4.2 The Chargor shall hold on trust for the Chargee (which trust the Chargor hereby declares) the Chargor's entire interest and benefit in and to the Collateral or any part thereof which cannot be charged or assigned by the Chargor together with all proceeds, money and other rights and benefits to which the Chargor is beneficially entitled in respect of such Collateral.

5. **Warranty and Negative Pledge**

5.1 The Chargor represents, warrants and undertakes that there are no (and the Chargor shall not grant any) charges or other security interests, encumbrance or arrangements having the effect of conferring security interests created by the Chargor or permitted by the Chargor to arise over the Collateral or over any other of the Chargor's property otherwise than in favour of the Chargee or with the Chargee's prior written consent. Notwithstanding anything to the contrary contained herein, if the Chargor charges or otherwise encumbers any of the Collateral in any manner contemplated by this Clause 5.1 the charges created in favour of the Chargee shall rank in priority to such other charges or encumbrances whether they be fixed, floating or otherwise.

5.2 The Chargor hereby warrants and undertakes with the Chargee that it is or will be absolutely entitled to the benefit of those properties and of the agreements referred to in Clause 3 hereof to which it is a party (subject to the terms of such agreements) and has full power, right and title to assign and/or charge the Collateral and is duly incorporated and validly existing and in good standing under the laws of England and Wales and has taken all action necessary to authorise the execution, performance and delivery of this Deed.

6. **Licence and Permitted Use**

Notwithstanding any other provision of this Deed, the Chargee, hereby grants the Chargor a non-exclusive licence to licence, use, exercise and continue to licence, use and exercise:

6.1.1 the Intellectual Property Rights which have been charged and assigned hereunder; and

without further action or consent of the Chargee for all purposes and activities as required by the Chargor in the ordinary course of the Chargor's business. The foregoing licence shall remain in force until the earlier of (a) release and reassignment of all rights to the Chargor upon the expiry of this Deed, or (b) any Event of Default which is continuing following any applicable cure period.

7. **Default**

On the happening of any Event of Default which has not been cured within any cure periods provided in the Revolving Credit Facility Agreement or at any time thereafter, the floating charge created by Clause 3.2 shall automatically be converted with immediate effect into a fixed charge, the obligation of the Chargee to advance monies under the Revolving Credit Facility Agreement shall immediately terminate, the security hereby created shall become enforceable and the Secured Liabilities shall immediately become due and payable.

8. **Exercise of Rights**

8.1 The Chargee may at any time after the security hereby created shall have become enforceable -

- 8.1.1 without prejudice to any other powers the Chargee may have by law, exercise all of the powers set out in the Law of Property Act 1925 and in Schedule 1 to the Insolvency Act 1986 and any other powers the Chargee may have by law and, in addition, all of the powers set out in Clause 8.2 below; and

- 8.2 If a Receiver is appointed he shall be the agent of the Chargor and, without prejudice to any other powers the Receiver may have by law, he shall have all the powers set out in the Law of Property Act 1925 and in Schedule 1 to the Insolvency Act 1986 and in addition shall have power –
- 8.2.1 to take possession of, get in or realise the Collateral and to take, enforce, defend or abandon any actions, suits and proceedings in the name of the Chargor or otherwise in relation to the Collateral as he or the Chargee shall think fit;
 - 8.2.2 to settle, adjust, refer to arbitration, compromise and arrange any claims, accounts, disputes, questions and demands with or by any person who is or claims to be a creditor of the Chargor relating in any way to the Collateral or any part thereof;
 - 8.2.3 to assign, sell, lease, license, grant options to sell, deal with or manage or concur in assigning, selling, leasing, licensing, granting options to sell, dealing with or managing and to vary, terminate or accept surrenders of leases, licences or tenancies of any of the Collateral in such manner and generally on such terms and conditions as the Chargee or he shall think fit and to carry any such transactions into effect in the name of and on behalf of the Chargor or otherwise;
 - 8.2.4 to take any steps that may be necessary or desirable to effect compliance with all or any of the agreements hereby charged;
 - 8.2.5 to exercise all the powers of the Chargor including to carry on and manage or concur in carrying on and managing the business of the Chargor or any part thereof and the Chargor acknowledges that it shall not seek to prevent the Receiver from so carrying on or managing its business;
 - 8.2.6 to raise or borrow any money that may be required upon the security of the whole or any part of the Collateral or without such security;
 - 8.2.7 to give valid receipts for all monies and execute all assurances and things which may be proper or desirable for realising the Collateral;
 - 8.2.8 to appoint and discharge advisers, managers, agents, employees, contractors and workmen in relation to the business of the Chargor at such salaries and for such periods as the Receiver may determine;
 - 8.2.9 to make any arrangement or compromise, pay any compensation or incur any obligation and enter into any contracts in relation to the Collateral which the Receiver shall think expedient in the interests of the Chargee;
 - 8.2.10 to make, effect and do all maintenance, repairs, developments, reconstructions, improvements, furnishings, equipment, insurances, alterations or additions to or in respect of the Collateral in the interests of the Chargee for maintaining the value of the Collateral in every such case as the Chargee or he shall think fit;
 - 8.2.11 to make calls conditionally or unconditionally on the shareholders of the Chargor in respect of the uncalled capital of the Chargor (with the same powers for the purpose of enforcing payment of any

