time, subject as hereinafter provided, capitalise any part of the undivided profits of the Company (whether or not the same are available for distribution) or any part of any sum for the time being standing to the credit of any of the Company's reserve accounts (including Capital Reserve, share premium account and capital redemption reserve) and may appropriate the profits or sum so capitalised as capital to the members in the proportion in which such profits or sum would have been divisible amongst them had the same been applied or been applicable in paying dividends on the shares held by them on such date as shall be fixed by the Board and to apply such profits or sum on their behalf, either in or towards paying up the amounts (if any) for the time being unpaid on any shares held by them respectively, or in the paying up in full of unissued shares or debentures of the Company of a nominal amount equal to such profits or sum, such shares or debentures to be allotted and distributed credited as fully paid up to and among such members in the proportion aforesaid, or partly in one way and partly in the other: Provided always that the share premium account and the capital redemption reserve and any profits which are not available for distribution may, for the purposes of this Article, only be applied in the paying up of unissued shares to be allotted to members as fully paid.

49.2 On any such capitalisation the Board shall make all appropriations and applications of the undivided profits or sum resolved to be capitalised thereby, and all allotments and issues of fully paid shares or debentures (if any) and generally shall do all acts and things required to give effect thereto, with full power to make such provision (including provision whereby fractional entitlements are disregarded or the benefit thereof accrues to the Company instead of to the members otherwise entitled) as they think fit for the case of shares or debentures becoming distributable in fractions, and also to authorise any person to enter on behalf of all the members entitled thereto into an agreement with the Company providing for the allotment to them respectively, credited as fully paid up, of any shares or debentures to which they may be entitled as the result of such capitalisation, and any agreement made under such authority shall be effective and binding upon all such members.

50 NOTICES AND OTHER COMMUNICATIONS

50.1 Requirements for writing

Any notice to be given to or by any person pursuant to these Articles shall be in writing other than a notice calling a meeting of the Directors which need not be in writing.

50.2 Methods of sending or supplying

(a) Any notice, document or information may (without prejudice to Article 50.5) be sent or supplied by the Company to any member either:

- (i) personally; or
- (ii) by sending it by post in a prepaid envelope addressed to the member at his registered address or postal address given pursuant to Article 50.2(d), or by leaving it at that address; or
- (iii) by sending it in electronic form to a person who has agreed (generally or specifically) that the notice, document or information may be sent or supplied in that form (and has not revoked that agreement); or
- (iv) by making it available on a website, provided that the requirements in Article 50.2(b) and the provisions of the 2006 Act are satisfied.

(b) The requirements referred to in Article 50.2(a)(iv) are that:

- (i) the member has agreed (generally or specifically) that the notice, document or information may be sent or supplied to him by being made available on a website (and has not revoked that agreement), or the member has been asked by the Company to agree that the Company may send or supply notices, documents and information generally, or the notice, document or information in question, to him by making it available on a website and the Company has not received a response within the period of 28 days beginning on the date on which the Company's request was sent and the member is therefore taken to have so agreed (and has not revoked that agreement);
- (ii) the member is sent a notification of the presence of the notice, document or information on a website, the address of that website, the place on that website where it may be accessed, and how it may be accessed ("**notification of availability**");
- (iii) in the case of a notice of meeting, the notification of availability states that it concerns a notice of a company meeting, specifies the place, time and date of the meeting, and states whether it will be an Annual General Meeting; and

- (iv) the notice, document or information continues to be published on that website, in the case of a notice of meeting, throughout the period beginning with the date of the notification of availability and ending with the conclusion of the meeting and in all other cases throughout the period specified by any applicable provision of the 2006 Act, or, if no such period is specified, throughout the period of 28 days beginning with the date on which the notification of availability is sent to the member, save that if the notice, document or information is made available for part only of that period then failure to make it available throughout that period shall be disregarded where such failure is wholly attributable to circumstances which it would not be reasonable to have expected the Company to prevent or avoid.
- (c) In the case of joint holders of a share:
 - (i) it shall be sufficient for all notices, documents and other information to be sent or supplied to the joint holder whose name stands first in the Register in respect of the joint holding (the "**first named holder**") only; and
 - (ii) the agreement of the first named holder that notices, documents and information may be sent or supplied in electronic form or by being made available on a website shall be binding on all the joint holders.
- (d) A member whose registered address is not within the United Kingdom shall not be entitled to receive any notice, document or information from the Company unless he gives to the Company an address (not being an electronic address) within the United Kingdom at which notices, documents or information may be sent or supplied to him.
- (e) For the avoidance of doubt, the provisions of this Article are subject to Article 21.5(f).
- (f) The Company may at any time and at its sole discretion choose to send or supply notices, documents and information only in hard copy form to some or all members.

50.3 Deemed receipt of notice

A member present either in person or by proxy at any meeting of the Company or of the holders of any class of shares shall be deemed to have received notice of the meeting and, where requisite, of the purposes for which it was called.