calls so made as are by the Articles of Association of the Chargor conferred upon the Chargor or the directors of the Chargor (as the case may be) in respect of calls authorised to be made by them and to make the same in the name of the directors or in that of the Chargor or otherwise and to the exclusion of any other person's power in that behalf);

- 8.2.12 to promote the formation of companies with a view to purchasing, leasing, licensing or otherwise acquiring interests in all or any of the Collateral, to arrange for such companies to trade or cease to trade and to purchase, lease, license or otherwise acquire all or any of the Collateral on such terms and conditions whether or not including payment by instalments secured or unsecured as the Receiver shall think fit;
- 8.2.13 to manage, develop, reconstruct, improve, amalgamate or diversify or concur in managing, developing, reconstructing, improving, amalgamating or diversifying the business of the Chargor;
- 8.2.14 to do all such other acts and things as may be considered to be incidental or conducive to any of the matters or powers aforesaid and which he lawfully may or can do; and
- 8.2.15 to exercise all such other power and authority in relation to the Collateral as the Chargee shall think fit and so that the Chargee may in relation to all or any part of the Collateral exercise and confer any powers and authorities which it could exercise and confer if it were the absolute beneficial owner thereof and to use the name of the Chargor for any such purposes,

PROVIDED ALWAYS THAT nothing herein contained shall make the Chargee liable to the Receiver in respect of his remuneration, costs, charges or expenses or otherwise for which together with the Receiver's acts, contracts, defaults and omissions the Chargor alone shall be liable.

- 8.3 In addition, but without prejudice, to the foregoing remedies if the security hereby created shall become enforceable the Chargee shall (without prejudice to the statutory power of sale conferred by the Law of Property Act 1925 which is applicable to this Deed) be entitled to sell the Collateral or any part or parts thereof or otherwise exploit or turn to account the Collateral for such price and in such manner as the Chargee in its absolute discretion may think fit, without notice to the Chargor or any other formality, all of which are hereby waived by the Chargor. The Chargee shall be entitled to repayment of all costs and charges in connection therewith including all costs fees and charges it may incur as a consequence of the enforcement hereof.
- 8.4 The restrictions contained in sections 93, 103 and 109 of the Law of Property Act 1925 shall not apply to the security hereby created.
- 8.5 The Chargee or the Receiver may enforce the security created by this Deed in any order which the Chargee or the Receiver in their or its absolute discretion think(s) fit.
- 8.6 The Chargee may appoint more than one Receiver and in such event any reference in this Deed to a Receiver shall apply to both or all of the Receivers so appointed and the appointment of Receivers so made shall be deemed to be a joint and several appointment and so that the rights, powers, duties and discretion vested in the Receivers so appointed may be exercised by them all jointly or severally by each of them.
- 8.7 The Chargee shall not nor shall the Receiver by reason of the Chargee or the Receiver entering into possession of the Collateral or any part thereof be liable to account as mortgagee in possession or for any default or omission of any nature whatsoever for which a mortgagee in possession might be liable, or be liable for any loss or damage occasioned by or upon realisation or diminution in value happening in or about the exercise of any power conferred hereby or by statute and the Chargor shall have no right or action or claim against the Chargee on the grounds that a better price could or might have been obtained on any such realisation, sale or disposal. The Chargee and the Receiver shall be entitled to all the rights, powers, privileges and immunities conferred by statute on mortgagees and receivers.
- 8.8 If the Chargor shall without the express written agreement of the Chargee thereto create or permit to arise or subsist any encumbrance (other than the Security Interests) affecting the Collateral of which the Chargee shall receive notice, actual or constructive, the Chargee may open a new account for the Chargor and if the Chargee