50.4 Notice by reference to Register

- (a) Any notice to be given to a member may be given by reference to the Register as it stands at any time within the period of 21 days before the notice is given, and no change in the Register after that time shall invalidate the giving of the notice.
- (b) Every person who becomes entitled to a share shall be bound by any notice in respect of that share which, before his name is entered in the Register, has been given to the person from whom he derives his title; but this Article does not apply to a notice given under section 793 of the 2006 Act.

50.5 Notice when post not available

Where, by reason of any suspension or curtailment of postal services, the Company is unable effectively to give notice of a General Meeting, the Board may decide that the only persons to whom notice of the affected General Meeting must be sent are the Directors, the Auditors, those members to whom notice to convene the General Meeting can validly be sent by electronic means and those members to whom notification as to the availability of the notice of meeting on a website can validly be sent by electronic means. In any such case the Company shall also:

- (a) advertise the General Meeting in at least two national daily newspapers published in the United Kingdom; and
- (b) send or supply a confirmatory copy of the notice to members in the same manner as it sends or supplies notices under Article 50.2 if at least seven clear days before the meeting the posting of notices again becomes practicable.

50.6 Other notices and communications advertised in national newspaper

Any notice, document or information to be sent or supplied by the Company to the members or any of them, not being a notice of a General Meeting, shall be sufficiently sent or supplied if sent or supplied by advertisement in at least one national daily newspaper published in the United Kingdom.

50.7 When notice or other communication deemed to have been received

Any notice, document or information sent or supplied by the Company to the members or any of them:

- (a) by post, shall be deemed to have been received 24 hours after the time at which the envelope containing the notice, document or information was posted unless it was sent by second class post, or there is only one class of post, or it was sent by air mail to an address outside the United Kingdom, in which case it shall be deemed to have been received 48 hours after it was posted. Proof that the envelope was properly addressed, prepaid and posted shall be conclusive evidence that the notice, document or information was sent;
- (b) by being left at a member's registered address or postal address given pursuant to Article 50.2(d), shall be deemed to have been received on the day it was left;
- (c) by electronic means, shall be deemed to have been received 24 hours after it was sent. Proof that a notice, document or information in electronic form was addressed to the electronic address provided by the member for the purpose of receiving communications from the Company shall be conclusive evidence that the notice, document or information was sent;
- (d) by making it available on a website, shall be deemed to have been received on the date on which notification of availability on the website is deemed to have been received in accordance with this Article or, if later, the date on which it is first made available on the website;
- (e) by means of a Relevant Electronic System, shall be deemed to have been received 24 hours after the Company or any sponsoring system-participant acting on the Company's behalf, sends the issuer-instruction relating to the notice, document or information; or
- (f) by advertisement, shall be deemed to have been received on the day on which the advertisement appears.

50.8 Communications sent or supplied to persons entitled by transmission

Any notice, document or information may be sent or supplied by the Company to the person entitled to a share in consequence of the death or bankruptcy of a member by sending or supplying it in any manner authorised by these Articles for the sending or supply of notice to a member addressed to that person by name, or by the title of representative of the deceased or trustee of the bankrupt or by any like description, at the address, if any, within the United Kingdom supplied for that purpose by the person claiming to be so entitled. Until such an

address has been supplied, a notice may be sent or supplied in any manner in which it might have been given if the death or bankruptcy had not occurred.

50.9 Power to stop sending communications to untraced members

If on three consecutive occasions notices, documents or information sent or supplied to a member have been returned undelivered, the member shall not be entitled to receive any subsequent notice, document or information until he has supplied to the Company (or its agent) a new registered address, or a postal address within the United Kingdom, or (without prejudice to Article 50.2(d)) shall have informed the Company, in such manner as may be specified by the Company, of an electronic address. For the purposes of this Article, references to notices, documents or information include references to a cheque or other instrument of payment, but nothing in this Article shall entitle the Company to cease sending any cheque or other instrument of payment for any dividend, unless it is otherwise so entitled under these Articles.

50.10 Validation of documents in electronic form

Where a document is required under these Articles to be signed by a member or any other person, if the document is in electronic form, then in order to be valid the document must either:

- (a) incorporate the electronic signature, or personal identification details (which may be details previously allocated by the Company), of that member or other person, in such form as the Directors may approve; or
- (b) be accompanied by such other evidence as the Directors may require in order to be satisfied that the document is genuine.

The Company may designate mechanisms for validating any such document and a document not validated by the use of any such mechanisms shall be deemed as having not been received by the Company. In the case of any document or information relating to a meeting, an instrument of proxy or invitation to appoint a proxy, any validation requirements shall be specified in the relevant notice of meeting.

51 RECORD DATE

Notwithstanding any other provision of these Articles but subject always to the Statutes and the rules of the London Stock Exchange the Company or the Board may by resolution specify any date (the "**record date**") as the date at the close of business (or such other time as the Board

may determine) on which persons registered as the holders of shares or other securities shall be entitled to the receipt of any dividend, distribution, interest, allotment or issue or other entitlement, and such record date may be on or at any time before or after the date on which the same is paid or made but without prejudice to the rights inter se in respect of the same of transferors and transferees of any such shares or other securities.

52 INSPECTION OF ACCOUNTS

Except as provided by the Statutes or by order of the court or authorised by the Directors or an Ordinary Resolution of the Company, no person is entitled to inspect any of the Company's accounting or other records or documents merely by virtue of being a member.

53 WINDING UP

If the Company shall be wound up the liquidator may, with the sanction of a Special Resolution of the Company and with any other sanction required by law, divide amongst the members in specie or kind the whole or any part of the assets of the Company (whether they shall consist of property of the same kind or not) and may for such purpose set such value as he deems fair upon any property to be so divided and may determine how such division shall be carried out as between the members or different classes of members. The liquidator may, with the like sanction, vest the whole or any part of such assets in trustees upon such trusts for the benefit of the members as the liquidator, with the like sanction, shall think fit, but so that no member shall be compelled to accept any shares or other securities on which there is any liability.

54 CONTINUATION RESOLUTION

54.1 The Directors shall propose an ordinary resolution at the annual general meeting of the Company in 2026 that the Company continues its business as presently constituted (the "**Initial Continuation Resolution**"). If the Initial Continuation Resolution is passed, the Directors are required to propose an ordinary resolution at each fifth annual general meeting of the Company thereafter that the Company continues its business as presently constituted (the "**Continuation Resolution**").

forms ("**Information**") relating to such member (and its direct or indirect owners or account holders or the persons beneficially interested, directly or indirectly in the shares held by such member) that the Board determines from time to time is necessary or appropriate for the Company to have in order to:

- (a) satisfy any account or payee identification, documentation or other diligence requirements and any reporting requirements imposed under or in relation to FATCA or the requirements of any similar laws or regulations to which the Company may be subject enacted from time to time by any other jurisdiction ("**Similar Laws**"); or

- (c) permit the Company to enter into, comply with, or prevent a default under or termination of, an agreement of the type described in section 1471(b) of the US Tax Code or under Similar Laws.

57.2 The Company and its agents shall be entitled to hold and process the Information for the purposes of carrying out the business of the Company and the administration and protection of its interests, including without limitation for the purposes set out in Article 57.1 above.

57.3 If any member is in default of supplying the Information to the Company within the period set out in the notice referred to in Article 57.1 (which shall not be less than ten days after the service of the notice), the Board may by notice to such member declare him to be a Non-Qualified Holder for the purposes of these Articles, including without limitation, Articles 57.6 and 57.7 below, and declare that the shares which in the opinion of the Board are held by such member shall be regarded as Prohibited Shares.

57.4 The Directors may at any time, and from time to time, give written notice to any Shareholder requiring him to make a declaration as to whether or not any share held by such person is a Prohibited Share. If at any time the holding or beneficial ownership of any shares in the Company by any person (whether on its own or taken with other shares), in the opinion of the Board, would or might give rise to an Onerous Obligation, then the Board may by written notice to the holder—of such shares declare such holder to be a Non-Qualified Holder and declare that the shares which are held by such holder shall be regarded as Prohibited Shares.

57.5 The Board may at any time, and from time to time, give written notice to any Non-Qualified Holder, requiring him either:

- (a) (in the case of a person who has been declared a Non-Qualified Holder under Article 57.4) to provide the Board within 21 days of service of such notice with sufficient satisfactory documentary evidence to satisfy the Board (in its discretion) that such person should not be regarded as a Non-Qualified Holder and that the shares held by such person should not be treated as Prohibited Shares; or, (in the case of a person who has been declared a Non-Qualified Holder under Article 57.3) to provide the Board within 21 days of service of such notice with the Information so as to satisfy the Board (in its discretion) that such person should not be regarded as a Non-Qualified Holder and that the shares held by such person should not be treated as Prohibited Shares; or
- (b) to sell or transfer his Prohibited Shares to a person who is not, and would not be upon such sale or transfer, a Non-Qualified Holder within 21 days of service of such notice (or such longer period as the Board may determine) and within such 21 days (or such longer period as the Board may determine) to provide the Board with satisfactory evidence of such sale or transfer and pending such sale or transfer, the Board may suspend the exercise of any voting or consent rights (and such rights will vest in the Chairman of any such meeting who may act entirely at his discretion) and rights to receive notice of or attend any meeting of the Company and any rights to receive dividends or other distributions with respect to such Prohibited Shares.

57.6 Where condition 192.5.1 or 192.5.2 above is not satisfied within 21 days (or such longer period as the Board may determine) after the serving of the notice, the person will be deemed, upon the expiration of such 21 days to have forfeited his Prohibited Shares. If the Board in its absolute discretion so determines, the Company may dispose of the Prohibited Shares at the best price reasonably obtainable and pay the net proceeds of such disposal to the former holder. The provisions of Articles 15.2, 15.3 and 15.4 shall apply mutatis mutandis to any such disposal.

57.7 Upon transfer of a share, the transferee of such share shall be deemed to have represented and warranted to the Company that he is acquiring those shares in an offshore transaction meeting the requirements of Regulation S and is: (i) not a Benefit Plan Investor and no portion of the assets used by such transferee to acquire or hold an interest in such share constitutes or will be treated as "plan assets" of any Benefit Plan Investor; (ii) not a US Person, located in the United States or acquiring the shares for the account or benefit of a US Person.