does not in fact open such new account it shall nevertheless be treated as if it had done so at the time when it received such notice and as from that time all payments made by or on behalf of the Chargor to the Chargee shall be credited or be treated as having been credited to the new account, and such payments shall not operate to reduce the amount due from the Chargor to the Chargee at the said time until such payments may be indefeasibly so applied by the Chargee (but this Clause shall not prejudice any security which apart from this Clause the Chargee would have had but for the discharge by the Chargor of liabilities or obligations incurred after that time).

- 8.9 The Chargee may at any time without prior notice transfer, where the Chargee has more than one account for the Chargor in its books, all or any part of any balance standing to the credit of any such account to any other such account which may be in debt, combine and consolidate all or any of the accounts for the time being of the Chargor with the Chargee and/or in any event set off any monies or other assets which the Chargee may at any time hold for the account of the Chargor against the Chargor's liability under this Deed and without prejudice to any other right of set-off or similar right to which the Chargee may be entitled in law.
- 8.10 All monies received, recovered or realised by the Chargee under this Deed may at the sole discretion of the Chargee be credited by the Chargee to any suspense or impersonal account pending the application from time to time of such monies and accrued interest thereon at the rate if any agreed in writing between the Chargor and the Chargee from time to time (as the Chargee shall be entitled to do in its discretion) in or towards the payment of the Secured Liabilities.
- 8.11 The proceeds of any Collateral obtained or disposed of pursuant to this Deed shall be applied as follows –
- 8.11.1 firstly, in payment of any and all expenses and fees (including, but not limited to, reasonable solicitor's fees) incurred by the Chargee in obtaining, taking possession of, removing, insuring, storing and disposing of the Collateral and any and all amounts incurred by the Chargee in connection therewith (including without limitation in connection with any proceedings brought in connection with any administration of the Chargor);
- 8.11.2 secondly, towards and until repayment of the Secured Liabilities in full; and
- 8.11.3 thirdly, any surplus then remaining shall be paid to the Chargor.

9. **Indemnity and Interest**

- 9.1 The Chargor indemnifies the Chargee, the Receiver and any administrator appointed by the Chargee in respect of, and agrees to keep the Chargee, the Receiver and any administrator appointed by the Chargee indemnified from and against, all liabilities and expenses properly incurred in the execution or purported execution of any of the powers, authorities or discretion vested in the Chargee, the Receiver or any administrator appointed by the Chargee pursuant hereto and against all actions, proceedings, costs, claims and demands in respect of any matter or thing done or omitted by the Chargor in any way relating to the Collateral and the Chargee, the Receiver and any administrator appointed by the Chargee may retain and pay all sums in respect of the same out of any monies received under the powers hereby conferred.
- 9.2 Any sums which are payable by the Chargor under this Deed and which are paid by the Chargee or the Receiver or any administrator appointed by the Chargee, shall be repaid by the Chargor on demand together with interest at the Interest Rate from the time of the same having been paid or incurred by the Chargee or, as the case may be, the Receiver or any administrator appointed by the Chargee to the time that payment is made in full by the Chargor (as well after as before judgment or demand therefor), and the payment of any such sum by the Chargee or the Receiver or any administrator appointed by the Chargee shall not constitute the Chargee or the Receiver or any administrator appointed by the Chargee a mortgagee in possession of the Collateral in respect of which such payment is made.

10. **Warranties, Representations and Covenants**

- 10.1 The Chargor hereby covenants and undertakes with the Chargee that it will comply at all times with the terms (express or implied) of this Deed and further covenants and undertakes that it shall so long as the Secured Liabilities have not been indefeasibly paid, satisfied or discharged (as applicable) to the Chargee and until the Chargee has

no obligation, actual or contingent, to make further sums available under the Revolving Credit Facility Agreement

—

- 10.1.1 remain liable under the contracts and agreements (including, without limitation, all Relevant Agreements to which it is a party) charged or assigned or to be charged or assigned hereunder to perform all the obligations assumed by it thereunder and the Chargee shall not be under any obligations or liability under or in respect of any of such contracts and agreements;
- 10.1.2 not require the Chargee to enforce any term of any of the said contracts and agreements against any party (it being acknowledged that in no circumstances shall the Chargee have any obligation so to enforce);
- 10.1.3 duly perform its obligations under the said agreements, notify the Chargee of any material default by itself and institute and maintain all such proceedings (subject to the terms hereof) as may be necessary or expedient to preserve or protect the interest of the Chargee and itself in the said agreements;
- 10.1.4 not exercise any right or power conferred on it by or available to it under the said agreements (including, without limitation, the right of termination) if to do so might adversely affect the position of the Chargee unless and until requested to do so by the Chargee. Thereupon it will exercise such right or power as the Chargee may direct;
- 10.1.5 not accept or make any claim that the said agreements have been frustrated or have ceased to be in full force if to do so might adversely affect the position of the Chargee;
- 10.1.6 not assign or otherwise dispose of any of its rights under the said agreements;
- 10.1.7 do all such things as are necessary to maintain its corporate existence in good standing (including without limitation the filing of all necessary returns); and
- 10.1.8 upon the request of the Chargee give written notice (in such form and to such persons as the Chargee may require) of the security hereby created.

10.2 The Chargor represents and warrants to the Chargee that it is the sole absolute legal and beneficial owner of the Accounts.

10.3 The Chargor hereby repeats in favour of the Chargee the warranties, representations, undertakings and covenants set out in the Revolving Credit Facility Agreement as if the same were set forth and incorporated herein.

Nature of Security

Subject to Clause 22, this Deed shall be a continuing security to the Chargee notwithstanding any settlement of account or other act, omission, matter or thing whatsoever which but for this provision might operate to release or otherwise exonerate the Chargor from its obligations hereunder or affect such obligations or release or diminish the security conferred hereunder. Such security is in addition to, and shall not be merged into, or in any way prejudice any other security interest, charge document or right which the Chargee may now or at any time hereafter hold or have as regards the Chargor or any other person firm or corporation in respect of the Collateral and shall not in any way be prejudiced or affected thereby or by the invalidity thereof or by the Chargee now or hereafter dealing with, exchanging, releasing, modifying or abstaining from perfecting or enforcing any of the same or any rights which it now or hereafter has or by the Chargee giving time for payment or indulgence or compounding with any other person liable and this security shall remain in full force and effect as a continuing security unless and until the Chargee shall release and discharge this Deed in accordance with Clause 22 hereof. The rights granted to the Chargee hereunder are in addition to, and in no way limit or restrict, the rights granted to the Chargee in the Revolving Credit Facility Agreement or any other agreement. The exercise by the Chargee of its rights under this Deed shall in no way affect or be in substitution for such other legal or equitable rights and remedies as the Chargee may have against the Chargor or any third party.

12. **Grant of Time or Indulgence**

The security created by this Deed shall not be affected or prejudiced in any way by the Chargee giving time or granting any indulgence or accepting any composition from or compounding with or making any other arrangement with the Chargor or any other person firm or company in respect of the Secured Liabilities or otherwise.

13. **Protection of Third Parties**

13.1 No purchaser from the Chargee and/or the Receiver or other person dealing with the Chargee and/or the Receiver shall be concerned to enquire whether any of the powers which the Chargee or the Receiver have exercised or purported to exercise have arisen or become exercisable or whether the Secured Liabilities remain outstanding or as to the propriety or validity of the exercise or purported exercise of any such power and the title of a purchaser and the position of such a person shall not be prejudiced by reference to any of those matters.

13.2 The receipt of the Chargee or the Receiver shall be an absolute and conclusive discharge to a purchaser and shall relieve such person of any obligation to see to the application of any sums paid to or by the direction of the Chargee or the Receiver.

14. **Waivers, Remedies Cumulative**

The powers which this Deed confers on the Chargee are cumulative and without prejudice to its powers under general law and may be exercised as often as the Chargee deems appropriate. The rights of the Chargee and the Receiver (whether arising under this Deed or under the general law) shall not be capable of being waived or varied otherwise than by an express waiver or variation in writing; and in particular any failure to exercise or any delay in exercising on the part of the Chargee or the Receiver any of such rights shall not operate as a waiver or variation of that or any other such right; any defective or partial exercise of any such right shall not preclude any other or further exercise of that or any other such right; and no act or course of conduct or negotiation on the part of either the Chargee or the Receiver or on its or their behalf shall in any way preclude either the Chargee or the Receiver from exercising any such right or constitute a suspension or variation of any such right.

15. **Governing Law**

This Deed and any non-contractual obligations arising out of or in connection with it shall be governed by and construed in accordance with the laws of England and the parties hereto submit to the exclusive jurisdiction of the English courts.

16. **Further Assurance**

The Chargor agrees to execute all further documents reasonably required by the Chargee to give effect to or perfect the security hereby created.

17. **Notice of Default**

The Chargor shall give written notice to the Chargee at the address set out against the name of such party at the beginning of this Deed or as shall be notified from time to time to the Chargor hereafter of the occurrence of any Event of Default as soon as such occurrence becomes known to the Chargor.

18. **Power of Attorney**

18.1 The Chargor hereby irrevocably appoints the Chargee and, if any Receiver or an administrator has been appointed, each of the Chargee, the Receiver and any administrator appointed by the Chargee to be an attorney of it in its name and on its behalf to sign, execute and deliver all deeds and documents and do all acts and things which the Chargee, the Receiver or an administrator appointed by the Chargee may reasonably require or reasonably deem appropriate for the purpose of exercising any of its powers or for the perfection, protection or realisation of any security hereby constituted. The Chargor hereby acknowledges that such appointment shall be irrevocable (until this Deed is released and reassigned under Clause 22).

18.2 This appointment shall operate as a power of attorney for the purposes of Clause 18.1 only made under Section 10 of the Powers of Attorney Act 1971 such appointment constituting a power coupled with an interest under English law. This power of attorney shall terminate without further notice on the release and discharge of this Deed pursuant to Clause 22.1 hereof but subject to Clause 22.2 hereof.

18.3 The Chargor hereby covenants with the Chargee that on request it will ratify and confirm all documents, acts and things and all transactions entered into by the Chargee, the Receiver or an administrator appointed by the Chargee or by the Chargor at the instance of the Chargee, the Receiver or an administrator appointed by the Chargee in the exercise or purported exercise of the aforesaid powers.

19. **Invalidity of any Provision**

If at any time any one or more of the provisions of this Deed becomes invalid, illegal or unenforceable in any respect under any law, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

20. **No Partnership**

Nothing herein shall constitute a partnership or a joint venture between the parties and no party is or shall hold itself out as the agent or partner of the other.

21. **Assignment**

The Chargee shall be entitled to assign, participate, transfer, charge, sub-charge or otherwise grant security over or deal in all or any of its right, title and interest in this Deed.

22. **Release and Reassignment**

22.1 Upon unconditional and indefeasible payment, satisfaction and discharge to the Chargee of the Secured Liabilities in full, the Chargee will, at the written request of the Chargor and at the expense of the Chargor –

22.1.1 release the Collateral charged pursuant to Clause 3 hereof;

22.1.2 re-assign to the Chargor or any third party continuing to have a security interest in the Collateral, the Collateral assigned pursuant to Clause 3 hereof (but not any sums by then paid to the Chargee and retained to satisfy the Secured Liabilities in respect thereof); and

22.1.3 execute such documents and do such things as the Chargor shall reasonably require to give effect to Clauses 22.1.1 and 22.1.2 hereof.

22.2 Where any release and discharge (whether in respect of the Secured Liabilities or otherwise) is made in whole or in part or any arrangement is made on the faith of any payment, security or other disposition which is avoided or must be repaid on bankruptcy, liquidation or otherwise, the security constituted by this Deed (and the liability of the Chargor in respect thereof) shall continue or shall be reinstated as if there had been no such discharge or arrangement.
